———designate the Billy Frank, Jr., Nisqually National Wildlife Refuge and establish Medicine Creek Treaty National Historic Site within the wildlife refuge (see S. 2326), [19NO]
———provide for Indian trust asset management reform (see S. 383), [5FE]
———provide for the addition of certain real property to the reservation of the Siletz Tribe (see S. 817), [19MR]
———provide further self-governance by Indian tribes (see S. 286), [28JA]
———reaffirm authority to take land into trust for Indian tribes (see S. 732), [12MR]
———reaffirm that certain land has been taken into trust for certain Indian tribes (see S. 1931), [4AU]
———require a study on feasibility of establishing Chief Standing Bear National Historic Trail (see S. 479), [12FE]
———take certain Federal lands located in Lassen County, CA, into trust for the benefit of the Susanville Indian Rancheria (see S. 1761), [14JY]
———take certain Federal lands located in Tuolumne County, CA, into trust for the benefit of the Tuolumne Band of Me-Wuk Indians (see S. 1822), [21JY]
———take certain land into trust for the benefit of Morongo Band of Mission Indians in California (see S. 175), [13JA]
———take parcels of Federal land into trust for the benefit of certain Indian Pueblos in New Mexico (see S. 986), [16AP]
———transfer land to be held in trust for Moapa Band of Paiutes in Nevada (see S. 1986), [5AU]
Dept. of the Interior, environment, and related agencies: making appropriations (see S. 1645), [23JN] (see S. 2132), [5OC]
Dept. of Veterans Affairs: establish voluntary national directory of veterans to support outreach to veterans (see S. 1797), [16JY]
Devils Tower National Monument: designate the mountain and populated place as Devils Tower (see S. 2039), [16SE]
Douglas County, NV: promote conservation, improve public land, and provide for sensible development (see S. 472), [12FE]
Drugs: prevent Indian tribes and tribal organizations that cultivate, manufacture, or distribute marijuana on Indian land from receiving Federal funds (see S. 1984), [5AU]
Education: improve (see S. 410), [9FE]
———provide relief to State education budgets during a recovering economy and help fulfill the Federal mandate to provide higher education opportunities for Native Americans (see S. 1390), [20MY]
Endangered Species Act: disclose to States the basis of determinations and ensure use of information provided by State, tribal, and county governments in decisionmaking (see S. 736), [12MR]
Families and domestic relations: require background checks before foster care placements are ordered in tribal court proceedings (see S. 184), [16JA]
Federal aid programs: facilitate ability of Indian tribes to integrate the employment, training, and related services from diverse Federal sources (see S. 1443), [21MY]
FERC: improve siting of interstate electric transmission facilities (see S. 1017), [21AP]
Gambling: prohibit gaming activities on certain Indian lands in Arizona until the expiration of certain gaming compacts (see S. 152), [13JA]
Gold Butte National Conservation Area: establish and designate certain wilderness areas (see S. 199), [20JA]
Grand Ronde Reservation Act: technical corrections (see S. 818), [19MR]

Indian Tribal Energy Development and Self-Determination Act: amend (see S. 209), [21JA]
Irrigation: provide for the repair, replacement, and maintenance of certain Indian irrigation projects (see S. 438), [10FE]
Klamath Basin: approve and implement the Klamath Basin agreements, improve natural resource management, support economic development, and sustain agricultural production (see S. 133), [8JA]
Languages: promote academic achievement of American Indian, Alaska Native, and Native Hawaiian children with the establishment of a Native American language grant program (see S. 1419), [21MY]
———reauthorize program to ensure the survival and continuing vitality of Native American languages (see S. 1163), [30AP]
Montana: extend Federal recognition to Little Shell Tribe of Chippewa Indians (see S. 35), [6JA]
Mountains to Sound Greenway National Heritage Area: establish (see S. 1690), [25JN]
National Bison Day: designate (see S. Res. 300), [28OC]
National Labor Relations Act: clarify rights of Indians and tribes on Indian lands (see S. 248), [22JA]
National Native American Heritage Month: observance (see S. Res. 307), [5NO]
National Tribal Colleges and Universities Week: designate (see S. Res. 62), [2FE]
Native American Heritage Day: observance (see S. Res. 307), [5NO]
Native American Housing Assistance and Self-Determination Act: reauthorize (see S. 710), [11MR]
Native Hawaiian Education Act: strengthen (see S. 464), [11FE]
Natural gas: authorize approval of pipelines and establish deadlines and expedite permits for certain gathering lines on Federal land and Indian land (see S. 411), [9FE]
New Mexico: make technical corrections to Navajo water rights settlement (see S. 501), [12FE]
North Carolina: provide for the recognition of the Lumbee Tribe (see S. 2285), [17NO]
Ocmulgee National Monument: revise boundary and redesignate as Ocmulgee Mounds National Historical Park (see S. 1696), [25JN]
Oklahoma: revoke the charter of incorporation of the Miami Tribe (see S. 321), [29JA]
Patient Protection and Affordable Care Act: correct inconsistencies in definitions relative to Native Americans (see S. 2114), [1OC]
———exempt Indian tribal governments and other tribal entities from employer health insurance mandate (see S. 1771), [15JY]
Roads and highways: enhance tribal road safety (see S. 1776), [15JY]
Taxation: allow allocation of certain renewable energy tax credits to Indian tribes (see S. 1749), [13JY]
———exclude from gross income payments under the Indian Health Service Loan Repayment Program and certain amounts received under the Indian Health Professions Scholarship Program (see S. 536), [24FE]
———extend and improve the Indian coal production tax credit (see S. 1361), [18MY]
———permanently extend the depreciation rules for property used predominantly within an Indian reservation (see S. 947), [15AP]
———recognize Indian tribal governments for purposes of determining under the adoption credit whether a child has special needs (see S. 835), [23MR]
Travel and tourism: enhance and integrate Native American tourism, empower communities, increase coordination and collaboration between Federal tourism assets, and expand heritage and cultural tourism opportunities (see S. 1579), [16JN]
Veterans: allow Indian Health Service to pay for Indian or Alaska Native veterans' copayments at Dept. of Veterans Affairs facilities (see S. 2417), [17DE]
———provide for rental assistance for homeless or at-risk Indian veterans (see S. 2274), [10NO]
Virginia: extend Federal recognition to the Chickahominy, Chickahominy-Eastern Division, Mattaponi, Upper Mattaponi, Rappahannock, Monacan, and Nansemond Tribes (see S. 465), [11FE]
Voting: protect Indian and Native Alaskan voters by improving tribal access to polling places and voter registration and remove barriers to exercising the right to vote (see S. 1912), [30JY]

NATURAL GAS *related term(s)* **POWER RESOURCES**
Bills and resolutions
Arctic Ocean: prohibit drilling (see S. 1794), [16JY]
BLM: establish a program to enter into memoranda of understanding with States providing for State oversight of oil and gas production activities (see S. 1230), [6MY]
CFTC: provide equal treatment for utility special entities using utility operations-related swaps (see S. 1111), [28AP]
Dept. of Energy: assess impact on the public interest prior to approval of additional permits to export natural gas (see S. 585), [26FE]
———authorize exploration, leasing, development, production, and economically feasible and prudent transportation of oil and gas in and from Coastal Plain in Alaska (see S. 494), [12FE]
———award grants to expand programs in maritime and energy workforce technical training (see S. 2053), [17SE]
———establish a Federal energy efficiency resource standard for electricity and natural gas suppliers (see S. 1063), [22AP]
———limit authority to approve certain proposals relative to export activities of liquefied natural gas terminals (see S. 1237), [6MY]
———provide certainty relative to timing of decisions to approve or deny applications to export natural gas (see S. 33), [6JA]
———replace the current requirement for biennial energy policy plan with a Quadrennial Energy Review (see S. 1033), [21AP]
———require consideration of the objective of improving conversion, use, and storage of carbon dioxide produced from fossil fuels in carrying out research and development programs (see S. 1282), [11MY]
Dept. of the Interior: allow offshore South Atlantic energy production, provide revenue sharing from such leases, establish veterans workforce training, and create partnerships with institutions of higher education (see S. 1279), [11MY]
———conduct study on stormwater runoff from oil and gas operations (see S. 1554), [11JN]
———establish a moratorium on oil and gas-related seismic activities off the coast of Florida (see S. 1171), [30AP]
———establish production incentive fee for lands leased for oil or natural gas on which production is not occurring (see S. 1280), [11MY]
———issue regulations to prevent or minimize the venting or flaring of gas in oil and gas production operations (see S. 1271), [11MY]
———permanently prohibit conduct of offshore drilling on the Outer Continental Shelf in the Atlantic Ocean (see S. 1042), [22AP]
———prohibit issuance of new oil or natural gas leases to persons that fail to renegotiate existing leases incorporating limitations on royalty relief based on market price (see S. 1310), [12MY]
———prohibit oil and gas leasing activities on certain portions of the Outer Continental Shelf (see S. 2155), [7OC]
———replace President Obama's proposed Outer Continental Shelf oil and gas leasing program with a congressional plan that will conduct additional lease sales (see S. 59), [7JA]
Dept. of Transportation: foster market development of clean energy fueling facilities by steering infrastructure installation toward designated Clean Vehicle Corridors (see S. 1581), [16JN]
FERC: consider regional constraints in natural gas supply and consumer benefits before approving or disapproving an application for a liquefied natural gas terminal (see S. 1242), [7MY]
———provide for timely consideration of all licenses, permits, and approvals required for oil and gas production and distribution (see S. 1210), [6MY]
Natural Gas Act: modify a provision relating to civil penalties (see S. 1216), [6MY]
Outer Continental Shelf: increase energy exploration and production in the Gulf of Mexico (see S. 1276), [11MY]
Pipelines: authorize States to enforce pipeline safety requirements related to wellbores at interstate natural gas storage facilities (see S. 1768), [15JY]
———establish State revolving loan funds to repair or replace natural gas distribution pipelines (see S. 1209), [6MY]
———provide enhanced safety in pipeline transportation (see S. 2276), [10NO]
———require gas pipeline facilities to accelerate the repair, rehabilitation, and replacement of high-risk pipelines used in commerce (see S. 1208), [6MY]
Power resources: achieve domestic energy independence by empowering States to control development and production of all forms of energy on all available Federal land (see S. 490), [12FE]
———clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State (see S. 828), [19MR]
———eliminate certain subsidies for fossil-fuel production (see S. 1041), [22AP]
———free the private sector to harness domestic energy resources to create jobs and generate economic growth by removing statutory and administrative barriers (see S. 791), [18MR]

———modernize Federal policies relative to supply and distribution of energy in the U.S. and repeal the crude oil export ban (see S. 1312), [12MY]
———provide for the development of methane hydrate as a commercially viable source of energy (see S. 1215), [6MY]
———reconcile differing Federal approaches to condensate (see S. 1224), [6MY]
———require approval of construction, operation, or maintenance of oil or natural gas pipelines or electric transmission facilities at U.S. borders for import or export (see S. 1228), [6MY]
———stop all new and nonproducing Federal leases for oil, gas, or coal extraction on public lands and waters (see S. 2238), [4NO]
Public lands: authorize approval of pipelines and establish deadlines and expedite permits for certain gathering lines on Federal land and Indian land (see S. 411), [9FE]
States: recognize authority to regulate oil and gas operations and promote American energy security, development, and job creation (see S. 15), [6JA]
Taxation: eliminate taxable income limit on percentage depletion for oil and natural gas produced from marginal properties (see S. 948), [15AP]
———extend certain expiring energy tax incentives (see S. 2391), [10DE]
———oppose Federal efforts to establish a carbon tax on fuels for electricity and transportation (see S. Con. Res. 1), [7JA]
———prevent certain discriminatory taxation of natural gas pipeline property (see S. 2117), [1OC]
———provide for an energy equivalent of a gallon of diesel in the case of liquefied natural gas for purposes of the Inland Waterways Trust Fund financing rate (see S. 2378), [9DE]
———provide for equalization of the excise tax on liquefied natural gas and per energy equivalent of diesel (see S. 344), [3FE] (see S. 917), [14AP]
Water pollution: require disclosure of chemicals used in hydraulic fracturing and repeal the oil and gas industry exemption from the Safe Drinking Water Act (see S. 785), [18MR]

Reports filed

LNG and LPG Excise Tax Equalization Act: Committee on Finance (Senate) (S. 917) (S. Rept. 114–27), [14AP]

NATURAL GAS ACT

Bills and resolutions

Courts: modify a provision relating to civil penalties (see S. 1216), [6MY]
Dept. of Energy: assess impact on the public interest prior to approval of additional permits to export natural gas (see S. 585), [26FE]
———limit authority to approve certain proposals relative to export activities of liquefied natural gas terminals (see S. 1237), [6MY]
———provide certainty relative to timing of decisions to approve or deny applications to export natural gas (see S. 33), [6JA]
FERC: consider regional constraints in natural gas supply and consumer benefits before approving or disapproving an application for a liquefied natural gas terminal (see S. 1242), [7MY]

