Bankruptcy: replace current system, streamline filing process, reduce fees, protect consumers, address racial and gender disparities, and close certain loopholes (see S. 4980), [28SE]

CDC: reauthorize and improve National Breast and Cervical Cancer Early Detection Program (see S. 4440), [22JN]

Centers for Medicare & Medicaid Services: provide guidance regarding coverage of prescription digital

- therapeutics under Medicaid and State Children's Health Insurance Program (see S. 5238), [12DE]
- provide guidance to States on furnishing behavioral health services and treatment under Medicaid and Children's Health Insurance Program using telehealth services (see S. 4039), [7AP]
- Dept. of Agriculture: anniversary of McGovern-Dole International Food for Education and Child Nutrition Program (see S. Res. 709), [14JY]
- establish waiver authority to address emergencies and supply chain disruptions for access to infant formula under Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) (see S. 4257), [18MY]
- improve program to encourage food donation through protection from liability for persons involved in donation and distribution of food and grocery products to needy individuals (see S. 5329), [20DE]
- make publicly available information on infant formula procurement under Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) (see S. 4692), [1AU]
- Dept. of Education: authorize program to recognize higher education institutions that offer outstanding services and programs for foster and homeless youth (see S. 4795), [7SE]
- establish Early Federal Pell Grant Commitment Program (see S. 4874), [15SE]
- provide formula grants to States to improve higher education opportunities for foster youth and homeless youth (see S. 3605), [9FE]
- remove barriers to higher education for homeless and foster youth by improving financial aid process and outreach programs and providing in-State tuition and access to housing resources (see S. 3616), [9FE]
- simplify Federal student loan repayment process, increase usage of income-based repayment plan, reduce fees, target assistance to low-income borrowers, and limit aggressive debt collection practices (see S. 3953), [30MR]
- support preparation and retention of outstanding educators in all fields to ensure bright future for children in under-resourced and under-served communities (see S. 4694), [1AU]
- Dept. of Energy: improve Weatherization Assistance Program (see S. 3769), [7MR]
- Dept. of HHS: allow States greater flexibility to use Children's Health Insurance Program funds to address behavioral health in schools (see S. 3596), [8FE]
- authorize public education campaign to increase oral health literacy and awareness (see S. 5073), [11OC]
- conduct demonstration program to test providing preferential treatment under Medicare, Medicaid, and Children's Health Insurance Program for certain drugs and biologicals manufactured in U.S. (see S. 3991), [5AP]
- designate areas as Health Enterprise Zones to reduce health disparities and improve health outcomes in such areas (see S. 5293), [19DE]
- establish grant program for community-based maternal mentoring programs (see S. 4761), [3AU]
- increase availability of LIHEAP heating and cooling assistance (see S. 3535), [31JA]
- issue guidance on strategies under Medicaid and Children's Health Insurance Program to increase mental health and substance use disorder care provider education, training, recruitment, and retention (see S. 5043), [29SE]
- Dept. of Homeland Security: disapprove rule entitled "Public Charge Ground of Inadmissibility" (see S.J. Res. 64), [14NO]
- Dept. of HUD: collect and make publicly available data on properties receiving allocation of credit under low-income housing tax credit (see S. 4737), [2AU]
- increase supply of, and lower rents for, affordable housing and assess calculations of area median income for purposes of Federal low-income housing assistance (see S. 4534), [14JY]
- protect veterans and low-income families from housing discrimination based on source of income, veterans status, or military status (see S. 4485), [23JN]
- provide for rental assistance for homeless or at-risk Indian veterans (see S. 5140), [29NO]
- require Community Development Block Grant Program recipients to develop strategy to support inclusive zoning policies and allow for credit to support housing affordability (see S. 5223), [8DE]
- Dept. of Justice: permit Community Oriented Policing Services (COPS) Program grants to be used for purpose of increasing compensation and hiring of law enforcement officers (see S. 4287), [19MY]
- Dept. of the Treasury: establish CDFI National Crisis Fund (see S. 4165), [9MY]
- Dept. of Transportation: establish Advisory Committee on Transportation Equity (see S. 3649), [15FE]
- Dept. of Veterans Affairs: expand eligibility for supportive services for very low-income veteran families to include former members of Armed Forces Reserve components (see S. 5337), [21DE]
- make permanent authority to provide financial assistance for supportive services for very low-income veteran families in permanent housing (see S. 4958), [27SE]
- Families and domestic relations: establish programs to improve family economic security by breaking cycle of multigenerational poverty (see S. 3918), [24MR]
- suspend duties and other restrictions on importation of infant formula to address shortage in U.S. and allow WIC program recipients to purchase formula from any producer (see S. 4261), [19MY]
- FCC: establish vetting process for prospective applicants for high-cost Universal Service Program funding (see S. 4126), [3MY]
- Federal aid programs: affirm commitment to protect and expand Social Security and SSI programs (see S. Res. 819), [29SE]
- allow coronavirus State and local fiscal recovery funds to be used for low-income housing credit projects (see S. 4181), [11MY]
- provide increased allocation of funding under certain programs for assistance in areas of persistent poverty (see S. 3552), [1FE]
- FEMA: authorize equity steering group and advisor, improve data collection, apply equity criteria to policies and programs, and permit counties to seek emergency and disaster declarations in certain circumstances (see S. 4159), [5MY]
- Financial institutions: ensure that well-capitalized banks can accept custodial deposits without facing additional requirements or heightened scrutiny so that such banks may more readily make loans in their community (see S. 3562), [2FE]
- permit credit unions to serve certain underserved areas (see S. 4879), [19SE]
- Foreign policy: condemn use of hunger as weapon of war and recognize effect of conflict on global food security and famine (see S. Res. 669), [9JN]
- Health: improve health of minority individuals (see S. 4486), [23JN]
- prohibit consideration of coronavirus vaccination status in determining eligibility for organ donation or transplantation and in providing services to Medicare or Medicaid beneficiaries (see S. 3985), [31MR]
- Housing: address homelessness and affordable housing crises (see S. 3788), [8MR]
- Malnutrition Awareness Week: designate (see S. Res. 788), [21SE]
- Medicaid: apply asset verification program to all applicants for, and recipients of, medical assistance in all States and territories (see S. 3917), [24MR]
- establish demonstration project testing whole child health models (see S. 5011), [29SE]
- expand availability of mental, emotional, and behavioral health services (see S. 4498), [23JN] (see S. 4747), [2AU]
- improve outcomes for beneficiaries with major depressive disorder or other mental health conditions (see S. 4633), [27JY]
- make certain information available on public website relative to preventing abuse and neglect of individuals with intellectual disabilities at intermediate care facilities (see S. 4593), [21JY]
- provide coverage for services provided by doulas and midwives (see S. 4100), [27AP]
- Medicare: make premium and cost-sharing subsidies available to low-income part D beneficiaries residing in Puerto Rico or other U.S. territories (see S. 3778), [8MR]
- Medicare/Medicaid: establish Dual Eligible Quality Care Fund to provide grants to State Medicaid programs to improve their capacity to ensure provision of quality integrated care for dual eligible beneficiaries (see S. 3630), [10FE]
- establish optional State-administered program to provide fully integrated, comprehensive, coordinated care for full-benefit dual eligible individuals (see S. 4635), [27JY]
- improve access to Program of All-Inclusive Care for the Elderly (see S. 3626), [10FE]
- increase access to services provided by advanced practice registered nurses (see S. 5212), [8DE]
- modify skilled nursing facility training lockout penalties to allow certain facilities to continue certified nurse assistant training (see S. 4381), [13JN]
- provide coverage of prescription digital therapeutics for treatment of mental health and substance use disorders (see S. 3791), [10MR]
- provide States with resources to support efforts to integrate or coordinate Medicare and Medicaid benefits for individuals eligible for both programs (see S. 4273), [19MY]
- require States to develop strategy to integrate and coordinate Medicaid and Medicare coverage for full-benefit dual eligible individuals (see S. 4264), [19MY]
- National Homeless Children and Youth Awareness Month: observance (see S. Res. 853), [30NO]
- Older Americans Act: recognize Senior Nutrition Program in addressing hunger, malnutrition, food insecurity, isolation, and improving quality of life for elderly (see S. Res. 550), [17MR]
- Public welfare programs: provide certain benefits to noncitizens (see S. 4311), [25MY]
- Racial relations: declare racism as public health crisis (see S. Res. 875), [20DE]
- Schools: reduce stigma associated with unpaid school meal fees and require mandatory certification for certain students (see S. 4602), [25JY]
- Social Security: improve maternal health coverage under Medicaid and Children's Health Insurance Program (see S. 5015), [29SE]
- SSI: update resource limit for eligibility (see S. 4102), [28AP]
- Taxation: establish tax-preferred Lifelong Learning and Training Account programs that provide Federal matching funds for contributions by low- and moderate-income workers or their employers (see S. 4023), [7AP]
- increase low-income housing credit for rehabilitation expenditures for buildings achieving enhanced energy performance (see S. 4422), [16JN]
- qualify homeless youth and veterans who are full-time students for low-income housing tax credit (see S. 5108), [16NO]
- Reports filed*
- Computers for Veterans and Students (COVS) Act: Committee on Homeland Security and Governmental Affairs (Senate) (H.R. 3544) (S. Rept. 117-224), [5DE]
- Condemn Use of Hunger as Weapon of War and Recognize Effect of Conflict on Global Food Security and Famine: Committee on Foreign Relations (Senate) (S. Res. 669), [11JY]
- Global Malnutrition Prevention and Treatment Act: Committee on Foreign Relations (Senate) (H.R. 4693), [21JY]
- Targeting Resources to Communities in Need Act: Committee on Homeland Security and Governmental Affairs (Senate) (S. 3552) (S. Rept. 117-148), [13SE]
- POWER RESOURCES related term(s) CONSERVATION OF ENERGY; NATURAL GAS; PETROLEUM; RENEWABLE ENERGY**
- Bills and resolutions*
- Air pollution: promote low-carbon, high-octane fuels to protect public health and to improve vehicle efficiency and performance (see S. 4621), [26JY]

