EMPLOYER STATUS DETERMINATION
Atlanta Terminal Company

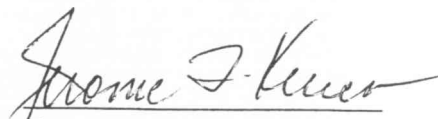

This is the determination of the Railroad Retirement Board concerning the continuing status of Atlanta Terminal Company (ATC) (B.A. No. 4502) as an employer under the Railroad Retirement Act (45 U.S.C. § 231, et seq.) (RRA) and the Railroad Unemployment Insurance Act (45 U.S.C. § 351, et seq.) (RUIA). ATC has been an employer under the RRA and RUIA with service creditable from February 11, 1903.

Mr. M. W. Jackson, Manager, Payroll Accounting, Norfolk Southern Corporation (NS) (B.A. No. 9408), reported that ATC merged into Central of Georgia Railroad Company (CGR) (B.A. No. 1505) on January 31, 1986. CGR is a subsidiary of NS and reports its railroad service and compensation to the Board under B.A. No. 9408, as do all NS subsidiaries. ATC merged into CGR on January 31, 1986. CGR was the surviving company and ATC ceased to exist.

Based on the information set forth above, it is the determination of the Railroad Retirement Board that Atlanta Terminal Company ceased to be an employer covered under the RRA and RUIA on January 31, 1986, the date on which it merged into the Central of Georgia Railroad Company.
