OFFICE OF
SUPERINTENDENT OF DOCUMENTS
WASHINGTON

FEBRUARY 27, 1937.

To the Librarian:

The following two hundred and ninety-eight (298) publications were distributed during the month of February 1937 to designated depositories, in accordance with the law which provides that depository libraries shall receive only those Government publications requested.

It is understood that, as a designated depository of the United States Government publications, you guarantee that all publications sent you by this office shall be made available for the free use of the general public.

The receipt of the publications need not be acknowledged, but any shortages or imperfections should be immediately reported.

Respectfully,

SUPERINTENDENT OF DOCUMENTS.

Do not apply for items listed in this invoice if not checked by your library in selective lists. If items were checked and not received, be sure to refer to the item number in reporting shortage. As publications ordered printed prior to Oct. 1, 1936, will be distributed in accordance with item numbers checked in the old classified lists, for the reason that only a sufficient number of copies have been ordered to provide for such distribution, the old item numbers will be shown in the invoices until all such publications have been distributed. In the case of publications ordered since that date the new item numbers are indicated.