INDEX

POWER RESOURCES

- Arctic Ocean: prohibit drilling (see S. 5305), [20DE]
- Biden, President: address implementation of policies impeding domestic energy production leading to higher gas prices (see S. Res. 553), [17MR]
- BLM: streamline oil and gas permitting process and recognize fee ownership for certain oil and gas drilling or spacing units (see S. 4227), [16MY]
- Bureau of Reclamation: construct, operate, and maintain facilities in Sun River project in Montana for hydroelectric power generation (see S. 3450), [10JA]
- Canada: ensure that Canada does not permanently store nuclear waste in Great Lake Basin (see S. Res. 514), [15FE]
- China: prohibit exports of crude and refined oil and certain petroleum products to China (see S. 4407), [15JN]
- Conservation of energy: develop short- and long-term strategies to reduce cost of transportation fuels for U.S. consumers through Federal conservation (see S. 4078), [25AP]
- modify definition of water heater under energy conservation standards (see S. 4061), [7AP]
- provide that consumer room air cleaners are covered products to which certain energy conservation standards apply (see S. 5258), [14DE]
- Consumers: express need to stop excessive price increases by oil and gas companies and importance of rapidly transitioning to clean energy economy (see S. Res. 608), [2MY]
- protect from price-gouging of gasoline and other fuels (see S. 3920), [24MR]
- Corps of Engineers: improve development of hydropower at Corps of Engineers facilities (see S. 4540), [14JY]
- Cryptocurrency: require interagency study on environmental and energy impacts of crypto-asset mining and assess crypto-asset mining compliance with Clean Air Act (see S. 5210), [7DE]
- Dept. of Agriculture: establish national biochar research network (see S. 4895), [20SE]
- Dept. of Defense: carry out pilot program on use of sustainable aviation fuel (see S. 4392), [14JN]
- codify certain clean energy targets (see S. 4317), [26MY]
- include special considerations for developing and implementing energy performance goals and master plan and submit report on feasibility of terminating energy procurement from foreign entities of concern (see S. 4989), [28SE]
- prohibit from requiring contractors to disclose information relative to greenhouse gas emissions (see S. 5269), [15DE]
- require commissary and exchange stores in U.S. that offer gasoline for commercial sale to offer at least one fuel that contains not less than 13 percent ethanol (see S. 4363), [8JN]
- Dept. of Energy: carry out program to operate uranium reserve consisting of uranium produced and converted in U.S. and program to ensure availability of uranium produced, converted, and enriched in U.S. (see S. 3978), [31MR]
- complete and publish study and develop plan relative to ability of electric system to meet electricity demand of new electric vehicle charging infrastructure (see S. 4148), [5MY]
- conduct study and submit report on national resource adequacy (see S. 4754), [3AU]
- ensure availability of domestic high-assay, low-enriched uranium and make such uranium produced from Dept. of Energy inventories available for use in advanced nuclear reactors (see S. 4066), [7AP]
- establish program to encourage deployment of electric school buses and vehicle-to-grid technologies and applications (see S. 4983), [28SE]
- establish program to provide loans to manufacturers of energy grid products and components (see S. 4626), [27JY]
- establish regional clean energy innovation program (see S. 4566), [20JY]
- establish research, development, and demonstration program relative to abandoned wells (see S. 5205), [7DE]
- improve Weatherization Assistance Program (see S. 3769), [7MR]
- increase production and use of renewable diesel and sustainable aviation fuel (see S. 4038), [7AP]
- prohibit export of crude oil to certain countries as condition of sale at auction of any crude oil from Strategic Petroleum Reserve (see S. 4515), [13JY]
- prohibit export of crude oil to certain countries or state-owned entities as condition of sale at auction of any crude oil from Strategic Petroleum Reserve (see S. 4651), [28JY]
- provide for direct loans to Indian Tribes and Tribal energy development organizations for energy development (see S. 4771), [4AU]
- provide for preservation and storage of uranium-233 to foster development of thorium molten-salt reactors (see S. 4242), [18MY]
- provide for program of research, development, demonstration, and commercial application in vehicle technologies (see S. 3543), [1FE]
- provide grants and loan guarantees for commercial-scale implementation of transformative industrial technologies (see S. 3987), [31MR]
- provide grants and loans to support and expand domestic solar component manufacturing supply chain (see S. 4329), [26MY]
- provide guidance for and investment in Office of Science research and development activities (see S. 3699), [17FE]
- remove carbon dioxide directly from ambient air or seawater (see S. 4280), [19MY]
- require certain financial assistance to be distributed without undue delay to support State and local high-impact energy efficiency and renewable energy initiatives (see S. 5009), [29SE]
- require that Strategic Petroleum Reserve only includes petroleum products produced in U.S. (see S. 5071), [11OC]
- Dept. of HHS: increase availability of LIHEAP heating and cooling assistance (see S. 3535), [31JA]
- Dept. of Homeland Security: include aliens passing in transit through U.S. to board vessel on which alien will perform ship-to-ship liquid cargo transfer operations within class of nonimmigrant aliens (see S. 5168), [1DE]
- Dept. of State: establish Baltic Security and Economic Enhancement Initiative (see S. 3950), [29MR]
- establish international terrestrial carbon sequestration program and provide international technical assistance for carbon market development (see S. 5019), [29SE]
- Dept. of the Interior: empower States to manage development and production of oil and gas on available Federal land (see S. 4229), [17MY]
- establish critical mineral environmental processing and mining cleanup program (see S. 3783), [8MR]
- establish development benchmarks and requirements for oil and gas lease-holders and implement fee on Federal oil and gas leases that don't produce oil or gas in given year (see S. 5217), [8DE]
- establish moratorium on energy development in certain areas of Gulf of Mexico (see S. 4943), [22SE]
- issue right-of-way permit for natural gas distribution main within Valley Forge National Historical Park (see S. 5110), [16NO]
- provide for certain reforms to process relative to applications for permits to drill and eligibility requirements for prospective bidders in lease sales (see S. 4733), [2AU]
- provide with certain authorities relative to projects affecting Klamath Basin watershed (see S. 5003), [29SE]
- reauthorize certain leasing on Outer Continental shelf (see S. 3808), [10MR]
- resume oil and gas lease sales (see S. 4228), [17MY]
- Dept. of the Treasury: terminate license authorizing financial transactions relative to importation of Russian energy products and apply certain sanctions to Russian financial institutions (see S. 4054), [7AP]
- terminate license to allow certain energy-related transactions of Russian assets and apply sanctions to entities listed in such license (see S. 4463), [23JN]
- Dept. of Transportation: establish grant program to demonstrate performance and reliability of heavy-duty fuel cell vehicles that use hydrogen as fuel source (see S. 3806), [10MR]
- Ecology and environment: cap greenhouse gases through requirement to purchase carbon permits and distribute proceeds of such purchases to eligible individuals (see S. 5338), [21DE]
- Economy: provide greater output, price stability, and regulatory certainty relative to U.S. domestic energy production and exports (see S. 3762), [3MR]
- Energy and water development: making appropriations (see S. 4660), [28JY]
- Energy Efficiency Day: designate (see S. Res. 799), [27SE]
- EPA: conduct measurement-based national methane research pilot study to quantify methane emissions from certain oil and gas infrastructure (see S. 5214), [8DE]
- expand ethanol waiver for Reid vapor pressure limitations of motor vehicle fuels (see S. 4774), [4AU] (see S. 5145), [29NO]
- FAA: establish grant program to incentivize energy resilience of air carrier airports to acquire or install electric infrastructure for on-site renewable energy generation and storage (see S. 4727), [2AU]
- Federal agencies and departments: prohibit contracting with persons that have business operations with Russia or Russian energy sector (see S. 4364), [8JN]
- prohibit from promulgating any rule or guidance that bans hydraulic fracturing in the U.S. (see S. 3459), [10JA]
- prohibit promulgation of new oil and gas regulations until after Russian troops have withdrawn from Ukraine (see S. 3822), [10MR]
- prohibit use of flawed or biased environmental metrics in rulemaking process unless such metrics are compliant with OMB guidance (see S. 4596), [21JY]
- require applicable Federal agencies to take action on applications for Federal energy authorizations (see S. 3982), [31MR]
- require End-User Review Committee conduct quarterly reviews relative to inclusion of certain Russian energy entities on Entity List (see S. 3882), [17MR]
- require regulators to disclose impact of proposed regulations on food or energy prices (see S. 4610), [26JY]
- FERC: bolster fairness and transparency in consideration of interstate natural gas pipeline permits and provide for greater public input in pipeline permitting process (see S. 4864), [15SE]
- promulgate regulations on regional and inter-regional planning to improve electricity infrastructure, reduce costs for ratepayers, and promote clean energy innovation (see S. 3879), [17MR]
- protect consumers from manipulation of electricity and natural gas markets by traders (see S. 4679), [28JY]
- provide that certain policy statements shall have no force or effect unless certain conditions are met (see S. 3908), [23MR] (see S. 4451), [22JN]
- require transmission organizations to accept bids from aggregators of certain retail customers (see S. 5111), [16NO]
- Financial institutions: prohibit bank holding companies from facilitating fossil fuel production from new sources or new or expanded fossil infrastructure that would drive such production (see S. 5264), [15DE]
- Foreign trade: prohibit importation of crude oil, petroleum, petroleum products, and liquefied natural gas from Venezuela and Iran (see S. 3798), [10MR]
- FTC: conduct study on conduct relative to oil and gas prices (see S. 4048), [7AP]
- ensure transparent and competitive transportation fuel markets in order to protect consumers from unwarranted price increases (see S. 4217), [12MY]
- investigate and report on practices in oil and gas industry (see S. 4049), [7AP]
- Government regulations: delay effectiveness of certain new rules or regulations relative to U.S. energy sector (see S. 3986), [31MR]

