Texas Export Railroad Company  
Employer status

By memorandum dated May 21, 1973, the Board's district manager at Fort Worth, Texas, advised our regional director at Dallas, Texas, as follows:

"Mr. Jay Cy Martin, Vice-President and General Manager, 205 Primrose Hill, Euless, Texas 76039, and Frankie SoRelle, III, Secretary and Treasurer, Box 776, Haskell, Texas, have reported to this office advising they have been assigned federal identification number 75-140-8013 by IRS. Mr. Lanny Brentz, President, resides at 1014 Ridgecrest, Sweetwater, Texas 79556.

"This employer began operations on May 8, 1973. They say this is an interstate operation with 3 employees operating 3 trains daily from Bridgeport to Graham, Texas. They will report manually."

On the basis of the above information, I conclude that as of May 8, 1973, the Texas Export Railroad Company became an employer within the meaning of the Railroad Retirement and Railroad Unemployment Insurance Acts.

Appropriate Form C-341 giving effect to the foregoing conclusion is attached.
