- increase and improve access to grants, correlate State higher education funding with allotments, and increase college transparency on costs and student outcomes (see S. 3018), [6JN]
- reinstate eligibility for individuals incarcerated in Federal and State penal institutions (see S. 2423), [13FE]
- revise amounts of discretionary funding (see S. 3423), [6SE]
- Financial literacy: improve for secondary school students (see S. 3745), [12DE]
- Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP): reform (see S. 2664), [12AP]
- Health: promote minimum State requirements for prevention and treatment of concussions caused by participation in school sports (see S. 3686), [29NO]
- Health care professionals: make demonstration grants to eligible local educational agencies for the purpose of increasing the numbers of school nurses in public schools (see S. 2532), [12MR]
- Immigration: authorize additional visas for well-educated aliens to live and work in the U.S. and provide funding for science, technology, engineering, and math (STEM) education (see S. 2344), [25JA]
- Information technology: modernize, renovate, or repair career and technical education facilities, enable rural or Native American schools to remodel or build high-tech facilities, and support high-speed Internet (see S. 3589), [11OC]
- support coding education (see S. 3122), [25JN]
- Languages: award higher education institutions grants for teaching English learners (see S. 3408), [5SE]
- Law enforcement: prevent Federal funds from being used to establish discipline policies that intentionally discourage reporting of certain dangerous student behavior or interfere with law enforcement agencies (see S. 2618), [22MR]
- Libraries: create a Federal grant program that provides grants to State libraries to allow schools with summer lunch programs to keep their libraries open for student use during the summer months (see S. 3307), [31JY]
- Mental health: effectively staff public elementary and secondary schools with school-based mental health services providers (see S. 3427), [12SE]
- increase recruitment and retention of mental health professionals in low-income schools by providing student loan forgiveness to individuals who work in such schools (see S. 2934), [23MY]
- Office of Federal Correctional Education: establish (see S. 3588), [11OC]
- OMB: establish an interagency working group to study Federal efforts to collect data on sexual violence and to make recommendations on harmonization of such efforts (see S. 2349), [29JA]
- Public Service Loan Forgiveness Program: waive accrual of student loan interest and expand eligibility to volunteer first responders and first-time farmers (see S. 3124), [25JN]
- Safety: allow use of Student Support and Academic Enrichment Program grants to reinforce school safety infrastructure, technology, and personnel (see S. 3506), [26SE]
- Schools: address and take action to prevent bullying and harassment of students (see S. 2572), [20MR]
- authorize grants to support new and expand existing voluntary community-driven strategies to increase diversity in schools (see S. 3413), [6SE]
- end discrimination based on actual or perceived sexual orientation or gender identity in public schools (see S. 2584), [21MR]
- improve school safety and mental health services (see S. 2513), [7MR]
- Social Security: prevent low-income seniors from losing benefits due to defaulted student loan debt by increasing amount of benefits exempted from garnishment (see S. 3320), [1AU]
- Taxation: facilitate disclosure of tax return information to carry out the Higher Education Act (see S. 3611), [13NO]
- Teachers: provide for teacher, principal, and other school leader quality enhancement (see S. 3340), [1AU]
- provide for teacher and school leader quality enhancement and enhance institutional aid to address teacher and principal shortages (see S. 3308), [31JY]
- provide military spouses who participate in the teacher loan forgiveness program a waiver from consecutive years of service requirement if their spouse is relocated pursuant to military orders (see S. 2351), [29JA]
- support early childhood educators and elementary and secondary school teachers through increased training, loan forgiveness, teaching certification assistance, and tax credits (see S. 2370), [5FE]
- support preparation and retention of outstanding educators in all fields to ensure a bright future for children in under-resourced and under-served communities (see S. 3185), [9JY]
- Tobacco products: include e-cigarettes in smoking bans in schools, clarify that educational assistance can be used for e-cigarette prevention by schools, and authorize studies in e-cigarette use prevention (see S. 3701), [4DE]
- TRIO programs: clarify treatment of technical errors in applications (see S. 3535), [10C]
- Reports filed*
- Depts. of Labor, HHS, and Education, and Related Agencies Appropriations: Committee on Appropriations (Senate) (S. 3158) (S. Rept. 115–289), [28JN]
- Improve Data on Sexual Violence Act: Committee on Homeland Security and Governmental Affairs (Senate) (S. 2349) (S. Rept. 115–238), [7MY]
- DEPARTMENT OF ENERGY**
- Appointments*
- Conferees: H.R. 5515, Dept. of Defense appropriations for military activities, prescribing personnel strengths, and military construction, [10JY]
- H.R. 5895, energy and water development, legislative branch, and military construction and veterans’ services appropriations, [11JY]
- Bills and resolutions*
- Budget: rescind certain budget authority proposed to be rescinded in a certain special message transmitted to Congress by the President (see S. 2979), [24MY]
- Climate: cap emissions of greenhouse gases through requirement to purchase carbon permits and distribute proceeds of such purchases to eligible individuals (see S. 2352), [29JA]
- Coal: provide that certain coal-fired powerplants are eligible for loan guarantees (see S. 3653), [15NO]
- Dept. of Defense: authorizing appropriations for military activities, prescribing personnel strengths, and military construction (see S. 2987), [5JN]
- Depts. of Energy and Veterans Affairs: conduct collaborative research to improve health care services for veterans (see S. 3656), [26NO]
- Electric power: provide for modernization, security, and resiliency of the electric grid and carry out programs for research, development, demonstration, and information-sharing for cybersecurity for the energy sector (see S. 2444), [15FE]
- provide for study and evaluation of net metering, which allows consumers and businesses who generate their own electricity to be compensated for energy they provide to the electric grid (see S. 2747), [25AP]
- provide for technology demonstration program relative to modernization of the electric grid (see S. 2445), [15FE]
- Energy and water development: making appropriations (see S. 2975), [24MY]
- making appropriations (H.R. 5895), correction in enrollment (see S. Con. Res. 46), [12SE]
- Energy Efficiency Day: designate (see S. Res. 668), [4OC]
- Energy Reorganization Act: clarify whistleblower rights and protections for Dept. of Energy and NRC employees (see S. 2968), [24MY]
- Federal Smart Building Program: establish (see S. 2447), [15FE]
- Natural gas: establish a natural gas demand response pilot program (see S. 2649), [11AP]
- provide certainty relative to timing of decisions to approve or deny applications to export natural gas (see S. 3495), [25SE]
- NRC: prohibit certain waivers and exemptions from emergency preparedness and response and security regulations for spent fuel stored at closed nuclear reactors (see S. 2396), [7FE]
- Nuclear energy: establish advanced nuclear energy goals and provide versatile, reactor-based fast neutron source and high-assay, low-enriched uranium for research, development, and demonstration of advanced reactor concepts (see S. 3422), [6SE]
- Power resources: establish coal technology program to improve conversion, use, and storage of carbon dioxide produced from fossil fuels and continue research on rare earth element separation technologies (see S. 2803), [8MY]
- establish energy storage research program, loan program, and technical assistance and grant program (see S. 3376), [23AU]
- improve process to authorize construction, connection, operation, and maintenance of international border-crossing facilities for import and export of oil and natural gas and transmission of electricity (see S. 3056), [12JN]
- Public utilities: provide physical and cyber security assistance to electric utilities in areas with fewer resources due to size or region and report on vulnerabilities in electricity distribution systems (see S. 3677), [29NO]
- Research: establish policy for science and energy research and development programs and reform National Laboratory management and technology transfer programs (see S. 2503), [6MR]
- Science: carry out quantum information science research (see S. 3673), [28NO]
- provide for a coordinated Federal program to accelerate quantum research and development for economic and national security (see S. 3143), [26JN]
- provide for Federal coordination of activities supporting sustainable chemistry to improve efficiency of chemical production while reducing health and environmental risks (see S. 3296), [30JY]
- Small business: establish a small business voucher program to be used at national laboratories in any technology area (see S. 2858), [16MY]
- States: provide Federal financial assistance to States to implement State energy security plans (see S. 3676), [29NO]
- Strategic Petroleum Reserve: carry out a program to lease underused facilities (see S. 3618), [14NO]
- 21st Century Energy Workforce Advisory Board: establish (see S. 2449), [15FE]
- U.S. Intelligence Professionals Day: designate (see S. Res. 595), [26JY]
- Veterans: establish a program to prepare veterans for careers in the energy industry, including solar, wind, cybersecurity, and other low-carbon emissions sectors or zero-emissions sectors of the energy industry (see S. 3088), [19JN]
- Cloture motions*
- Dept. of Defense: authorizing appropriations for military activities, prescribing personnel strengths, and military construction (H.R. 5515), [12JN], [14JN]

