USARSO departure ceremony scheduled for next Friday

story by Charles S. McElroy
Tropic Times Staff

FORT CLAYTON—After nearly a century of the U.S. Army presence in Panama, U. S. Army South will transfer operations to Fort Buchanan, Puerto Rico, on July 30th.

The formal departure ceremony will take place at Fort Clayton's Soldier's Field at 11 a.m..

Long history

For many years USARSO served as the U.S. Southern Command's Army component in this hemisphere, with an area of operation encompassing 32 sovereign nations in Latin America and the Caribbean Basin.

The U.S. Army presence in Panama began in 1904 after the signing of the 1903 treaty between the United States and Panama which authorized the United States to build, operate, maintain and defend the Panama Canal.

In 1911, the 10th Infantry was assigned to what was then called the Panama Canal Zone with the mission of maintaining law and order among the canal construction force.

The Panama Canal opened in 1914, the same week that WWI broke out in Europe, and the U.S. Army was given the important task of protecting this economically strategic waterway. The importance of that task was amplified during WWII and throughout Cold War.

On Dec. 4, 1986, the U.S. Army South was activated as a major Army command and served as the headquarters for

The long U.S. Army presence in Panama has encompassed many missions over the years, including humanitarian and nation-assistance missions in Latin America and the Caribbean.

Spc. Kenneth K. Rockett (*Tropic Times*)

USARSO's missions are among the most critical and challenging in military operations. Those military operations include maintaining a high state of force readiness, defense of the Panama Canal, support for democracy in Panama and throughout the region, military to military and nation assistance programs, support for counter-drug initiatives and implementation of the Panama Canal Treaties.

Joint Task Force South during Operation Just Cause.

Throughout its presence in Panama and in addition to providing for the defense of the Panama Canal, USARSO has been involved in honing soldiers' combat and jungle operations skills and in supporting regional peacekeeping initiatives.

Furthermore, USARSO has provided nation assistance in the region, military-to-military training programs, and has been a major component in counter-drug efforts.

A big part of the mission of USARSO has been its immensely dedicated involvement in humanitarian assistance and disaster relief operations.

USARSO's vast area of operations has provided an ideal setting for National Guardsmen and Reservists to apply their training in building roads, bridges, schools, and clinics.

The departure ceremony, to be held at 11 a.m. on July 30 at Fort Clayton's Soldier's Field, will truly mark the end of an era.

USARSO missions include engineering projects in some of the hemisphere's most remote locations. The USARSO command will transfer to Fort Buchanan, Puerto Rico next week.