—reform Federal regulatory permitting and project review processes for energy and infrastructure projects (see S. 4815), [12SE]

Great Lakes Authority: establish (see S. 5180), [1DE]

Hydroelectric power: support upgrades at existing hydroelectric dams to increase clean energy production, improve resiliency and reliability of electric grid, and enhance health of rivers and associated wildlife habitats (see S. 5222), [8DE]

Mining and mineral resources: improve compliance with mine safety and health laws, empower miners to raise safety concerns, and prevent future mine tragedies (see S. 5356), [22DE]

National Clean Energy Week: designate (see S. Res. 794), [22SE]

National Energy Transition Endowment and Community Revitalization Corp.: establish (see S. 4183), [11MY]

National Hydrogen and Fuel Cell Day: designate (see S. Res. 765), [15SE]

National objectives: prioritize U.S. energy independence (see S. 3714), [28FE]

—strengthen U.S. energy security and encourage domestic production of crude oil, petroleum products, and natural gas (see S. 3752), [3MR]

Natural gas: expedite approval of applications to export natural gas to certain U.S. allies (see S. 3661), [16FE]

Nuclear energy: establish regional nuclear fuel bank to assist international efforts to avoid destabilizing arms race in Middle East and promote peaceful use of nuclear power (see S. Res. 511), [10FE]

—facilitate development of whole-of-government strategy for nuclear cooperation and nuclear exports (see S. 4064), [7AP]

—prohibit use of Federal funds for private interim storage of spent nuclear fuel (see S. 3741), [2MR]

Petroleum: authorize Strategic Petroleum Reserve draw-down and sale to provide short-term energy relief and set energy efficiency targets for States during energy supply emergency (see S. 3815), [10MR]

—prohibit importation of petroleum products from Russia, establish ethanol tax credit and extend biodiesel and renewable diesel incentives, and amend ethanol waiver for Reid vapor pressure limitations (see S. 3787), [8MR]

Pipelines: enhance pipeline safety and oil spill preparedness and response, particularly in Great Lakes Basin (see S. 4248), [18MY]

—facilitate pipeline construction and limit regulatory and litigation delays under Federal Water Pollution Control Act, National Environmental Policy Act, and Endangered Species Act (see S. 5165), [1DE]

Presidents of the U.S.: reaffirm lack of authority to stop oil and gas leasing on Federal public land (see S. 4571), [20JY]

Protecting Europe's Energy Security Act: repeal waiver and termination provisions (see S. 3763), [3MR]

Public buildings: establish minimum temperature for thermostats at headquarters of Dept. of Energy and EPA (see S. 4819), [12SE]

Public lands: restart oil and gas leasing and permitting (see S. 3731), [2MR]

Public works: support construction of middle mile broadband infrastructure and enhance electric grid (see S. 4763), [3AU]

Real estate: provide for accurate energy appraisals in connection with residential mortgage loans (see S. 4671), [28JY]

Renewable energy: promote U.S. energy security and independence by bolstering renewable energy supply chains (see S. 4013), [6AP]

Russia: impose sanctions on shipment or transshipment of petroleum products or liquefied natural gas products from Russia to China (see S. 4620), [26JY]

—prohibit importation of crude oil, petroleum, petroleum products, liquefied natural gas, and coal from Russia (see S. 3757), [3MR]

—prohibit importation of crude oil and petroleum products from Russia and impose sanctions on persons involved in such importation who have engaged in corruption or are responsible for human rights abuses (see S. 3754), [3MR]

—prohibit importation of petroleum and petroleum products from Russia (see S. 3718), [1MR]

—require President impose sanctions with respect to purchases of crude oil from Russia (see S. 5058), [29SE]

—require strategy for international cooperation to counter Russian energy influence globally (see S. 3756), [3MR]

SEC: prohibit from requiring issuers to disclose information relative to greenhouse gas emissions (see S. 5135), [28NO]

Solar energy: repeal increases in duties and tariff-rate quota on certain crystalline silicon photovoltaic cells and establish and carry out program to support and incentivize U.S. manufacturing of solar energy components (see S. 3680), [17FE]

Southwestern Power Administration Fund: establish (see S. 3719), [1MR]

Taxation: establish credit for domestic production of rare earth magnets (see S. 4680), [28JY]

—impose carbon border adjustment on energy intensive imports and incentivize decarbonization of domestic manufacturing (see S. 4355), [7JN]

—impose windfall profits excise tax on crude oil and rebate tax collected back to individual taxpayers (see S. 3802), [10MR]

—increase limitation on credit for biomass stoves and boilers (see S. 5192), [6DE]

—increase low-income housing credit for rehabilitation expenditures for buildings achieving enhanced energy performance (see S. 4422), [16JN]

—provide credit for sale of renewable natural gas for use in certain motor vehicles (see S. 4568), [20JY]

—provide gasoline tax holiday (see S. 3609), [9FE]

—repeal fossil fuel subsidies for large oil companies and apply savings to deficit reduction (see S. 5216), [8DE]

—tax excess profits of large oil and gas companies, impose tax on repurchase of stock by large oil and gas companies, and end use of LIFO method of accounting by large oil and gas trades or businesses (see S. 4768), [4AU]

Wood: provide for operation and establishment of, and procurement of supplies for, firewood banks (see S. 4944), [22SE]

Motions

Economy: use of budget reconciliation to fight inflation, reduce prescription drug and health care costs, address climate change, increase tax fairness, and reduce deficit (H.R. 5376), [6AU]

Reports filed

Alaska Offshore Parity Act: Committee on Energy and Natural Resources (Senate) (S. 2996) (S. Rept. 117–201), [17NO]

Bureau of Reclamation Construction, Operation, and Maintenance of Sun River Project Facilities in Montana for Hydroelectric Power Generation: Committee on Energy and Natural Resources (Senate) (S. 3450) (S. Rept. 117–187), [14NO]

International Nuclear Energy Act: Committee on Foreign Relations (Senate) (S. 4064), [7DE]

Prevent Ingestion of Button Cell or Coin Batteries Through Promulgation of Consumer Product Safety Standard To Require Child Resistant Closures on Products: Committee on Commerce, Science, and Transportation (Senate) (S. 3278), [14DE]

Reinvesting in Shoreline Economies and Ecosystems (RISEE) Act: Committee on Energy and Natural Resources (Senate) (S. 2130) (S. Rept. 117–200), [17NO]

Ruby Mountains Protection Act: Committee on Energy and Natural Resources (Senate) (S. 609) (S. Rept. 117–70), [10FE]

Streamline BLM Oil and Gas Permitting Process and Recognize Fee Ownership for Certain Oil and Gas Drilling or Spacing Units: Committee on Energy and Natural Resources (Senate) (S. 4227) (S. Rept. 117–203), [17NO]

PRAIRIE DU ROCHER, IL

Bills and resolutions

Prairie du Rocher French Colonial National Historical Park: establish (see S. 4525), [13JY]

PRAY SAFE ACT

Reports filed

Provisions: Committee on Homeland Security and Governmental Affairs (Senate) (S. 2123) (S. Rept. 117–81), [17FE]

PRECIOUS METALS

Bills and resolutions

Dept. of Energy: establish program to incentivize investment in facilities that carry out metallurgy of rare earth elements and production of finished rare earth products (see S. 4033), [7AP]

Dept. of State: establish and implement multi-year Legal Gold and Mining Partnership Strategy to reduce negative environmental and social impacts of illicit gold mining in Western Hemisphere (see S. 5109), [16NO]

Mining and mineral resources: encourage extraction and processing of rare earth metals in the U.S. (see S. 3525), [19JA] (see S. 3530), [20JA]

Motor vehicles: prevent theft of catalytic converters and other precious metal car parts (see S. 5024), [29SE]

Russia: impose sanctions relative to sale, supply, or transfer of gold to or from Russia (see S. 5232), [12DE]

—prohibit U.S. persons from engaging in transactions with foreign persons that purchase or transact in gold from Russia (see S. 3771), [7MR]

Tribute to Heroic Efforts By Moldova To Support Ukrainian Refugees Fleeing Russian War Against Ukraine: Committee on Foreign Relations (Senate) (S. Res. 638), [14JN]

REFUSE DISPOSAL *related term(s)* **RECYCLED MATERIALS; SEWAGE DISPOSAL**

Bills and resolutions

Disasters: establish advisory group to encourage and foster collaborative efforts among individuals and entities engaged in disaster recovery relating to debris removal (see S. 3512), [13JA]

EPA: carry out certain activities to protect communities from harmful effects of plastics (see S. 5163), [1DE]

—control exports of electronic waste to ensure that such waste does not become source of counterfeit goods that may reenter U.S. military and civilian electronics supply chains (see S. 3859), [17MR]

—establish pilot grant program to improve recycling accessibility (see S. 3742), [3MR]