 - provide coordinated care to patients who have experienced a non-fatal overdose after emergency room discharge (see S. 2610), [22MR]
 - provide for additional flexibility relative to medication-assisted treatment for opioid use disorders (see S. 2317), [17JA]
 - require awareness campaign regarding risk of abuse of prescription opioids if such drugs are not taken as prescribed to include information about dispensing options (see S. 2697), [18AP]
 - support development of evidence-based family-focused residential treatment programs (see S. 2923), [22MY]
- Ecology and environment: prioritize education and training for existing and new environmental health professionals (see S. 2616), [22MR]
- Emergency Medical Services for Children Program: reauthorize (see S. 3482), [24SE]
- Families and domestic relations: provide grants to develop, enhance, or evaluate kinship navigator programs (see S. 2543), [13MR]
- Family Violence Prevention and Services Act: reauthorize (see S. 2784), [26AP]
- FDA: ban use of ortho-phthalate chemicals as food contact substances (see S. 3155), [28JN]
- hold pharmaceutical companies accountable for illegal marketing and distribution of opioid products and for their role in creating and exacerbating the opioid epidemic (see S. 2691), [17AP]
 - increase authority to restrict entrance of illicit drugs into the U.S. through international mail facilities (see S. 2739), [24AP]
 - require risk evaluation and mitigation strategy communication plans provide information on State and Federal regulation of controlled substances including the option to partially fill a prescription (see S. 2608), [22MR]
 - require warning labels to be affixed to prescription opioid containers or packaging stating such drugs can cause dependence, addiction, and overdose (see S. 3428), [12SE]
- Food: establish single, front-of-package labeling system for all foods required to bear nutrition labeling, eliminate deceptive claims, and update existing nutrition labels (see S. 2647), [11AP]
- Geriatric Academic Career Awards program: reinstate (see S. 2888), [21MY]
- Geriatrics Workforce Enhancement Program: reauthorize (see S. 2888), [21MY]
- Guardianship: improve oversight and data collection by designating an online resource center, authorizing State grants for guardianship databases, and sharing guardian background check information (see S. 3669), [28NO]
- Health: improve essential oral health care for low-income and other underserved individuals by breaking down barriers to care (see S. 3016), [6JN]
- prevent surprise medical billing practices (see S. 3592), [11OC]
- Health care facilities: develop and identify indicators of potentially fraudulent and disreputable recovery housing operators (see S. 2828), [10MY]
- establish a moratorium on new enrollment of disproportionate share hospitals into the 340B discount drug program and require basic data reporting (see S. 2312), [16JA]
 - provide grants to State alcohol and drug agencies to use recovery coaches in hospital emergency rooms (see S. 2609), [22MR]
- Health care professionals: build a stronger health care workforce (see S. 3095), [20JN]
- expand authority to permit nurses to practice in health care facilities with critical nursing shortages through programs for loan repayment and scholarships (see S. 3685), [29NO]
- Immigration: clarify responsibilities for unaccompanied alien children relative to background checks for sponsors, monitoring care, appearance at immigration proceedings, and notifying States of placement of such children (see S. 3474), [18SE]
- prohibit operation of unlicensed temporary emergency shelters for unaccompanied alien children (see S. 3798), [19DE]
 - require reunification of families separated as a result of the zero tolerance policy that prosecutes all adults entering the U.S. illegally (see S. 3227), [17JY]
- Insurance: disapprove rule on definition of short-term limited duration insurance for purposes of its exclusion from the definition of individual health insurance coverage (see S.J. Res. 63), [28AU]
- limit amount hospitals and physicians can charge uninsured patients and out-of-network patients who have individual market coverage (see S. 3541), [3OC]
 - provide standards for short-term limited duration health insurance policies (see S. 2494), [5MR]
- Medicaid: delay reduction in Federal medical assistance percentage for personal care services furnished without an electronic visit verification system (see S. 2897), [22MY]
- improve access to care for pregnant and postpartum women receiving substance use disorder treatment in mental institutions (see S. 2922), [22MY]
 - issue guidance to States to improve care for infants with neonatal abstinence syndrome and their parents or guardians (see S. 3429), [12SE]
 - prevent misclassification of drugs for purposes of the drug rebate program (see S. 3702), [4DE]
 - provide extension of enhanced Federal medical assistance percentage for health homes for individuals with substance use disorders (see S. 3384), [23AU]
 - provide guidance to States regarding Federal reimbursement for services and treatment for substance use disorders using telehealth services (see S. 2904), [22MY]
 - provide guidance to States relative to items and services for non-opioid pain treatment and management (see S. 2911), [22MY]
 - publish data relative to prevalence of substance use disorders in the beneficiary population and treatment of substance use disorders (see S. 2912), [22MY]
 - remove lifetime limits on medication-assisted treatment for substance use disorders (see S. 2898), [22MY]
- Medicaid and CHIP Payment and Access Commission: publish reports on estimated impact on States of Medicaid expansion, including impact of such expansion on States that have not expanded their Medicaid coverage (see S. 3059), [13JN]
- Medicare: establish part E public health plans available to everyone (see S. 2708), [18AP]
- identify and notify outlier prescribers of opioids (see S. 2920), [22MY]
 - improve affordability and enrollment procedures (see S. 3316), [1AU]
 - include screening for potential substance use disorders and a review of any current opioid prescriptions as part of the initial preventive physical examination and the annual wellness visit (see S. 2900), [22MY]
 - provide coverage of methadone (see S. 2704), [18AP]
 - provide for distribution of additional residency positions to help combat the opioid crisis (see S. 2843), [15MY]
 - require hospitals to provide information on acquisition costs for drugs in the 340B discount drug program and total revenues received by the hospital for such drugs (see S. 2453), [27FE]
 - restructure payment adjustment for non-emergency end-stage renal disease ambulance transports (see S. 3619), [14NO]
 - study and submit to Congress a report recommending how to improve use of non-opioid treatments for acute and chronic pain management for individuals under Medicare (see S. 3008), [6JN]
 - submit report on effects of inclusion of quality increases in the determination of blended benchmark amounts under part C (see S. 3496), [25SE]
 - suspend payments by prescription drug plans and Medicare Advantage prescription drug plans pending investigation of credible allegations of fraud by pharmacies (see S. 3327), [1AU]
- Medicare/Medicaid: help end addictions and lessen substance abuse disorders (see S. 3120), [25JN]
- Members of Congress: allow tours of detention facilities that house unaccompanied alien children (see S. 3084), [18JN]
- Mental health: authorize a loan repayment program for mental health professionals (see S. 3796), [19DE]
- revise and extend projects relative to children and violence to provide access to school-based comprehensive mental health programs (see S. 3337), [1AU]
 - strengthen parity in mental health and substance use disorder benefits (see S. 2301), [11JA]
- Minorities: improve health of minority individuals (see S. 3660), [27NO]
- National Health Service Corps: allow members to provide obligated service as behavioral and mental health professionals at schools, other community-based settings, or patient homes (see S. 2533), [12MR]
- clarify that National Health Service Corps Loan Repayment Program participants may be assigned to serve in pediatric inpatient mental health facilities (see S. 2732), [24AP]
- National Mental Health and Substance Use Policy Laboratory: clarify requirements for receiving certain grants (see S. 2626), [22MR]
- Native Americans: authorize a special behavioral health program for Indians (see S. 2545), [14MR]
- provide grants to States, Indian tribes, and tribal organizations for activities to increase availability of child care options and support child care workforce (see S. 3520), [27SE]
 - require States and their designees receiving grants for suicide early intervention and prevention strategies to consult with Indian tribes and organizations (see S. 3460), [18SE]
- Office for Locating and Reuniting Children With Parents: establish (see S. Res. 566), [28JN]
- Office of Drug Manufacturing: establish to manufacture certain generic drugs in order to reduce prices, increase competition, and address shortages in the prescription drug market (see S. 3775), [18DE]

- Centers for Medicare & Medicaid Services: provide for an action plan to prevent opioid addictions and enhance access to medication-assisted treatment (see S. 2769), [26AP]
- Children and youth: establish a grant program to address impact of substance use-related trauma on children and youth in public schools (see S. 2754), [25AP]
- Committee on Homeland Security and Governmental Affairs (Senate): authorize release of Permanent Subcommittee on Investigations records on investigation into purchase and shipment of illicit opioids (see S. Res. 379), [23JA]
- Comprehensive Addiction and Recovery Act: reauthorize and expand (see S. 2456), [27FE]
- Courts: provide certain protections from civil liability for individuals prescribing or administering opioid overdose drugs (see S. 2981), [24MY]
- Crime: clarify that using drugs to cause a person to engage in a commercial sex act constitutes coercion and using drugs to provide or obtain the labor or services of a person constitutes forced labor (see S. 2429), [14FE]
- establish criminal penalties for unlawful payments for referrals to recovery homes and clinical treatment facilities (see S. 3254), [19JY]
 - prohibit awarding credit toward service of sentences for satisfactory behavior for certain drug offenses (see S. 3477), [18SE]
- DEA: allow home hospice providers to dispose of leftover prescription medications on behalf of their patients and establish written policies and documentation on such disposals (see S. 2659, 2661), [12AP]
- commemorate anniversary, honor employees killed or injured in service, and thank all past and present employees (see S. Res. 578), [18JY]
 - enhance opioid quota-setting authority by improving transparency and allowing adjustment of opioid production quotas to prevent diversion and abuse (see S. 2535), [12MR]
 - establish a national clearinghouse for all orders of controlled substances and require such orders pass through a database to identify suspicious orders and notify suppliers before orders are filled (see S. 3282), [26JY]
 - improve systems for identifying diversion of controlled substances (see S. 2837), [14MY]
 - provide grants to certain States to increase participation in drug take-back programs (see S. 2645), [11AP]
 - regulate selective androgen receptor modulators in the same manner as anabolic steroids (see S. 2742), [24AP]
 - report certain information on distribution of opioids to assist in identifying suspicious orders and hold manufacturers and distributors accountable who fail to report and stop suspicious orders (see S. 2838), [15MY]
 - restore ability to target pharmaceutical companies distributing opioids in certain communities by implementing a probable cause standard for intervention and striking the corrective action plan option (see S. 2493), [5MR]
 - suspend a controlled substances registration if there is a likelihood of a threat of diversion of a controlled substance (see S. 2561), [15MR]
- Dept. of Agriculture: establish a Rural Health Liaison (see S. 2894), [22MY]
- establish Animal Disease and Disaster Prevention, Surveillance, and Rapid Response Program and National Livestock Vaccine Bank (see S. 3681), [29NO]
 - provide for State and tribal regulation of hemp production (see S. 2667), [12AP]
- Dept. of Education: establish State-Federal partnerships to provide students with debt-free college, provide Pell Grant eligibility to certain immigrants, and restore assistance eligibility for drug-related offenses (see S. 2598), [22MR]
- provide grants to communities affected by substance use disorder to enable those communities to plan for and implement full-service community schools (see S. 3362), [22AU]
- Dept. of HHS: authorize a loan repayment program for substance use disorder treatment employees (see S. 2524), [8MR]
- authorize Substance Abuse and Mental Health Services Administration development of best practices for recovery residences that promote sustained recovery from substance use disorders (see S. 2678), [16AP]
 - award grants to train health care professionals to treat opioid addiction and other substance use disorders using technology-enabled models (see S. 2606), [22MR]
 - clarify requirements for receiving certain grants through the National Mental Health and Substance Use Policy Laboratory (see S. 2626), [22MR]
 - conduct a demonstration program to test alternative pain management protocols to limit use of opioids in emergency departments (see S. 2516), [7MR]
 - conduct a family recovery and reunification program to help reunify families and protect children with parents or guardians with a substance use disorder who have temporarily lost custody of their children (see S. 2926), [22MY]
 - conduct programs to address usage of illicit drugs, particularly fentanyl (see S. 3500), [25SE]
 - consider State analysis and sharing of prescription drug monitoring program data in determining prescription drug monitoring program grants to States (see S. 2451), [26FE]
 - develop national milestones to measure success in curtailing the opioid epidemic (see S. 2931), [23MY]
 - encourage use of family-focused residential treatment programs (see S. 2924), [22MY]
 - enhance efforts to address antibiotic resistance (see S. 2469), [28FE]
 - ensure medications are affordable through increasing transparency, spurring innovation, and protecting competition (see S. 3411), [5SE]
 - establish a grant program to create comprehensive opioid recovery centers (see S. 2589), [22MR]
 - establish a moratorium on new enrollment of disproportionate share hospitals into the 340B discount drug program and require basic data reporting (see S. 2312), [16JA]

