PREFACE

The "consolidated index of Congressional documents" for the second session of the Fifty-ninth Congress, herewith presented, is the thirteenth in the series prepared in the Office of the Superintendent of Documents in compliance with the requirements of section 62 of the printing law of January 12, 1895.

Senate report 1242, part 2, Fifty-ninth Congress, first session, views of minority relative to regulation of railroad rates, although ordered to be printed June 28, 1906, and bearing that date, was not printed until February, 1907, the period of the second session, and is bound in volume 1 of the Senate reports for the second session.

Serial number 5058 is assigned to the Senate Journal and number 5059 to the House Journal. Numbers 5058, 5059, and 5060 were originally assigned to the Document catalogue, Fifty-ninth Congress, first session, and the Senate and House Journals, Fifty-ninth Congress, second session, respectively. The change was made because the Document catalogue is to cover both sessions and appear as number 5215.

The documents included in this index number 7,227, divided as follows: Senate reports, 2,913; House reports, 3,078; Senate documents, 406; House documents, 830. The Senate reports will be bound in 8 volumes (of which 4 are lettered), the House reports in 9 (of which 5 are lettered), the Senate documents in 36, and the House documents in 113 (counting the two parts of volume 85 as two volumes), making a total of 166 volumes for the session.

WILLIAM L. POST,
Superintendent of Documents.

These volumes can not be furnished to depository libraries, but copies will be kept in the Senate and House libraries and in the library of the Office of the Superintendent of Documents. Volumes 1-4, which will be furnished as usual, contain all the Senate reports on public bills ordered printed during the session.

* Senate report 1242, pt. 2, 1st session, was not printed until February, 1907, and is bound with the reports for the 2d session.

† No. 5058 is assigned to the Senate Journal, and no. 5059 to the House Journal, 59th Congress, 2d session.