LEA sneaks by Prosegur 32-31 in friendly hoop game

Story and photos by
Sgt. Paul Bouchard
Tropic Times Editor

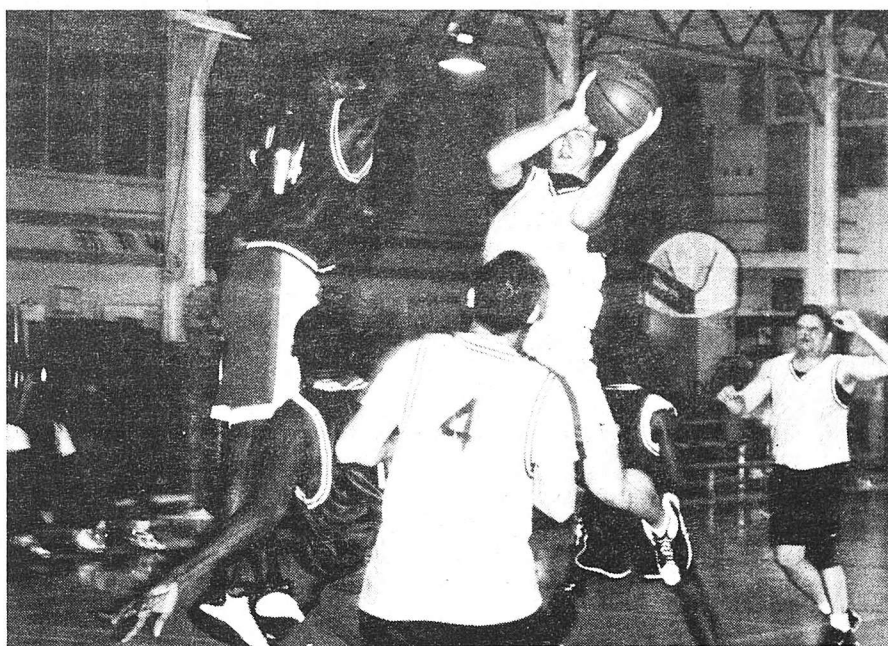

FORT CLAYTON — A friendly hoop game ended in a surprised fashion July 16 at Fort Clayton's Reeder Gym as a team made up of Law Enforcement Activity soldiers edged out a team of security guards working for the Prosegur firm 32-31.

With 20 seconds left in the game, LEA took the ball out after Prosegur center Derrick Simmons converted on a three-point play to make the score 32-31. Surprisingly, that's how the game ended — Prosegur did put some pressure on the ball, but they didn't force a foul to get ball possession. LEA simply dribbled and passed the ball and wound down the clock to the final buzzer.

"I was surprised they didn't foul us in the end," said LEA player-coach Michael Weatherholt. "We didn't play to our expectations, but we won, and that's what matters."

Weatherholt said the idea of having a friendly basketball game with the Prosegur security guards was "good for relations" and "to get a little competition going." Weatherholt said the idea came from him and LEA players Solomon Palmer and Edwin Rosario. Weatherholt said Prosegur guards work closely with LEA.

LEA started out the game with a run-

LEA's Jonathan Dean tries to split the defense in second-half action. LEA went on to sneak by Prosegur 32-31 in the July 16 hoop game.

and-gun type of offense. At halftime, the score was 16-15 in favor of Prosegur.

During a halftime interview, Weatherholt said his team will "try to work the ball more to our big guys down low."

Second-half play did reflect that, as both teams tried to control the tempo of the game. The teams basically traded baskets all the way to the end — the

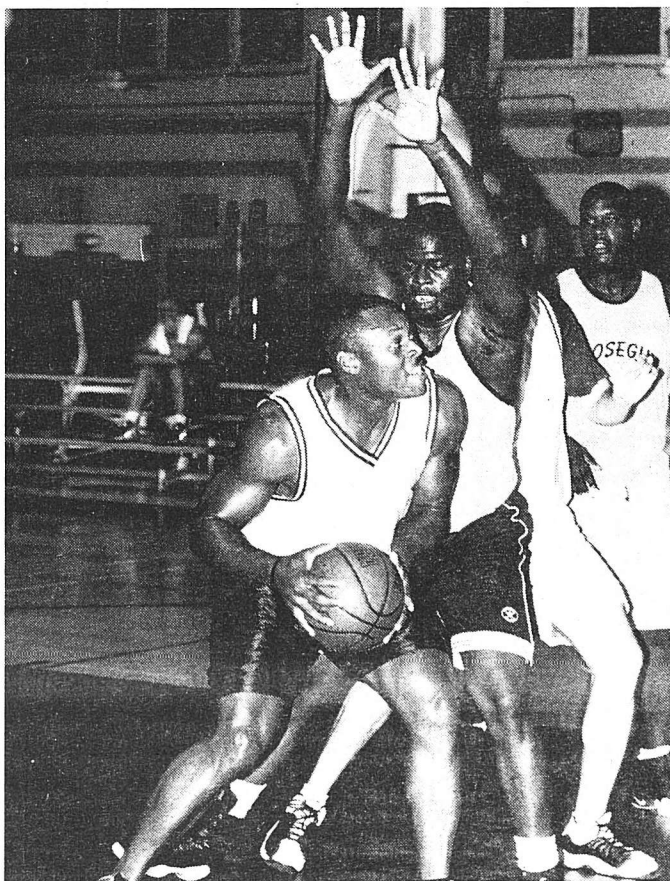

score was 21-21 with 12:41 left and 26-26 with 3:40 left.

LEA was led by Weatherholt, Palmer and good outside shooting from Jonathan Dean and Roy Shaffer.

Prosegur was led by Derick Simmons and Norberto Stow.

