Acting Division Administrator.

WASHINGTON, D. C.,
May 8, 1935.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: A public hearing was called on October 26, 1934, to discuss amendments to the Code of Fair Competition for the Blouse and Skirt Manufacturing Industries. The hearing subsequently adjourned to November 16, 1934, and to December 3, 1934, and again to December 17, 1934, at which date the amendment herein contained was properly heard.

Following the hearing, this amendment was revised upon the basis of facts presented, and in accordance with the suggestions of the various Advisory Boards, the Legal Division, and the Division of Research and Planning of the National Recovery Administration.

This amendment amends Article V by adding thereto a new section to be known as section 9. The provisions of this new section empower the Code Authority to require members of the Industry to keep accurate and complete records with respect to wages, hours of labor, conditions of employment, number of employees, production and such other matters as may be required by the Code, and shall furnish accurate reports based on such records when required by the Code Authority or the National Industrial Recovery Board. It is further provided that a confidential agency shall be established by the Code Authority for the purpose of examining any books and records submitted in accordance with the provisions of this amendment.

In accordance with the counsel of the Legal Division, notices of Opportunity to be Heard will be printed and distributed in the same manner as notices of Public Hearing. A specified date is set forth in such notices, by which time objections and criticisms are to be received relative to this amendment.

The Deputy Administrator in his final report to the National Industrial Recovery Board on said amendment to said Code having found as herein set forth and on the basis of all proceedings in this matter:

The National Industrial Recovery Board finds that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act, including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the purpose of cooperative action of labor and management under adequate governmental sanctions and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through

increased purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating Industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10, thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendment on behalf of the Industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process will not have been deprived of the right to be heard prior to the effective date of this amendment.

For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.