- establish a pilot program to help individuals in recovery from a substance use disorder transition from treatment to independent living and the workforce (see S. 2730), [23AP]
- establish community action opioid response grant program (see S. 2636), [10AP]
- establish grant program within the Substance Abuse and Mental Health Services Administration to create peer support recovery networks (see S. 2657), [12AP]
- establish Office of Drug Manufacturing to manufacture certain generic drugs in order to reduce prices, increase competition, and address shortages in the prescription drug market (see S. 3775), [18DE]
- establish reference prices for prescription drugs and require drug companies to offer drugs at such prices as condition of participation in Federal health programs (see S. 3680), [29NO]
- improve treatment and early interventions for pregnant and postpartum women and infants affected by substance use disorder (see S. 2710), [19AP]
- include additional covered recipients for transparency reports required of manufacturers of opioids (see S. 3565), [10OC]
- permit certain disclosures of health information during emergencies, including overdoses (see S. 2676), [16AP]
- prohibit price gouging in the sale of drugs by requiring pharmaceutical companies to provide justification for price increases and penalize such companies if increases are deemed unreasonable (see S. 3754), [13DE]
- provide coordinated care to patients who have experienced a non-fatal overdose after emergency room discharge (see S. 2610), [22MR]
- provide grants to State alcohol and drug agencies to use recovery coaches in hospital emergency rooms (see S. 2609), [22MR]
- provide grants to States to improve and coordinate their response to ensure safety, permanency, and well-being of children at high risk for abuse and neglect due to substance abuse (see S. 2696), [18AP]
- provide guidance to States regarding Federal reimbursement for services and treatment for substance use disorders under Medicaid using telehealth services (see S. 2904), [22MY]
- provide guidance to States relative to Medicaid items and services for non-opioid pain treatment and management (see S. 2911), [22MY]
- publish data relative to prevalence of substance use disorders in the Medicaid beneficiary population and treatment of substance use disorders under Medicaid (see S. 2912), [22MY]
- reauthorize, improve, and make Indian tribes eligible for State Targeted Response to the Opioid Crisis Grants (see S. 2437), [15FE]
- study and submit to Congress a report recommending how to improve use of non-opioid treatments for acute and chronic pain management for individuals under Medicare (see S. 3008), [6JN]
- support development of evidence-based family-focused residential treatment programs (see S. 2923), [22MY]
- Dept. of Homeland Security: establish a narcotic drug screening technology pilot program to combat illicit opioid importation (see S. 3047), [11JN]
- establish joint task force to integrate border security operations to detect, interdict, disrupt, and prevent narcotics such as fentanyl and other synthetic opioids from entering U.S. (see S. 2864), [16MY]
- increase number of U.S. Customs and Border Protection officers and staff and require reports that identify staffing, infrastructure, and equipment needed to enhance security at ports of entry (see S. 2314), [17JA]
- maintain situational awareness and operational control of high traffic areas along the borders through immigration enforcement and enhanced illicit drug importation technology (see S. 3478), [18SE]
- support officers and employees of U.S. Immigration and Customs Enforcement and denounce efforts to abolish agency (see S. Res. 572), [11JY]
- support officers and employees of U.S. Immigration and Customs Enforcement, condemn harassment and threats against such individuals, and call for resignation of Portland, OR, Mayor, Ted Wheeler (see S. Res. 611), [21AU]
- Dept. of Justice: protect State and local witnesses from intimidation, authorize grants to purchase drug exposure personal protective equipment for first responders, and address organized crime and gang violence (see S. 3490), [25SE]
- provide for programs to help reduce the risk that prisoners will recidivate upon release from prison (see S. 2795), [7MY]
- provide grants to State and local law enforcement agencies to purchase chemical screening devices to detect dangerous drugs and train personnel on use of such devices (see S. 2763), [26AP]
- require registration of tableting or encapsulating machines to assist law enforcement in identifying counterfeit pill makers (see S. 3281), [26JY]
- Dept. of Labor: establish Jobs Plus Recovery programs to give individuals impacted by opioid addiction or substance use disorders access to job training and support services (see S. 2642), [10AP]
- Dept. of Transportation: improve controlled substances and alcohol testing (see S. 2848), [15MY]
- modify requirements relative to reservation of highway funds for failure to enact or enforce open container laws and repeat intoxicated driver laws (see S. 3252), [19JY]
- Dept. of Veterans Affairs: allow veterans to use, possess, or transport medical marijuana and to discuss the use of medical marijuana with departmental physicians as authorized by State law (see S. 3409), [5SE]
- conduct and support research on the efficacy and safety of medicinal marijuana (see S. 2796), [7MY]
- improve Medical Surgical Prime Vendor program by using multiple regional prime vendors and medical professionals with relevant expertise to develop the medical-surgical formulary (see S. 3737), [11DE]
- report on opioid prescribing rates of physicians of the Veterans Health Administration and conduct pain management training for physicians with highest rates of opioid prescribing (see S. 2819), [10MY]
- Depts. of Education and HHS: provide substance use prevention and treatment grants for institutions of higher education (see S. 2791), [7MY]
- Depts. of Labor and HHS: establish a pilot program to award competitive grants to counties and tribal entities to administer combined workforce training and drug addiction treatment and recovery programs (see S. 2646), [11AP]
- Diseases and disorders: facilitate effective research on, and treatment of, neglected tropical diseases through coordinated domestic and international efforts (see S. 3212), [12JY]
- Drug abuse: address the opioid crisis (see S. 2680), [16AP]
- improve oversight of new opioids and education of prescribers, limit availability of addictive painkillers, strengthen prescription drug monitoring, and establish drug disposal programs (see S. 2729), [23AP]
- prevent substance abuse and reduce demand for illicit narcotics (see S. 2789), [26AP]
- provide assistance to States and localities affected by the opioid epidemic and improve delivery of essential services to individuals with substance use disorders and their families (see S. 2700), [18AP]
- provide for additional flexibility relative to medication-assisted treatment for opioid use disorders (see S. 2317), [17JA]
- require awareness campaign regarding risk of abuse of prescription opioids if such drugs are not taken as prescribed to include information about dispensing options (see S. 2697), [18AP]
- strengthen penalties on drug companies that fail to monitor and report suspicious opioid distribution practices and increase transparency of Federal oversight of opioid manufacturing and advertising (see S. 2440), [15FE]
- FDA: clarify regulatory framework relative to certain nonprescription drugs that are marketed without an approved new drug application (see S. 2315), [17JA]
- ensure valid generic drugs may enter the market by removing generic drug exclusivity period from any generic company that enters into pay-for-delay settlements with brand-name drug manufacturers (see S. 2476), [28FE]
- hold pharmaceutical companies accountable for illegal marketing and distribution of opioid products and for their role in creating and exacerbating the opioid epidemic (see S. 2691), [17AP]
- increase authority to restrict entrance of illicit drugs into the U.S. through international mail facilities (see S. 2739), [24AP]
- modify outdated drug labels to reflect new evidence relevant to the drug and its use (see S. 3519), [27SE]
- prevent inter partes review process for challenging patents from diminishing competition in the pharmaceutical industry and provide incentives for drug innovation (see S. 3738), [11DE]
- provide for accelerated approval of non-opioid or non-addictive pain medications and treatments for substance use disorders (see S. 2669), [16AP]
- provide greater oversight over advertising and other promotion materials for opioid drugs to ensure that such materials do not mislead consumers and exacerbate existing crisis (see S. 3420), [6SE]
- reauthorize user fee programs relative to new animal drugs and generic new animal drugs (see S. 2434), [15FE]
- require guidance on consideration of claims of opioid sparing and on conditions under which to consider misuse and abuse of drugs in making certain determinations for safety (see S. 2665), [12AP]
- require manufacturers of drugs to post names of countries in which their drugs are manufactured on their Internet websites (see S. 3105), [21JN]
- require review of durations of use of approved indications of medically-important antibiotics labeled for use in animals (see S. 3099), [20JN]
- require risk evaluation and mitigation strategy communication plans provide information on State and Federal regulation of controlled substances including the option to partially fill a prescription (see S. 2608), [22MR]
- require warning labels to be affixed to prescription opioid containers or packaging stating such drugs can cause dependence, addiction, and overdose (see S. 3428), [12SE]
- Foreign aid: withhold assistance from countries that do not monitor or prosecute production or distribution of illicit fentanyl and other synthetic drugs or do not require registration of tableting and encapsulating machines (see S. 3463), [18SE]
- FTC: issue rules to promote competition and help consumers save money by giving them the freedom to choose where they buy prescription pet medications (see S. 2651), [11AP]
- prohibit marketing of bogus opioid treatment programs or products (see S. 2842), [15MY]
- GAO: conduct study on how virtual currencies and online marketplaces are used to facilitate sex and drug trafficking (see S. 3179), [28JN]
- evaluate and report on inpatient and outpatient treatment capacity, availability, and needs (see S. 3048), [11JN]
- study and report on State Medicaid agencies' options relative to distribution of substance use disorder treatment medications (see S. 2909), [22MY]
- submit a report on provision of peer support services under Medicaid (see S. 2892), [22MY]