NATURAL RESOURCES

Bills and resolutions

Air pollution: clarify treatment of carbon emissions from forest biomass (see S. 1284), [11MY]
Alaska: provide for the conduct of certain lease sales in the Outer Continental Shelf region and make certain modifications to the North Slope Science Initiative (see S. 1278), [11MY]
Bureau of Reclamation: authorize and implement water rights compact between Montana and the Blackfeet Indian Tribe (see S. 1125), [28AP]
———authorize use of active capacity of Colorado River Storage Project Fontenelle Reservoir in Wyoming (see S. 1305), [12MY]
———require an infrastructure needs assessment report listing major repair and rehabilitation needs at water delivery system facilities (see S. 593), [26FE]
Business and industry: modify certain penalties to deter oil spills (see S. 1311), [12MY]
Canada: ensure the Canadian Government does not permanently store nuclear waste in the Great Lakes Basin (see S. Res. 134), [13AP]
Climate: provide communities with tools to respond to extreme weather and implement a strategy to protect, restore, and conserve natural resources on which tourism and recreation jobs and local economies depend (see S. 1601), [17JN]
Coastal zones: improve ability of NOAA, Coast Guard, and coastal States to sustain healthy oceans and coastal ecosystems by maintaining capabilities relative to oil spill preparedness, prevention, and response (see S. 1430), [21MY]
Conservation of natural resources: provide for advancement of energy-water efficiency research, development, and deployment activities (see S. 1485), [2JN]
Dept. of Commerce: assess and analyze the outdoor recreation economy of the U.S. (see S. 2219), [29OC]
Dept. of Energy: authorize exploration, leasing, development, production, and economically feasible and prudent transportation of oil and gas in and from Coastal Plain in Alaska (see S. 494), [12FE]
———conduct study on technology, potential lifecycle energy savings, and economic impact of recycled carbon fiber (see S. 1432), [21MY]
———replace the current requirement for biennial energy policy plan with a Quadrennial Energy Review (see S. 1033), [21AP]
Dept. of the Interior: authorize water rights settlement with the Pechanga Band of Luiseno Mission Indians (see S. 1983), [5AU]
———carry out programs and activities for connecting children and families with the outdoors (see S. 1078), [23AP]
———convey to States all right, title, and interest in, and to a percentage of, the mineral royalties and other amounts required to be paid relative to public land and deposits in the State (see S. 500), [12FE]
———coordinate Federal and State permitting processes relative to construction of new surface water storage projects on Federal lands and designate Bureau of Reclamation as lead agency (see S. 1533), [9JN]
———develop a cadastre of Federal real property to assist with land management, conservation, and development and identify land that no longer needs to be federally owned (see S. 1225), [6MY]
———grant rights-of-way on Federal land under the Mineral Leasing Act (see S. 1196), [5MY]
———prohibit issuance of new oil or natural gas leases to persons that fail to renegotiate existing leases incorporating limitations on royalty relief based on market price (see S. 1310), [12MY]
———reform administration of the Outer Continental Shelf (see S. 2011), [9SE]
Depts. of the Interior and Agriculture: prohibit the taking of privately held water rights and uphold longstanding State water laws (see S. 982), [16AP]
———promote exploration for geothermal resources (see S. 562), [25FE]
Drought: provide drought assistance and improved water supply reliability to California, other Western States, and the nation (see S. 1837), [22JY]
———provide for drought preparedness in New Mexico (see S. 1936), [4AU]
———provide short-term water supplies to drought-stricken California (see S. 1894), [29JY]
EPA: amend the renewable fuel program to require the cellulosic biofuel requirement to be based on actual production (see S. 934), [14AP]
———establish centers of excellence for innovative stormwater control infrastructure (see S. 896), [13AP]
———provide for a smart energy and water efficiency pilot program (see S. 886), [26MR]
———provide for assessment and management of risk of algal toxins in drinking water (see S. 460), [11FE]
Forests: expedite and prioritize forest management activities to achieve ecosystem restoration objectives (see S. 1691), [25JN]
Great Lakes: foster bilateral engagement and scientific analysis of storing nuclear waste in permanent repositories in the Great Lakes Basin (see S. 2026), [10SE]
Helium: promote a greater domestic supply, establish a Federal leasing program for public land, and secure a supply for national defense and Federal researchers (see S. 1226), [6MY]
Hydroelectric power: promote marine and hydrokinetic renewable energy technologies research, development, and demonstration (see S. 1058), [22AP]
Klamath Basin: approve and implement the Klamath Basin agreements, improve natural resource management, support economic development, and sustain agricultural production (see S. 133), [8JA]
Lake Tahoe: provide for environmental restoration and forest management activities in surrounding basin (see S. 1724), [9JY]
National Park Service: observe centennial through increased funding (see S. 2257), [5NO]
New Mexico: make technical corrections to Navajo water rights settlement (see S. 501), [12FE]
———protect, restore, and improve health of watersheds on national forest lands (see S. 1780), [15JY]
NOAA: conduct assessment of cultural and historic resources in the waters of the Great Lakes (see S. 1956), [5AU]
Power resources: authorize noncompetitive leasing of certain areas adjoining other lands for which a qualified company or individual holds a preexisting right to develop geothermal resources (see S. 822), [19MR]
———free the private sector to harness domestic energy resources to create jobs and generate economic growth by removing statutory and administrative barriers (see S. 791), [18MR]
———modernize Federal policies relative to supply and distribution of energy in the U.S. and repeal the crude oil export ban (see S. 1312), [12MY]
———modernize U.S. energy policy (see S. 2012), [9SE]
———promote geothermal energy (see S. 1057), [22AP]
———reconcile differing Federal approaches to condensate (see S. 1224), [6MY]
Public lands: reduce the royalty required to be paid for sodium produced on Federal lands (see S. 2031), [15SE]
Sacramento-San Joaquin Delta National Heritage Area: establish (see S. 630), [3MR]
Space policy: promote development of a U.S. commercial space resource exploration and utilization industry and increase the exploration and utilization of resources in outer space (see S. 976), [16AP]
Strategic Petroleum Reserve: require congressional notification for certain operations and determine options available for the continued operation (see S. 1231), [6MY]
———suspend sales of petroleum products until certain conditions are met (see S. 82), [7JA]
Taxation: facilitate water leasing and water transfers to promote conservation and efficiency (see S. 384), [5FE]
Territories: improve administration of programs in the insular areas (see S. 2360), [7DE]
Water: disapprove rule submitted by the Corps of Engineers and EPA relative to the definition of ''waters of the U.S.'' under the Federal Water Pollution Control Act (see S.J. Res. 22), [17SE]
———prohibit implementation of a proposed environmental protection rule relative to the definition of ''waters of the U.S.'' until certain reports are produced (see S. 1178), [30AP]
———reauthorize EPA WaterSense program, create State and local conservation and efficiency programs, support recycling, storage, and management projects, improve water data, and provide for drought preparedness (see S. 176), [13JA]
———revise definition of ''waters of the U.S.'' relative to application of environmental protection regulations (see S. 1140), [30AP]
Water Resources Research Act: reauthorize grants for and require applied water supply research regarding water resources research and technology institutes (see S. 653), [4MR]

Delta Regional Authority: add Vernon and Sabine Parishes, LA, to make such parishes eligible for Federal economic development grants (see S. 1791), [16JY]
Dept. of Agriculture: amend the fresh fruit and vegetable program under the National School Lunch Program to include canned, dried, frozen, or pureed fruits and vegetables (see S. 2243), [5NO]
———authorize a summer electronic benefits transfer for children program under the National School Lunch Program and allow State flexibility in providing summer meals (see S. 1966), [5AU]
———establish a permanent, nationwide summer electronic benefits transfer for children program under the National School Lunch Program (see S. 1539), [10JN]
———improve efficiency of Summer Food Service Program (see S. 613), [27FE]
———improve the child and adult care food program (see S. 1833), [22JY]
———modify exception to the work requirement for Supplemental Nutrition Assistance Program applicants (see S. 2420), [17DE]
———provide flexibility to school food authorities in establishing a price for paid school lunches (see S. 1805), [21JY]
———require Supplemental Nutrition Assistance Program beneficiaries to show valid photo identification when purchasing items with program benefits (see S. 57), [7JA]
Dept. of Education: allow for portability of funds for programs improving the academic achievement of the disadvantaged (see S. 72), [7JA]
———authorize American Dream Accounts to establish longitudinal personal college readiness and savings online platforms for low-income students (see S. 687), [10MR]
———award grants to States to establish universal prekindergarten programs and programs to support infants and toddlers (see S. 645), [3MR]
———create a competitive high school redesign program to increase number and percentage of students who graduate from high school ready for college and a career (see S. 696), [10MR]
———establish American Dream Grant program to encourage States to increase access to higher education to low-income students regardless of immigration status (see S. 796), [19MR]
———establish an Early Federal Pell Grant Commitment Program (see S. 1128), [29AP]
———establish Innovation Inspiration school grant program (see S. 442), [10FE]
———establish Promise Neighborhoods program (see S. 514), [12FE]
———increase out-of-school access to digital learning resources for eligible students to increase student and educator engagement (see S. 1606), [18JN]
———increase participation of women, girls, and underrepresented minorities in science, technology, engineering, and math (STEM) education and industry (see S. 1183), [4MY]
———promote advanced placement and international baccalaureate programs (see S. 557), [25FE]
———provide access to higher education through a Federal-State partnership to waive community college tuition and provide grants to minority-serving institutions to assist low-income students (see S. 1716), [8JY]
———remove barriers to higher education for homeless and foster youth by improving financial aid process and outreach programs and providing in-State tuition and access to housing resources (see S. 2267), [10NO]
———simplify the college financial aid application process and increase income threshold to qualify for zero expected family contribution in determining Federal student aid eligibility (see S. 1872), [27JY]
Dept. of Energy: provide loans and grants for solar installations in low-income and underserved areas (see S. 1713), [7JY]
———reauthorize Weatherization Assistance Program and State Energy Program (see S. 703), [11MR]
Dept. of HHS: establish grant programs to improve health of border area residents and for hazards preparedness in border areas including bioterrorism, infectious disease, and noncommunicable emerging threats (see S. 1537), [10JN]
———establish the Federal Interagency Working Group on Reducing Child Poverty (see S. 2224), [29OC]
Dept. of HUD: authorize the Moving to Work Charter program to enable public housing agencies to improve the effectiveness of Federal housing assistance (see S. 65), [7JA]
———modernize and improve Family Unification Program (see S. 2289), [17NO]
———renew certain Moving to Work demonstration program agreements (see S. 1530), [9JN]
Dept. of Labor: provide for youth jobs (see S. 1506), [4JN]
District of Columbia: reauthorize funding for public schools, charter schools, and the Opportunity Scholarship Program providing private school vouchers (see S. 2171), [8OC]
Education: improve early learning opportunities for prekindergarten children (see S. 1380), [19MY]
———improve the District of Columbia Opportunity Scholarship Program, expand educational choices for the disabled, and establish a scholarship program for military children (see S. 265), [27JA]
FCC: allow skilled nursing facilities to apply for support from Universal Service Fund Rural Health Care Program (see S. 1916), [3AU]
———prohibit universal service support of commercial mobile service through the Lifeline program (see S. 56), [7JA] (see S. 1621), [18JN]
———provide for equitable distribution of Universal Service funds to rural States (see S. 734), [12MR]
———reform and modernize Universal Service Fund Lifeline Assistance Program (see S. 1472), [1JN]
———require a quarterly report on the Lifeline program funded by the Universal Service Fund (see S. 1545), [10JN]
Federal aid programs: exclude payments from State eugenics compensation programs to individuals sterilized under a government-sponsored program from determining eligibility for, or amount of, benefits (see S. 1698), [25JN]
Health: improve access to oral health care for vulnerable populations (see S. 570), [25FE]
Health Care and Education Reconciliation Act: repeal (see S. 336, 339), [2FE]
Medicaid: anniversary (see S. Res. 25), [8JA]
———encourage States to adopt administrative procedures relative to nonmedical exemptions from immunization requirements (see S. 1921), [4AU]
———extend and expand emergency psychiatric demonstration project (see S. 599), [26FE]
———provide a standard definition of therapeutic foster care services (see S. 429), [10FE]
Medicare: make premium and cost-sharing subsidies available to low-income beneficiaries in Puerto Rico or other territories (see S. 2342), [2DE]
———permit review of certain payment determinations for disproportionate share hospitals (see S. 2228), [3NO]
———provide relief to Medicare Advantage plans with a significant number of dually eligible or low-income subsidy beneficiaries and prevent termination of two star plans (see S. 2104), [30SE]
———require drug manufacturers to provide rebates for drugs dispensed to low-income individuals under the prescription drug benefit program (see S. 1083), [23AP]
Medicare/Medicaid: curb waste, fraud, and abuse (see S. 861), [25MR]