—improve recycling and composting programs (see S. 3743), [3MR]

Nuclear energy: prohibit use of Federal funds for private interim storage of spent nuclear fuel (see S. 3741), [2MR]

Plastic Pollution Action Month: designate (see S. Res. 697), [23JN]

Space policy: establish demonstration program for active remediation of orbital debris and develop uniform orbital debris standard practices to support safe and sustainable orbital environment (see S. 4814), [12SE]

Reports filed

Disaster Contract Improvement Act: Committee on Homeland Security and Governmental Affairs (Senate) (S. 3512) (S. Rept. 117–128), [12JY]

Recycling and Composting Accountability Act: Committee on Environment and Public Works (Senate) (S. 3743), [28AP]

—Committee on Environment and Public Works (Senate) (S. 3743) (S. Rept. 117–137), [2AU]

Recycling Infrastructure and Accessibility Act: Committee on Environment and Public Works (Senate) (S. 3742), [28AP]

—Committee on Environment and Public Works (Senate) (S. 3742) (S. Rept. 117–136), [2AU]

REGIONAL OCEAN PARTNERSHIP ACT

Reports filed

Provisions: Committee on Commerce, Science, and Transportation (Senate) (S. 1894) (S. Rept. 117–78), [15FE]

REHABILITATION ACT

Bills and resolutions

Disabled: authorize grants to establish national education protection and advocacy program to enforce certain rights and protections (see S. 5013), [29SE]

REID, HARRY (a former Senator from Nevada)

Bills and resolutions relative to

Capitol Building and Grounds: authorize Architect of the Capitol to transfer catafalque from Capitol Visitor Center to Capitol rotunda for use during memorial services (see S. Con. Res. 26), [5JA]

—permit use of rotunda for lying in state of remains of Harry Reid (see S. Con. Res. 25), [5JA]

Tribute (see S. Res. 485), [6JA]

REINFORCING EDUCATION ACCOUNTABILITY IN DEVELOPMENT (READ) ACT

Bills and resolutions

Reauthorize (see S. 3938), [28MR]

Reports filed

Reauthorize: Committee on Foreign Relations (Senate) (H.R. 7240), [7DE]

REINVESTING IN SHORELINE ECONOMIES AND ECOSYSTEMS (RISEE) ACT

Reports filed

Provisions: Committee on Energy and Natural Resources (Senate) (S. 2130) (S. Rept. 117–200), [17NO]

RELIABLE RAIL SERVICE ACT

Bills and resolutions

Enact (see S. 4959), [27SE]

RELIGION *related term(s)* **CHURCHES, SYNAGOGUES, AND MOSQUES**

Appointments

U.S. Commission on International Religious Freedom, [25AP], [8JN]

U.S. Commission on International Religious Freedom: extend and authorize appropriations (see S. 3895), [22MR]

Reports filed

Commend Bravery, Courage, and Resolve of Iranian Protesters: Committee on Foreign Relations (Senate) (S. Con. Res. 47), [7DE]

Operation Provide Comfort in Iraq Anniversary: Committee on Foreign Relations (Senate) (S. Con. Res. 16), [7DE]

U.S. Commission on International Religious Freedom Appropriations Extension and Authorization: Committee on Foreign Relations (Senate) (S. 3895), [14JN]

RELIGIOUS EDUCATION WEEK

Bills and resolutions

Designate (see S. Res. 811), [29SE]

RELIGIOUS FREEDOM DAY

Bills and resolutions

Freedom of religion: affirm importance as fundamental human right and observe anniversary of Virginia Statute for Religious Freedom (see S. Con. Res. 27), [13JA]

RENEWABLE DIESEL AND SUSTAINABLE AVIATION FUEL PARITY ACT

Bills and resolutions

Enact (see S. 4038), [7AP]

RENEWABLE ENERGY *related term(s)* **POWER RESOURCES**

Bills and resolutions

Bureau of Reclamation: construct, operate, and maintain facilities in Sun River project in Montana for hydroelectric power generation (see S. 3450), [10JA]

Corps of Engineers: improve development of hydro-power at Corps of Engineers facilities (see S. 4540), [14JY]

Dept. of Defense: carry out pilot program on use of sustainable aviation fuel (see S. 4392), [14JN]

——include special considerations for developing and implementing energy performance goals and master plan and submit report on feasibility of terminating energy procurement from foreign entities of concern (see S. 4989), [28SE]

——transition nontactical vehicle fleet to electric or other zero emission vehicles (see S. 4380), [13JN]

Dept. of Energy: establish regional clean energy innovation program (see S. 4566), [20JY]

——increase production and use of renewable diesel and sustainable aviation fuel (see S. 4038), [7AP]

——provide grants and loans to support and expand domestic solar component manufacturing supply chain (see S. 4329), [26MY]

——require certain financial assistance to be distributed without undue delay to support State and local high-impact energy efficiency and renewable energy initiatives (see S. 5009), [29SE]

——transfer funds for energy efficiency and renewable energy improvements in public schools to Dept.

of Justice to award grants to States to promote safety and security in schools (see S. 4776), [4AU]

Dept. of State: establish international terrestrial carbon sequestration program and provide international technical assistance for carbon market development (see S. 5019), [29SE]

Dept. of the Interior: establish critical mineral environmental processing and mining cleanup program (see S. 3783), [8MR]

——establish moratorium on energy development in certain areas of Gulf of Mexico (see S. 4943), [22SE]

——reauthorize certain leasing on Outer Continental shelf (see S. 3808), [10MR]

Dept. of Transportation: establish grant program to demonstrate performance and reliability of heavy-duty fuel cell vehicles that use hydrogen as fuel source (see S. 3806), [10MR]

Energy Efficiency Day: designate (see S. Res. 799), [27SE]

EPA: expand ethanol waiver for Reid vapor pressure limitations of motor vehicle fuels (see S. 4774), [4AU] (see S. 5145), [29NO]

FAA: establish grant program to incentivize energy resilience of air carrier airports to acquire or install electric infrastructure for on-site renewable energy generation and storage (see S. 4727), [2AU]

Federal agencies and departments: require applicable Federal agencies to take action on applications for Federal energy authorizations (see S. 3982), [31MR]

FERC: promulgate regulations on regional and inter-regional planning to improve electricity infrastructure, reduce costs for ratepayers, and promote clean energy innovation (see S. 3879), [17MR]

Great Lakes Authority: establish (see S. 5180), [1DE]

Hydroelectric power: support upgrades at existing hydroelectric dams to increase clean energy production, improve resiliency and reliability of electric grid, and enhance health of rivers and associated wildlife habitats (see S. 5222), [8DE]

Motor vehicles: develop comprehensive, strategic plan for Federal electric vehicle fleet battery management (see S. 4057), [7AP]

National Clean Energy Week: designate (see S. Res. 794), [22SE]

National Hydrogen and Fuel Cell Day: designate (see S. Res. 765), [15SE]

Power resources: prohibit importation of petroleum products from Russia, establish ethanol tax credit and extend biodiesel and renewable diesel incentives, and amend ethanol waiver for Reid vapor pressure limitations (see S. 3787), [8MR]

——promote U.S. energy security and independence by bolstering renewable energy supply chains (see S. 4013), [6AP]

Solar energy: repeal increases in duties and tariff-rate quota on certain crystalline silicon photovoltaic cells and establish and carry out program to support and incentivize U.S. manufacturing of solar energy components (see S. 3680), [17FE]

Taxation: increase limitation on credit for biomass stoves and boilers (see S. 5192), [6DE]

——provide credit for sale of renewable natural gas for use in certain motor vehicles (see S. 4568), [20JY]

——temporarily suspend application of requirement that final assembly of vehicles occur within North America for purposes of clean vehicle credit (see S. 5020), [29SE]

Motions

Economy: use of budget reconciliation to fight inflation, reduce prescription drug and health care costs, address climate change, increase tax fairness, and reduce deficit (H.R. 5376), [6AU]

Reports filed

Bureau of Reclamation Construction, Operation, and Maintenance of Sun River Project Facilities in Montana for Hydroelectric Power Generation: Committee on Energy and Natural Resources (Senate) (S. 3450) (S. Rept. 117–187), [14NO]

Reinvesting in Shoreline Economies and Ecosystems (RISEE) Act: Committee on Energy and Natural Resources (Senate) (S. 2130) (S. Rept. 117–200), [17NO]

Strategic EV Management Act: Committee on Homeland Security and Governmental Affairs (Senate) (S. 4057) (S. Rept. 117–139), [3AU]

RENEWABLE NATURAL GAS INCENTIVE ACT

Bills and resolutions

Enact (see S. 4568), [20JY]

RENEWING IMMIGRATION PROVISIONS OF THE IMMIGRATION ACT

Bills and resolutions

Enact (see S. 4974), [28SE]

REPRODUCTIVE CHOICE ACT

Bills and resolutions

Enact (see S. 3713), [28FE]

REPRODUCTIVE FREEDOM FOR ALL ACT

Bills and resolutions

Enact (see S. 4688), [1AU]

REPRODUCTIVE HEALTH TRAVEL FUND ACT

Bills and resolutions

Enact (see S. 5227), [8DE]

REQUIRE EMPLOYEES TO UNIFORMLY RETURN NOW (RETURN) ACT

Bills and resolutions

Enact (see S. 3727), [2MR]

RESEARCH *related term(s)* **SCIENCE; TECHNOLOGY**

Appointments

Conferees: H.R. 4521, America Creating Opportunities for Manufacturing, Pre-Eminence in Technology, and Economic Strength (America COMPETES) Act, [4MY]

