NATIONAL INDUSTRIAL RECOVERY BOARD

By W. A. HARRIMAN, *Administrative Officer.*

Approval recommended:

PRENTISS L. COONLEY,

Division Administrator.

WASHINGTON, D. C.,

January 23, 1935.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: The Code Authority for the Dress Manufacturing Industry submitted a proposed amendment to the Code of Fair Competition for the Dress Manufacturing Industry. A Public Hearing was held on this amendment on October 9, 1934, and every person who requested a hearing was fairly heard in accordance with regulations of the National Recovery Administration.

This amendment amends Article VI, Section 2 (d), of the Code by revising the first paragraph and adding two new paragraphs thereto. The addition of these two paragraphs (1) grants the Code Authority and/or the National Industrial Recovery Board the authority to require members of the Industry to keep such necessary records as may be required by the Code Authority and/or the National Industrial Recovery Board, such plans and forms of operation to be proposed by the Code Authority subject to the disapproval of the National Industrial Recovery Board, and (2) provides that falsifying such records and/or reports or withholding information which shall be required as therein provided shall be a violation of the Code.

The National Industrial Recovery Board finds that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation sub-section (a) of Section 3, sub-section (a) of Section 7 and sub-section (b) of Section 10, thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendment on behalf of the industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

AMENDMENT TO CODE OF FAIR COMPETITION FOR THE
DRESS MANUFACTURING INDUSTRY

Article VI, Section 2 (d) of the Code of Fair Competition for the Dress Manufacturing Industry is amended to read as follows:

To obtain from time to time from members of the Industry true reports in respect to wages, hours of labor, conditions of employment, number of employees and other facts pertinent to the purposes of this Code as the Code Authority and/or the National Industrial Recovery Board may prescribe; and to submit periodical reports to the National Industrial Recovery Board in such form and at such times as it may require, with respect to compliance with the provisions of this Code and to furnish Governmental agencies with such statistical and other information as the National Industrial Recovery Board may deem necessary for the purposes recited in Section 3 (a) of the Act.

Members of the Industry shall keep such necessary records as may be required by the Code Authority and/or the National Industrial Recovery Board in connection with the above. Copies of proposed plan and forms of operation shall be furnished to the National Industrial Recovery Board and if not disapproved within ten (10) days shall be deemed approved.

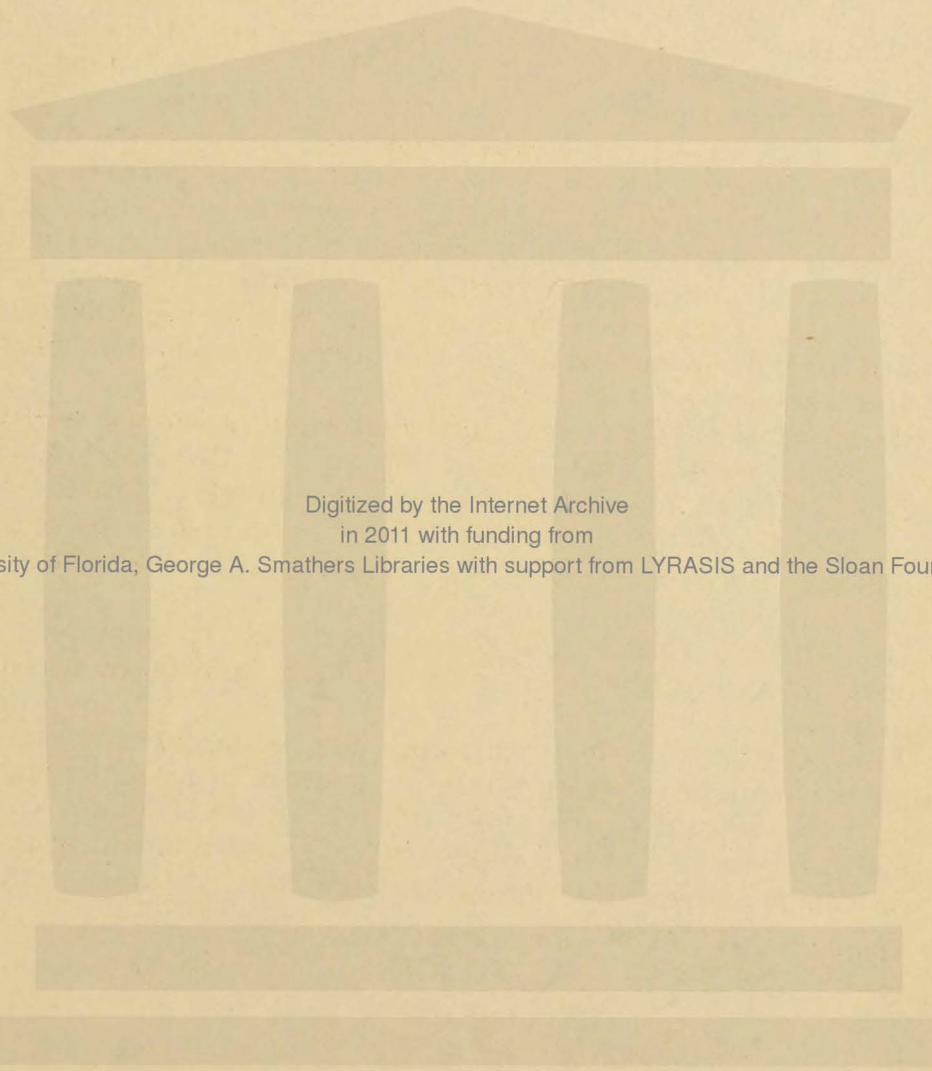

It shall be a violation of the Code to falsify such records and/or reports or to withhold information which shall be required as herein provided.

Except where alleged violations are being heard, all individual reports furnished hereto shall be treated as confidential information by the administrative staff of the Code Authority, and shall not otherwise be revealed to competitors of those furnishing the information except as part of summarized reports.

Approved Code No. 64—Amendment No. 6.
Registry No. 228-01.
