REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: This is a report on the amendment to the Code of Fair Competition for the Fur Dressing and Fur Dyeing Industry and on the hearing conducted thereon in Washington, D. C., on December 20, 1934, in accordance with the provisions of Title I of the National Industrial Recovery Act.

GENERAL STATEMENT

The Code Authority of the Fur Dressing and Fur Dyeing Industry has availed itself of the provision in Section 2 of Article X of the Code of Fair Competition for the Fur Dressing and Fur Dyeing Industry, approved by the Administrator on the 18th of December, 1933.

RÉSUMÉ OF AMENDMENT

1. The amendment calls for the deletion of Section 6, Article III of the Code, which was incorporated in the Code as part of Amendment No. 1, approved June 30, 1934.

The Deputy Administrator, in his final report to the National Industrial Recovery Board on said amendment to said Code, having found as herein set forth and on the basis of all the proceedings in this matter:

The National Industrial Recovery Board finds that:

(a) The amendment to the said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act, including the removal of obstructions to the free flow of interstate and foreign commerce, which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of the industries, by avoiding undue restrictions of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Sub-section (a) of Section 3, Sub-section (a) of Section 7 and Sub-section (b) of Section 10, thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendment in behalf of the Industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.