———make improvements to the treatment of the U.S. territories (see S. 1961), [5AU]
Millennium Challenge Corp.: authorize concurrent compacts for purposes of regional economic integration and cross-border collaborations (see S. 1605), [18JN]
Native Americans: provide for rental assistance for homeless or at-risk Indian veterans (see S. 2274), [10NO]
Patient Protection and Affordable Care Act: repeal (see S. 77), [7JA] (see S. 336, 339), [2FE]
———repeal Federal mandate to purchase insurance (see S. 203), [21JA]
———repeal provisions providing for the Independent Payment Advisory Board (see S. 141), [8JA]
SBA: make Community Advantage Pilot Program permanent (see S. 2125), [1OC]
Social Security: anniversary (see S. Res. 246), [5AU]
———extend State Children's Health Insurance Program (see S. 522), [12FE]
SSA: prohibit issuance of Social Security numbers to individuals given deferred action under immigration Executive actions (see S. 748), [16MR]
Taxation: clarify treatment of locum tenens physicians as independent contractors to help alleviate physician shortages in underserved areas (see S. 2371), [8DE]
———facilitate nationwide availability of volunteer income tax assistance for low-income and underserved populations (see S. 996), [16AP]
———increase access for the uninsured to high quality physician care by providing incentives for doctors to provide uncompensated care (see S. 1521), [4JN]
———increase certain fuel taxes, strengthen the earned income tax and child tax credits, and make permanent certain tax provisions under the American Recovery and Reinvestment (see S. 1994), [5AU]
———make permanent and expand the temporary minimum credit rate for the low-income housing tax credit program (see S. 1193), [5MY]
———modify rules for tax-exempt enterprise zone facility bonds and extend tax incentives for empowerment zones (see S. 408), [5FE]
———permanently extend the new markets tax credit (see S. 591), [26FE]
———prevent claims of the earned income tax credit by individuals receiving Social Security numbers and work authorizations pursuant to certain deferred action programs (see S. 686), [10MR]
———provide tax credit to teachers in rural or high unemployment areas or who achieve National Board for Professional Teaching Standards certification (see S. 138), [8JA] (see S. 1954), [5AU]
———qualify homeless youth and veterans who are full-time students for low-income housing tax credit (see S. 1412), [21MY]
———strengthen the earned income tax credit and expand eligibility for childless individuals and youth formerly in foster care (see S. 2327), [19NO]
———strengthen the earned income tax credit and make permanent certain tax provisions under the American Recovery and Reinvestment Act (see S. 1012), [20AP]
$2.13 Day: designate (see S. Res. 77), [12FE]
Urban areas: making emergency supplemental appropriations to address critical challenges and rebuild inner city neighborhoods (see S. 1889), [29JY]

Motions

Medicaid: extend and expand emergency psychiatric demonstration project (S. 599), [19NO]
Social Security: extend State Children's Health Insurance Program (H.R. 2), [14AP]

Reports filed

Commission on Native Children Act: Committee on Indian Affairs (Senate) (S. 246) (S. Rept. 114–39), [11MY]
Electrify Africa Act: Committee on Foreign Relations (Senate) (S. 2152), [5NO]
———Committee on Foreign Relations (Senate) (S. 2152) (S. Rept. 114–176), [8DE]
Improving Access to Emergency Psychiatric Care Act: Committee on Finance (Senate) (S. 599) (S. Rept. 114–101), [30JY]
Need-Based Educational Aid Act: Committee on the Judiciary (Senate) (S. 1482), [9JY]
Preventing and Reducing Improper Medicare and Medicaid Expenditures (PRIME) Act: Committee on Finance (Senate) (S. 861) (S. Rept. 114–104), [30JY]

POWER RESOURCES *related term(s)* **CONSERVATION OF ENERGY; NATURAL GAS; PETROLEUM; RENEWABLE ENERGY**

Bills and resolutions

Africa: assist sub-Saharan African countries develop mix of power solutions for more broadly distributed electricity access to support poverty alleviation and drive economic growth (see S. 1933), [4AU] (see S. 2152), [7OC]
Agreement for Cooperation Between the U.S. and the Republic of Korea Concerning Peaceful Uses of Nuclear Energy: approve (see S.J. Res. 20), [28JY]
Alaska: authorize Native regional and village corporations to establish energy assistance programs (see S. 1235), [6MY]
———provide for the conduct of certain lease sales in the Outer Continental Shelf region and make certain modifications to the North Slope Science Initiative (see S. 1278), [11MY]
Arctic National Wildlife Refuge: preserve the Arctic coastal plain as wilderness (see S. 2341), [2DE]
Arctic Ocean: prohibit drilling (see S. 1794), [16JY]
BLM: establish a program to enter into memoranda of understanding with States providing for State oversight of oil and gas production activities (see S. 1230), [6MY]
———increase royalty rate for coal produced from surface mines on Federal land and prohibit export of coal produced on Federal land (see S. 2339), [1DE]
Budget: appropriately determine the budgetary effects of energy savings performance contracts and utility energy service contracts (see S. 765), [17MR]
Bureau of Reclamation: authorize use of active capacity of Colorado River Storage Project Fontenelle Reservoir in Wyoming (see S. 1305), [12MY]
Business and industry: eliminate certain subsidies for fossil-fuel production (see S. 1041), [22AP]
———modify certain penalties to deter oil spills (see S. 1311), [12MY]
CFTC: provide equal treatment for utility special entities using utility operations-related swaps (see S. 1111), [28AP]
Coal: direct Federal investment in carbon capture and storage and other clean coal technologies (see S. 601), [26FE]
———require coordinated response to coal fuel supply emergencies that could impact electric power system adequacy or reliability (see S. 1405), [20MY]
Coast Guard: strengthen authority to prevent and respond to the threat of damage from pollution of the sea by crude oil from oil drilling in foreign countries (see S. 1999), [5AU]
Coastal zones: extend the seaward boundaries of certain States (see S. 55), [7JA]
———improve ability of NOAA, Coast Guard, and coastal States to sustain healthy oceans and coastal ecosystems by maintaining capabilities relative to oil spill preparedness, prevention, and response (see S. 1430), [21MY]
Condensate: reconcile differing Federal approaches (see S. 1224), [6MY]
Congress: approve permit for the Keystone XL Pipeline (see S. 1), [6JA] (see S. 147), [12JA]
Conservation of energy: promote energy efficiency via information and computing technologies (see S. 1706), [7JY]
———promote energy savings in residential and commercial buildings and industry (see S. 128), [8JA] (see S. 535), [23FE]
———promote energy savings in residential buildings and industry (see S. 720), [11MR]
Conservation of natural resources: provide for advancement of energy-water efficiency research, development, and deployment activities (see S. 1485), [2JN]
Dept. of Commerce: establish Clean Energy Technology Manufacturing and Export Assistance Fund (see S. 1263), [7MY]
Dept. of Defense: improve energy savings (see S. 1277), [11MY] (see S. 1528), [9JN]
Dept. of Energy: add certain medium- and heavy-duty vehicles to the Advanced Technology Vehicles Manufacturing Program (see S. 1449), [21MY]
———advance the integration of clean distributed energy into electric grids (see S. 1201), [6MY]
———assess capability to authorize, host, and oversee privately funded fusion and fission reactor prototypes and related demonstration facilities at departmental sites (see S. 1363), [18MY]
———assess impact on the public interest prior to approval of additional permits to export natural gas (see S. 585), [26FE]
———authorize entrance into contracts to provide certain price stabilization support relative to electric generation units that use coal-based generation technology (see S. 1285), [11MY]
———authorize exploration, leasing, development, production, and economically feasible and prudent transportation of oil and gas in and from Coastal Plain in Alaska (see S. 494), [12FE]
———award grants to expand programs in maritime and energy workforce technical training (see S. 2053), [17SE]
———collect information on critical energy supplies and establish a Working Group on Energy Markets (see S. 1420), [21MY]
———conduct a study on energy savings benefits of operational efficiency programs and services for commercial, institutional, industrial, and governmental entities (see S. 1342), [14MY]
———conduct study on technology, potential lifecycle energy savings, and economic impact of recycled carbon fiber (see S. 1432), [21MY]
———coordinate provision of energy retrofitting assistance to schools (see S. 523), [12FE]
———develop a national smart manufacturing plan and provide assistance to small- and medium-sized manufacturers in implementing smart manufacturing programs (see S. 1054), [22AP]
———develop an implementation strategy to promote development of hybrid micro-grid systems for isolated communities (see S. 1227), [6MY]
———ensure oil transported through the TransCanada Keystone XL Pipeline is used in domestic commerce to reduce U.S. dependence on foreign oil (see S. 188), [16JA]
———establish a Federal energy efficiency resource standard for electricity and natural gas suppliers (see S. 1063), [22AP]
———establish a Financing Energy Efficient Manufacturing Program (see S. 1275), [11MY]
———establish a pilot program to award grants to nonprofit organizations for retrofitting nonprofit buildings with energy-efficiency improvements (see S. 600), [26FE]
———establish a program to make grants to eligible partnerships to provide for the transformation of the electric grid (see S. 1207), [6MY]
———establish a State residential building energy efficiency upgrades loan pilot program (see S. 878), [26MR]
———establish an Energy Productivity Innovation Challenge (EPIC) (see S. 893), [26MR]
———establish an e-prize competition pilot program to provide financial awards to entities that develop and demonstrate technology that reduces the cost of electricity or space heat in high-cost regions (see S. 1346), [14MY]
———establish as lead agency for coordinating all requirements under Federal law relative to eligible clean coal and advanced coal technology generating projects (see S. 1293), [12MY]
———establish competitive grant programs to promote electricity grid modernization (see S. 1232), [6MY]
———establish comprehensive program to improve education and training to increase number of skilled workers in energy and manufacturing fields (see S. 1422), [21MY]
———establish distributed energy loan program and technical assistance and grant program (see S. 1258), [7MY]
———establish energy storage research program, loan program, and technical assistance and grant program (see S. 1256), [7MY]