Weatherholt said that another game between the two teams may occur in the next couple of weeks.

LEA's Solomon Palmer was heavily guarded during the game, especially in the second half when LEA worked the ball down low in the post. LEA won the low scoring game 32-31. Surprisingly, Prosegur didn't force-foul LEA to obtain the ball back late in the game — LEA simply ran the clock out. LEA player-coach Michael Weatherholt said it's possible the teams will meet again in a friendly hoop game soon.

Claim your medical records now

All personnel assigned to Howard Air Force Base must pick up their dental records by Aug. 6. All active-duty Army personnel assigned to Fort Clayton must pick up their dental records at the Theater Support Brigade in Building 127 on Fort Clayton. The dental records for family members of all active-duty Army assigned to Fort Clayton must be picked up at the Howard Dental Clinic. For more information, contact the clinic at 284-3009.

Anyone redeploying from now until closure needs to stop by either Building 192 at Howard AFB or Building 519 at Fort Clayton to get their medical records. Active-duty members or spouses may pick up their own records and those of their children. However, a sponsor may not pick up the records of their spouse unless it contains a signed consent form. A family member may not pick up the record of their sponsor. The easiest way to avoid this problem is for the active-duty member, family member and sponsor to pick up the records at the same time. Bring one copy of the permanent change of station orders for tracking purposes. If records are not picked up by Aug. 19, they will be retired. For more information, contact the Patient Administration at 284-5758.

U.S. Army South donates equipment, educational materials to Panama

Donation given to augment unexploded ordnance awareness.

story and photos by Carmela Lowe Gobern
Tropic Times Staff

ANCON – Educational materials and equipment for increasing awareness and identification of unexploded ordnance were recently donated to the Panamanian government by U.S. Army South.

At a brief ceremony, which took place at the former Gorgas Hospital complex on Monday, Col. Robert C. Scharling, USARSO Deputy Chief of Staff for Civil Military Operations, presented the equipment to Dr. Dora W. de Da Costa, national director for the Promotion of Health, Panama Ministry of Health.

This donation concluded a series of activities which included seminars, informative videotapes and slide presentations, all designed to help Panamanian communities with unexploded ordnance awareness.

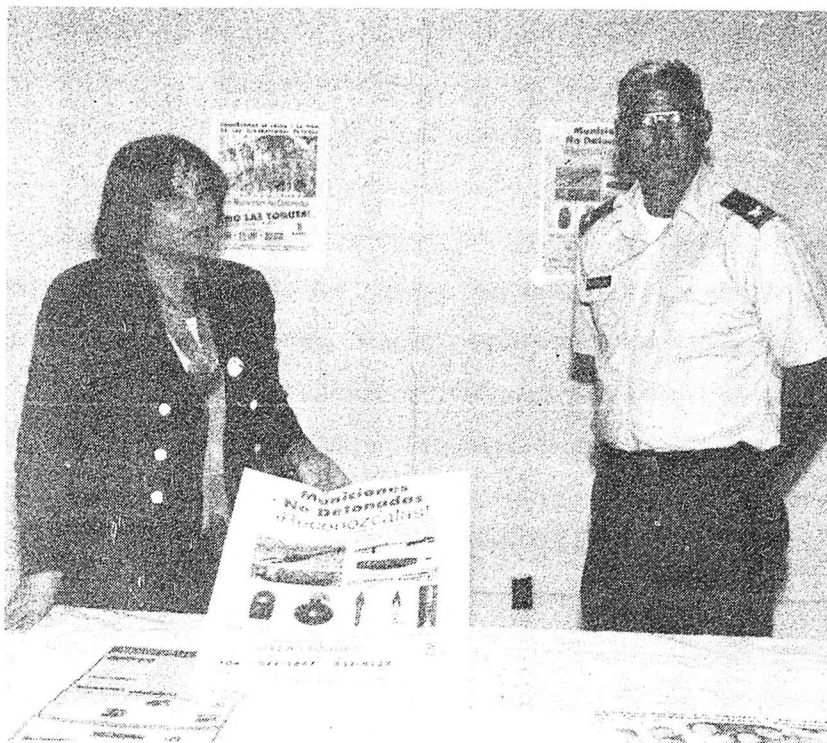

The familiarization course, a bilateral program which came about from the cooperation of both U.S. and Panamanian officials, addresses the need for community leaders to educate their citizens on the hazards of unexploded ordnance and offer a risk management plan to ensure everyone's safety.

