

and courage acquire greater force and power when consecrated to honesty of purpose. JAMES R. MANN sought to stand before his fellows with a character unimpeached and unimpeachable. He would not, even for political advantage, shadow a record by word or act that was questionable or unworthy of the dignity of his esteemed office.

Thus it is we stand to-day with reverence and affection to pay our poor and imperfect tribute to a noble son of the Republic. Fitly we apply to him the ancient words of the proverb writer:

Seest thou a man diligent in business? He shall stand before kings.  
Worthily he lived, worthily he served; we honor him for what he was and for what he did. Shall we not believe that to him, as to the great laureate of England, these lines summed up his triumphant hope and unfailing faith:

Sunset and evening star,  
And one clear call for me!  
And may there be no moaning of the bar  
When I put out to sea,  
But such a tide as moving seems asleep,  
Too full for sound and foam,  
When that which drew from out the boundless deep  
Turns again home.  
Twilight and evening bell,  
And after that the dark!  
And may there be no sadness of farewell,  
When I embark;  
For tho' from out our bourne of Time and Place  
The flood may bear me far,  
I hope to see my Pilot face to face  
When I have crossed the bar.

Faithful and chivalrous servant of the Republic, hail and farewell!

The quartet then sang the hymn "Jerusalem the Golden," and the Chaplain, Rev. James Shera Montgomery, D. D., pronounced the following benediction:

Almighty God, our heavenly Father, we lift our eyes unto the hills from whence cometh our strength; our help cometh from the Lord. As Thy children regard us with divine mercy, Thou wilt surely hear us when we call and answer us when we pray. Look with great favor upon our Republic and more and more bring up citizens such as he to stabilize the great fundamentals of our Nation upon which it rests for its glory and for its perpetuity. Regard our citizenship with great favor.

We pray for the stricken fireside. O angel of peace, angel of love, dwell there in the measure of a rich blessing. Again we tarry here to pay our tributes of love and respect to him who has left us. Make his memory to remain as a great and beautiful affection in all our breasts. Everything passes!

At the last, O Lord, when earth's door closes, may heaven's door open and bear us up the stairway to our Father's house, and we shall go out no more forever. Through Jesus Christ our Lord. Amen.

The President of the United States with members of his Cabinet, the Chief Justice and the Justices of the Supreme Court, the representatives of the Army and the Navy, members of the diplomatic corps, and the Vice President and Members of the Senate retired from the Chamber.

Mr. MONDELL. Mr. Speaker, I move that the House do now adjourn.

The motion was agreed to; accordingly (at 3 o'clock p. m.), under its previous order, the House adjourned to meet at 11 a. m. Monday, December 4, 1922.

Mr. CURTIS. I wish to announce that the Senator from Delaware [Mr. BALL], the Senator from Arizona [Mr. CAMERON], the Senator from Oklahoma [Mr. HARRELD], the Senator from Illinois [Mr. MCKINLEY] and the Senator from Ohio [Mr. WILLIS] are necessarily absent on the business of the Senate attending the funeral of the late Representatives JAMES R. MANN, of Illinois.

The VICE PRESIDENT. Fifty-eight Senators have answered to their names. A quorum is present.

#### BUSINESS OF THE SENATE.

Mr. LODGE. I move that the Senate proceed to the consideration of executive business.

Mr. UNDERWOOD. Pending the motion, will the Senator allow me to ask him a question?

Mr. LODGE. Certainly.

Mr. UNDERWOOD. I understand from what I have seen in the newspapers that the majority party in this Chamber have concluded to let the so-called Dyer bill go over, and if that is the understanding of the action intended by the majority party, I do not desire to make any further motion that will interfere with business. I ask the Senator from Massachusetts if that is the case?

Mr. LODGE. I stated to the newspapers that the Republican conference instructed me to say that they would not press the bill further at the coming session or at the session which is just expiring.

Mr. UNDERWOOD. That is, between now and the 4th of March?

Mr. LODGE. Between now and the 4th of March. Those were the instructions given to me and which I gave to the press.

Mr. UNDERWOOD. I wish to say that I am very glad indeed we have reached that understanding. There was no desire on my part, or on the part of those of my colleagues with whom I was acting, that we should delay the public business, but the bill is so clearly in contravention of what we regarded as a great constitutional right that we felt we were justified in going to extremes in trying to prevent its passage.

We have no apologies to offer for our fight, and we have nothing to take back in reference to what we have done. On the other hand, should the bill again appear with an effort to take it up in the Senate, we would renew the fight we have made before. Of course I do not think a fight of this kind could be justified except as a very extreme measure against a matter which we consider an invasion of a public right. I am only too glad to know that we can come to an understanding and that it will not interfere with the transaction of the public business.

