NATIONAL INDUSTRIAL RECOVERY BOARD,
By W. A. HARRIMAN, *Administrative Officer.*

Approval recommended:

PRENTISS L. COONLEY,
Division Administrator.

WASHINGTON, D. C.
February 26, 1935.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: The Code Authority for the Dress Manufacturing Industry submitted a proposed amendment to the Code of Fair Competition for the Dress Manufacturing Industry. This amendment was presented to the Legal Division, the Industrial Advisory Board, the Division of Research and Planning, the Consumers Advisory Board and the Labor Advisory Board and received their approval.

As this amendment was in accordance with standard form and consistent with the policies of the Administration, a Public Hearing was considered unnecessary, and in lieu thereof a Notice of Opportunity to be Heard was printed and distributed in the same manner as a Notice of Public Hearing. A specified date was set forth in such Notice, by which time objections and criticisms were to be received relative to this amendment.

The amendment prohibits the employment of persons under eighteen (18) years of age at operations or occupations which are hazardous in nature or dangerous to health.

The Deputy Administrator in his final report to the National Industrial Recovery Board on said amendment to said Code having found as herein set forth and on the basis of all proceedings in this matter:

The National Industrial Recovery Board finds that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Recovery Act, including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the purpose of cooperative action of labor and management under adequate governmental sanctions and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increased purchasing power, by reducing and relieving unemployment, by improving standards of labor and otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10, thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendment on behalf of the Industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process will not have been deprived of the right to be heard prior to the effective date of this amendment.

For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.

FEBRUARY 26, 1935.