The donated material and equipment included two vehicles, 10 television sets, 10 VCRs, tables for accommodating the television and video equipment, 17,000 coloring books, posters and flyers.

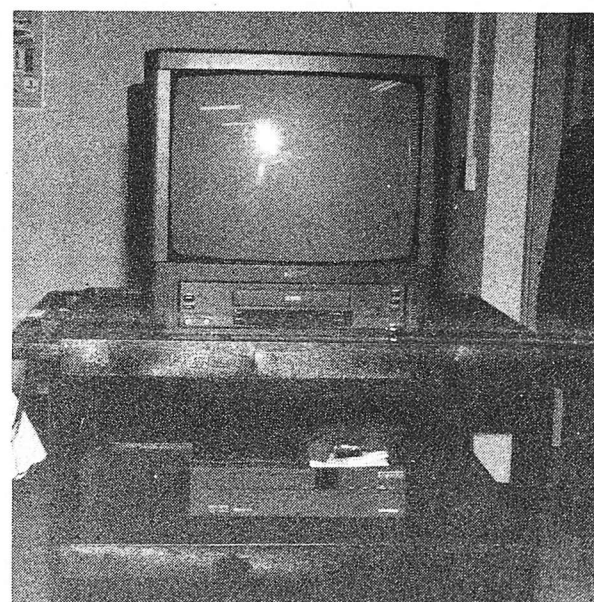

The informative coloring books, printed in the Spanish language with sample drawings and methods of identifying unexploded bombs, projectiles, rockets and grenades, will be distributed to children who are more prone to innocently pick up a curious object.

The donated materials are designed to educate and orient the people of the small towns in areas adjacent to former firing ranges on the danger of unexploded ordnance, and to teach them how to recognize those dangers. The basic steps in the protection against unexploded ordnance are:

- ◆ Identifying the unexploded ordnance.
- ◆ Avoiding any direct contact with the unexploded ordnance (it should not be touched).
- ◆ Isolating the unexploded ordnance by marking the area where it is discovered.
- ◆ Notifying the proper authorities by calling the Panama Police at telephone 104 or the Ministry of Health at telephone 211-1897 or 232-5132.

Col. Robert C. Scharling, USARSO Deputy Chief of Staff for Civil Military Operations, made the formal donation of educational materials and equipment to Panama to increase awareness of unexploded ordnance. The donation was received on behalf of the Panama Ministry of Health by Dr. Dora W. de Da Costa, national director for the Promotion of Health. This donation concluded a series of educational activities including seminars, informative videotapes and slide presentations, all designed to help Panamanian communities with unexploded ordnance awareness.

Important News & Job Announcement

Cable Onda service ends

FORT CLAYTON — Cable TV as we know it will end July 31. The current contract with the cable provider, Cable Onda, will expire on that date. A plan has been worked out to ensure that you will be able to continue to enjoy television in Panama until Sept. 30.

There are some things you will be required to do in order to receive this extended service. You must turn in your current cable box to Cable Onda before July 31. Then bring a copy of your turn-in documents to the Community Office on Fort Clayton or the 24 CS/SCM on Howard AFB.

By doing this you will be able to sign for an activated cable box and enjoy available service without the monthly cable bill. The new boxes will be available July 26.

The channels available will be reduced. However, you will receive channels 8, 14, 15, 16, CNN, TBS, TNT, ESPN and MTV.

This service is free and will continue until Sept. 30 1999.

At that time, all cable boxes must be returned and the only available station will be Channel 8. Remember, to receive free cable you must clear through Cable Onda and sign for an activated box from the Community Office, Building 127, Fort Clayton or 24 CS/SCM, Building 714 on Howard AFB. There are a limited number of boxes and the service is for installation residents only.

If you have questions pertaining to this new service please contact Sgt. 1st Class Kewley at 288-5913 or Capt. Brooks at 284-3211.
