## REPORT TO THE PRESIDENT

The PRESIDENT,  
*The White House.*

SIR: This is a report on the Hearing covering an Amendment to the Code of Fair Competition for the Underwear and Allied Products Manufacturing Industry held in the Chinese Room, Mayflower Hotel, Washington, D.C., Monday, May 21, 1934. The Amendment which is attached was presented by a duly qualified and authorized representative of the Code Authority for the Underwear and Allied Products Manufacturing Industry, complying with statutory requirements and being the agency that is administering the code.

In accordance with customary procedure every person who had filed a request for appearance was freely heard in public and all statutory and regulatory requirements were complied with.

### PROVISIONS OF THE AMENDMENT

The Amendment grants all branches of the Industry, excepting manufacturers of knitted underwear, the privilege of using N.R.A. labels under regulations to be issued by the Code Authority in accordance with regulations approved by the Administrator.

### FINDINGS

The Deputy Administrator in his final report to me on said amendment to said Code, having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The amendment to said Code and the Code as amended is well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act, including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving the standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limita-

tion Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the afore-said amendment on behalf of the Industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons this amendment has been approved.

Respectfully,

HUGH S. JOHNSON,  
*Administrator.*

JULY 15, 1934.

## MODIFICATION OF CODE OF FAIR COMPETITION FOR THE UNDERWEAR AND ALLIED PRODUCTS MANU- FACTURING INDUSTRY

Add a new Part to the Code to read as follows:

### PART VIII—LABELS

1. All products excepting knitted underwear manufactured or distributed under the provisions of this Code may bear a NRA label, which when used shall be firmly attached to such products. The only knitted outerwear garments that may bear the label are fleeced-lined garments, cotton ribbed garments and cotton garments made of fabric produced on the Tompkins machine. Such label shall be in such form as may be prescribed by the Code Authority. The Code Authority shall have the exclusive right in this Industry to issue and furnish said labels to the members thereof who may voluntarily apply for said labels for the purpose set forth above. The privilege of using such labels may be granted and such labels may be issued to any employer from time to time engaged in the manufacture of said products, upon application therefor to the Code Authority accompanied by a statement of compliance with the provisions of this Code. The privilege of using such labels and the issuance thereof may be withdrawn and cease or may be suspended in respect to any such manufacturer whose operations, after appropriate hearing by the Code Authority and review by the Administrator, shall be found to be in substantial violation of the provisions of this Code. Employers shall be entitled to obtain and use such labels if they comply with the provisions of this Code. The Code Authority may establish appropriate machinery and regulations for the issuance of such labels, inspection, examination, and supervision of employers engaged in this branch of the Industry, in accordance with all provisions of this Code and in accordance with regulations approved by the Administrator.