Bills and resolutions

Air Force: prohibit housing of chimpanzees at installations and transport any such animals to Chimp Haven, Inc., in Keithville, LA (see S. 3613), [9FE]

ALS Awareness Month: designate (see S. Res. 635), [16MY]

American College of Surgeons: anniversary of Commission on Cancer (see S. Res. 566), [29MR]

American Diabetes Month: support goals and ideals (see S. Res. 842), [17NO]

Arctic regions: enhance U.S. standing as Arctic nation by facilitating greater maritime accessibility, strong trading partners, and reliable infrastructure (see S. 4736), [2AU]

ATF: improve ability to work with agencies to address violent crime, allow enforcement against “bad apple” gun dealers, protect against certain dangerous weapons, and make certain data available to researchers (see S. 4582), [21JY]

Business and industry: develop and implement strategies for research and development for bioindustrial manufacturing and implementation of additive manufacturing for defense purposes (see S. 4138), [4MY]

CDC: establish and support network of Centers for Public Health Preparedness and Response (see S. 3800), [10MR]

——reauthorize National Neurological Conditions Surveillance System (see S. 4906), [21SE]

——strengthen and expand activities relative to genomic sequencing of pathogens (see S. 3534), [31JA]

——support research and programmatic efforts that will build on previous research on effects of adverse childhood experiences (see S. 4332), [26MY]

Children and youth: promote youth athletic safety (see S. 4056), [7AP]

——provide families with tools, safeguards, and transparency needed to protect against threats to children's health and well-being online (see S. 3663), [16FE]

China: impose sanctions and other measures in response to failure to allow investigation into origins of coronavirus at suspect laboratories in Wuhan (see S. 3463), [10JA]

Colleges and universities: enable high research activity status historically Black colleges or universities to increase capacity toward achieving very high research activity status (see S. 4018), [6AP]

Commission on the Federal Regulation of Cannabis: establish (see S. 5166), [1DE]

Corp. for National and Community Service: establish Office of Civic Bridgebuilding (see S. 4530), [14JY]

Courts: establish appropriate penalties for cocaine-related offenses (see S. 4116), [28AP]

- DEA: modify registration requirements relative to research with controlled substances (see S. 5123), [17NO]
- Dept. of Agriculture: establish national biochar research network (see S. 4895), [20SE]
- establish pilot program to provide competitive grants to land-grant colleges and universities to facilitate research, workforce development, and entrepreneurship to communities (see S. 4730), [2AU]
- support research and State and Tribal management efforts on chronic wasting disease (see S. 4111), [28AP]
- Dept. of Energy: administer polygraph examinations to certain foreign nationals with access to nonpublic areas or information of national laboratories (see S. 4634), [27JY]
- anniversary of Ames Laboratory (see S. Res. 639), [17MY]
- award grants to establish Lab-Embedded Entrepreneurship Programs (see S. 4084), [26AP]
- establish regional clean energy innovation program (see S. 4566), [20JY]
- prohibit Russian and Belarus nationals from working in national laboratories (see S. 4098), [27AP]
- provide for advancements in carbon removal research, quantification, and commercialization, including by harnessing natural processes (see S. 4420), [16JN]
- provide for comprehensive and integrative program to accelerate microelectronics research and development (see S. 3740), [2MR]
- provide for program of research, development, demonstration, and commercial application in vehicle technologies (see S. 3543), [1FE]
- provide guidance for and investment in Office of Science research and development activities (see S. 3699), [17FE]
- Dept. of HHS: address health needs of cancer survivors through entire continuum of care, in order to improve survivorship and long-term health outcomes, and develop standard of care for cancer survivorship (see S. 5295), [19DE]
- authorize scholarship and loan repayment program to incentivize physicians to enter into field of sickle cell disease research and treatment (see S. 4425), [16JN]
- award grants to eligible entities for creating or enhancing capacity to treat patients with long-term coronavirus symptoms through multidisciplinary approach (see S. 4015), [6AP]
- carry out national project to prevent and cure Parkinson's disease to be known as National Parkinson's Project (see S. 4851), [14SE]
- conduct study on unintended impacts of sex trafficking legislation and loss of online services and platforms on health and safety of sex workers (see S. 3758), [3MR]
- ensure consensual donation and respectful disposition of human bodies and body parts donated for education, research, or advancement of medical or mortuary science and not for use in human transplantation (see S. 4929), [22SE]
- establish national sepsis data trust and fund State-based pilots and programs to establish interoperable State-based sepsis data trusts (see S. 4827), [13SE]
- establish Public Health Information and Communications Advisory Committee (see S. 3737), [2MR]
- expand and improve childhood cancer treatments, research, surveillance, and quality of life for survivors (see S. 4120), [28AP]
- extend National Alzheimer's Project (see S. 4203), [12MY]
- grant eligible researchers access to drugs or biologic products at discounted price for qualified research (see S. 4026, 4053), [7AP]
- improve domestic manufacturing surge capacity and capabilities for biodefense and pandemic preparedness (see S. 3588), [7FE]
- report to Congress on natural immunity to coronavirus (see S. 3581), [3FE]
- support endemic fungal disease research, incentivize valley fever vaccine development, and discover new antifungal therapies and diagnostics to fight infections such as Valley Fever (see S. 3498), [13JA]
- Dept. of Homeland Security: address preference for U.S. industry relative to patent rights in inventions made with research assistance (see S. 4902), [21SE]
- designate laboratory as National Biodefense Analysis and Countermeasures Center (see S. 5160), [1DE]
- establish funding restrictions on institutions of higher education that have relationship with Confucius Institutes (see S. 5018), [29SE]
- require reports, evaluations, and research on drug interdiction technologies to deter fentanyl shipments along border (see S. 5052), [29SE]
- Dept. of Justice: establish CCP Initiative program (see S. 3960), [30MR]
- Depts. of Transportation and HUD and related agencies: making appropriations (see S. 4670), [28JY]
- DIPG Pediatric Brain Cancer Awareness Day: designate (see S. Res. 642), [17MY]
- Diseases and disorders: address research on, and improve access to, supportive services for individuals with long-term coronavirus symptoms (see S. 3726), [2MR]
- improve research and development of medical countermeasures for novel pathogens (see S. 3496), [13JA]
- prepare for, and respond to, existing viruses, emerging new threats, and pandemics (see S. 3799), [10MR]
- require limitations on research on potential pandemic pathogens of concern (see S. 4697), [1AU] (see S. 4778), [4AU]
- EcoHealth Alliance, Inc.: prohibit Federal funding (see S. 5056), [29SE]
- Economy: jump-start economic recovery through formation and growth of new businesses (see S. 5287), [15DE]
- Employment: provide for primary prevention research agenda and workforce (see S. 5231), [12DE]
- Endometriosis Awareness Month: designate (see S. Res. 560), [29MR]
- EPA: conduct measurement-based national methane research pilot study to quantify methane emissions from certain oil and gas infrastructure (see S. 5214), [8DE]
- FAA: enter into appropriate arrangements with National Academies of Sciences, Engineering, and Medicine to provide report on health impacts of air traffic noise and pollution (see S. 5312), [20DE]
- Families and domestic relations: improve research and data collection on stillbirths (see S. 3972), [31MR]
- support stillbirth prevention and research (see S. 3797), [10MR]
- FDA: allow for alternatives to animal testing for purposes of drug and biological product applications (see S. 5002), [29SE]
- allow manufacturers and sponsors of drugs to use alternative testing methods to animal testing to investigate safety and effectiveness of biological products (see S. 4288), [19MY]
- establish additional authorities regarding conduct of pediatric investigations of molecularly targeted drugs to treat cancer (see S. 4215), [12MY]
- reauthorize Critical Path Public-Private Partnerships (see S. 4152), [5MY]
- strengthen review and approval of drugs to treat rare diseases and conditions (see S. 4071), [7AP]
- Federal agencies and departments: establish Secure Research Data Network (see S. 4200), [12MY]
- Firearms: end epidemic of gun violence and build safer communities by strengthening Federal firearms laws and supporting gun violence research, intervention, and prevention initiatives (see S. 5299), [19DE]
- Food Safety Administration: establish (see S. 4520), [13JY]
- FTC: conduct study on conduct relative to oil and gas prices (see S. 4048), [7AP]
- FTC and NSF: support research about impact of digital communication platforms on society by providing privacy-protected, secure pathways for independent research on data held by large social media companies (see S. 5339), [21DE]
- GAO: conduct study relative to coronavirus immunity resulting from prior infection, vaccination, or both (see S. 3809), [10MR]
- Glioblastoma Awareness Day: designate (see S. Res. 614), [3MY]
- Health: improve public health response to addressing maternal mortality and morbidity during coronavirus public health emergency (see S. 5284), [15DE]
- require certain drug manufacturers entering into settlement agreements for violations of law to make supplemental payments to increase medical research funding (see S. 5322), [20DE]
- view women's health as critical issue for U.S. economy and workforce and for advancing health and well-being of all people (see S. Res. 637), [17MY]
- Helen Edwards Engineering Research Center, Batavia, IL: designate (see S. 5172), [1DE]
- Historic buildings and sites: provide assistance to improve resilience, study long-term protection needs, and establish national database of historic light stations (see S. 4478), [23JN]
- International Myotonic Dystrophy Awareness Day: designate (see S. Res. 772), [19SE]
- Iron and steel industry: strengthen and enhance competitiveness of manufacturing through research and development of advanced technologies to reduce steelmaking emissions (see S. 4559), [19JY]
- Lacks, Henrietta: award Congressional Gold Medal posthumously for recognition of her invaluable contributions to global health, scientific research, quality of life, and patients' rights (see S. 4031), [7AP]
- NASA: accelerate initiative on reduction of greenhouse gas emissions and noise emissions from aircraft (see S. 4558), [19JY]
- National Academies of Sciences, Engineering, and Medicine: conduct study relative to coronavirus immunity resulting from prior infection, vaccination, or both (see S. 3831), [14MR]
- study and report on Federal research agenda to advance understanding of per- and polyfluoroalkyl substances (see S. 4492), [23JN]
- National Assistive Technology Awareness Day: designate (see S. Res. 592), [7AP]
- National Ataxia Awareness Day: designate (see S. Res. 850), [28NO]
- National Cancer Institute: increase funding for Patient Navigator Research Program (see S. 4790), [6SE]
- National Forensic Science Week: support goals and ideals (see S. Res. 768), [15SE]
- National Polycystic Kidney Disease Awareness Day: designate (see S. Res. 816), [29SE]
- National Prostate Cancer Awareness Month: designate (see S. Res. 776), [20SE]
- National Sarcoma Awareness Month: designate (see S. Res. 694), [23JN]
- National Spinal Cord Injury Awareness Month: designate (see S. Res. 764), [14SE]
- NIH: establish Advanced Research Projects Authority for Health (see S. 3819), [10MR]
- establish or continue research program to advance discovery and preclinical development of medical products for priority virus families and other viral pathogens with significant pandemic potential (see S. 3489), [12JA]
- require annual budget estimate for initiatives pursuant to reports and recommendations made under National Alzheimer's Project Act (see S. 4202), [12MY]
- take certain steps to increase clinical trial diversity (see S. 5268), [15DE]
- NOAA: improve administration of Marine Debris Foundation and Marine Debris Program (see S. 4321), [26MY]
- NSF: award grants to support research on disruption of regular cognitive processes associated with coronavirus infection (see S. 4014), [6AP]
- establish program to award science, technology, engineering, and math (STEM) ecosystem grants (see S. 3636), [10FE]