- ECOLOGY AND ENVIRONMENT related term(s) CLEAN AIR ACT; HAZARDOUS SUBSTANCES; RECYCLED MATERIALS; RECYCLING; RENEWABLE ENERGY; WATER**
- Appointments*
- Conferees: H.R. 2, Agriculture Improvement Act, [1AU]
- H.R. 6147, Dept. of the Interior, environment, and related agencies and financial services and general Government appropriations, [6SE]
- Migratory Bird Conservation Commission, [17AP]
- Bills and resolutions*
- Agriculture: modify and improve environmental regulations and requirements for agriculture and agricultural producers (see S. 2663), [12AP]
- Arctic Research Commission: modify membership (see S. 3739), [11DE]
- Aviation: provide for use of unleaded aviation gasoline (see S. 3293), [26JY]
- California: designate certain lands as wilderness and as part of the National Wilderness Preservation System and parts of the San Gabriel River and Little Rock Creek as part of the National Wild and Scenic Rivers System (see S. 3704), [5DE]
- Climate: cap emissions of greenhouse gases through requirement to purchase carbon permits and distribute proceeds of such purchases to eligible individuals (see S. 2352), [29JA]
- express that climate change is real and human activity is the main cause, convey impact on frequency and severity of extreme weather, end misinformation campaigns, and provide NSF grants on climate change education (see S. Res. 573), [12JY]
- recognize and accept findings of U.N. Intergovernmental Panel on Climate Change and Fourth National Climate Assessment and call for reduction of greenhouse gas emissions in line with such findings (see S. Res. 708), [27NO]
- Coastal Zone Management Act: reauthorize (see S. 2472), [28FE]
- Corps of Engineers: expedite completion of certain feasibility studies and reports for a storm damage mitigation project along the Texas coast and amend Coastal Barrier Resources Act to allow for such project (see S. 2866), [16MY]
- improve rivers and harbors and provide for the conservation and development of water and related resources (see S. 2800), [8MY]
- provide for certain water resources development activities (see S. 3789), [19DE]
- Dept. of Agriculture: adjust Environmental Quality Incentives Program (see S. 2624), [22MR]
- encourage and promote urban, indoor, and other emerging agricultural production practices (see S. 3005), [6JN]
- establish Soil Health Initiative and Cover Crop Pilot Program (see S. 2989), [5JN]
- improve Conservation Reserve Program (see S. 2614), [22MR]
- improve land stewardship and soil conservation (see S. 2874), [17MY]
- modify Conservation Reserve Enhancement Program (see S. 2978), [24MY]
- reform and continue agricultural and other programs (see S. 3042), [11JN]
- repeal Environmental Quality Incentives Program (see S. 2611), [22MR]
- Dept. of Commerce: establish clean technology consortia to enhance economic, environmental, and energy security by promoting domestic development, manufacture, and deployment of clean technologies (see S. 2612), [22MR]
- undertake certain activities to support waterfront community revitalization and resiliency (see S. 3265), [25JY]
- Dept. of Defense: study servicemembers' exposure to open burn pits and toxic airborne chemicals while on active duty to ensure appropriate treatment for health effects (see S. 3181), [28JN]
- Dept. of Energy: establish a program to prepare veterans for careers in the energy industry, including solar, wind, cybersecurity, and other low-carbon emissions sectors or zero-emissions sectors of the energy industry (see S. 3088), [19JN]
- establish advanced nuclear energy goals and provide versatile, reactor-based fast neutron source and high-assay, low-enriched uranium for research, development, and demonstration of advanced reactor concepts (see S. 3422), [16SE]
- establish coal technology program to improve conversion, use, and storage of carbon dioxide produced from fossil fuels and continue research on rare earth element separation technologies (see S. 2803), [8MY]
- establish Federal Smart Building Program (see S. 2447), [15FE]
- establish policy for science and energy research and development programs and reform National Laboratory management and technology transfer programs (see S. 2503), [6MR]
- provide certainty relative to timing of decisions to approve or deny applications to export natural gas (see S. 3495), [25SE]
- Dept. of HHS: prioritize education and training for existing and new environmental health professionals (see S. 2616), [22MR]
- Dept. of Homeland Security: establish Arctic Executive Steering Committee (see S. 3739), [11DE]
- reauthorize Chemical Facility Anti-Terrorism Standards Program (see S. 3405), [4SE]
- Dept. of HUD: improve removal of lead from drinking water in public housing (see S. 3492), [25SE]
- Dept. of the Interior: codify Outer Continental Shelf blowout preventer systems and well control rule and Arctic drilling rule to protect employees and environment in oil and gas exploration and development (see S. 2720), [19AP]
- convey title of canal system to Contra Costa Water District of the Central Valley Project in California (see S. 3001), [6JN]
- make supplemental funding available for management of fish and wildlife species of greatest conservation need as determined by State fish and wildlife agencies (see S. 3223), [17JY]
- prohibit oil and gas preleasing, leasing, and related activities in certain areas off the coast of Florida (see S. 2292), [10JA]
- prohibit oil and gas preleasing, leasing, and related activities in certain areas off the coast of New England (see S. 2298), [11JA]
- Dept. of the Interior, environment, and related agencies: making appropriations (see S. 3073), [14JN]
- Dept. of the Treasury: make Reclamation Water Settlements Fund permanent (see S. 3168), [28JN]
- Dept. of Transportation: amend certain transportation-related reporting requirements to improve congressional oversight, reduce reporting burdens, and promote transparency (see S. 3367), [22AU]
- provide loans for acquisition of electric buses and related infrastructure (see S. 3720), [6DE]
- Depts. of the Interior and Agriculture: improve wildfire management operations and safety of firefighters and communities through use of advanced technology (see S. 2290), [10JA]
- Disasters: improve resilience of built and natural environment to natural disasters and climate change using, among other measures, natural and nature-based features (see S. 2783), [26AP]
- District of Columbia: allow receipt of Federal funding under the Coastal Zone Management Act (see S. 3146), [27JN]
- Electric power: commend economic and conservation benefits of electric cooperative voluntary energy reduction programs and encourage promotion and adoption of such programs (see S. Res. 672), [10OC]
- Endangered species: prohibit listing of a living non-native species as a threatened species or an endangered species (see S. 2778), [26AP]
- Energy Efficiency Day: designate (see S. Res. 668), [4OC]
- EPA: address health and economic development impacts of nonattainment of federally mandated air quality standards in the San Joaquin Valley, CA, by designating air quality empowerment zones (see S. 3134), [26JN]
- allow judicial review of final rule on emission standards for hazardous air pollutants for brick and structural clay products or clay ceramics manufacturing (see S. 2461), [27FE]
- call for resignation of E. Scott Pruitt as Administrator and appointment of an Administrator committed to fulfillment of the mission of the Agency (see S. Res. 473), [18AP]
- clarify authority to prohibit the specification of a defined area, or deny or restrict the use of a defined area for specification, as a disposal site (see S. 3009), [6JN]
- clarify when a physical change in, or change in the method of operation of, a stationary source constitutes a modification under Clean Air Act provisions relative to air pollution from a stationary source (see S. 2761), [26AP]

