TO THE

SECRETARY OF THE TREASURY,

TRANSMITTING

TREASURY DEPARTMENT,
Register's Office, April, 1850.

SIR: I have the honor to transmit the printed account of the Receipts and Expenditures of the United States for the fiscal year ending June 30, 1849, stated in pursuance of the standing order of the House of Representatives of 30th December, 1791, and act of August 26, 1842.

This account contains—

First. A general account of the receipts and expenditures of the fiscal year ending 30th June, 1849. The pages in the margin of the credit side refer to the detailed expenditures under the specific heads of appropriation.

Second. The expenditures and repayments under each head of appropriations, showing the aggregate amount paid to and repaid by each individual during the year.

Third. Statements of the appropriations made for the fiscal year ending 30th June, 1849, including the balances on the 1st of July, 1848, the payments during the year, the several sums carried to the surplus fund, and the balances unexpended at the end of the year.

Fourth. Statements of the receipts, expenditures, and appropriations, showing the aggregate annual amounts, under various general heads, from 4th March, 1789, to 30th June, 1849.

Fifth. Statements of the balances due by and in favor of supervisors, collectors, and others, of the late direct taxes and internal revenue.

Sixth. Statements of the operations at the several land offices in the fiscal year ending 30th June, 1849.

Seventh. Statements in relation to customs.

The completion of these accounts have been delayed much longer than usual this year, principally in consequence of the changes in relation to customs and lands required by the act of March 3d, 1849.

I am, very respectfully,

Your obedient servant,

TOWNSEND HAINES,

Register.

Hon. WM. M. MEREDITH,

Secretary of the Treasury.