Mr. LODGE. In common with the great body of my colleagues on this side of the Chamber, I believe the bill is right in principle and ought to pass; but the question before the conference was simply whether we should allow the filibuster to go on until the 4th of March with no result. The bill could not pass, as it would be impossible to change the rules now; and the conference decided that they would not press the bill further, as I stated in the public press, at the session which is now expiring or the next session.

Now, Mr. President, I submit the motion that the Senate proceed to the consideration of executive business.

Mr. JONES of Washington. Mr. President, before the motion is put will the Senator permit me to suggest that the shipping bill has not been referred to the Committee on Commerce, and it can not be printed until that is done? Would there be objection to having the bill referred now, so that it may be printed?

Mr. UNDERWOOD. I do not think there would be any objection on our part, but if we are going to transact any legislative business by unanimous consent we had better approve the Journal.

Mr. JONES of Washington. I hope we may have the bill referred before the executive session.

Mr. UNDERWOOD. I have no objection to the approval of the Journal. That can be done by unanimous consent.

Mr. LODGE. I have made the motion to proceed to the consideration of executive business.

Mr. JONES of Washington. Suppose we go into executive session and continue there until 12 o'clock, the shipping bill would not be referred to the committee. I merely ask unanimous consent that it may be referred to the Commerce Committee.

Mr. FLETCHER. The only purpose is to get the bill printed, so that we may know what it is.

#### THE JOURNAL.

Mr. LODGE. I ask unanimous consent that the Journal of the proceedings of Tuesday last and the subsequent days be approved.

The VICE PRESIDENT. Without objection the Journal of the several days will be approved. Is there objection? The Chair hears none, and it is so ordered.

#### THE MERCHANT MARINE.

Mr. JONES of Washington. Now let the shipping bill be referred.

Mr. LODGE. I ask unanimous consent that the ship subsidy bill be referred to the Committee on Commerce.

The bill (H. R. 12817) to amend and supplement the merchant marine act, 1920, and for other purposes, was read twice by its title and referred to the Committee on Commerce.

#### EXECUTIVE SESSION.

Mr. LODGE. I renew my motion that the Senate proceed to the consideration of executive business.

The motion was agreed to, and the Senate proceeded to the consideration of executive business. After 25 minutes spent in executive session the doors were reopened.

#### MAIL CONTRACTS IN ALASKA.

The VICE PRESIDENT laid before the Senate a communication from the Postmaster General, transmitting, pursuant to law, copies of special contracts entered into by the Post Office Department with the Copper River & Northwestern Railway Co. for carrying the mails between Cordova and Kenecott, Alaska; with the Alaskan Engineering Commission for carrying the mails on the Government railroad in Alaska; and with the Pacific & Arctic Railway & Navigation Co. for carrying the mails between Skagway and White Pass, Alaska, which, with the accompanying papers, was referred to the Committee on Post Offices and Post Roads.

The VICE PRESIDENT laid before the Senate a communication from the chairman of the United States Shipping Board, transmitting, pursuant to law, statement of travel performed by the officers and employees of the board during the fiscal year 1922, which was referred to the Committee on Appropriations.

Mr. NORRIS. Mr. President, with reference to the communication from the Shipping Board, I should like to inquire of the Chair whether, under the rule, it will be printed?

The VICE PRESIDENT. It can be ordered printed. The Chair thinks it would not be printed unless so ordered.

Mr. NORRIS. Does it come in response to a resolution of the Senate?

Mr. FLETCHER. I think it ought to be printed, Mr. President.

Mr. NORRIS. If it comes in response to a resolution of the Senate, I think it would be printed under the rule.

The VICE PRESIDENT. It is a very short communication.

Mr. NORRIS. What is the subject matter?

The VICE PRESIDENT. A communication from the chairman of the United States Shipping Board, transmitting, pursuant to law, a statement of travel performed by the officers and employees of the board during the fiscal year ended June 30, 1922.

Mr. NORRIS. I ask that it be printed.

The VICE PRESIDENT. Without objection, it will be printed.

Mr. NORRIS. I do not want to interfere with the reference of the report to the Committee on Appropriations, but it ought to be printed as well.

The VICE PRESIDENT. It has been so referred.

#### FUNERAL EXPENSES OF THE LATE SENATOR WATSON OF GEORGIA.

Mr. CALDER. From the Committee to Audit and Control the Contingent Expenses of the Senate, I report back favorably without amendment Senate Resolution 365, and ask unanimous consent for its present consideration.

The resolution (S. Res. 365), submitted by Mr. HARRIS November 22, 1922, was read, considered by unanimous consent, and agreed to, as follows:

Thomas E. Watson, late a Senator from the State of Georgia, upon vouchers to be approved by the Committee to Audit and Control the Contingent Expenses of the Senate.

#### ADDITIONAL SENATE PAGES.

Mr. CALDER. From the Committee to Audit and Control the Contingent Expenses of the Senate, I report back favorably without amendment Senate Resolution 363, and ask unanimous consent for its present consideration.