———establish microlabs to improve regional engagement with national laboratories (see S. 784), [18MR]
———establish pilot competitive grant program for development of a skilled energy workforce (see S. 1304), [12MY]
———extend, improve, and consolidate energy research and development programs (see S. 1398), [20MY]
———facilitate modernization of the electric grid (see S. 1243), [7MY]
———improve high-end computing research and development program (see S. 454), [11FE]
———improve loan guarantee program for innovative technologies (see S. 1223), [6MY]
———improve technology transfer by reducing bureaucratic barriers to industry, entrepreneurs, and small businesses and increase public-private partnerships in research and development (see S. 2287), [17NO]
———increase maximum percentage of funds available for laboratory directed research and development (see S. 830), [23MR]
———issue long-term Federal excess uranium inventory management plan (see S. 1428), [21MY]
———limit authority to approve certain proposals relative to export activities of liquefied natural gas terminals (see S. 1237), [6MY]
———modify efficiency standards for grid-enabled water heaters (see S. 259), [27JA]
———obtain consent of affected State and local governments before making an expenditure from the Nuclear Waste Fund for a nuclear repository (see S. 1825), [22JY]
———prohibit from prescribing a final rule amending the efficiency standards for residential non-weatherized gas furnaces or mobile home furnaces until an analysis has been completed (see S. 1029), [21AP]
———promote mapping and development of geothermal resources by establishing a direct loan program for high risk exploration wells, improve technology, and demonstrate use in large scale thermal applications (see S. 1155), [30AP]
———provide certainty relative to timing of decisions to approve or deny applications to export natural gas (see S. 33), [6JA]
———provide for a program of research, development, demonstration, and commercial application in vehicle technologies (see S. 1408), [20MY]
———provide for modernization, security, and resiliency of the electric grid and carry out programs for research, development, demonstration, and information-sharing for cybersecurity for the energy sector (see S. 1241), [7MY]
———provide loans and grants for solar installations in low-income and underserved areas (see S. 1713), [7JY]
———reauthorize hydroelectric production and efficiency improvement incentives (see S. 1270), [11MY]
———reauthorize Weatherization Assistance Program and State Energy Program (see S. 703), [11MR]
———remove authority to amend or issue new energy efficiency standards for ceiling fans (see S. 1048), [22AP]
———repeal certain programs and establish a coal technology program (see S. 1283), [11MY]
———replace the current requirement for biennial energy policy plan with a Quadrennial Energy Review (see S. 1033), [21AP]
———require consideration of the objective of improving conversion, use, and storage of carbon dioxide produced from fossil fuels in carrying out research and development programs (see S. 1282), [11MY]
———require State approval before exercising the power of eminent domain to acquire property for electric transmission projects in such State (see S. 485), [12FE]
———require the evaluation and consolidation of duplicative green building programs (see S. 939), [14AP]
———review rulemaking proceedings of other Federal agencies for adverse effects on the cost, time, or difficulty of complying with energy efficiency regulations, guidelines, or standards (see S. 1047), [22AP]
———submit a plan to implement recommendations to improve interactions with National Laboratories (see S. 1229), [6MY]
———use existing available funding to further projects that would improve energy efficiency and reduce emissions (see S. 1306), [12MY]
Dept. of HHS: conduct study on public health and environmental impacts of production, transportation, storage, and use of petroleum coke (see S. 1763), [14JY]
Dept. of Homeland Security: secure critical infrastructure against electromagnetic threats (see S. 1846), [23JY]
Dept. of the Interior: allow offshore South Atlantic energy production, provide revenue sharing from such leases, establish veterans workforce training, and create partnerships with institutions of higher education (see S. 1279), [11MY]
———conduct study on stormwater runoff from oil and gas operations (see S. 1554), [11JN]
———convey to States all right, title, and interest in, and to a percentage of, the mineral royalties and other amounts required to be paid relative to public land and deposits in the State (see S. 500), [12FE]
———ensure timely review of BLM notices before appearance in the Federal Register in order to streamline energy development permitting process (see S. 113), [7JA]
———establish a moratorium on oil and gas-related seismic activities off the coast of Florida (see S. 1171), [30AP]
———establish production incentive fee for lands leased for oil or natural gas on which production is not occurring (see S. 1280), [11MY]
———grant rights-of-way on Federal land under the Mineral Leasing Act (see S. 1196), [5MY]
———improve coal leasing (see S. 1340), [14MY]
———improve coal royalties by collecting royalties based on actual market value of the coal and increasing transparency and standardizing the royalty collection process (see S. 1891), [29JY]
———issue regulations to prevent or minimize the venting or flaring of gas in oil and gas production operations (see S. 1271), [11MY]
———permanently prohibit conduct of offshore drilling on the Outer Continental Shelf in the Atlantic Ocean (see S. 1042), [22AP]
———prohibit oil and gas leasing activities on certain portions of the Outer Continental Shelf (see S. 2155), [7OC]
———reform administration of the Outer Continental Shelf (see S. 2011), [9SE]
———replace President Obama's proposed Outer Continental Shelf oil and gas leasing program with a congressional plan that will conduct additional lease sales (see S. 59), [7JA]
Dept. of Transportation: foster market development of clean energy fueling facilities by steering infrastructure installation toward designated Clean Vehicle Corridors (see S. 1581), [16JN]
———improve safety standards for transporting crude oil by rail (see S. 859), [25MR] (see S. 1462), [22MY]
Depts. of Energy and Agriculture: collaborate in promoting the development of efficient, economical, and environmentally sustainable thermally led wood energy systems (see S. 1294), [12MY]
Depts. of the Interior and Agriculture: promote exploration for geothermal resources (see S. 562), [25FE]
Developing countries: promote use of clean cookstoves and fuels in order to create a thriving global market for clean and efficient household cooking solutions (see S. 2194), [22OC]
Domestic policy: improve distribution of energy in the U.S. (see S. 1220), [6MY]
Ecology and environment: provide for emissions reductions (see S. 2399), [10DE]
Electric power: clarify that compliance with an emergency order under the Federal Power Act to generate or transmit electricity may not be considered a violation of environmental laws or regulations (see S. 848), [24MR]
———establish an Interagency Rapid Response Team for Transmission, establish a FERC Office of Transmission Ombudsperson, and modify terms of Federal rights-of-way for electric transimission systems (see S. 1217), [6MY]
———facilitate the free market for distributed energy resources (see S. 1213), [6MY] (see S. 2003), [6AU]
———protect the bulk-power system from cyber security threats (see S. 1068), [23AP]
———provide for the safe and reliable interconnection of distributed resources and provide for the examination of the effects of net metering (see S. 1219), [6MY]
Employment: assist workers who have lost jobs or had a reduction in wages or hours due to the transition to clean energy and establish an efficient system to enable employees to form, join, or assist labor organizations (see S. 2398), [10DE]
Energy and water development: making appropriations (see S. 2129, 2130), [5OC]
EPA: amend the renewable fuel program to require the cellulosic biofuel requirement to be based on actual production (see S. 934), [14AP]
———disapprove rule on carbon pollution emission guidelines for existing electric utility generating units (see S.J. Res. 24), [26OC]
———disapprove rule on standards of performance for greenhouse gas emissions from new, modified, and reconstructed electric utility generating units (see S.J. Res. 23), [26OC]
———eliminate the corn ethanol mandate for renewable fuel (see S. 577), [26FE]
———expand ethanol waiver for the Reid vapor pressure limitations of motor vehicle fuels (see S. 1239), [7MY]
———fulfill certain requirements before regulating standards of performance for new, modified, and reconstructed fossil fuel-fired electric utility generating units (see S. 1324), [13MY]
———provide for a smart energy and water efficiency pilot program (see S. 886), [26MR]
———repeal renewable fuel standard program (see S. 1584), [16JN]
———require a report on economic impact of certain energy-related rules and prohibit finalization of such rules that will cause significant adverse effects to the economy (see S. 156), [13JA]
———require congressional approval of any greenhouse gas rules unless the cost of such rules are offset through reductions in spending (see S. 639), [3MR]
Federal agencies and departments: improve energy efficiency in Federal facilities by encouraging entrance into energy savings performance contracts and utility energy service contracts (see S. 858), [25MR]
———provide alternative fuel to Federal employees on a reimbursable basis (see S. 1199), [5MY]
———provide guidance on utility energy service contracts used by Federal agencies (see S. 723), [12MR]
———repeal prohibition on the procurement and acquisition of alternative fuels (see S. 1026), [21AP]
Federal-State relations: promote Federal-State partnerships for developing regional energy strategies and plans to mitigate risks in changing energy systems (see S. 888), [26MR]
FERC: authorize expansion of an existing hydroelectric project in Alaska (see S. 1583), [16JN]
———consider regional constraints in natural gas supply and consumer benefits before approving or disapproving an application for a liquefied natural gas terminal (see S. 1242), [7MY]
———expand provisions for termination of electric utility mandatory purchase requirements from certain facilities (see S. 1037), [22AP]
———extend the deadline for commencement of construction of a hydroelectric project involving the Gibson Dam (see S. 1104), [27AP]
———extend the deadline for commencement of construction of a hydroelectric project involving the W. Kerr Scott Dam (see S. 2083), [28SE]

———improve siting of interstate electric transmission facilities (see S. 1017), [21AP]
———issue an order continuing a stay of a hydroelectric license for the Mahoney Lake hydroelectric project in Alaska (see S. 1585), [16JN] (see S. 2046), [17SE]
———modify certain requirements relative to trial-type hearings for certain license applications (see S. 1236), [6MY]
———provide for timely consideration of all licenses, permits, and approvals required for oil and gas production and distribution (see S. 1210), [6MY]
———provide reports on electric capacity resources of transmission organizations and the amendment of certain tariffs to address procurement of electric capacity resources (see S. 1222), [6MY]
———reinstate and extend the deadline for commencement of construction of a hydroelectric project involving Clark Canyon Dam (see S. 1103), [27AP]
———require periodic reports on electricity reliability and reliability impact statements for rules affecting the reliable operation of the bulk-power system (see S. 1221), [6MY]
———streamline licensing procedures for hydroelectric projects on existing dams (see S. 1338), [14MY]
Foreign trade: require approval of construction, operation, or maintenance of oil or natural gas pipelines or electric transmission facilities at U.S. borders for import or export (see S. 1228), [6MY]
GAO: conduct a study on the effects of forward capacity auctions and other capacity mechanisms on electricity prices, supply, and competition in energy markets (see S. 1272), [11MY]
Geothermal energy: promote (see S. 1057), [22AP]
Geothermal resources: authorize noncompetitive leasing of certain areas adjoining other lands for which a qualified company or individual holds a preexisting right to develop geothermal resources (see S. 822), [19MR]
Government regulations: free the private sector to harness domestic energy resources to create jobs and generate economic growth by removing statutory and administrative barriers (see S. 791), [18MR]
———modernize Federal policies relative to supply and distribution of energy in the U.S. and repeal the crude oil export ban (see S. 1312), [12MY]
———provide regulatory relief to alternative fuel producers and consumers (see S. 889), [26MR]

Mining and mineral resources: promote domestic production of critical minerals and materials (see S. 883), [26MR]
Motor vehicles: exempt certain class A driver's license holders in the agriculture industry from requirement to obtain a hazardous material endorsement when operating certain service vehicles (see S. 654), [4MR]
———promote alternative fueled vehicle fleets and infrastructure (see S. 1053), [22AP]
NASA: report on requirements and risks in connection with use of radioisotopic power systems for space exploration beyond low-Earth orbit (see S. 1829), [22JY]
National Hydrogen and Fuel Cell Day: designate (see S. Res. 217), [8JY]
National objectives: invest in clean energy, empower and protect consumers, modernize energy infrastructure, cut pollution and waste, and invest in research and development (see S. 2089), [28SE]
———modernize U.S. energy policy (see S. 2012), [9SE]
National Science and Technology Council: establish an interagency coordination committee or subcommittee focused on the nexus between energy and water production, use, and efficiency (see S. 1218), [6MY]
National Strategic Agenda: establish and include goals of job creation, balanced budget, securing Medicare and Social Security, and energy security (see S. Res. 199), [11JN]
Natural gas: authorize approval of pipelines and establish deadlines and expedite permits for certain gathering lines on Federal land and Indian land (see S. 411), [9FE]
———provide for the development of methane hydrate as a commercially viable source of energy (see S. 1215), [6MY]
Natural Gas Act: modify a provision relating to civil penalties (see S. 1216), [6MY]
Nevada: provide for withdrawal of certain Federal land in Garden Valley (see S. 196), [20JA]
NRC: ensure orderly conduct of actions (see S. 58), [7JA]
———ensure State and local communities participate in development of nuclear plant decommissioning plans and require public approval or rejection of such proposed plans (see S. 964), [15AP]
———obtain the consent of affected State and local governments before authorizing the construction of a nuclear waste repository (see S. 691), [10MR]
———prohibit certain waivers and exemptions from emergency preparedness and response and security regulations for spent fuel stored at closed nuclear reactors (see S. 944), [15AP]
———require nuclear reactor operators to expand emergency planning zones and develop plans for dry cask storage of spent nuclear fuel (see S. 945), [15AP]
Nuclear Waste Administration: establish (see S. 854), [24MR]
OMB: oversee reforms to improve efficiency, management, and interagency coordination of the Federal permitting process for major capital projects (see S. 280), [28JA]
Outer Continental Shelf: increase energy exploration and production in the Gulf of Mexico (see S. 1276), [11MY]
Petroleum: repeal the crude oil export ban (see S. 1372), [19MY]
Pipelines: ban shipment of crude oil on, and study pipeline risks in, the Great Lakes, improve oil spill response plans, increase transparency about risks, and expand safety measures in high consequence areas (see S. 2080), [24SE]
———provide enhanced safety in pipeline transportation (see S. 2276), [10NO]
Public buildings: improve energy performance in Federal buildings (see S. 869), [26MR]
Public lands: achieve domestic energy independence by empowering States to control development and production of all forms of energy on all available Federal land (see S. 490), [12FE]
———reduce the royalty required to be paid for sodium produced on Federal lands (see S. 2031), [15SE]
———stop all new and nonproducing Federal leases for oil, gas, or coal extraction on public lands and waters (see S. 2238), [4NO]
Public utilities: expand electric rate-setting authority of States (see S. 1233), [6MY]
———provide electric consumers the right to access certain electric energy information and allow for the adoption of innovative products and services to help consumers manage energy usage (see S. 1044), [22AP]
———provide for consideration by State regulatory authorities and nonregulated electric utilities of whether subsidies should be provided for construction and operation of customer-side technology (see S. 2384), [10DE]
Public Utility Regulatory Policies Act: establish an energy storage portfolio standard (see S. 1434), [21MY]
Refuse disposal: encourage recovery and beneficial use of coal ash and establish requirements for management and disposal of coal ash that are protective of human health and the environment (see S. 1803), [16JY]

Dept. of Homeland Security: achieve border security on certain Federal lands in Arizona (see S. 750), [17MR]

Dept. of the Interior: acquire land in Martinez, CA, for inclusion in John Muir National Historic Site (see S. 651), [4MR]

———convey certain Federal land to the Confederated Tribes of Coos, Lower Umpqua, and Siuslaw Indians (see S. 814), [19MR]

———convey certain Federal land to the Cow Creek Band of Umpqua Tribe of Indians (see S. 815), [19MR]

———convey certain interests in Federal land acquired for the Scofield Project in Carbon County, UT (see S. 14), [6JA]

