April 30, 1935.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: This is a report on an Amendment to the Code of Fair Competition for the Cigar Container Industry, relating to the incorporation of the Code Authority. The Amendment was proposed in accordance with the provisions of Article IX of the Code, as approved on November 27, 1933, and a Notice of Opportunity to be Heard was published on March 25, 1935 for a period of twenty (20) days.

FINDINGS

The Assistant Deputy Administrator in his final report to the National Industrial Recovery Board on said Amendment to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

It is found that:

(a) The Amendment is well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act, including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor and by otherwise rehabilitating industry.

(b) The Code, as amended, complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the said Amendment on behalf of the Industry as a whole.

(d) The Amendment and the Code as amended are not designed to permit monopolies or monopolistic practices.

(e) The Amendment and the Code as amended are not designed to eliminate or oppress small enterprises nor operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said Amendment.

For these reasons this Amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.

APRIL 30, 1935.

AMENDMENT TO CODE OF FAIR COMPETITION FOR THE CIGAR CONTAINER INDUSTRY

Amend: Article VI, by adding a new Section 3, as follows:

The Code Authority may incorporate under the laws of any state of the United States or of the District of Columbia, if it deems such action appropriate for the proper performance of its activities, powers and duties under this Code. Such a Corporation shall be not for profit and the powers, duties, objects and purposes of said Corporation shall be limited to the powers, duties, objects and purposes of the Code Authority as provided in this Code. Prior to such incorporation the Code Authority shall submit to the National Industrial Recovery Board for its approval the proposed Certificate of Incorporation and proposed by-laws, and no amendment of either shall be made without the like prior approval of the National Industrial Recovery Board.

If, at any time, the National Industrial Recovery Board shall determine that the corporate status assumed by the Code Authority is interfering with the proper performance of its activities, powers and duties under this Code, or with the effectuation of the policies or purposes of the Act, it may, after such notice of hearing as it may deem necessary, require an appropriate modification of the structure of the corporation (if consistent with the law of the state of incorporation), the substitution of a corporation created under the laws of another state in the manner set forth herein, the substitution of a non-corporate Code Authority truly representative of the industry, or such other action as it may deem expedient.
