NATIONAL INDUSTRIAL RECOVERY BOARD,  
By W. A. HARRIMAN, *Administrative Officer.*

Approval recommended:

PRENTISS L. COONLEY,  
*Division Administrator.*

WASHINGTON, D. C.,  
*March 30, 1935.*

## REPORT TO THE PRESIDENT

The **PRESIDENT**,  
*The White House.*

**SIR:** This is a report on a proposed amendment to the Code of Fair Competition for the Leather and Woolen Knit Glove Industry. The proposed amendment which is attached was presented by the Code Authority for the Leather and Woolen Knit Glove Industry.

A public hearing was held and all interested parties were given an opportunity to be heard.

The amendment proposes to prohibit invoicing less than three pairs of gloves of one style or color without a reasonable service charge; and to eliminate free repair privileges, except when repairs are due to faulty materials or workmanship.

The Deputy Administrator in his final report to the National Industrial Recovery Board on the amendment to said Code, having found as herein set forth and on the basis of all the proceedings in this matter:

It finds that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act, including the removal of obstructions to the free flow of interstate and foreign commerce, which tend to diminish the amount thereof and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices by promoting the fullest possible utilization of the present productive capacity of industry, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title I of said Act, including without limitation subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendment on behalf of the Industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to the effective date of said amendment.

For these reasons, this amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,  
*Administrative Officer.*

MARCH 30, 1935.

AMENDMENT TO CODE OF FAIR COMPETITION FOR  
THE LEATHER AND WOOLEN KNIT GLOVE INDUSTRY

SECTION 15. *Wholesale Quantity and Repairs.*—It shall be an unfair trade practice to invoice less than three pairs of a style and color without a service charge, unless said pair or pairs are not for resale; or to grant free repair privileges or to repair goods at less than cost, except when such repairs are made necessary because of faulty material or workmanship.
