As a result of these discussions, and the Government of the United Kingdom having consulted the Government of Bermuda, I have the further honor to propose the following, which will result in the return of all such leased areas to the Government of the United Kingdom for the benefit of the Government of Bermuda.

1. The Government of the United States of America hereby gives notice of its intention to abandon all leased areas in Bermuda subject to the 1941 Agreement in accordance with Article XXI of the 1941 Agreement. 2. The Government of the United States of America hereby renounces its right to reoccupy any leased areas in Bermuda under the 1941 Agreement.
3. The 1941 Agreement (including the instruments amending and supplementing it listed in Annex 1 to this note) is hereby terminated with respect to the United States and the United Kingdom. As a consequence thereof, the Government of the United States of America confirms

that the related lease and other arrangements concluded with the Government of Bermuda including those listed in Annex 2 to this note are also terminated.

4. The Government of the United Kingdom shall extend to Bermuda the Agreement Between the Parties to the North Atlantic Treaty regarding the Status of Their Forces, done at London on June 19, 1951, in accordance with Article XX of that Agreement, and shall provisionally apply that Agreement in Bermuda until the notification of its extension to Bermuda takes effect on 18 July 2002 in accordance with the said Article XX.
5. The Government of the United States of America will pay the Government of the United Kingdom, for the benefit of the Government of Bermuda, the sum of eleven million U.S. dollars (\$11,000,000) in consideration of the termination of all obligations relating to the maintenance and repair of the Longbird Bridge under and pursuant to the 1941 Agreement, including the Exchange of Notes of 5/6 December 1978 referred to in Annex 1 to this note and the related lease and other arrangements regarding the establishment, use, operation and defense of United States bases on Bermuda.
6. The Government of the United States of America and the Government of the United Kingdom hereby waive the right

to pursue any and all claims related to the leased areas in Bermuda under the 1941 Agreement.

If the foregoing proposals are acceptable to the Government of the United Kingdom of Great Britain and Northern Ireland, I have the honor to propose that this note, including Annexes 1 and 2, together with Your Excellency's affirmative reply, shall constitute an agreement between our Governments which will enter into force upon the date of Your Excellency's reply.