INDEX

RESEARCH

—support research on impact of online social media platforms on maintenance or expansion of human trafficking (see S. 3898), [22MR]

Oceans: establish Ocean Innovation Clusters to strengthen U.S. coastal communities and ocean economy through technological research and development, job training, and cross-sector partnerships (see S. 3866), [17MR]

One Health Security Council: establish (see S. 5354), [22DE]

Parkinson's Awareness Month: designate (see S. Res. 577), [6AP]

Patents: establish interagency task force between Patent and Trademark Office and FDA for sharing information and providing technical assistance relative to patents (see S. 4430), [16JN]

Pharmaceuticals: increase transparency of research costs (see S. 4037), [7AP]

Polycystic Ovary Syndrome (PCOS) Awareness Month: support goals and ideals (see S. Res. 781), [20SE]

Prematurity Research Expansion and Education for Mothers Who Deliver Infants Early (PREEMIE) Act: reauthorize (see S. 5336), [21DE]

Radiation Exposure Compensation Act: reauthorize (see S. 4119), [28AP]

Rare Disease Day: designate (see S. Res. 523), [17FE]

SBA: create certain requirements for Federal agencies with Small Business Innovation Research Program or Small Business Technology Transfer Program (see S. 4158), [5MY]

—permanently authorize Small Business Innovation Research Program and Small Business Technology Transfer Program (see S. 4852), [14SE]

—reauthorize Small Business Innovation Research Program and Small Business Technology Transfer Program and pilot programs (see S. 4900), [20SE]

SEC: provide that broker-dealers who provide research services to investment managers and receive payments from certain accounts are not investment advisers (see S. 3965), [30MR]

Sickle Cell Disease Awareness Month: support goals and ideals (see S. Res. 868), [8DE]

Space policy: anniversary of inaugural launch of U.S. Geological Survey and NASA joint mission Landsat series of Earth observation satellites (see S. Res. 721), [26JY]

—extend use of, and set forth priorities for, International Space Stations (see S. 4779), [4AU]

Stomach Cancer Awareness Month: support goals (see S. Res. 839), [17NO]

Stroke Awareness Month: designate (see S. Res. 672), [14JN]

Technology: develop national strategy for research and development of distributed ledger technologies and their applications and authorize applied research project on distributed ledger technologies in commerce (see S. 4109), [28AP]

U.S. Geological Survey: improve National Volcano Early Warning and Monitoring System (see S. 3533), [20JA]

—permanently authorize National and Regional Climate Adaptation Science Centers to respond to effects of extreme weather events and climate trends (see S. 3621), [9FE]

World AIDS Day: support goals (see S. Res. 856), [1DE]

World Down Syndrome Month: designate (see S. Res. 554), [21MR]

World Tuberculosis Day: support goals (see S. Res. 569), [30MR]

TECHNOLOGY *related term(s)* **ELECTRONICS; RESEARCH; SCIENCE**
Appointments
Conferees: H.R. 4521, America Creating Opportunities for Manufacturing, Pre-Eminence in Technology, and Economic Strength (America COMPETES) Act, [4MY]
Bills and resolutions
Air Force: anniversary (see S. Res. 756), [8SE] (see S. Res. 783), [20SE]
———designate Maine Air National Guard 101st Air Refueling Wing as center of excellence for additive manufacturing technology (see S. Res. 670), [14JN]
Air pollution: improve air quality management and safety of communities using best available monitoring technology and data (see S. 3507), [13JA]
Army: require plan to clarify roles and responsibilities of Army officials and organizations relative to force modernization efforts (see S. 4793), [7SE]
Aviation: require interagency strategy for creating unified posture on counter-unmanned aircraft systems (C–UAS) capabilities and protections at U.S. international borders (see S. 4919), [22SE]
Bureau of Prisons: regulate monitoring of electronic communications between prisoners and attorneys or other legal representative (see S. 3524), [19JA]
Business and industry: develop and implement strategies for research and development for bioindustrial manufacturing and implementation of additive manufacturing for defense purposes (see S. 4138), [4MY]
———prohibit all transactions from TikTok, Inc., or other social media companies in, or under influence of, certain foreign countries of concern (see S. 5245), [13DE]
Cargo transportation: strengthen requirements relative to advance electronic information for cargo (see S. 4809), [8SE]
CDC: strengthen and expand activities relative to genomic sequencing of pathogens (see S. 3534), [31JA]
Centers for Medicare & Medicaid Services: provide guidance regarding coverage of prescription digital therapeutics under Medicaid and State Children's Health Insurance Program (see S. 5238), [12DE]
———test effect of technology-enabled home care to coordinate care over time and across settings, im-

prove quality, and lower costs for certain Medicare Advantage beneficiaries (see S. 3793), [10MR]
CFTC: provide jurisdiction to oversee spot digital commodity market (see S. 4760), [3AU]
Children and youth: clarify definition of sex tourism, prohibit use of affiliation with international organizations to further illicit sexual conduct, and include non-physical contact in definition of sexual activity (see S. 4719), [2AU]

China: counter military-civil fusion strategy of Chinese Communist Party and prevent U.S. contributions to development of dual-use technology in China (see S. 4142), [4MY]
———prohibit use of digital currency payment system operated by China (see S. 4313), [25MY]
Civil liberties: require disclosure of camera or recording capability in certain Internet-connected devices (see S. 5127), [17NO]
Civil rights: clarify applicability of civil rights law to algorithmic decisions (see S. 5351), [21DE]
Classified information: authorize appropriate disclosure of classified information and appropriately limit scope of offense of disclosing classified information (see S. 4630), [27JY]
Collector Car Appreciation Day: designate (see S. Res. 690), [22JN]
Colleges and universities: enable high research activity status historically Black colleges or universities to increase capacity toward achieving very high research activity status (see S. 4018), [6AP]
Commission for the Comprehensive Study of Health Data Use and Privacy Protection: establish (see S. 3620), [9FE]
Committee on Foreign Investment in the U.S.: include Sec. of Agriculture as member (see S. 4786), [6AU]
Computers: develop national strategy for research and development of distributed ledger technologies and their applications and authorize applied research project on distributed ledger technologies in commerce (see S. 4109), [28AP]
Conservation of energy: provide that consumer room air cleaners are covered products to which certain energy conservation standards apply (see S. 5258), [14DE]
Contracts: advance Government innovation through leading-edge procurement capability (see S. 4623), [26JY]
Copyrights: define and provide for accommodation and designation of technical measures to identify, protect, or manage copyrighted works (see S. 3880), [17MR]
———limit term of new copyrights and apply new limit retroactively (see S. 4178), [10MY]
———provide fair treatment of radio stations and artists for use of sound recordings (see S. 4932), [22SE]
Corps of Engineers: improve development of hydropower at Corps of Engineers facilities (see S. 4540), [14JY]
———study how drought affects Great Salt Lake and other saline lakes and require feasibility study on drought solutions (see S. 4536), [14JY]
Courts: require notice of criminal surveillance orders be eventually provided to targets, reform use of non-disclosure orders to providers, and prohibit indefinite sealing of criminal surveillance orders (see S. 3888), [22MR]
Crime: make fraudulent dealings in firearms and ammunition online unlawful (see S. 3776), [8MR]
———prohibit certain dangerous drone aircraft activity (see S. 3542), [1FE]
Cryptocurrency: provide regulatory framework and consumer protections for issuance of payment stablecoins (see S. 5340), [21DE]
———require interagency study on environmental and energy impacts of crypto-asset mining and assess crypto-asset mining compliance with Clean Air Act (see S. 5210), [7DE]
Cybersecurity and Infrastructure Security Agency: establish duties of Director relative to open source software security (see S. 4913), [21SE]

