ORDER

APPROVING AMENDMENT OF CODE OF FAIR COMPETITION FOR THE MILLINERY AND DRESS TRIMMING BRAID AND TEXTILE INDUSTRY

An application having been duly made pursuant to and in full compliance with the provisions of Title I of the National Industrial Recovery Act, approved June 16, 1933, for approval of an amendment to a Code of Fair Competition for the Millinery and Dress Trimming Braid and Textile Industry, and hearings having been duly held thereon and the annexed report on said amendment, containing findings with respect thereto, having been made and directed to the President:

NOW, THEREFORE, on behalf of the President of the United States, the National Industrial Recovery Board, pursuant to authority vested in it by Executive Order No. 6859, and otherwise, does hereby incorporate, by reference, said annexed report and does find that said amendment and the Code as constituted after being amended comply in all respects with the pertinent provisions and will promote the policy and purposes of said Title of said Act, and does hereby order that said amendment be and it is hereby approved, and that the previous approval of said Code is hereby amended to include an approval of said Code in its entirety as amended, such approval and such amendment to take effect ten (10) days from the date hereof, unless good cause to the contrary is shown to the National Industrial Recovery Board before that time and the National Industrial Recovery Board issues a subsequent order to that effect.

NATIONAL INDUSTRIAL RECOVERY BOARD,
By G. A. LYNCH, *Administrative Officer.*

Approval recommended:

PRENTISS L. COONLEY,
Acting Division Administrator.

WASHINGTON, D. C.,
October 15, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: The Code Authority for the Code of Fair Competition for the Millinery and Dress Trimming Braid and Textile Industry, has submitted a proposed amendment to this Code. After conferring with members of the Code Authority and representatives of the various advisory boards of the National Recovery Administration, a hearing was held on May 10, 1934, following which, revision of the amendment was made.

The proposed amendment changes the definition as it applies to this Industry under Article I, Section (a) of the Code to the extent that the words "made in major portion" are changed to read "made in whole or in any portion", in order that those members of other industries who have been prone to engage in the manufacture and/or distribution of products common to the Millinery and Dress Trimming Braid and Textile Industry shall not be able to determine the demarcation of the words "major portion" to their own benefit and thereby be exempted from provisions of the Code of Fair Competition for the Millinery and Dress Trimming Braid and Textile Industry.

The Deputy Administrator, in his final report to me on the amendment to said Code, having found as herein set forth and on the basis of all the proceedings in this matter:

It finds that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act, including the removal of objections to the free flow of interstate and foreign commerce, which tend to diminish the amount thereof and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate Government sanction and supervision, by eliminating unfair competitive practices by promoting the fullest possible utilization of the productive capacity of industry, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment by improving standards of labor and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects to the pertinent provisions of said Title I of said Act, including without limitation subsection (a) of Section 3, subsection (a) of Section 7, and subsection (b) of Section 10 thereof.

(c) The amendment to the Code as amended is not designed to and will not permit monopolies or monopolistic practices.

(d) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(e) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to the approval of said amendment.

For these reasons, this amendment has been approved.

For the National Industrial Recovery Board:

G. A. LYNCH,
Administrative Officer.

OCTOBER 15, 1934.
