NATIONAL INDUSTRIAL RECOVERY BOARD,
By W. A. HARRIMAN, *Administrative Officer.*

Approval recommended:

PRENTISS L. COONLEY,
Division Administrator.

WASHINGTON, D. C.,
April 1, 1935.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: The Code Authority for the Slit Fabric Manufacturing Industry submitted a proposed amendment of the Code of Fair Competition for the Slit Fabric Manufacturing Industry.

As this amendment is in accordance with standard form and consistent with the policies of the Administration, a Public Hearing was considered unnecessary and in lieu of the Public Hearing, the Order approving said amendment makes the approval and the amendment effective twenty days from the date of the signing of the Order, unless good cause to the contrary is shown prior to that time. A Notice of Opportunity to File Objections will be issued simultaneously with the approval of this amendment.

This amendment is to the effect that nothing contained in the Code shall constitute members of the Code Authority partners for any purpose.

The Deputy Administrator in his final report to the National Industrial Recovery Board on said amendment to said Code, having found as herein set forth and on the basis of all proceedings in this matter:

The National Industrial Recovery Board finds that:

(a) The Amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act, including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the purpose of cooperative action of labor and management under adequate governmental sanctions and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation, Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10, thereof.

(c) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(d) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(e) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to the effective date of said amendment.

For these reasons this amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.

APRIL 1, 1935.
