NATIONAL INDUSTRIAL RECOVERY BOARD,
By G. A. LYNCH, *Administrative Officer.*

Approval recommended:

WILLIAM P. FARNSWORTH,
Acting Division Administrator.

WASHINGTON, D. C.,
October 8, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: This is a report on the procedure followed by the National Recovery Administration in approving an amendment to the Code of Fair Competition for the Motion Picture Industry as approved on November 27, 1933, which indefinitely extends the period within which assents to this Code may be filed.

The Code as originally approved provided that this assent must be filed within 45 days after the approval of the Code and/or 45 days after engaging in the motion picture industry.

Whereas, it has heretofore been necessary to extend the time for the filing of these complaints and whereas numerous exhibitors and/or distributors still wish to file an assent, this amendment is deemed necessary. This amendment was submitted by the Motion Picture Code Authority on behalf of the Motion Picture Industry on September 14, 1934.

The Deputy Administrator in his final report to the Board on this amendment to said Code, having found as herein set forth and on the basis of all the proceedings in this matter:

The Board finds that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervisions, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating Industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation subsection (a) of Section 3, subsection (a) of Section 7 and subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendment on behalf of the Industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons, this amendment has been approved.

Respectfully,

NATIONAL INDUSTRIAL RECOVERY BOARD,
By G. A. LYNCH, *Administrative Officer.*

OCTOBER 8, 1934.
