Do not apply for items listed in this invoice if not checked by your library in selective lists. If items were checked and not received, be sure to refer to the item number in reporting shortage. As publications ordered printed prior to Oct. 1, 1936, will be distributed in accordance with item numbers checked in the old classified lists, for the reason that only a sufficient number of copies have been ordered to provide for such distribution, the old item numbers will be shown in the invoices until all such publications have been distributed. In the case of publications ordered since that date the new item numbers are indicated.