INDEX

ECOLOGY AND ENVIRONMENT

- create a national zero-emission vehicle standard (see S. 3664), [28NO]
- ensure Inspector General continues investigations into former Administrator, E. Scott Pruitt's conduct and suspend any proposed rulemaking signed by Pruitt until those investigations are completed (see S. 3312), [31JY]
- ensure phasedown of hydrofluorocarbons manufacturing to support next-generation technologies (see S. 2448), [15FE]
- establish a discretionary grant program for drinking water and wastewater infrastructure projects (see S. 2727), [23AP]
- establish a pilot program that promotes cleanup of orphan hardrock mines by good samaritans (see S. 3727), [6DE]
- establish a voluntary program to reduce emissions from wood heaters (see S. 3779), [19DE]
- establish Low-Income Sewer and Water Assistance Program (see S. 3015), [6JN]
- exclude energy efficiency projects, pollution control projects, and reliability projects from the definition of a modification under Clean Air Act provisions relative to air pollution from a stationary source (see S. 2760), [26AP]
- exempt certain pesticides and air emissions from animal waste at farms from certain reporting requirements under CERCLA (see S. 2421), [13FE]
- make changes relative to water quality certification (see S. 3303), [31JY]
- prohibit sewage dumping into the Great Lakes (see S. 3630), [15NO]
- provide regulatory relief for certain ozone pollution standards in international border areas, marginal areas, and rural transport areas (see S. 2825), [10MY]
- provide to State infrastructure financing authorities additional opportunities to receive loans to support drinking water and clean water State revolving funds to deliver water infrastructure to communities (see S. 2364), [30JA]
- reaffirm final determination relative to greenhouse gas emissions standards for light-duty vehicles (see S. 2643), [10AP]
- reestablish Office of Noise Abatement and Control (see S. 3385), [23AU]
- reform renewable fuel standard by mitigating harmful environmental impacts and advancing the next generation of biofuels (see S. 2519), [8MR]
- require maximum open and free competition in procurement for certain federally-assisted water projects (see S. 3121), [25JN]
- require notice of chemical-related public health risks, publish list of sites requiring additional review when an exposure risk is determined, and reform chemical review process (see S. 3691), [29NO]
- revise ethylene oxide emissions standards for medical sterilization and chemical facilities (see S. 3671), [28NO]
- support carbon utilization and direct air capture research and facilitate permitting and development of carbon capture, utilization, and sequestration projects and carbon dioxide pipelines (see S. 2602), [22MR]
- support vehicle emissions standards and policies to reduce greenhouse gas emissions and oil usage and recognize rights of States to set stronger standards under the Clean Air Act (see S. Con. Res. 42), [1AU]
- update and modernize reporting requirements for contaminants in drinking water and provide assistance to disadvantaged communities to improve water quality testing and compliance with standards (see S. 3192), [11JY]
- FAA: encourage use of zero-emission vehicles and technology at public-use airports (see S. 3514), [26SE]
- enter into appropriate arrangements with National Academies of Sciences, Engineering, and Medicine to provide for a report on health impacts of air traffic noise and pollution (see S. 2422), [13FE]
- support aircraft pilot workforce development, reform pilot examiner regulations, review medical certification processes, mitigate spread of aquatic invasive species by air, and protect volunteer pilots (see S. 3270), [25JY]
- Fannin County, TX: limit claims seeking judicial review of any environmental impact statement, review, or authorization of the Lower Bois d'Arc Creek Reservoir Project (see S. 3202), [12JY]
- Federal agencies and departments: enter into or amend agreements with States for removal and remedial actions to address per- and polyfluoroalkyl substances contamination in water and land surface and subsurface strata (see S. 3381), [23AU]
- require a report on multiagency use of airspace and environmental review (see S. 3475), [18SE]
- FEMA: authorize transitional sheltering assistance for individuals who live in areas with unhealthy air quality caused by wildfires (see S. 3403), [28AU]
- Fish and fishing: improve conservation of sharks (see S. 2764), [26AP]
- phase out large-scale driftnet fishing and develop alternative fishing methods and gear types that reduce incidental catch of living marine resources (see S. 2773), [26AP]
- Forest and Rangeland Renewable Resources Planning Act: modify certain consultation requirements relative to new information on a land management plan (see S. 3292), [26JY]
- Forest Service: designate certain wilderness, recreation, and conservation areas in White River National Forest along the Continental Divide in Colorado (see S. 2337), [24JA]
- establish a forest incentives program to keep forests intact and sequester carbon on private forest land (see S. 2350), [29JA]
- provide lasting protection for inventoried roadless areas within the National Forest System (see S. 3333), [1AU]
- reauthorize Collaborative Forest Landscape Restoration Fund (see S. 2811), [9MY]
- Forests: provide assistance to Haiti and Armenia to reverse effects of deforestation (see S. 3272), [25JY]
- Great Outdoors Month: designate (see S. Res. 568), [28JN]
- Hazardous substances: establish a national mercury monitoring program to protect human health, safeguard fisheries, and track environmental effects of emissions reductions (see S. 3394), [28AU]
- High Performance Building Week: designate (see S. Res. 548), [14JN]
- Hobe Sound National Wildlife Refuge: redesignate as Nathaniel P. Reed Hobe Sound National Wildlife Refuge (see S. 3456), [18SE]
- Infrastructure: improve Federal permitting processes for certain projects (see S. 3017), [6JN]
- Inter-Agency Task Force on Harmful Algal Blooms and Hypoxia: develop plan for reducing, mitigating, and controlling harmful algal blooms and hypoxia in south Florida (see S. 3374), [23AU]
- Lawyers' Committee for Civil Rights and Economic Justice (organization): anniversary (see S. Res. 646), [25SE]
- Marine mammals: support and provide financial resources for North Atlantic right whale conservation programs and projects of persons with expertise required for such conservation (see S. 3038), [7JN]
- Morris K. Udall and Stewart L. Udall Foundation Act: amend (see S. 2827), [10MY]
- Mountains to Sound Greenway National Heritage Area: establish (see S. 3100), [20JN]
- National Asbestos Awareness Week: designate (see S. Res. 449), [22MR]
- National Estuaries Week: designate (see S. Res. 642), [18SE]
- National Hydrogen and Fuel Cell Day: designate (see S. Res. 664), [10C]
- National Urban Wildlife Refuge Day: designate (see S. Res. 671), [100C]
- National Wildlife Refuge Week: designate (see S. Res. 675), [110C]
- Native Americans: recognize anniversary of Tribal Canoe Journey of the Tribal Nations of the Pacific Northwest and congratulate Puyallup Tribe of Indians for hosting the Power Paddle to Puyallup (see S. Res. 596), [26JY]
- New Jersey Coastal Heritage Trail Route: reauthorize (see S. 3291), [26JY]
- NIST: establish a premiere plumbing research laboratory to update data on plumbing standards in order to improve safety, reliability, and efficiency (see S. 3037), [7JN]
- NOAA: establish Climate Change Education Program (see S. 2740), [24AP]
- make grants to States and local governments and nongovernmental organizations for purposes of carrying out shoreline stabilization projects utilizing natural materials (see S. 3087), [19JN]
- promote international action to reduce marine debris (see S. 3508), [26SE]
- provide for equitable management of summer flounder based on geographic, scientific, and economic data (see S. 3331), [1AU]
- Occupational safety and health: improve disclosure of pesticide and personal care product ingredients and ventilation in salons, establish employee training on salon hazards, and research effects of personal care products (see S. 2722), [19AP]
- Oil Pollution Act: require responsible parties to pay full cost of oil spills (see S. 3757), [13DE]
- One Health Program: establish an interagency program to collaborate on the concept that human, animal, and ecosystem health intertwine to make "one health" (see S. 2615), [22MR]
- Parks and recreation areas: provide grants to acquire land and water for parks and other outdoor recreation purposes and develop new or renovate existing outdoor recreation facilities (see S. 3499), [25SE]
- Power resources: improve process to authorize construction, connection, operation, and maintenance of international border-crossing facilities for import and export of oil and natural gas and transmission of electricity (see S. 3056), [12JN]
- Public buildings: improve energy performance in Federal buildings (see S. 3295), [26JY]
- Public lands: modify procedures for issuing special recreation permits for certain public land units (see S. 3550), [40C]
- protect Presidentially designated national monuments, establish National Monument Enhancement Fund, and designate certain lands in New Mexico and Nevada as wilderness (see S. 2354), [30JA]
- Rivers: designate certain river segments within the Wood-Pawcatuck watershed as components of the National Wild and Scenic Rivers System (see S. 3533), [10C]
- designate segments of Nashua, Squannacook, and Nissitissit Rivers for inclusion in National Wild and Scenic Rivers System (see S. 3468), [18SE]
- Roads and highways: establish a program to allow States to assume certain Federal responsibilities under National Park Service laws relative to agency actions applicable to highway projects within the States (see S. 2588), [21MR]
- establish a program to allow States to assume certain Federal responsibilities under the Endangered Species Act relative to agency actions applicable to highway projects within the States (see S. 2587), [21MR]
- increase ability of a State to administer Federal highway project permits under the Federal Water Pollution Control Act (see S. 2586), [21MR]
- San Rafael Swell Western Heritage and Historic Mining National Conservation Area: establish (see S. 2809), [9MY]
- Science: promote botanical research and sciences capacity (see S. 3240), [18JY]
- provide for Federal coordination of activities supporting sustainable chemistry to improve efficiency of chemical production while reducing health and environmental risks (see S. 3296), [30JY]
- SEC: require issuers to disclose certain activities relative to climate change (see S. 3481), [24SE]
- Ships and vessels: extend period during which fishing and certain other vessels are not required to have permit for discharges incidental to the normal operation of a vessel (see S. 2331), [23JA]
- Taxation: allow a credit for qualified conservation contributions which include national scenic trails (see S. 2603), [22MR]

