NATIONAL INDUSTRIAL RECOVERY BOARD,
By W. A. HARRIMAN, *Administrative Officer.*

Approval recommended:

M. D. VINCENT,
Acting Division Administrator.

WASHINGTON, D. C.
May 10, 1935.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: The Code Authority for the Cotton Cloth Glove Manufacturing Industry proposed an Amendment to Article VI of its Code which has been considered and approved by the National Industrial Recovery Board.

The Amendment defines the Legal status of Code Authority members and members of committees appointed by the Code Authority. It provides that nothing contained in this Code shall constitute any such members partners for any purpose, that no such members shall be liable for any act of any other member, officer, agent or employee of the Code Authority or any of its committees, and that no such members exercising reasonable diligence in the conduct of their duties shall be liable for any action or omission to act under the Code, except for their own wilfull malfeasance or nonfeasance.

The Industrial Advisory Board, the Consumers' Advisory Board, the Labor Advisory Board, the Legal Division, and the Research and Planning Division of the National Recovery Administration all have considered this Amendment and reported with recommendations that it be approved.

To afford an opportunity to all interested parties to be Heard, on this date, a Notice of Opportunity to be Heard is being published and will be distributed in the same manner as a Notice of Hearing. In this Notice is stated the rights of all those interested to file criticisms, objections or suggestions prior to the effective date of the Amendment which will be twenty (20) days from the date of the Notice, unless by any such criticism, objection or suggestions filed, good cause to the contrary is shown and the National Industrial Recovery Board issues a subsequent order to that effect.

FINDINGS

The Deputy Administrator, in his final report to the National Industrial Recovery Board on said Amendment to said Code, having found as herein set forth and on the basis of all the proceedings in this matter:

We find that:

(a) The Amendment to said Code and the Code as Amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competi-

tive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power by reducing and relieving unemployment by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as Amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7 and Subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid Amendment on behalf of the industry as a whole.

(d) The Amendment and the Code as Amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The Amendment and the Code as Amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process will not have been deprived of the right to be heard prior to effective date of said Amendment.

For these reasons this Amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.

MAY 10, 1935.