———convey land to be held in trust for certain Indian tribes in Nevada (see S. 1436), [21MY]
———convey to States all right, title, and interest in, and to a percentage of, the mineral royalties and other amounts required to be paid relative to public land and deposits in the State (see S. 500), [12FE]
———coordinate Federal and State permitting processes relative to construction of new surface water storage projects on Federal lands and designate Bureau of Reclamation as lead agency (see S. 1533), [9JN]
———designate the Billy Frank, Jr., Nisqually National Wildlife Refuge and establish Medicine Creek Treaty National Historic Site within the wildlife refuge (see S. 2326), [19NO]
———develop a cadastre of Federal real property to assist with land management, conservation, and development and identify land that no longer needs to be federally owned (see S. 1225), [6MY]
———ensure timely review of BLM notices before appearance in the Federal Register in order to streamline energy development permitting process (see S. 113), [7JA]
———enter into an agreement to provide for management of the free-roaming wild horses in and around the Currituck National Wildlife Refuge (see S. 1204), [6MY]
———enter into cooperative agreements with States to provide for State management of grazing permits and leases (see S. 937), [14AP]
———establish a pilot program for commercial recreation concessions on certain land managed by BLM (see S. 2380), [9DE]
———establish production incentive fee for lands leased for oil or natural gas on which production is not occurring (see S. 1280), [11MY]
———grant rights-of-way on Federal land under the Mineral Leasing Act (see S. 1196), [5MY]
———improve coal leasing (see S. 1340), [14MY]
———improve coal royalties by collecting royalties based on actual market value of the coal and increasing transparency and standardizing the royalty collection process (see S. 1891), [29JY]
———issue regulations to prevent or minimize the venting or flaring of gas in oil and gas production operations (see S. 1271), [11MY]
———maintain or replace certain facilities and structures for commercial recreation services at Smith Gulch, ID (see S. 1777), [15JY]
———prohibit issuance of new oil or natural gas leases to persons that fail to renegotiate existing leases incorporating limitations on royalty relief based on market price (see S. 1310), [12MY]
———provide for Indian trust asset management reform (see S. 383), [5FE]
———provide for the addition of certain real property to the reservation of the Siletz Tribe (see S. 817), [19MR]
———provide for the termination of certain mineral materials contracts (see S. 154), [13JA]
———reaffirm authority to take land into trust for Indian tribes (see S. 732), [12MR]
———reaffirm that certain land has been taken into trust for certain Indian tribes (see S. 1931), [4AU]
———reform administration of the Outer Continental Shelf (see S. 2011), [9SE]
———require a study on feasibility of establishing Chief Standing Bear National Historic Trail (see S. 479), [12FE]
———restore mandatory funding status of the Payments in Lieu of Taxes program (see S. 517), [12FE] (see S. 1925), [4AU] (see S. 2164), [7OC]
———sell certain Federal lands in certain Western States previously identified as suitable for disposal (see S. 361), [4FE]
———study suitability and feasibility of designating the Finger Lakes National Heritage Area (see S. 1824), [21JY]
———take certain Federal lands located in Lassen County, CA, into trust for the benefit of the Susanville Indian Rancheria (see S. 1761), [14JY]
———take certain Federal lands located in Tuolumne County, CA, into trust for the benefit of the Tuolumne Band of Me-Wuk Indians (see S. 1822), [21JY]
———take certain land into trust for the benefit of Morongo Band of Mission Indians in California (see S. 175), [13JA]
———take parcels of Federal land into trust for the benefit of certain Indian Pueblos in New Mexico (see S. 986), [16AP]
———transfer land to be held in trust for Moapa Band of Paiutes in Nevada (see S. 1986), [5AU]
Depts. of the Interior and Agriculture: authorize agreements with States and subdivisions providing for continued operation of public lands during a Government shutdown (see S. 146), [12JA]
———expedite access to Federal lands for good Samaritan search-and-recovery missions (see S. 160), [13JA]
———expedite forest management projects relative to hazardous fuels reduction, forest health, and economic development (see S. 2286), [17NO]
———improve the control and management of invasive species that threaten and harm Federal lands (see S. 2240), [4NO]
———promote exploration for geothermal resources (see S. 562), [25FE]
———provide for wildfire suppression and prevention operations (see S. 235), [22JA]
———reverse designation of certain communities in Alaska as nonrural (see S. 1154), [30AP]
Devils Tower National Monument: designate the mountain and populated place as Devils Tower (see S. 2039), [16SE]
Disasters: provide a criminal penalty for launching unmanned aircraft (drones) that interfere with fighting wildfires affecting Federal property or responding to disasters affecting interstate or foreign commerce (see S. 2156), [7OC]
Douglas County, NV: promote conservation, improve public land, and provide for sensible development (see S. 472), [12FE]
Employment: provide service-learning opportunities on public lands, restore natural, cultural, historic, archeological, recreational, and scenic resources, and train new land managers (see S. 1160), [30AP]
Escambia County, FL: convey certain property formerly part of Santa Rosa National Monument and conveyed to Escambia County subject to restrictions on use and reconveyance (see S. 770), [18MR]
Federal employees: provide a pathway for temporary seasonal employees in Federal land management agencies to compete for vacant permanent positions under internal merit promotion procedures (see S. 1522), [8JN] (see S. 1591), [17JN]
Federal Land Transaction Facilitation Act: reauthorize (see S. 2189), [21OC]
FERC: authorize expansion of an existing hydroelectric project in Alaska (see S. 1583), [16JN]
———issue an order continuing a stay of a hydroelectric license for the Mahoney Lake hydroelectric project in Alaska (see S. 1585), [16JN] (see S. 2046), [17SE]
Fire prevention: require State and local government approval of prescribed burns on Federal land during conditions of drought or fire danger (see S. 1100), [27AP]
Firearms: facilitate establishment of additional or expanded public target ranges in certain States (see S. 721), [11MR] (see S. 992), [16AP]
Forest Service: designate the Frank Moore Wild Steelhead Sanctuary (see S. 1448), [21MY]
———provide for management of certain inventoried roadless areas (see S. 193), [20JA]
Forests: improve timber management on Oregon and California Railroad and Coos Bay Wagon Road grant lands by emphasizing both forestry and conservation (see S. 132), [8JA]
———provide cancellation ceilings for stewardship end result contracting projects (see S. 326), [30JA]
Fort Frederica National Monument: expand boundary (see S. 2024), [10SE]
Fort Scott National Historic Site: modify boundary (see S. 2087), [28SE]
Georgia: authorize the sale of certain National Forest System land (see S. 1744), [9JY]
Gold Butte National Conservation Area: establish and designate certain wilderness areas (see S. 199), [20JA]
Grand Ronde Reservation Act: technical corrections (see S. 818), [19MR]
Grand Staircase-Escalante National Monument: improve rangeland conditions and restore grazing levels (see S. 365), [4FE]
GSA: convey certain Federal property in Alaska to Anchorage, AK (see S. 1492), [3JN]
———repeal requirement to sell Plum Island, NY, and allow for the transfer to another Federal agency or entity to protect environmental and recreational benefits (see S. 1675), [24JN]
Helium: promote a greater domestic supply, establish a Federal leasing program for public land, and secure a supply for national defense and Federal researchers (see S. 1226), [6MY]
Hunting and trapping: prohibit body-gripping traps in National Wildlife Refuge System (see S. 1081), [23AP]
Hurricane Sand Dunes National Recreation Area: establish (see S. 13), [6JA]
Idaho: establish certain wilderness areas and authorize various land conveyances involving National Forest System and BLM lands in central Idaho (see S. 583), [26FE]
———modify boundaries of Pole Creek Wilderness, Owyhee River Wilderness, and North Fork Owyhee River Wilderness and authorize continued use of motorized vehicles for livestock activities in certain wilderness areas (see S. 1167), [30AP]
Kaibab National Forest: clarify mapping error to allow the purchase of certain lands by Young Life (organization) (see S. 1592), [17JN]
Kennesaw Mountain National Battlefield Park: adjust boundary to include Wallis House and Harriston Hill (see S. 1930), [4AU]
Kisatchie National Forest: convey certain land (see S. 61), [7JA]
Lake Clark National Park and Preserve: designate wilderness as Jay S. Hammond Wilderness Area (see S. 873), [26MR]
Land and Water Conservation Fund: ensure amounts are made available for projects to provide recreational public access to public lands (see S. 390), [5FE]
———provide consistent and reliable authority and funding to maximize effectiveness for future generations (see S. 890), [26MR]
———reauthorize (see S. 338), [2FE] (see S. 1925), [4AU] (see S. 2101), [29SE] (see S. 2164), [7OC] (see S. 2165, 2169), [8OC] (see S. 2318), [19NO]
Mining and mineral resources: modify requirements applicable to locatable minerals on public domain lands (see S. 2254), [5NO]
Monuments and memorials: prohibit further extension or establishment of national monuments in Nevada except by express authorization of Congress (see S. 232), [22JA]
———require congressional and State approval and provide restrictions on the use of national monuments (see S. 228), [21JA]
———require congressional approval, provide restrictions on the use of national monuments, and establish requirements for declaration of marine national monuments (see S. 437), [10FE]
Mount Denali: designate (see S. 319), [29JA]
Mountains to Sound Greenway National Heritage Area: establish (see S. 1690), [25JN]
National Forest Foundation Act: reauthorize (see S. 1671), [24JN]
National Park Service: observe centennial through increased funding (see S. 2257), [5NO]
———refund to States all State funds used to reopen and temporarily operate a unit of the National Park System during the Government shutdown (see S. 145), [12JA]
National parks and recreation areas: provide a lifetime America the Beautiful National Parks and Federal Recreation Lands Pass to any veteran with a service-connected disability (see S. 119), [8JA]
National Wildlife Refuge Week: designate (see S. Res. 286), [8OC]

Natural gas: authorize approval of pipelines and establish deadlines and expedite permits for certain gathering lines on Federal land and Indian land (see S. 411), [9FE]
Natural resources: reduce the royalty required to be paid for sodium produced on Federal lands (see S. 2031), [15SE]
Nevada: facilitate pinyon-juniper related projects in Lincoln County, modify boundaries of certain wilderness areas, and implement conservation plan for the Virgin River (see S. 953), [15AP]
———provide for withdrawal of certain Federal land in Garden Valley (see S. 196), [20JA]
New Mexico: protect, restore, and improve health of watersheds on national forest lands (see S. 1780), [15JY]
North Country National Scenic Trail: revise route to extend trail into Vermont to connect with Appalachian National Scenic Trail (see S. 403), [5FE]
Ocmulgee National Monument: revise boundary and redesignate as Ocmulgee Mounds National Historical Park (see S. 1696), [25JN]
Oregon: clarify the Cooper Spur land exchange in the Mount Hood Wilderness (see S. 2069), [22SE]
———designate certain BLM land as wilderness, authorize certain land exchanges, and convey certain BLM land to Wheeler County for economic and community development purposes (see S. 1255), [7MY]
———designate certain land as wilderness and national recreation areas and make additional wild and scenic river designations (see S. 1699), [25JN]
———withdraw certain land in Curry and Josephine Counties from coverage under public land laws, mining laws, and mineral and geothermal leasing laws (see S. 346), [3FE]
Parks and recreation areas: provide grants to acquire land and water for parks and other outdoor recreation purposes and develop new or renovate existing outdoor recreation facilities (see S. 1995), [5AU]
Power resources: achieve domestic energy independence by empowering States to control development and production of all forms of energy on all available Federal land (see S. 490), [12FE]
———authorize noncompetitive leasing of certain areas adjoining other lands for which a qualified company or individual holds a preexisting right to develop geothermal resources (see S. 822), [19MR]
———clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State (see S. 828), [19MR]
———establish an Interagency Rapid Response Team for Transmission, establish a FERC Office of Transmission Ombudsperson, and modify terms of Federal rights-of-way for electric transimission systems (see S. 1217), [6MY]
———modernize U.S. energy policy (see S. 2012), [9SE]
———promote geothermal energy (see S. 1057), [22AP]
———stop all new and nonproducing Federal leases for oil, gas, or coal extraction on public lands and waters (see S. 2238), [4NO]
Presidents of the U.S.: limit authority to reserve water rights in designating a national monument (see S. 1416), [21MY]
———modify authority to declare national monuments (see S. 2004), [6AU]
Red River: provide legal certainty for property owners along the Red River in Texas (see S. 1153), [30AP]
Renewable energy: promote development of renewable energy on public lands (see S. 1407), [20MY]
Rio Grand del Norte National Monument: designate Cerro del Yuta and Rio San Antonio Wilderness Areas (see S. 1240), [7MY]
Rockingham County, VA: remove use restriction on a certain parcel of land that was to be used for a child care center (see S. 1329), [13MY]
Rocky Mountain National Park: anniversary (see S. Res. 221), [9JY]
Sewall-Belmont House National Historic Site: establish (see S. 1975), [5AU]
Sports: protect and enhance opportunities for recreational fishing, hunting, and shooting (see S. 405), [5FE] (see S. 556), [25FE] (see S. 659), [4MR]
Taxation: allow a credit for qualified conservation contributions which include national scenic trails (see S. 1069), [23AP]
Trails: clarify status of North Country, Ice Age, and New England National Scenic Trails as units of the National Park Service (see S. 1074), [23AP]
Tucson, AZ: provide for the unencumbering of title to non-Federal land for purposes of economic development by conveyance of Federal reversionary interest (see S. 2379), [9DE]
21st Century Conservation Service Corps: establish (see S. 1993), [5AU]
U.S. Sentencing Commission: establish penalties for causing environmental damage while cultivating marijuana or other controlled substances on Federal lands or trespassing on private property (see S. 348), [3FE]
Utah: provide for conveyance of certain land to Washington County and authorize the exchange of Federal land and non-Federal land (see S. 1985), [5AU]
———withdraw BLM lands and transfer management to the Dept. of the Interior and Air Force for enhanced weapons testing and pilot training, maintain public access of such lands, and provide for exchange of Federal and State lands (see S. 2383), [10DE]
Washington County, UT: clarify laws relative to designation of a northern transportation route (see S. 1783), [15JY]
Washington (State): designate and expand wilderness areas and designate certain rivers as wild and scenic rivers in Olympic National Forest and Olympic National Park (see S. 1510), [4JN]
Wildfires: provide additional wildfire suppression activities and for the conduct of certain forest treatment projects (see S. 508), [12FE]

PUBLIC LANDS CORPS ACT

Bills and resolutions

Public lands: provide service-learning opportunities on public lands, restore natural, cultural, historic, archeological, recreational, and scenic resources, and train new land managers (see S. 1160), [30AP]