- extend credit for production of refined coal (see S. 2373), [5FE]
- extend exclusion of gain or loss from sale or exchange of certain brownfield sites from unrelated business income and extend expensing of environmental remediation costs (see S. 2594), [22MR]
- impose a tax on carbon dioxide emissions from energy and industrial facilities and use revenues to establish a Carbon Dioxide Trust Fund to support families and encourage clean energy technologies (see S. 3791), [19DE]
- limit amount of certain qualified conservation contributions (see S. 2436), [15FE]
- modify definition of municipal solid waste (see S. 2371), [5FE]
- provide for greenhouse gas emission fees, reduce corporate income tax, provide tax credits to workers, and deliver additional benefits to the retired and disabled (see S. 2368), [5FE]
- provide tax relief to small businesses in areas affected by toxic algal blooms (see S. 3206), [12JY]
- provide that the volume cap for private activity bonds shall not apply to bonds for facilities for the furnishing of water and sewage facilities (see S. 3358), [21AU]
- repeat excise tax on heavy-duty trucks and trailers (see S. 3052), [12JN]
- require responsible parties to pay full cost of oil spills (see S. 3756), [13DE]
- U.N. Convention on the Law of the Sea: urge Senate to ratify (see S. Res. 598), [30JY]
- U.S. Coral Reef Task Force: anniversary (see S. Res. 544), [12JN]
- U.S. Fish and Wildlife Service: establish improved regulatory process for injurious wildlife to prevent introduction and establishment in the U.S. of nonnative wildlife and wild animal pathogens and parasites (see S. 3210), [12JY]
- establish National Wildlife Corridors Program and other initiatives to protect and restore native fish, wildlife, and plant species and their habitats (see S. 3715), [6DE]
- require delisting of Mexican gray wolves under the Endangered Species Act (see S. 2277), [4JA]
- U.S. Geological Survey: perform a nationwide survey of perfluorinated compounds (see S. 3382), [23AU]
- Washington County, UT: amend certain conservation plans to provide for a transportation route (see S. 3297), [30JY]
- Water: clarify definition of navigable waters relative to application of environmental protection regulations (see S. 3760), [17DE]
- Wildlife: authorize a special resource study on spread of vectors of chronic wasting disease among deer, elk, and moose (see S. 3644), [15NO]
- prohibit breeding and private possession of captive big cats except by accredited zoos and facilities and require registration of big cats currently in possession by private owners (see S. 2990), [5JN]
- support wildlife conservation, improve anti-trafficking enforcement, reward anti-trafficking whistleblowers, and use fines and other penalties to fund conservation efforts (see S. 3605), [11OC]
- World Wildlife Day: designate (see S. Res. 420), [1MR]
- Cloture motions*
- Dept. of Agriculture: reform and continue agricultural and other programs (H.R. 2), [27JN]
- reform and continue agricultural and other programs (H.R. 2), motion to proceed, [21JN], [25JN]
- Dept. of the Interior, environment, and related agencies: making appropriations (H.R. 6147), [26JY], [31JY]
- NOAA: promote international action to reduce marine debris (S. 756), [13DE], [17DE]
- Messages*
- Legislative Outline for Rebuilding Infrastructure in America: President Trump, [12FE]
- Motions*
- Dept. of Agriculture: reform and continue agricultural and other programs (H.R. 2), [21JN], [25JN], [28JN], [31JY]

ENVIRONMENTAL JUSTICE RIGHT TO KNOW ACT

ENVIRONMENTAL JUSTICE RIGHT TO KNOW ACT

Bills and resolutions

Enact (see S. 2722), [19AP]

ENVIRONMENTAL PROTECTION AGENCY

Appointments

Conferees: H.R. 6147, Dept. of the Interior, environment, and related agencies and financial services and general Government appropriations, [6SE]

Bills and resolutions

Agriculture: exempt certain pesticides and air emissions from animal waste at farms from certain reporting requirements under CERCLA (see S. 2421), [13FE]
—modify and improve environmental regulations and requirements for agriculture and agricultural producers (see S. 2663), [12AP]

Air pollution: allow judicial review of final rule on emission standards for hazardous air pollutants for brick and structural clay products or clay ceramics manufacturing (see S. 2461), [27FE]

—clarify when a physical change in, or change in the method of operation of, a stationary source constitutes a modification under Clean Air Act provisions relative to air pollution from a stationary source (see S. 2761), [26AP]

—exclude energy efficiency projects, pollution control projects, and reliability projects from the definition of a modification under Clean Air Act provisions relative to air pollution from a stationary source (see S. 2760), [26AP]

—provide regulatory relief for certain ozone pollution standards in international border areas, marginal areas, and rural transport areas (see S. 2825), [10MY]

—reaffirm final determination relative to greenhouse gas emissions standards for light-duty vehicles (see S. 2643), [10AP]

—revise ethylene oxide emissions standards for medical sterilization and chemical facilities (see S. 3671), [28NO]

Budget: rescind certain budget authority proposed to be rescinded in a certain special message transmitted to Congress by the President (see S. 2979), [24MY]

California: address health and economic development impacts of nonattainment of federally mandated air quality standards in the San Joaquin Valley by designating air quality empowerment zones (see S. 3134), [26JN]

Chemicals: require notice of chemical-related public health risks, publish list of sites requiring additional review when an exposure risk is determined, and reform chemical review process (see S. 3691), [29NO]

Climate: cap emissions of greenhouse gases through requirement to purchase carbon permits and distribute proceeds of such purchases to eligible individuals (see S. 2352), [29JA]

Dept. of HUD: improve removal of lead from drinking water in public housing (see S. 3492), [25SE]

Dept. of the Interior, environment, and related agencies: making appropriations (see S. 3073), [14JN]

Ecology and environment: improve disclosure of pesticide and personal care product ingredients and ventilation in salons, establish employee training on salon hazards, and research effects of personal care products (see S. 2722), [19AP]

Employment: establish an innovative water infrastructure workforce development program (see S. 2346), [25JA]

Fannin County, TX: limit claims seeking judicial review of any environmental impact statement, review, or authorization of the Lower Bois d'Arc Creek Reservoir Project (see S. 3202), [12JY]

Federal agencies and departments: enter into or amend agreements with States for removal and remedial actions to address per- and polyfluoroalkyl substances contamination in water and land surface and subsurface strata (see S. 3381), [23AU]

Federal employees: report certain hiring to carry out the Safe Drinking Water Act (see S. 2869), [16MY]

Great Lakes: prohibit sewage dumping (see S. 3630), [15NO]

Hazardous substances: establish a national mercury monitoring program to protect human health, safe-

guard fisheries, and track environmental effects of emissions reductions (see S. 3394), [28AU]

Low-Income Sewer and Water Assistance Program: establish (see S. 3015), [6JN]

Mining and mineral resources: establish a pilot program that promotes cleanup of orphan hardrock mines by good samaritans (see S. 3727), [6DE]

Motor vehicles: create a national zero-emission vehicle standard (see S. 3664), [28NO]

—ensure equal regulatory treatment of natural gas and electric vehicles (see S. 3226), [17JY]

—support vehicle emissions standards and policies to reduce greenhouse gas emissions and oil usage and recognize rights of States to set stronger standards under the Clean Air Act (see S. Con. Res. 42), [1AU]

Office of Noise Abatement and Control: reestablish (see S. 3385), [23AU]

One Health Program: establish an interagency program to collaborate on the concept that human, animal, and ecosystem health intertwine to make “one health” (see S. 2615), [22MR]

Power resources: provide regulatory relief to alternative fuel producers, automobile manufacturers, and consumers to allow for fuel choice options (see S. 3761), [17DE]

—support carbon utilization and direct air capture research and facilitate permitting and development of carbon capture, utilization, and sequestration projects and carbon dioxide pipelines (see S. 2602), [22MR]

Pruitt, E. Scott: call for resignation as Administrator and appointment of an Administrator committed to fulfillment of the mission of the Agency (see S. Res. 473), [18AP]

—ensure Inspector General continues investigations into former Administrator's conduct and suspend any proposed rulemaking signed by Pruitt until those investigations are completed (see S. 3312), [31JY]

Renewable energy: reform renewable fuel standard by mitigating harmful environmental impacts and advancing the next generation of biofuels (see S. 2519), [8MR]

Roads and highways: increase ability of a State to administer Federal highway project permits under the Federal Water Pollution Control Act (see S. 2586), [21MR]

Science: provide for Federal coordination of activities supporting sustainable chemistry to improve efficiency of chemical production while reducing health and environmental risks (see S. 3296), [30JY]

Ships and vessels: extend period during which fishing and certain other vessels are not required to have permit for discharges incidental to the normal operation of a vessel (see S. 2331), [23JA]

Technology: ensure phasedown of hydrofluorocarbons manufacturing to support next-generation technologies (see S. 2448), [15FE]

Water: clarify definition of navigable waters relative to application of environmental protection regulations (see S. 3760), [17DE]

—establish a discretionary grant program for drinking water and wastewater infrastructure projects (see S. 2727), [23AP]

—establish innovative water technology grant program and encourage use of innovative water technology (see S. 3012), [6JN]

—establish pilot programs to assist low-income households in maintaining access to sanitation services and drinking water (see S. 3564), [10OC]

—provide grants for construction, refurbishing, and servicing of individual household decentralized wastewater systems to individuals with low or moderate income (see S. 2771), [26AP]

—provide to State infrastructure financing authorities additional opportunities to receive loans to support drinking water and clean water State revolving funds to deliver water infrastructure to communities (see S. 2364), [30JA]

—require maximum open and free competition in procurement for certain federally-assisted water projects (see S. 3121), [25JN]

—update and modernize reporting requirements for contaminants in drinking water and provide assistance to disadvantaged communities to improve water quality testing and compliance with standards (see S. 3192), [11JY]

Water Infrastructure Finance and Innovation Act: reauthorize and amend (see S. 2329), [23JA]

Water pollution: clarify authority to prohibit the specification of a defined area, or deny or restrict the use of a defined area for specification, as a disposal site (see S. 3009), [6JN]

—make changes relative to water quality certification (see S. 3303), [31JY]

Wood: establish a voluntary program to reduce emissions from wood heaters (see S. 3779), [19DE]

—improve systems for identifying diversion of controlled substances (see S. 2837), [14MY]

—provide grants to certain States to increase participation in drug take-back programs (see S. 2645), [11AP]

—suspend a controlled substances registration if there is a likelihood of a threat of diversion of a controlled substance (see S. 2561), [15MR]

Dept. of Agriculture: establish a program for procurement of domestically grown unprocessed fruits and vegetables to provide healthier school meals under National School Lunch Program (see S. 3637), [15NO]

—establish a Rural Health Liaison (see S. 2894), [22MY]

—establish Animal Disease and Disaster Prevention, Surveillance, and Rapid Response Program and National Livestock Vaccine Bank (see S. 3681), [29NO]

—improve child nutrition in tribal areas (see S. 2409), [8FE]

—require Supplemental Nutrition Assistance Program beneficiaries to show valid photo identification when purchasing items with program benefits (see S. 3025), [7JN]

Dept. of Defense: develop and implement a plan to provide chiropractic health care services and benefits as part of the TRICARE program (see S. 3620), [14NO]

—establish a pilot program to partner with institutions of higher education and health care systems to allow special operations forces medics to earn credits toward a physician assistant degree (see S. 2668), [12AP]