Dept. of Agriculture: establish innovative agricultural technology pilot program (see S. 4971), [28SE]
———establish pilot program to provide competitive grants to land-grant colleges and universities to facilitate research, workforce development, and entrepreneurship to communities (see S. 4730), [2AU]
———improve agricultural productivity, profitability, resilience, and ecological outcomes through modernized data infrastructure and analysis (see S. 4189), [11MY]
———modify conditions of funding for distance learning, telemedicine, and broadband program of Rural Utilities Service (see S. 3587), [7FE]
———reauthorize and improve ReConnect loan and grant program (see S. 5137), [29NO]
Dept. of Commerce: apply Freedom of Information Act to actions and decisions of Assistant Sec. for Communications and Information in carrying out Broadband Equity, Access, and Deployment Program (see S. 3671), [16FE]
———require export controls relative to certain personal data of U.S. nationals and individuals in U.S. (see S. 4495), [23JN]
———submit report on blockchain-based service network of China (see S. 3784), [8MR]
Dept. of Defense: codify certain clean energy targets (see S. 4317), [26MY]
———cooperate with allies to build capacity for counter-unmanned aircraft systems operations (see S. 4397), [14JN]
———establish public-private partnership technology investment pilot program (see S. 4588), [21JY]
———require study of programs, acquisitions, and budget (see S. 4853), [14SE]
———seek cooperation with allies in Middle East to identify countries to implement integrated air and missile defense capability to protect people and infrastructure from Iranian rocket attacks (see S. 4366), [9JN]
———seek to engage with Jordanian Ministry of Defence to expand cooperation of military cybersecurity activities (see S. 4615), [26JY]
———transfer warehoused weapons, equipment, and additional defense support capabilities originally intended for Afghan Security Forces to Ukraine in response to Russian invasion (see S. 3780), [8MR]
Dept. of Education: establish grant program for State and local educational agencies to promote digital citizenship and media literacy (see S. 4490), [23JN]
Dept. of Energy: administer polygraph examinations to certain foreign nationals with access to nonpublic areas or information of national laboratories (see S. 4634), [27JY]
———anniversary of Ames Laboratory (see S. Res. 639), [17MY]
———award grants to establish Lab-Embedded Entrepreneurship Programs (see S. 4084), [26AP]
———complete and publish study and develop plan relative to ability of electric system to meet electricity demand of new electric vehicle charging infrastructure (see S. 4148), [5MY]
———establish regional clean energy innovation program (see S. 4566), [20JY]
———provide for advancements in carbon removal research, quantification, and commercialization, including by harnessing natural processes (see S. 4420), [16JN]
———provide for comprehensive and integrative program to accelerate microelectronics research and development (see S. 3740), [2MR]
———provide for preservation and storage of uranium-233 to foster development of thorium molten-salt reactors (see S. 4242), [18MY]
———provide for program of research, development, demonstration, and commercial application in vehicle technologies (see S. 3543), [1FE]
———provide grants and loan guarantees for commercial-scale implementation of transformative industrial technologies (see S. 3987), [31MR]
———provide grants and loans to support and expand domestic solar component manufacturing supply chain (see S. 4329), [26MY]
———provide technology grants to strengthen domestic mining education (see S. 3915), [24MR]

- remove carbon dioxide directly from ambient air or seawater (see S. 4280), [19MY]
- Dept. of HHS: allow community supports to meet specific needs of families and children through electronic care portal under Marylee Allen Promoting Safe and Stable Families program (see S. 5115), [17NO]
- establish home-based telemental health care demonstration program to increase mental health services in rural medically underserved populations and in farming, fishing, and forestry occupations (see S. 3937), [28MR]
- establish uniform data standards, strengthen data sharing processes between public health entities, and establish grant program to develop best practices on soliciting demographic information (see S. 3913), [24MR]
- review and update guidance annually on medical device cybersecurity in consultation with Cybersecurity and Infrastructure Security Agency for industry and FDA staff (see S. 4336), [26MY]
- Dept. of Homeland Security: combat efforts of criminal organizations to recruit individuals in U.S. via social media platforms and other online services and assess use of such platforms and services for illicit activities (see S. 4963), [27SE]
- establish Continuous Diagnostics and Mitigation (CDM) Program in Cybersecurity and Infrastructure Security Agency (see S. 3894), [22MR]
- extend program for authority to acquire innovative commercial items using general solicitation procedures (see S. 4552), [19JY]
- provide authority to temporarily extend duration of liability protections provided under anti-terrorism products and services (see S. 5298), [19DE]
- provide lawful permanent resident status for certain advanced science, technology, engineering, and math (STEM) degree holders (see S. 3638), [10FE]
- require comprehensive southern border strategy (see S. 4642), [27JY]
- require reports, evaluations, and research on drug interdiction technologies to deter fentanyl shipments along border (see S. 5052), [29SE]
- support remediation of illicit cross-border tunnels (see S. 4339), [26MY]
- Dept. of HUD: require owners of covered federally assisted rental dwelling units to install temperature sensors in such units (see S. 3561), [2FE]
- Dept. of Justice: create Active Shooter Alert Communications Network (see S. 4968), [27SE]
- direct Community Oriented Policing Services (COPS) Program to carry out grant program to provide assistance to police departments with fewer than 200 law enforcement officers (see S. 3860), [17MR]
- establish CCP Initiative program (see S. 3960), [30MR]
- establish grant program to establish, create, and administer violent incident clearance and technology investigative method (see S. 4402), [14JN]
- establish pilot program to address technology-related abuse in domestic violence cases (see S. 5279), [15DE]
- prevent conflicts of interest and promote competition in sale and purchase of digital advertising (see S. 4258), [19MY]
- reauthorize Paul Coverdell Forensic Science Improvement Grants Program (see S. 5033), [29SE]
- require electronic communication service providers and remote computing services to report unlawful sale and distribution of controlled substances (see S. 4858), [15SE]
- Dept. of Labor: establish grant program to support creation, implementation, and expansion of registered apprenticeship programs in cybersecurity (see S. 3570), [3FE]
- Dept. of State: establish Baltic Security and Economic Enhancement Initiative (see S. 3950), [29MR]
- Dept. of the Interior: establish critical mineral environmental processing and mining cleanup program (see S. 3783), [8MR]
- Dept. of the Treasury: place foreign telecommunications companies engaged in economic or industrial espionage on Specially Designated Nationals (SDN) List (see S. 5239), [12DE]
- prohibit or condition certain transmittals of funds in connection with jurisdictions, financial institutions, international transactions, or types of accounts of primary money laundering concern (see S. 3876), [17MR]
- require Financial Crimes Enforcement Network issue guidance on digital assets to deter money laundering and terrorist financing (see S. 5267), [15DE]
- Dept. of Transportation: establish drone infrastructure inspection grant program and drone education and training grant program (see S. 4744), [2AU]
- establish grant program to demonstrate performance and reliability of heavy-duty fuel cell vehicles that use hydrogen as fuel source (see S. 3806), [10MR]
- establish pilot program to provide grants relative to advance air mobility infrastructure (see S. 4246), [18MY]
- Dept. of Veterans Affairs: obtain independent cybersecurity assessment of information systems (see S. 3863), [17MR]
- Disabled: ensure people with disabilities have full access to mainstream communication products and services necessary to participate equally in professional, educational, recreational, and civic contexts (see S. 2), [17NO]
- Disasters: authorize preparedness programs to support communities containing technological hazards and emerging threats (see S. 4166), [10MY]
- develop strategy to ensure health, safety, and welfare of U.S. population in case of catastrophic incidents disabling critical infrastructure or significantly disrupting critical functions of modern society (see S. 521), [13JY]
- improve forecasting and understanding of tornadoes and other hazardous weather (see S. 3817), [10MR]
- require President supplement disaster response plans in case of catastrophic incidents disabling critical infrastructure or significantly disrupting critical functions of modern society (see S. 4888), [20SE]
- Diseases and disorders: prepare for, and respond to, existing viruses, emerging new threats, and pandemics (see S. 3799), [10MR]
- Drugs: prohibit delivery of opioids by means of dark web (see S. 3782), [8MR]
- Economy: jump-start economic recovery through formation and growth of new businesses (see S. 5287), [15DE]
- Education: strengthen and expand adult education programs (see S. 5202), [7DE]
- Elections: protect elections for public office by providing financial support and enhanced security for infrastructure used to carry out such elections (see S. 5332), [21DE]
- Energy Efficiency Day: designate (see S. Res. 799), [27SE]
- EPA: control exports of electronic waste to ensure that such waste does not become source of counterfeit goods that may reenter U.S. military and civilian electronics supply chains (see S. 3859), [17MR]
- Executive Office of the President: require President to develop national strategy to close digital divide and plan to implement such strategy (see S. 4767), [4AU]
- FCC: add drones and surveillance technology produced or provided by DJI Technologies to list of covered communications equipment or services that pose national security risks (see S. 3563), [2FE]
- allow State or Federal correctional facilities to utilize jamming equipment to prevent contraband cell phone use in prisons (see S. 4699), [2AU]
- apply certain standards on volume of commercials to video streaming services (see S. 4173), [10MY]
- classify broadband as telecommunications service (see S. 4676), [28JY]
- direct Technological Advisory Council to prepare report on 9-1-1 disability alerting system (see S. 4180), [11MY]
- ensure rural communications providers have resources to replace communications equipment and services to protect their networks from Chinese Communist Party espionage (see S. 4820), [12SE]
- establish council to make recommendations on ways to increase security, reliability, and interoperability of communications networks (see S. 3988), [4AP]
- evaluate and consider impact of telecommunications network equipment supply chain on deployment of universal service (see S. 3692), [17FE]
- make available additional frequencies in 3.1-3.45 gigahertz band for non-Federal use, shared Federal and non-Federal use, or combination (see S. 4117), [28AP]
- provide requirements relative to data caps on broadband Internet access service (see S. 4590), [21JY]
- require certain pornographic interactive computer services to adopt and operate technology verification measures to ensure that users are not minors (see S. 5259), [14DE]
- FDA: allow for devices with predetermined change control plan to be marketed without submitting supplemental application or premarket notification if changes are consistent with such plans (see S. 4386), [13JN]
- allow manufacturers and sponsors of drugs to use alternative testing methods to animal testing to investigate safety and effectiveness of biological products (see S. 4288), [19MY]
- provide process to lock and suspend domain names used to facilitate online sale of drugs illegally (see S. 3984), [31MR]
- require premarket submission of cyber devices to include information demonstrating reasonable assurance of safety and effectiveness throughout life cycle of cyber device (see S. 3983), [31MR]
- Federal agencies and departments: encourage migration of Federal Government information technology systems to quantum-resistant cryptography (see S. 4592), [21JY]
- establish best practices for use of facial recognition technology (see S. 5334), [21DE]
- establish Secure Research Data Network (see S. 4200), [12MY]
- improve visibility, accountability, and oversight of agency software asset management practices (see S. 4908), [21SE]
- modify requirements relative to data centers of certain Federal agencies (see S. 4629), [27JY]
- require reduction of reliance and expenditures on legacy information technology systems (see S. 3897), [22MR]
- require to obtain exemptions from certain cybersecurity requirements in order to avoid compliance (see S. 3618), [9FE]
- Federal Digital Platform Commission: establish (see S. 4201), [12MY]
- Federal Highway Administration: improve environmental review process for Federal aid highway projects through use of interactive, digital, cloud-based platforms (see S. 3), [17NO]
- Financial institutions: provide for responsible financial innovation and bring digital assets within regulatory perimeter (see S. 4356), [7JN]
- Foreign countries: promote and protect Internet freedom in countries where freedom of information is under threat (see S. 3764), [7MR]
- Foreign trade: negotiate strong, inclusive, and forward-looking agreements on digital economy and trade with like-minded countries as part of broader trade and economic strategy (see S. Res. 727), [28JY]
- Foundation for Digital Equity: establish (see S. 4865), [15SE]
- FRS: limit ability of Federal Reserve banks to issue central bank digital currency (see S. 4831), [13SE]
- prohibit Board of Governors from discontinuing Federal reserve notes if central bank digital currency is issued (see S. 4994), [28SE]
- FTC: establish centralized system to allow individuals to request simultaneous deletion of their personal information across all data brokers (see S. 3627), [10FE]
- identify content-agnostic platform interventions to reduce harm of algorithmic amplification and social media addiction on covered platforms (see S. 3608), [9FE]