PUBLIC SERVICE RECOGNITION WEEK

Bills and resolutions

Designate (see S. Res. 160), [30AP]

PUBLIC UTILITIES

Bills and resolutions

CFTC: provide equal treatment for utility special entities using utility operations-related swaps (see S. 1111), [28AP]
Conservation of energy: study impact of State and local performance benchmarking and disclosure policies for commercial and multifamily buildings and provide for competitive awards to utilities, States, and local governments (see S. 1052), [22AP]
Consumers: provide the right to access certain electric energy information and allow for the adoption of innovative products and services to help consumers manage energy usage (see S. 1044), [22AP]
Dept. of Energy: authorize entrance into contracts to provide certain price stabilization support relative to electric generation units that use coal-based generation technology (see S. 1285), [11MY]
———establish a Federal energy efficiency resource standard for electricity and natural gas suppliers (see S. 1063), [22AP]
———establish competitive grant programs to promote electricity grid modernization (see S. 1232), [6MY]
———facilitate modernization of the electric grid (see S. 1243), [7MY]
———provide for modernization, security, and resiliency of the electric grid and carry out programs for research, development, demonstration, and information-sharing for cybersecurity for the energy sector (see S. 1241), [7MY]
———require State approval before exercising the power of eminent domain to acquire property for electric transmission projects in such State (see S. 485), [12FE]
———use existing available funding to further projects that would improve energy efficiency and reduce emissions (see S. 1306), [12MY]
Electric power: clarify that compliance with an emergency order under the Federal Power Act to generate or transmit electricity may not be considered a violation of environmental laws or regulations (see S. 848), [24MR]
———protect the bulk-power system from cyber security threats (see S. 1068), [23AP]

———provide for consideration by State regulatory authorities and nonregulated electric utilities of whether subsidies should be provided for construction and operation of customer-side technology (see S. 2384), [10DE]
———provide for the safe and reliable interconnection of distributed resources and provide for the examination of the effects of net metering (see S. 1219), [6MY]
Energy and water development: making appropriations (see S. 2129, 2130), [5OC]
EPA: award grants to water system owners or operators to increase resiliency or adaptability to any ongoing or forecasted changes to hydrologic conditions (see S. 741), [16MR]
———disapprove rule on carbon pollution emission guidelines for existing electric utility generating units (see S.J. Res. 24), [26OC]
———disapprove rule on standards of performance for greenhouse gas emissions from new, modified, and reconstructed electric utility generating units (see S.J. Res. 23), [26OC]
———provide for assessment and management of risk of algal toxins in drinking water (see S. 460), [11FE]
Federal agencies and departments: improve energy efficiency in Federal facilities by encouraging entrance into energy savings performance contracts and utility energy service contracts (see S. 858), [25MR]
———provide guidance on utility energy service contracts used by Federal agencies (see S. 723), [12MR]
FERC: expand provisions for termination of electric utility mandatory purchase requirements from certain facilities (see S. 1037), [22AP]
———modify certain requirements relative to trial-type hearings for certain license applications (see S. 1236), [6MY]
———provide reports on electric capacity resources of transmission organizations and the amendment of certain tariffs to address procurement of electric capacity resources (see S. 1222), [6MY]
———require periodic reports on electricity reliability and reliability impact statements for rules affecting the reliable operation of the bulk-power system (see S. 1221), [6MY]
GAO: conduct a study on the effects of forward capacity auctions and other capacity mechanisms on electricity prices, supply, and competition in energy markets (see S. 1272), [11MY]
Hydroelectric power: promote marine and hydrokinetic renewable energy technologies research, development, and demonstration (see S. 1058), [22AP]
Infrastructure: improve (see S. 268), [27JA]
Infrastructure Financing Authority: establish (see S. 1589), [16JN]
National Lineman Appreciation Day: designate (see S. Res. 117), [26MR]
National Public Works Week: designate (see S. Res. 186), [21MY]
National Safe Digging Month: support goals and ideals (see S. Res. 151), [23AP]
Pipelines: establish State revolving loan funds to repair or replace natural gas distribution pipelines (see S. 1209), [6MY]
———require gas pipeline facilities to accelerate the repair, rehabilitation, and replacement of high-risk pipelines used in commerce (see S. 1208), [6MY]
Power resources: assist States in adopting updated interconnection procedures and tariff schedules and standards for certain project power fees for combined heat and power (CHP) and waste heat to power (WHP) technologies (see S. 1202), [6MY]
———facilitate the free market for distributed energy resources (see S. 1213), [6MY] (see S. 2003), [6AU]
———improve distribution of energy in the U.S. (see S. 1220), [6MY]
———modernize U.S. energy policy (see S. 2012), [9SE]
———require approval of construction, operation, or maintenance of oil or natural gas pipelines or electric transmission facilities at U.S. borders for import or export (see S. 1228), [6MY]
Public Utility Regulatory Policies Act: establish an energy storage portfolio standard (see S. 1434), [21MY]
Renewable energy: establish a Federal renewable electricity standard (see S. 1264), [11MY]
Safe Drinking Water Act: reauthorize provision of technical assistance to small public water systems (see S. 611), [27FE]
Solar energy: promote safe and reliable interconnection and net billing for community solar facilities (see S. 1723), [9JY]
States: expand electric rate-setting authority of States (see S. 1233), [6MY]
Water: reauthorize EPA WaterSense program, create State and local conservation and efficiency programs, support recycling, storage, and management projects, improve water data, and provide for drought preparedness (see S. 176), [13JA]
Cloture motions
Energy and water development: making appropriations (H.R. 2028), motion to proceed, [6OC], [8OC]
Motions
Energy and water development: making appropriations (H.R. 2028), [6OC], [7OC]
EPA: disapprove rule on carbon pollution emission guidelines for existing electric utility generating units (S.J. Res. 24), [17NO]
———disapprove rule on standards of performance for greenhouse gas emissions from new, modified, and reconstructed electric utility generating units (S.J. Res. 23), [17NO]
Reports filed
Energy and Water Development Appropriations: Committee on Appropriations (Senate) (H.R. 2028) (S. Rept. 114–54), [21MY]
Energy Policy Modernization Act: Committee on Energy and Natural Resources (Senate) (S. 2012) (S. Rept. 114–138), [9SE]
Grassroots Rural and Small Community Water Systems Assistance Act: Committee on Environment and Public Works (Senate) (S. 611) (S. Rept. 114–47), [18MY]

PUBLIC UTILITY REGULATORY POLICIES ACT
Bills and resolutions
Dept. of Energy: establish a Federal energy efficiency resource standard for electricity and natural gas suppliers (see S. 1063), [22AP]
Electric power: provide for the safe and reliable interconnection of distributed resources and provide for the examination of the effects of net metering (see S. 1219), [6MY]
FERC: expand provisions for termination of electric utility mandatory purchase requirements from certain facilities (see S. 1037), [22AP]
Government regulations: establish and energy storage portfolio standard (see S. 1434), [21MY]
Power resources: assist States in adopting updated interconnection procedures and tariff schedules and standards for certain project power fees for combined heat and power (CHP) and waste heat to power (WHP) technologies (see S. 1202), [6MY]
———facilitate the free market for distributed energy resources (see S. 1213), [6MY] (see S. 2003), [6AU]
Public utilities: expand electric rate-setting authority of States (see S. 1233), [6MY]
———provide for consideration by State regulatory authorities and nonregulated electric utilities of whether subsidies should be provided for construction and operation of customer-side technology (see S. 2384), [10DE]
Renewable energy: establish a Federal renewable electricity standard (see S. 1264), [11MY]
Solar energy: promote safe and reliable interconnection and net billing for community solar facilities (see S. 1723), [9JY]

Bills and resolutions
American Diabetes Month: support goals and ideals (see S. Res. 282), [8OC]
American Heart Month: support goals and ideals (see S. Res. 90), [26FE]
Budget: provide relief from reductions in discretionary spending limits imposed by sequestration (see S. 515), [12FE]
Centers for Disease Control and Prevention: authorize appropriations for firearms safety or gun violence prevention research (see S. 1473), [2JN]
Children and youth: promote youth athletic safety (see S. 436), [10FE]
Coastal zones: establish a fund to promote protection and conservation of U.S. ocean, coastal, and Great Lakes ecosystems (see S. 2025), [10SE]
Commission To Accelerate the End of Breast Cancer: establish (see S. 746), [16MR]
Committee on Taxation (Joint): provide a macroeconomic analysis or dynamic scoring of the impact of major revenue legislation (see S. 200), [21JA] (see S. 749), [17MR]
Conservation of natural resources: provide for advancement of energy-water efficiency research, development, and deployment activities (see S. 1485), [2JN]
Dept. of Agriculture: require animals in Federal research centers be included in the definition of animal under the Animal Welfare Act (see S. 388), [5FE]
Dept. of Commerce: enable concrete masonry products manufacturers and importers to carry out coordinated program of research, education, and promotion to improve, maintain, and develop markets (see S. 1524), [8JN]
———promote innovation, investment, and economic growth by accelerating spectrum efficiency through a challenge prize competition (see S. 2366), [8DE]
Dept. of Defense: award grants to fund research on orthotics and prosthetics (see S. 1022), [21AP]
———improve energy savings (see S. 1277), [11MY] (see S. 1528), [9JN]
Dept. of Defense Laboratory Day: designate (see S. Res. 182), [19MY]
Dept. of Education: invest in innovation for education (see S. 605), [26FE]
———strengthen Federal education research system to make research and evaluations more timely and relevant to State and local needs in order to increase student achievement (see S. 227), [21JA]
———strengthen research in adult education (see S. 277), [28JA]
Dept. of Energy: advance the integration of clean distributed energy into electric grids (see S. 1201), [6MY]
———establish a grant program allowing National Laboratories provision of vouchers to small businesses to improve commercialization of technologies developed at National Laboratories and their economic impact (see S. 1259), [7MY]
———establish energy storage research program, loan program, and technical assistance and grant program (see S. 1256), [7MY]
———establish microlabs to improve regional engagement with national laboratories (see S. 784), [18MR]
———extend, improve, and consolidate energy research and development programs (see S. 1398), [20MY]
———improve high-end computing research and development program (see S. 454), [11FE]
———improve management of the National Laboratories, enhance technology commercialization, and facilitate public-private partnerships (see S. 1187), [4MY]
———improve technology transfer by reducing bureaucratic barriers to industry, entrepreneurs, and small businesses and increase public-private partnerships in research and development (see S. 2287), [17NO]
———increase maximum percentage of funds available for laboratory directed research and development (see S. 830), [23MR]
———provide for a program of research, development, demonstration, and commercial application in vehicle technologies (see S. 1408), [20MY]
———provide for modernization, security, and resiliency of the electric grid and carry out programs for research, development, demonstration, and information-sharing for cybersecurity for the energy sector (see S. 1241), [7MY]
———require consideration of the objective of improving conversion, use, and storage of carbon dioxide produced from fossil fuels in carrying out research and development programs (see S. 1282), [11MY]
———submit a plan to implement recommendations to improve interactions with National Laboratories (see S. 1229), [6MY]
Dept. of HHS: coordinate Federal research efforts for, and improve public education and awareness of, congenital heart disease (see S. 2248), [5NO]
———enhance and further research prevention and treatment of eating disorders and improve access to treatment (see S. 1865), [27JY]
———establish a National Diabetes Clinical Care Commission (see S. 586), [26FE]
———establish a Tick-Borne Diseases Advisory Committee (see S. 1503), [4JN]
———expand and improve childhood cancer treatments, research, surveillance, and quality of life for survivors (see S. 1883), [29JY]
———expand and intensify programs on translational research and related activities relative to cavernous angioma (see S. 1391), [20MY]
———prevent and treat prenatal opioid abuse and neonatal abstinence syndrome (see S. 799), [19MR]