—include gambling disorder in health assessments of Armed Forces members and implement prevention and treatment policies and programs for Armed Forces members and their dependents (see S. 2841), [15MY]

—making appropriations (H.R. 6157), correction in enrollment (see S. Con. Res. 47), [18SE]

—study servicemembers' exposure to open burn pits and toxic airborne chemicals while on active duty to ensure appropriate treatment for health effects (see S. 3181), [28JN]

INDEX

HEALTH

- submit a plan to improve research and development on therapies for traumatic brain injury and post-traumatic stress disorder and document information on blast exposures in service records of military personnel (see S. 2883), [17MY]
- Dept. of Education: allow for deferment of certain student loans while a borrower is receiving treatment for cancer (see S. 3207), [12JY]
- make demonstration grants to eligible local educational agencies for the purpose of increasing the numbers of school nurses in public schools (see S. 2532), [12MR]
- prohibit seclusion and use of restraints in schools except to protect students and staff and provide school personnel with crisis intervention training (see S. 3626), [14NO]
- promote minimum State requirements for prevention and treatment of concussions caused by participation in school sports (see S. 3686), [29NO]
- provide grants to communities affected by substance use disorder to enable those communities to plan for and implement full-service community schools (see S. 3362), [22AU]
- Dept. of HHS: allow National Health Service Corps members to provide obligated service as behavioral and mental health professionals at schools, other community-based settings, or patient homes (see S. 2533), [12MR]
- authorize a loan repayment program for mental health professionals (see S. 3796), [19DE]
- authorize a loan repayment program for substance use disorder treatment employees (see S. 2524), [8MR]
- authorize grants for local care corps programs through which qualified volunteers provide care, companionship, and other services to seniors and individuals in need (see S. 3608), [11OC]
- authorize Substance Abuse and Mental Health Services Administration development of best practices for recovery residences that promote sustained recovery from substance use disorders (see S. 2678), [16AP]
- award grants to train health care professionals to treat opioid addiction and other substance use disorders using technology-enabled models (see S. 2606), [22MR]
- build a stronger health care workforce (see S. 3095), [20JN]
- clarify requirements for receiving certain grants through the National Mental Health and Substance Use Policy Laboratory (see S. 2626), [22MR]
- clarify that National Health Service Corps Loan Repayment Program participants may be assigned to serve in pediatric inpatient mental health facilities (see S. 2732), [24AP]
- conduct a demonstration program to test alternative pain management protocols to limit use of opioids in emergency departments (see S. 2516), [7MR]
- conduct a family recovery and reunification program to help reunify families and protect children with parents or guardians with a substance use disorder who have temporarily lost custody of their children (see S. 2926), [22MY]
- conduct programs to address usage of illicit drugs, particularly fentanyl (see S. 3500), [25SE]
- consider State analysis and sharing of prescription drug monitoring program data in determining prescription drug monitoring program grants to States (see S. 2451), [26FE]
- develop national milestones to measure success in curtailing the opioid epidemic (see S. 2931), [23MY]
- encourage use of family-focused residential treatment programs (see S. 2924), [22MY]
- enhance efforts to address antibiotic resistance (see S. 2469), [28FE]
- enhance national strategy for combating and eliminating tuberculosis (see S. 2567), [19MR]
- ensure medications are affordable through increasing transparency, spurring innovation, and protecting competition (see S. 3411), [5SE]
- establish a grant program to create comprehensive opioid recovery centers (see S. 2589), [22MR]
- establish a moratorium on new enrollment of disproportionate share hospitals into the 340B discount drug program and require basic data reporting (see S. 2312), [16JA]
- establish a pilot program to help individuals in recovery from a substance use disorder transition from treatment to independent living and the workforce (see S. 2730), [23AP]
- establish community action opioid response grant program (see S. 2636), [10AP]
- establish grant program within the Substance Abuse and Mental Health Services Administration to create peer support recovery networks (see S. 2657), [12AP]
- establish Office of Drug Manufacturing to manufacture certain generic drugs in order to reduce prices, increase competition, and address shortages in the prescription drug market (see S. 3775), [18DE]
- establish reference prices for prescription drugs and require drug companies to offer drugs at such prices as condition of participation in Federal health programs (see S. 3680), [29NO]
- establish single, front-of-package labeling system for all foods required to bear nutrition labeling, eliminate deceptive claims, and update existing nutrition labels (see S. 2647), [11AP]
- expand authority to permit nurses to practice in health care facilities with critical nursing shortages through programs for loan repayment and scholarships (see S. 3685), [29NO]
- finalize certain proposed provisions relative to Programs of All-Inclusive Care for the Elderly (PACE) under Medicare and Medicaid (see S. 3338), [1AU]
- improve health of children and help better understand and enhance awareness about unexpected sudden death in early life (see S. 3521), [27SE]
- improve obstetric care in rural areas (see S. 3568), [10OC]
- improve treatment and early interventions for pregnant and postpartum women and infants affected by substance use disorder (see S. 2710), [19AP]
- include additional covered recipients for transparency reports required of manufacturers of opioids (see S. 3565), [10OC]
- permit certain disclosures of health information during emergencies, including overdoses (see S. 2676), [16AP]
- plan, develop, and make recommendations to increase access to sexual assault examinations for survivors by holding hospitals accountable and supporting providers that serve them (see S. 3203), [12JY]
- prevent surprise medical billing practices (see S. 3592), [11OC]
- prioritize education and training for existing and new environmental health professionals (see S. 2616), [22MR]
- prohibit price gouging in the sale of drugs by requiring pharmaceutical companies to provide justification for price increases and penalize such companies if increases are deemed unreasonable (see S. 3754), [13DE]
- promote healthy eating and physical activity among children (see S. 2726), [23AP]
- provide coordinated care to patients who have experienced a non-fatal overdose after emergency room discharge (see S. 2610), [22MR]
- provide grants to enable States to carry out activities to reduce administrative costs and burdens in health care (see S. 3434), [12SE]
- provide grants to State alcohol and drug agencies to use recovery coaches in hospital emergency rooms (see S. 2609), [22MR]
- provide grants to States to improve and coordinate their response to ensure safety, permanency, and well-being of children at high risk for abuse and neglect due to substance abuse (see S. 2696), [18AP]
- provide guidance to States regarding Federal reimbursement for services and treatment for substance use disorders under Medicaid using telehealth services (see S. 2904), [22MY]
- provide guidance to States relative to Medicaid items and services for non-opioid pain treatment and management (see S. 2911), [22MY]
- publish data relative to prevalence of substance use disorders in the Medicaid beneficiary population and treatment of substance use disorders under Medicaid (see S. 2912), [22MY]
- reauthorize, improve, and make Indian tribes eligible for State Targeted Response to the Opioid Crisis Grants (see S. 2437), [15FE]
- reauthorize certain programs related to traumatic brain injury and trauma research (see S. 3657), [26NO]
- reauthorize certain programs to protect against pandemics and attacks from chemical, biological, radiological, and nuclear weapons (see S. 2852), [15MY]
- reauthorize Children’s Hospitals Graduate Medical Education Program (see S. 2597), [22MR]
- reauthorize Emergency Medical Services for Children Program (see S. 3482), [24SE]
- reauthorize Geriatrics Workforce Enhancement Program and reinstate Geriatric Academic Career Awards program (see S. 2888), [21MY]
- reauthorize Rural Emergency Medical Service Training and Equipment Assistance Program (see S. 2830), [10MY]
- reauthorize school-based health centers (see S. 3602), [11OC]
- reauthorize sickle cell disease prevention and treatment demonstration program and provide for sickle cell disease research, surveillance, prevention, and treatment (see S. 2465), [28FE]
- reauthorize State Offices of Rural Health grant program (see S. 2278), [4JA]
- reduce maternal deaths and complications by providing funding to States and hospitals to develop and implement standardized maternal safety best practices and review pregnancy-related deaths and complications (see S. 3392), [28AU]
- reduce racial disparities in maternal mortality and morbidity through supporting implicit bias training, pregnancy medical home programs, and incorporating bias recognition in medical school skills testing (see S. 3363), [22AU]
- require a study on women and lung cancer (see S. 2358), [30JA]
- study and submit to Congress a report recommending how to improve use of non-opioid treatments for acute and chronic pain management for individuals under Medicare (see S. 3008), [6JN]
- submit report on effects of inclusion of quality increases in the determination of blended benchmark amounts under Medicare part C (see S. 3496), [25SE]
- support development of evidence-based family-focused residential treatment programs (see S. 2923), [22MY]
- Dept. of Homeland Security: ensure humane treatment of pregnant detainees by U.S. Immigration and Customs Enforcement (see S. 3225), [17JY]
- establish a narcotic drug screening technology pilot program to combat illicit opioid importation (see S. 3047), [11JN]
- provide for enhanced protections for vulnerable unaccompanied alien children (see S. 3558), [5OC]
- provide standards for facilities at which aliens in custody are detained (see S. 3112), [21JN]
- Dept. of HUD: improve removal of lead from drinking water in public housing (see S. 3492), [25SE]
- Dept. of Labor: establish Jobs Plus Recovery programs to give individuals impacted by opioid addiction or substance use disorders access to job training and support services (see S. 2642), [10AP]
- Dept. of State: develop a strategy to regain observer status for Taiwan in WHO (see S. 2716), [19AP]
- extend President’s Emergency Plan for AIDS Relief (PEPFAR) (see S. 3476), [18SE]
- Dept. of State, foreign operations, and related programs: make permanent certain general provisions (see S. 3111), [21JN]
- making appropriations (see S. 3108), [21JN]
- Dept. of Transportation: improve consumer protections for customers of air ambulance operators (see S. 2812), [10MY]

