## EDGE INDEX

follow the how-to-use suggestions slowly **ONE STEP AT A TIME**. After that you will be able to open easily and almost instantly to the department, branch, commission, agency, or letter you seek.

## HOW TO USE

1. With the Register open on a desk, place your right thumb near the middle of the open side of this page and the four fingers of your right hand between the back page and the back cover. Then raise your right hand and move it to the left until the pages are bent nearly double.

2. From the one-, or two-line symbol adjacent to the subject you want, run your eye across the page edges until you reach the corresponding symbol.

3. Open there—That will be the place you seek.

Note.—There are three rows of symbols on the page edges. The left row of symbols (the one nearest to the front) indicates the subjects in the first or left column on this page. The middle row of symbols indicates the subjects in the second or middle column on this page. The third row indicates the alphabetical division in the right column.

It's easier if you "FAN" or "RIFFLE" the last few pages.

THE CIVIL SERVICE COMMISSION

AN ACT To provide for the compiling and publishing of the Official Register of the United States

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled*, That the United States Civil Service Commission shall cause to be compiled, edited, indexed, and published each year an Official Register of the United States, which shall contain a full and complete list of all persons occupying administrative and supervisory positions in the legislative, executive, and judicial branches of the Government, including the District of Columbia, in connection with which salaries are paid from the Treasury of the United States. The register shall show the name; official title; salary, compensation, and emoluments; legal residence and place of employment for each person listed therein: *Provided, however*, That the Official Register shall not contain the name of any postmaster or assistant postmaster, or any officer of the Army, Navy, and Marine Corps, unless such officer is assigned as an administrative officer.

SEC. 2. To enable the United States Civil Service Commission to compile and publish the Official Register of the United States on or before December 31 of each year, the Executive Office, the legislative and judicial branches of the Government, the Commissioners of the District of Columbia, and the head of each executive department, independent office, establishment, and commission of the Government shall, as of the 1st day of May of each year, beginning with May 1, 1936, supply to the United States Civil Service Commission the data required by this Act, upon forms approved and furnished by the Commission, in due time to permit the publication of the Official Register as herein provided; and no extra compensation shall be allowed to any officer, clerk, or employee of the United States Civil Service Commission for compiling the Official Register.

SEC. 3. Of the Official Register there shall be printed, bound, and delivered to the Superintendent of Documents and charged to the Congressional allotment for printing and binding a sufficient number of copies for distribution as follows: To the President of the United States, four copies, one copy of which shall be for the library of the Executive Office; to the Vice President of the United States, two copies; to each Senator, Representative, Delegate, and Resident Commissioner in Congress, three copies; to the Secretary and the Sergeant at Arms of the Senate and to the clerk, the Sergeant at Arms, and the Doorkeeper of the House of Representatives, each one copy; to the library of the Senate and the House, each, not to exceed fifteen copies; to the library of the Supreme Court, two copies; to the Library of Congress, for international exchange and for official use in Washington, District of Columbia, not to exceed one hundred and fifty copies; to the Municipal Library of the District of Columbia, two copies; and to the Commissioners of the District of Columbia, ten copies. The "usual number" shall not be printed.

SEC. 4. The head of each executive department, independent office, or establishment of the Government, not mentioned above, desiring copies of the Official Register shall issue, on or before May 1 of each year, a requisition upon the Public Printer for the number of copies of the Official Register necessary to meet its official requirements, the cost of such supply to be charged to the appropriations available for printing and binding for such executive department, independent office, or establishment.

SEC. 5. That section 510 of the Revised Statutes of the United States and section 2 of the Act discontinuing the printing of certain Government publications, and for other purposes (43 Stat. 1105), approved March 3, 1925, and all Acts or parts of Acts amendatory thereof or supplementary thereto, be, and the same are hereby, repealed.