———provide for Scientific Advisory Board member qualifications and public participation (see S. 543), [24FE]
———require decisions on whether naturally occurring or ''exceptional'' events cause air quality standard violations to be based on a preponderance of evidence and accord deference to State and local findings (see S. 638), [3MR]
FAA: clarify whether an unmanned aircraft conducting aeronautical research flights qualifies for public aircraft status (see S. 387), [5FE]
———establish an interim rule for the operation of small unmanned aircraft for commercial purposes and their safe integration into the national airspace system (see S. 1314), [13MY]
FDA: allow the sponsor of an application for the approval of a targeted drug to rely upon data and information with respect to such sponsor's previously approved targeted drugs (see S. 2030), [15SE]
———clarify definition and regulation of combination products (see S. 1767), [15JY]
———create a limited population pathway for approval of certain antibacterial drugs (see S. 185), [16JA]
Federal agencies and departments: develop public access policies relative to research conducted by that agency or from funds administered by that agency (see S. 779), [18MR]
———increase use of crowdsourcing and citizen science to advance and accelerate scientific research, literacy, and diplomacy (see S. 2113), [30SE]
FEMA: enter into agreement with National Research Council to study urban flooding (see S. 1481), [2JN]
Food Safety Administration: establish (see S. 287), [28JA]
Health: enhance patient engagement in medical product development process (see S. 1597), [17JN]
———prioritize funding for an expanded and sustained national investment in biomedical research (see S. 289), [28JA]
———prohibit denial of coverage under Federal health care programs based on comparative effectiveness research data and ensure research accounts for advancements in health care and different treatment options (see S. 484), [12FE]
———provide for an Institute of Medicine study on health disparities and direct the Dept. of HHS to develop guidelines on reducing health disparities (see S. 1903), [30JY]
———require certain drug manufacturers entering into settlement agreements for violations of law to make supplemental payments to be used to increase medical research funding (see S. 320), [29JA]
Helium: promote a greater domestic supply, establish a Federal leasing program for public land, and secure a supply for national defense and Federal researchers (see S. 1226), [6MY]
Hydroelectric power: promote marine and hydrokinetic renewable energy technologies research, development, and demonstration (see S. 1058), [22AP]
Library of Congress: expand availability to exemptions to prohibition on copyrighted technological protection measures to facilitate computer security research, personal device maintenance, and technological innovation (see S. 990), [16AP]
Medicare: preserve access to rehabilitation innovation centers (see S. 1168), [30AP]
Multiple Sclerosis Awareness Week: support goals and ideals (see S. Res. 98), [4MR]
NASA: anniversary of Hubble Space Telescope (see S. Res. 149), [23AP]
National Brain Aneurysm Awareness Month: designate (see S. Res. 176), [11MY]
National Congenital Diaphragmatic Hernia Awareness Month: designate (see S. Res. 115), [25MR]
National Food Protein-Induced Enterocolitis Syndrome (FPIES) Awareness Day: designate (see S. Res. 129), [26MR]
National Highway Traffic Safety Administration: carry out a collaborative research effort to prevent drunken driving injuries and fatalities (see S. 1703), [25JN]
National Ovarian Cancer Awareness Month: designate (see S. Res. 228), [23JY]
National Park Service: establish the U.S. Civil Rights Network (see S. 2309), [19NO]
National Pediatric Stroke Awareness Month: observance (see S. Res. 156), [30AP]
National Phenylketonuria Awareness Day: designate (see S. Res. 324), [2DE]
National Prostate Cancer Awareness Month: designate (see S. Res. 248), [5AU]
National Prostate Cancer Council on Screening, Early Detection, Assessment, and Monitoring of Prostate Cancer: establish (see S. 216, 222), [21JA]
National Science and Technology Council: establish an interagency coordination committee or subcommittee focused on the nexus between energy and water production, use, and efficiency (see S. 1218), [6MY]
National Sea Grant College Program Act: reauthorize and amend (see S. 764), [17MR] (see S. 2328), [19NO]
National Spinal Cord Injury Awareness Month: designate (see S. Res. 235), [29JY]
National Wear Red Day: support goals and ideals (see S. Res. 90), [26FE]
Neotropical Migratory Bird Conservation Act: reauthorize (see S. 520), [12FE]
New Horizons (spacecraft): congratulate NASA and its partners for successful mission to Pluto and recognize importance of such mission, robotic space exploration, and scientific and engineering research (see S. Res. 240), [3AU]
NIH: anniversary of Office of Research on Women's Health (see S. Res. 242), [5AU]
———expand, intensify, and coordinate programs and activities relative to Tourette syndrome (see S. 276), [28JA]
———improve, coordinate, and enhance rehabilitation research (see S. 800), [19MR]
———prioritize funding to discover treatments and cures, maintain global leadership in medical innovation, and restore purchasing power (see S. 318), [29JA]
NOAA: authorize and strengthen tsunami detection, forecast, warning, research, and mitigation program (see S. 533), [23FE]
———codify the Hurricane Forecasting Improvement Project (see S. 1343), [14MY]
———develop information platform to integrate coastal data, decision-support tools, training, and best practices, and coordinate collection of geospatial data to inform and improve management of coastal region (see S. 2325), [19NO]
Parkinson's Awareness Month: designate (see S. Res. 145), [22AP]
Patent and Trademark Office: allow acceleration certificates awarded under the Patents for Humanity Program to be transferable (see S. 1402), [20MY]
Patents: amend laws to promote basic research, stimulate publication of scientific documents, encourage collaboration in scientific endeavors, and improve transfer of technology to the private sector (see S. 926), [14AP]
Power resources: eliminate certain subsidies for fossil-fuel production (see S. 1041), [22AP]
———invest in clean energy, empower and protect consumers, modernize energy infrastructure, cut pollution and waste, and invest in research and development (see S. 2089), [28SE]
———modernize U.S. energy policy (see S. 2012), [9SE]
———provide for the development of methane hydrate as a commercially viable source of energy (see S. 1215), [6MY]

———establish innovation in surface transportation program (see S. 762), [17MR]
———require that broadband conduits be installed as a part of certain highway construction projects (see S. 2163), [7OC]
Dept. of Veterans Affairs: award grants to establish, or expand upon, master's degree programs in orthotics and prosthetics (see S. 1021), [21AP]
Disasters: provide a criminal penalty for launching unmanned aircraft (drones) that interfere with fighting wildfires affecting Federal property or responding to disasters affecting interstate or foreign commerce (see S. 2156), [7OC]
Drugs: combat heroin epidemic and assist forensic labs with addressing seized drug identification backlogs (see S. 2241), [4NO]
Economy: jump-start economic recovery through formation and growth of new businesses (see S. 181), [16JA]
Education: improve student achievement in science, technology, engineering, and math (STEM) subjects (see S. 867), [25MR]
———provide for the preparation of career and technical education teachers (see S. 2174), [8OC]
Electric power: protect the bulk-power system from cyber security threats (see S. 1068), [23AP]
FAA: clarify whether an unmanned aircraft conducting aeronautical research flights qualifies for public aircraft status (see S. 387), [5FE]
———establish an interim rule for the operation of small unmanned aircraft for commercial purposes and their safe integration into the national airspace system (see S. 1314), [13MY]
———provide guidance and limitations relative to the integration of unmanned aircraft systems into U.S. airspace in order to inform the public and protect individual privacy (see S. 635), [3MR]
FAA Modernization and Reform Act: make technical corrections relative to rollover of amounts received in airline carrier bankruptcy (see S. 1646), [23JN]
FBI: use Rapid DNA instruments to inform decisions about pretrial release or detention and their conditions, solve and prevent crime, exonerate the innocent, and prevent DNA analysis backlog (see S. 2348), [3DE]
FCC: allow skilled nursing facilities to apply for support from Universal Service Fund Rural Health Care Program (see S. 1916), [3AU]
———encourage spectrum licensees to make unused spectrum available to rural and smaller carriers to expand wireless coverage (see S. 417), [9FE]
———ensure the integrity of voice communications and prevent discrimination among areas in the delivery of such communications by requiring providers to register and comply with basic quality standards (see S. 827), [19MR]
———limit authority to preempt laws of certain States relative to regulation of municipal broadband (see S. 597), [26FE]
———prevent caller identification spoofing (see S. 1759), [14JY]
———prohibit debt collectors from making robocalls to individuals' cell phones (see S. 2235), [4NO]
———promote certain unlicensed spectrum use and maximize the use of such spectrum for shared purposes in order to bolster innovation and economic development (see S. 424), [10FE]
———provide incentives for reallocation of Federal Government spectrum for commercial use (see S. 887), [26MR]
———reform and modernize Universal Service Fund Lifeline Assistance Program (see S. 1472), [1JN]
FDA: provide for expedited development of and priority review for breakthrough devices (see S. 1077), [23AP]
———provide for the regulation of patient records and certain decision support medical software (see S. 1101), [27AP]
Federal agencies and departments: create a framework to expedite recruitment of highly qualified information technology and cybersecurity personnel (see S. 2007), [6AU]
———develop public access policies relative to research conducted by that agency or from funds administered by that agency (see S. 779), [18MR]
———increase use of crowdsourcing and citizen science to advance and accelerate scientific research, literacy, and diplomacy (see S. 2113), [30SE]
———reduce waste and implement cost savings and revenue enhancement (see S. 1888), [29JY]
FEMA: establish a modernized integrated public alert and warning system (see S. 1180), [4MY]
Firearms: develop and use technology for personalized handguns and require that all handguns manufactured or sold in, or imported into, the U.S. incorporate such technology (see S. 1474), [2JN]
Fish and fishing: reduce risks associated with genetically altered salmon (see S. 738), [12MR]
Freedom of Information Act: improve (see S. 337), [2FE]
FTC: establish regulatory framework for the comprehensive protection of personal data for individuals and improve laws on collection, use, and disclosure of personal information of children (see S. 547), [24FE]
———prescribe regulations on collection and use of information obtained by tracking the Internet activity of an individual (see S. 2404), [15DE]
Gambling: restore long-standing U.S. policy that the Federal Wire Act prohibits all forms of Internet gambling (see S. 1668), [24JN]
Geospatial data: improve coordination and use (see S. 740), [16MR]
Health: enhance patient engagement in medical product development process (see S. 1597), [17JN]
Hydroelectric power: promote marine and hydrokinetic renewable energy technologies research, development, and demonstration (see S. 1058), [22AP]
Immigration: authorize additional visas for well-educated aliens to live and work in the U.S. and provide funding for science, technology, engineering, and math (STEM) education (see S. 153), [13JA]
———provide for visas for certain advanced science, technology, engineering, or math (STEM) graduates and eliminate the diversity immigrant program (see S. 98), [7JA]
Information technology: accelerate adoption of smart building technologies in the private sector and key Federal agencies (see S. 1046), [22AP]
———develop strategy on development and deployment of the Internet of Things to maximize promise of connected technologies and promote economic growth and consumer empowerment (see S. Res. 110), [24MR]
———limit ability of companies to share consumer geolocation information accessed through electronic communications devices (see S. 2270), [10NO]
———specify circumstances in which a person may acquire geolocation information through an electronic communications device (see S. 237), [22JA]
Internet Governance Awareness Week: designate (see S. Res. 71), [5FE]
Iran: clarify starting date of congressional review period for the agreement with Iran relative to its nuclear program (see S. Res. 238), [30JY]
———provide congressional review and oversight of any agreements with Iran relative to its nuclear program (see S. 615), [27FE] (see S. 625), [3MR]
———require the President to report on Iran's compliance with any nuclear program agreements and set up expedited processes for Congress to reinstate sanctions for violations or implement further responses (see S. 669), [4MR]
Iran Nuclear Agreement Review Act: express that congressional review and oversight provisions do not apply to current partial agreement and, therefore, such agreement cannot preempt existing sanctions (see S. Res. 251), [10SE]
IRS: implement security measures in the electronic tax return filing process to prevent tax refund fraud from being perpetrated with electronic identity theft (see S. 845), [24MR]
Law enforcement: provide for oversight of, and place restrictions on, Federal programs that provide equipment to law enforcement agencies (see S. 1245), [7MY]
Law enforcement officers: encourage, enhance, and integrate Blue Alert plans to disseminate information when an officer is seriously injured, killed, missing, or threatened in connection with official duties (see S. 665), [4MR]
Library of Congress: expand availability to exemptions to prohibition on copyrighted technological protection measures to facilitate computer security research, personal device maintenance, and technological innovation (see S. 990), [16AP]
Medicare: allow certain hospitals in Puerto Rico to qualify for incentives for adoption and meaningful use of certified electronic health record (EHR) technology (see S. 1602), [17JN]
———cover screening computed tomography colonography as a colorectal screening test (see S. 2262), [10NO]
———ensure continued access of beneficiaries to diagnostic imaging services (see S. 1020), [21AP]
———establish smart card pilot program (see S. 1871), [27JY]
———expand access to stroke telehealth services (see S. 1465), [22MY]
———preserve access to rehabilitation innovation centers (see S. 1168), [30AP]