- Dept. of Veterans Affairs: address staffing and other issues at health care facilities, including underserved facilities (see S. 2356), [30JA]
- allow veterans to use, possess, or transport medical marijuana and to discuss the use of medical marijuana with departmental physicians as authorized by State law (see S. 3409), [5SE]
 - allow veterans who live a certain distance from a VA organ transplant center to receive care at certain non-departmental facilities (see S. 2473), [28FE]
 - conduct and support research on the efficacy and safety of medicinal marijuana (see S. 2796), [7MY]
 - establish a permanent community care program, improve recruitment of health care providers, and improve construction (see S. 2906), [22MY]
 - establish a registry to ensure Armed Forces members who may have been exposed to per- and polyfluoroalkyl substances on military installations receive information on such exposure (see S. 2719), [19AP]
 - establish Advisory Committee on Tribal and Indian Affairs (see S. 3269), [25JY]
 - establish presumption of service connection for certain veterans with tinnitus or hearing loss (see S. 3235), [18JY]
 - extend authority for operation of regional office in Manila, Philippines (see S. 3415), [6SE]
 - extend authority to prescribe regulations providing that a presumption of service connection is warranted for a disease with a positive association with exposure to a herbicide agent (see S. 3507), [26SE]
 - extend certain expiring provisions of administered law (see S. 3479), [18SE]
 - furnish health care to veterans, Reserve components, and dependents exposed to per- and polyfluoroalkyl substances and presume service connection for those affected (see S. 3529), [28SE]
 - furnish health care to veterans, Reserve components, and dependents stationed at Wurtsmith AFB, MI, and exposed to volatile organic compounds and presume service connection for those affected (see S. 3528), [28SE]
 - furnish mental health care to certain former Armed Forces members who are not otherwise eligible to receive such care (see S. 2548), [14MR]
 - improve dental care provided to veterans (see S. 3313), [31JY]
 - improve Medical Surgical Prime Vendor program by using multiple regional prime vendors and medical professionals with relevant expertise to develop the medical-surgical formulary (see S. 3737), [11DE]
 - increase efficiency in recruitment and hiring of health care workers separating from the Armed Forces and create uniform credentialing standards for certain health care professionals (see S. 3417), [6SE]
 - provide for presumption of service-connected disability for certain veterans who served in Palomares, Spain (see S. 3373), [23AU]
 - provide for the non-applicability of non-departmental covenants not to compete to the appointment of physicians in Veterans Health Administration (see S. 3302), [31JY]
 - provide for treatment of veterans who participated in the cleanup of Enewetak Atoll on the Marshall Islands who are suffering from radiation-related illness (see S. 2821), [10MY]
 - provide health, rehabilitation, and monetary benefits to children with spina bifida whose parents were exposed to herbicides while serving in Thailand during the Vietnam era (see S. 3175), [28JN]
 - remove manifestation period needed for presumption of service connection for chloracne, porphyria cutanea tarda, and acute and subacute peripheral neuropathy associated with exposure to herbicides (see S. 3355), [21AU]
 - report biennially on actions taken to address issues that led to inclusion of veterans health care on GAO High Risk List (see S. 2656), [12AP]
 - report on opioid prescribing rates of physicians of the Veterans Health Administration and conduct pain management training for physicians with highest rates of opioid prescribing (see S. 2819), [10MY]
 - require departmental medical facility directors to submit plans on how to improve such facilities (see S. 2622), [22MR]
 - review health care providers whose licenses were terminated for care or services provided at non-departmental facilities and notify patients who received inadequate care from such providers (see S. 3501), [26SE]
 - review processes and requirements for scheduling health care appointments and conducting consultations (see S. 2357), [30JA]
- Depts. of Defense, Veterans Affairs, and related agencies: making appropriations for military construction and veterans' services (see S. 3024), [7JN]
- Depts. of Education and HHS: provide substance use prevention and treatment grants for institutions of higher education (see S. 2791), [7MY]
- Depts. of Energy and Veterans Affairs: conduct collaborative research to improve health care services for veterans (see S. 3656), [26NO]
- Depts. of Labor, HHS, and Education, and related agencies: making appropriations (see S. 3158), [28JN]
- Depts. of Labor and HHS: establish a pilot program to award competitive grants to counties and tribal entities to administer combined workforce training and drug addiction treatment and recovery programs (see S. 2646), [11AP]
- Disabled: promote provision of exercise or fitness equipment, and exercise or fitness classes and instruction, that are accessible to individuals with disabilities (see S. 3728), [6DE]
- Disasters: improve regional health care emergency preparedness and response systems (see S. 2851), [15MY]
- Diseases and disorders: establish a national registry to track cases of coccidioidomycosis (valley fever) (see S. 3114), [21JN]
- facilitate effective research on, and treatment of, neglected tropical diseases through coordinated domestic and international efforts (see S. 3212), [12JY]
- Drugs: address the opioid crisis (see S. 2680), [16AP]
- decriminalize marijuana, use tax revenues to assist certain small businesses, research effects on driving and health, restrict advertising to protect children, and expunge certain marijuana-related convictions (see S. 3174), [28JN]
 - encourage development and use of new antimicrobial drugs in order to treat antibiotic-resistant infections (see S. 3787), [19DE]
 - establish a grant program to address impact of substance use-related trauma on children and youth in public schools (see S. 2754), [25AP]
 - impose a fee on opioid manufacturers to fund an increase in drug addiction treatment capacity (see S. 3711), [5DE]
 - improve medical student training on addiction treatment and facilitate certain registration waivers for physicians dispensing narcotic drugs for maintenance treatment or detoxification treatment (see S. 2711), [19AP]
 - improve oversight of new opioids and education of prescribers, limit availability of addictive painkillers, strengthen prescription drug monitoring, and establish drug disposal programs (see S. 2729), [23AP]
 - prevent substance abuse and reduce demand for illicit narcotics (see S. 2789), [26AP]
 - provide assistance to States and localities affected by the opioid epidemic and improve delivery of essential services to individuals with substance use disorders and their families (see S. 2700), [18AP]
 - provide certain protections from civil liability for individuals prescribing or administering opioid overdose drugs (see S. 2981), [24MY]
 - provide for additional flexibility relative to medication-assisted treatment for opioid use disorders (see S. 2317), [17JA]
 - require awareness campaign regarding risk of abuse of prescription opioids if such drugs are not taken as prescribed to include information about dispensing options (see S. 2697), [18AP]
 - strengthen penalties on drug companies that fail to monitor and report suspicious opioid distribution practices and increase transparency of Federal oversight of opioid manufacturing and advertising (see S. 2440), [15FE]
- Ecology and environment: improve disclosure of pesticide and personal care product ingredients and ventilation in salons, establish employee training on salon hazards, and research effects of personal care products (see S. 2722), [19AP]
- Endometriosis Awareness Month: designate (see S. Res. 451), [22MR]
- Energy and water development: making appropriations (H.R. 5895), correction in enrollment (see S. Con. Res. 46), [12SE]
- EPA: establish a voluntary program to reduce emissions from wood heaters (see S. 3779), [19DE]
- establish innovative water technology grant program and encourage use of innovative water technology (see S. 3012), [6JN]
 - report certain hiring to carry out the Safe Drinking Water Act (see S. 2869), [16MY]
 - require notice of chemical-related public health risks, publish list of sites requiring additional review when an exposure risk is determined, and reform chemical review process (see S. 3691), [29NO]
 - revise ethylene oxide emissions standards for medical sterilization and chemical facilities (see S. 3671), [28NO]
 - update and modernize reporting requirements for contaminants in drinking water and provide assistance to disadvantaged communities to improve water quality testing and compliance with standards (see S. 3192), [11JY]
- FAA: enter into appropriate arrangements with National Academies of Sciences, Engineering, and Medicine to provide for a report on health impacts of air traffic noise and pollution (see S. 2422), [13FE]
- support aircraft pilot workforce development, reform pilot examiner regulations, review medical certificate processes, mitigate spread of aquatic invasive species by air, and protect volunteer pilots (see S. 3270), [25JY]
- FDA: impose additional restrictions on tobacco flavors for use in e-cigarettes (see S. 3319), [1AU]
- modify outdated drug labels to reflect new evidence relevant to the drug and its use (see S. 3519), [27SE]
 - provide for accelerated approval of non-opioid or non-addictive pain medications and treatments for substance use disorders (see S. 2669), [16AP]
 - provide greater oversight over advertising and other promotion materials for opioid drugs to ensure that such materials do not mislead consumers and exacerbate existing crisis (see S. 3420), [6SE]
 - reauthorize user fee programs relative to new animal drugs and generic new animal drugs (see S. 2434), [15FE]
 - require guidance on consideration of claims of opioid sparing and on conditions under which to consider misuse and abuse of drugs in making certain determinations for safety (see S. 2665), [12AP]
 - require manufacturers of drugs to post names of countries in which their drugs are manufactured on their Internet websites (see S. 3105), [21JN]
 - require review of durations of use of approved indications of medically-important antibiotics labeled for use in animals (see S. 3099), [20JN]
 - require risk evaluation and mitigation strategy communication plans provide information on State and Federal regulation of controlled substances including the option to partially fill a prescription (see S. 2608), [22MR]
 - require warning labels to be affixed to prescription opioid containers or packaging stating such drugs can cause dependence, addiction, and overdose (see S. 3428), [12SE]
- FEMA: authorize transitional sheltering assistance for individuals who live in areas with unhealthy air quality caused by wildfires (see S. 3403), [28AU]
- Freedom of religion: ensure laws intended to protect religious freedom do not infringe upon laws intended to protect civil rights (see S. 2918), [22MY]

INDEX

HEALTH

- FTC: issue rules to promote competition and help consumers save money by giving them the freedom to choose where they buy prescription pet medications (see S. 2651), [11AP]
- prohibit marketing of bogus opioid treatment programs or products (see S. 2842), [15MY]
