•• DIRECTORY OF FIELD AND NATIONAL OFFICE SUPERVISORY PERSONNEL

● NOVEMBER 6, 1945.

UTAH STATE AGRICULTURAL COLLEGE LIBRARY

OFFICE OF PRICE ADMINISTRATION
WASHINGTON 25, D. C.

PREPARED BY
OFFICE OF ADMINISTRATIVE SERVICE

NUMBER 11

CONTENTS

	Page
Regional and District Supervisory Personnel	2 to 12
Regional Distribution & Verification Centers.....	12
National Office Supervisory Personnel.....	13 to 21
Administrative Officers - National Office	22 to 23
District and Territorial Offices Index.....	24
National Office Mail-Stop Index	25 to 28
Alphabetical list of National Office Supervisory Personnel..	29 to 33

Note: The information in this Directory has been photographed directly from master records maintained by the Inquiry Unit of Office of Administrative Service. The use of this method of reproduction makes it possible to include in each current issue corrections received by the Inquiry Unit up to the day of going to press.

Because the master record from which this Directory has been printed consists of individually typed visible cards, some lack of uniformity in appearance is unavoidable, however, we believe that this is justified by the advantages of greater accuracy, substantial savings in paper and manpower, and the opportunity to provide the Field and National Office information more quickly than would otherwise be possible.

The section listing the National Office Personnel is so arranged that it can be used as an organizational directory, a telephone directory, and a mail directory for organization levels, including sections.

Index pages of the National Office section are separated into four alphabetical groups; viz., Departments, Divisions, Branches, and Supervisory Personnel. These pages locate the mail-stop numbers of the Departments, Divisions, Branches, and the room, extension and mail-stop numbers of Supervisory Personnel. To expedite the classification and delivery of mail, teletypes and telegrams from the field, it is urgently requested that the mail-stop numbers be shown on all materials intended for delivery within the National Office.

Notification of additions, deletions, or corrections should be submitted to the proper executive or administrative officer for transmittal to:

Inquiry Unit, Office of Administrative Service
Room 1312, Mail-stop 153, Extension 75397