———promote health care technology innovation and access to medical devices and services for which patients choose to self-pay (see S. 1757), [14JY]
———provide coverage of certain disposable medical technologies (see S. 1253), [7MY]
———provide for coverage and payment for complex rehabilitation technology items (see S. 1013), [20AP]
Medicare/Medicaid: improve payments for complex rehabilitation technology and radiation therapy services, extend hardship exemptions from electronic health record meaningful use requirements, and strengthen Medicaid integrity (see S. 2425), [18DE]
———improve payments for hospital outpatient department services and complex rehabilitation technology and improve program integrity (see S. 2409), [16DE]
Mental health: make available needed psychiatric, psychological, and supportive services for individuals diagnosed with mental illness and families in mental health crisis (see S. 1945), [5AU]
Motor vehicles: develop standards to prevent hacking of vehicle control systems, make owners aware of vehicle data collection, and disclose vehicle performance relative to security and privacy (see S. 1806), [21JY]
———limit retrieval of data from vehicle event data recorders (see S. 766), [17MR]
NASA: anniversary of Hubble Space Telescope (see S. Res. 149), [23AP]
———report on requirements and risks in connection with use of radioisotopic power systems for space exploration beyond low-Earth orbit (see S. 1829), [22JY]
National Health Information Technology Week: designate (see S. Res. 281), [7OC]
National Hydrogen and Fuel Cell Day: designate (see S. Res. 217), [8JY]
National security: develop metrics to measure effectiveness of security between ports of entry, at ports of entry, and along the maritime border (see S. 1864), [27JY]
National Telecommunications and Information Administration: provide for certain requirements relative to the Internet Assigned Numbers Authority transition (see S. 1551), [11JN]
———reallocate Federal Government spectrum for commercial use and provide transparency on use of the Federal spectrum (see S. 1618), [18JN]
National Weather Service: maintain and operate at least one Doppler weather radar site near cities of a certain size (see S. 2058), [17SE]
New Horizons (spacecraft): congratulate NASA and its partners for successful mission to Pluto and recognize importance of such mission, robotic space exploration, and scientific and engineering research (see S. Res. 240), [3AU]
NIST: designate U.S. manufacturing universities to emphasize manufacturing in engineering programs (see S. 771), [18MR]
NOAA: develop information platform to integrate coastal data, decision-support tools, training, and best practices, and coordinate collection of geospatial data to inform and improve management of coastal region (see S. 2325), [19NO]
NSF: implement Sustainable Chemistry Program (see S. 1447), [21MY]
———support afterschool science, technology, engineering, and math (STEM) programs (see S. 444), [10FE]
Patent and Trademark Office: allow acceleration certificates awarded under the Patents for Humanity Program to be transferable (see S. 1402), [20MY]
Patents: amend laws to promote basic research, stimulate publication of scientific documents, encourage collaboration in scientific endeavors, and improve transfer of technology to the private sector (see S. 926), [14AP]
———eliminate abusive patent litigation, increase transparency, modernize fee shifting, and provide for small business education and outreach (see S. 1137), [29AP]
Power resources: facilitate the free market for distributed energy resources (see S. 1213), [6MY] (see S. 2003), [6AU]
———modernize U.S. energy policy (see S. 2012), [9SE]
———provide for the development of methane hydrate as a commercially viable source of energy (see S. 1215), [6MY]
Privacy: improve privacy of electronic communications (see S. 356), [4FE]
———protect consumers by requiring reasonable security policies and procedures to protect computerized data containing personal information and require data breach notification (see S. 177), [13JA]
———require operators that provide online and similar services to educational agencies or institutions to protect the privacy and security of personally identifiable information (see S. 1788), [16JY]
Public documents: prohibit the Government sale of Government documents that are available for free online by abolishing the National Technical Information Service (see S. 787), [18MR] (see S. 1636), [18JN]
Public lands: reduce the royalty required to be paid for sodium produced on Federal lands (see S. 2031), [15SE]
Public utilities: provide electric consumers the right to access certain electric energy information and allow for the adoption of innovative products and services to help consumers manage energy usage (see S. 1044), [22AP]
———provide for consideration by State regulatory authorities and nonregulated electric utilities of whether subsidies should be provided for construction and operation of customer-side technology (see S. 2384), [10DE]
SBA: improve certain programs to better assist small business customers in accessing broadband technology (see S. 2116), [1OC]
———require Chief Counsel for Advocacy submittal of a report on small business innovation (see S. 963), [15AP]
Science: support innovation (see S. 894), [26MR]
Taxation: make permanent certain small business tax provisions (see S. 341), [3FE]
———make permanent the moratorium on Internet access taxation and multiple and discriminatory taxes on electronic commerce (see S. 431), [10FE]
———modify energy credit to provide greater incentives for combined heat and power (CHP) and waste heat to power (WHP) energy efficiency technologies (see S. 1516), [4JN]
———promote neutrality, simplicity, and fairness in the taxation of digital goods and services (see S. 851), [24MR]
———provide a Federal income tax credit for certain stem cell research expenditures (see S. 43), [7JA]
———provide an investment tax credit for waste heat to power technology (see S. 913), [14AP]
———provide credits for the production of renewable chemicals and investments in renewable chemical production facilities (see S. 2271), [10NO]
———provide for special treatment of the research credit for certain startup companies (see S. 455), [11FE]
———provide for the issuance of exempt facility bonds for qualified carbon dioxide capture facilities (see S. 2305), [19NO]
———repeal excise tax on medical devices (see S. 149), (see S. 157), [13JA] (see S. 844), [24MR]
Telecommunications: promote availability of additional unlicensed spectrum for innovation and investment (see S. 2278), [10NO]
———promote competition to preserve the ability of local governments to provide broadband capability and services (see S. 240), [22JA]
Telephones: criminalize the knowing use of commercial robocalls without prior express written consent of the recipient (see S. 1681), [25JN]
———improve enforcement of prohibitions on robocalls, including fraudulent robocalls (see S. 1540), [10JN]
Transportation: provide eligibility under certain highway programs for installation of vehicle-to-infrastructure communications equipment (see S. 1499), [3JN]
Veterans: improve ability of health care professionals to treat veterans through the use of telemedicine (see S. 2170), [8OC]
Voting: provide for voter registration through the Internet (see S. 1088), [27AP] (see S. 1950), [5AU]
Water Resources Research Act: reauthorize grants for and require applied water supply research regarding water resources research and technology institutes (see S. 653), [4MR]
Weather: enhance commerce through improved seasonal forecasts (see S. 1331), [13MY]
Cloture motions
Iran: provide congressional review and oversight of any agreements with Iran relative to its nuclear program (S. 625), motion to proceed, [4MR]

TELECOMMUNICATIONS *related term(s)* **PUBLIC BROADCASTING**
Bills and resolutions
Business and industry: promote availability of additional unlicensed spectrum for innovation and investment (see S. 2278), [10NO]
Centers for Medicare & Medicaid Services: test effect of including telehealth services in Medicare health care delivery reform models (see S. 2343), [2DE]

Children and youth: extend, enhance, and revise certain laws on collection, use, and disclosure of personal information of children and establish additional protections (see S. 1563), [11JN]
Communications Act: amend (see S. 2319), [19NO]
Computers: clarify definition of ''access without authorization,'' eliminate redundant laws allowing charges to be brought for violations of such access, and reform penalties for violations (see S. 1030), [21AP]
Cuba: authorize U.S. companies to provide consumer communications devices and services to Cuba (see S. 1389), [19MY]
Dept. of Commerce: promote innovation, investment, and economic growth by accelerating spectrum efficiency through a challenge prize competition (see S. 2366), [8DE]
Dept. of Education: reauthorize and strengthen the Improving Literacy Through School Libraries Program (see S. 312), [29JA]
Dept. of HHS: amend and reauthorize National All Schedules Prescription Electronic Reporting (NASPER) Grant Program (see S. 480), [12FE]
Dept. of Justice: require electronic communication service providers that generate call detail records provide notification if the provider intends to retain such records less than the time recommended to conduct investigations (see S. 2356), [3DE]
Dept. of Transportation: require that broadband conduits be installed as a part of certain highway construction projects (see S. 2163), [7OC]
Electronics: make it illegal to alter or remove the unique equipment identification number of a mobile electronic device (see S. 1949), [5AU]
FCC: allow skilled nursing facilities to apply for support from Universal Service Fund Rural Health Care Program (see S. 1916), [3AU]
———authorize a bipartisan majority of Commissioners to hold nonpublic collaborative discussions (see S. 760), [17MR]
———consolidate reporting obligations to improve congressional oversight and reduce reporting burdens (see S. 253), [26JA]
———disapprove rule regulating broadband Internet access (see S.J. Res. 14), [28AP]
———encourage spectrum licensees to make unused spectrum available to rural and smaller carriers to expand wireless coverage (see S. 417), [9FE]
———ensure the integrity of voice communications and prevent discrimination among areas in the delivery of such communications by requiring providers to register and comply with basic quality standards (see S. 827), [19MR]
———establish signal quality and content requirements for the carriage of public, educational, and governmental television channels and preserve support for such channels (see S. 1244), [7MY]
———exempt application of joint sales agreement (JSA) attribution rule in case of existing agreements in order to protect local television broadcasting (see S. 1182), [4MY]
———extend to private land use restrictions its rule relative to reasonable accommodation of amateur service communications (see S. 1685), [25JN]
———limit authority to preempt laws of certain States relative to regulation of municipal broadband (see S. 597), [26FE]
———prevent caller identification spoofing (see S. 1759), [14JY]
———prohibit debt collectors from making robocalls to individuals' cell phones (see S. 2235), [4NO]
———prohibit universal service support of commercial mobile service through the Lifeline program (see S. 56), [7JA] (see S. 1621), [18JN]
———promote certain unlicensed spectrum use and maximize the use of such spectrum for shared purposes in order to bolster innovation and economic development (see S. 424), [10FE]
———promulgate regulations that prohibit certain preferential treatment or prioritization of Internet traffic (see S. 40), [7JA]
———provide for equitable distribution of Universal Service funds to rural States (see S. 734), [12MR]
———provide greater transparency and efficiency in procedures (see S. 421), [10FE]
———provide incentives for reallocation of Federal Government spectrum for commercial use (see S. 887), [26MR]
———reform and modernize Universal Service Fund Lifeline Assistance Program (see S. 1472), [1JN]
———require a quarterly report on the Lifeline program funded by the Universal Service Fund (see S. 1545), [10JN]
———require mobile service providers and smartphone manufacturers to enable consumers to remotely delete data from smartphones and render such devices inoperable (see S. 1076), [23AP]
———revise sponsorship identification rules to require disclosure of significant donors to persons paying for broadcasts of political matters or matters involving issues of public importance (see S. 1260), [7MY]
FEMA: establish a modernized integrated public alert and warning system (see S. 1180), [4MY]
FTC: establish Office for the Prevention of Fraud Targeting Seniors (see S. 1490), [3JN]
———establish regulatory framework for the comprehensive protection of personal data for individuals and improve laws on collection, use, and disclosure of personal information of children (see S. 547), [24FE]
Information technology: limit ability of companies to share consumer geolocation information accessed through electronic communications devices (see S. 2270), [10NO]
———specify circumstances in which a person may acquire geolocation information through an electronic communications device (see S. 237), [22JA]
Internet Governance Awareness Week: designate (see S. Res. 71), [5FE]
Law enforcement: increase the penalty for fraudulent 9-1-1 calls that result in an emergency response from law enforcement agencies (see S. 1018), [21AP]
———safeguard electronic data stored abroad from improper Government access (see S. 512), [12FE]
Law enforcement officers: encourage, enhance, and integrate Blue Alert plans to disseminate information when an officer is seriously injured, killed, missing, or threatened in connection with official duties (see S. 665), [4MR]
Local Radio Freedom Act: support (see S. Con. Res. 4), [24FE]
Medicare: expand access to stroke telehealth services (see S. 1465), [22MY]
National security: authorize access to certain records, make permanent certain authorities on roving surveillance, individual terrorists, and foreign surveillance, and modify access requirements for telecommunications records (see S. 2344), [2DE]
———extend authority relating to roving surveillance, access to business records, and individual terrorists as agents of foreign powers (see S. 1035), [21AP] (see S. 1357), [14MY]
———extend authority to collect certain records, make permanent the authority for roving surveillance, and treat individual terrorists as agents of foreign powers (see S. 2295), [17NO]
National Telecommunications and Information Administration: permit authorization of Federal agencies to accept certain payments relative to spectrum efficiency and reallocation (see S. 2227), [3NO]
———provide for certain requirements relative to the Internet Assigned Numbers Authority transition (see S. 1551), [11JN]
———reallocate Federal Government spectrum for commercial use and provide transparency on use of the Federal spectrum (see S. 1618), [18JN]
OMB: authorize additional uses of the Spectrum Relocation Fund (see S. 2211), [27OC]
Privacy: improve privacy of electronic communications (see S. 356), [4FE]
———protect consumers by requiring reasonable security policies and procedures to protect computerized data containing personal information and require data breach notification (see S. 177), [13JA]
SBA: improve certain programs to better assist small business customers in accessing broadband technology (see S. 2116), [1OC]
States: ensure methods of collecting taxes and fees by private citizens on behalf of States are fair and effective and do not discriminate against interstate commerce for wireless telecommunication services (see S. 1261), [7MY]
Supreme Court: permit televising of proceedings (see S. 780), [18MR]
Taxation: make permanent the moratorium on Internet access taxation and multiple and discriminatory taxes on electronic commerce (see S. 431), [10FE]
———promote neutrality, simplicity, and fairness in the taxation of digital goods and services (see S. 851), [24MR]
———repeal excise tax on telephone use and other communications services (see S. 116), [7JA]
Technology: promote competition to preserve the ability of local governments to provide broadband capability and services (see S. 240), [22JA]
Telephones: criminalize the knowing use of commercial robocalls without prior express written consent of the recipient (see S. 1681), [25JN]
———improve enforcement of prohibitions on robocalls, including fraudulent robocalls (see S. 1540), [10JN]
Transportation: provide eligibility under certain highway programs for installation of vehicle-to-infrastructure communications equipment (see S. 1499), [3JN]
Veterans: improve ability of health care professionals to treat veterans through the use of telemedicine (see S. 2170), [8OC]
Weather: enhance commerce through improved seasonal forecasts (see S. 1331), [13MY]
Cloture motions
National security: extend authority relating to roving surveillance, access to business records, and individual terrorists as agents of foreign powers (S. 1357), motion to proceed, [21MY], [23MY]
Motions
National security: extend authority relating to roving surveillance, access to business records, and individual terrorists as agents of foreign powers (S. 1357), [21MY]