INDEX

TECHNOLOGY

- prohibit data brokers from selling and transferring health and location data (see S. 4408), [15JN]
- prohibit email service providers from using filtering algorithms to flag emails from political campaigns that consumers have elected to receive as spam (see S. 4409), [15JN]
- prohibit targeted advertising by advertising facilitators and advertisers (see S. 3520), [19JA]
- require commercial websites and mobile apps to create simple and readable summary of their terms-of-service agreements (see S. 3501), [13JA]
- require impact assessments of automated decision systems and augmented critical decision processes (see S. 3572), [3FE]
- require original equipment manufacturers to make available certain documentation, parts, software, and tools for electronics-enabled agricultural implements (see S. 3549), [1FE]
- require original manufacturers of digital electronic equipment to make available certain documentation, diagnostic, and repair information to consumers and independent repair providers (see S. 3830), [14MR]
- FTC and NSF: support research about impact of digital communication platforms on society by providing privacy-protected, secure pathways for independent research on data held by large social media companies (see S. 5339), [21DE]
- GAO: submit report on ways to improve patent examination process at Patent and Trademark Office (see S. 4704), [2AU]
- Government regulations: include certain computer-related projects in streamlined Federal environmental review programs (see S. 3451), [10JA]
- Health: prohibit limitation of access to assisted reproductive technology and all medically necessary care surrounding such technology (see S. 5276), [15DE]
- protect privacy of personal reproductive or sexual health information (see S. 4434), [16JN]
- Hispanic Americans: express support for increasing number of Latino students and young professionals entering careers in science, technology, engineering, and mathematics (STEM) fields (see S. Res. 640), [17MY]
- Information technology: accommodate emerging technologies to streamline how consumers consent to receive electronic records, signatures, and contracts (see S. 3715), [1MR]
- enhance cybersecurity of health care and public health sector (see S. 3904), [23MR]
- establish governmentwide approach to improving digital identity (see S. 4528), [13JY]
- improve cybersecurity practices and digital literacy among veterans (see S. 4493), [23JN]
- include voluntary information sharing of cyber threat indicators among cryptocurrency companies (see S. 4985), [28SE]
- modernize Federal information security management and establish Cyber Incident Review Office and Federal Risk and Authorization Management Program (FedRAMP) (see S. 3600), [8FE]
- Infrastructure Investment and Jobs Act: repeal provision relative to advanced impaired driving technology motor vehicle safety standard (see S. 4647), [27JY]
- International Black Aviation Professionals Day: designate (see S. Res. 528), [28FE]
- Iran: commend bravery, courage, and resolve of protesters (see S. Con. Res. 47), [29SE]
- Iron and steel industry: strengthen and enhance competitiveness of manufacturing through research and development of advanced technologies to reduce steelmaking emissions (see S. 4559), [19JY]
- IRS: prohibit additional funding to be used to audit certain taxpayers (see S. 4817), [12SE]
- prohibit from requiring taxpayers to provide biometric information (see S. 3599), [8FE]
- prohibit from using biometric recognition technology (see S. 3668), [16FE]
- Israeli Americans: recognize heritage and contributions of Israeli-American community and condemn discrimination that aims to marginalize or disenfranchise members of such community (see S. Res. 837), [17NO]
- Law enforcement: study collection of biometric information by State law enforcement agencies and establish grant program to assist State, tribal, and local law enforcement agencies to implement best practices (see S. 4643), [27JY]
- Medicare: extend certain telehealth services and evaluate impact of telehealth services on beneficiaries (see S. 3593), [8FE]
- Money: provide for strengthening of supervision of digital asset markets by self-regulatory organizations (see S. 5286), [15DE]
- Morality and ethics: define “obscenity” under Communications Act (see S. 5260), [14DE]
- NASA: accelerate initiative on reduction of greenhouse gas emissions and noise emissions from aircraft (see S. 4558), [19JY]
- National Assistive Technology Awareness Day: designate (see S. Res. 592), [7AP]
- National Commission on Online Child Sexual Exploitation Prevention: establish (see S. 3538), [31JA]
- National Hydrogen and Fuel Cell Day: designate (see S. Res. 765), [15SE]
- National objectives: provide greater access to rural and agricultural media programming (see S. Res. 712), [14JY]
- National security: impose sanctions on certain foreign flash memory integrated circuit companies that threaten U.S. interests (see S. 5050), [29SE]
- NIH: establish Advanced Research Projects Authority for Health (see S. 3819), [10MR]
- NLRB: define labor slowdowns by maritime workers, blocking of modernization efforts at ports, and refusing to work automated vessels as unfair labor practices (see S. 3912), [24MR]
- NSF: establish program to award science, technology, engineering, and math (STEM) ecosystem grants (see S. 3636), [10FE]
- establish Regulatory Oversight and Review Task Force (see S. 4055), [7AP]
- support research on impact of online social media platforms on maintenance or expansion of human trafficking (see S. 3898), [22MR]
- Oceans: establish Ocean Innovation Clusters to strengthen U.S. coastal communities and ocean economy through technological research and development, job training, and cross-sector partnerships (see S. 3866), [17MR]
- Office of Global Competition Analysis: establish (see S. 4368), [9JN]
- OPM: establish and maintain public directory of individuals occupying Government policy and supporting positions (see S. 3650), [15FE]
- Patent and Trademark Office: address matters relative to patent subject matter eligibility (see S. 4734), [2AU]
- Patents: establish interagency task force between Patent and Trademark Office and FDA for sharing information and providing technical assistance relative to patents (see S. 4430), [16JN]
- Power resources: promote U.S. energy security and independence by bolstering renewable energy supply chains (see S. 4013), [6AP]
- Privacy: create moratorium on government use of facial recognition technology until commission recommends appropriate guidelines and limitations (see S. 5289), [15DE]
- Public works: support construction of middle mile broadband infrastructure and enhance electric grid (see S. 4763), [3AU]
- Russia: end access of Russian financial institutions to specialized financial messaging services (see S. Res. 548), [16MR]
- SBA: create certain requirements for Federal agencies with Small Business Innovation Research Program or Small Business Technology Transfer Program (see S. 4158), [5MY]
- improve certain programs to better assist small business customers in accessing broadband technology (see S. 3906), [23MR]
- include requirements relative to graduates of career and technical education programs or programs of study for small business development centers and women’s business centers (see S. 4881), [19SE]
- increase loan limits under business loan program and 504 loan program for businesses principally engaged in agriculture, manufacturing, or production of critical and emerging technologies (see S. 3682), [17FE]