*Resolved*, That the Secretary of the Senate be, and he hereby is, authorized and directed to pay, out of the contingent fund of the Senate, to Mary M. Brewer, widow of Hiram H. Brewer, late foreman in the Senate folding room, a sum equal to one year's compensation at the rate he was receiving by law at the time of his death; said sum to be considered as including funeral expenses and all other allowances.

The Senate, by unanimous consent, proceeded to consider the resolution.

Mr. CALDER. Mr. President, the resolution provides for the payment of one year's salary to the widow of this former employee of the Senate. He was with the Senate for over 30 years. He was a Civil War veteran. We have a rule which provides that in the case of death of employees who have served less than 25 years the family shall receive six months' salary. This employee served for more than 30 years.

Mr. OVERMAN. Who was he?

Mr. CALDER. Mr. Brewer, who was in the folding room for 30 years, a Civil War veteran.

Mr. LODGE. He was in the service of the Senate for 39 years.

Mr. OVERMAN. The precedent is for the payment of six months' salary.

Mr. CALDER. No; that is in case where the service was less than 25 years.

Mr. LODGE. Where the service was over 25 years we have given a year's salary.

The VICE PRESIDENT. The question is on agreeing to the resolution.

The resolution was agreed to.

## HOUSE OF REPRESENTATIVES.

MONDAY, December 4, 1922.

The House met at 11 o'clock a. m., and was called to order by the Speaker.

The Chaplain, Rev. James Shera Montgomery, D. D., offered the following prayer:

In Thee, O Lord, we have our rest and our peace and our safety. By all that is tenderest in Thy promises and wisest in Thy teaching always encourage us to come to Thee. As Thy pardon is like the fullness of the sea, do Thou forgive us. For the blessings of the past we thank Thee, and continue, O Lord, to reveal Thyself unto us in wisdom and in truth. Grant us large conceptions of duty and a deep sense of responsibility. O ever let our ambitions reach toward Thee and always respond with Thy blessings and give us good cheer by the way. Through Christ. Amen.

The Journal of the proceedings of Saturday, December 2, 1922, was read and approved.

## JAMES R. MANN.

Mr. APPLEBY. Mr. Speaker, I ask unanimous consent that the following letter be extended in the RECORD relative to the death of Mr. MANN.

The SPEAKER. The gentleman from New Jersey asks unanimous consent to extend in the RECORD a letter concerning the death of Mr. MANN. Is there objection?

There was no objection.

Following is the letter referred to:

THE ROBERTS SAFETY WATER TUBE BOILER CO.,  
Red Bank, N. J., December 1, 1922.

Hon. T. FRANK APPLEBY,  
Representing the Third Congressional District of New Jersey,  
House of Representatives, Washington, D. C.

MY DEAR CONGRESSMAN: I am sending under separate cover by same mail a copy of to-day's issue of the Red Bank Standard to you.

I thought possibly you might be interested in reading the notice in respect to the memory of the late Hon. JAMES R. MANN, which we had inserted in this paper.

It is suggested that possibly you might deem it well and advisable to read this tribute to the memory of your late colleague to the House.

Some of the opponents to the administration measure might then realize how some of us in your district feel on this subject.

With kind regards, I remain

Very sincerely,

E. GERRY ROBERTS.

Roberts Boiler Works closed till Monday out of respect to the memory of Hon. JAMES R. MANN, who served with honorable credit for many years in the United States House of Representatives, and whose last act in such capacity was to offer to Representative MONDELL, majority floor leader, to be taken to the House if his vote was needed to pass the administration merchant marine bill, but who arranged a pair for him instead.

Mr. MANN passed away last evening.

Requiescat in pace.

ROBERTS SAFETY WATER TUBE BOILER CO.

## RESOLUTION FOR ADJOURNMENT.

Mr. MONDELL. Mr. Speaker, I present the following resolution and ask its speedy consideration.

The SPEAKER. The gentleman from Wyoming presents a resolution, which the Clerk will report.

The Clerk read as follows:

House Concurrent Resolution 73.

*Resolved by the House of Representatives (the Senate concurring),* That the President of the Senate and the Speaker of the House be authorized to close the present session by adjourning their respective Houses on the 4th day of December, 1922, at 11 o'clock and 50 minutes a. m.

The SPEAKER. The question is on agreeing to the resolution.

Mr. BLANTON. Mr. Speaker, a parliamentary inquiry. May I ask a question? If this resolution is not passed, would not the House and Senate adjourn automatically by operation of law at 12 o'clock noon to-day?

The SPEAKER. They would.

Mr. BLANTON. Well, then, is not this an unnecessary action?

Mr. MONDELL. Mr. Speaker, it seems proper that we should close the session in the usual and ordinary way, including the reading of the Journal. I believe the Senate will also consider that that is the correct and orderly procedure rather than simply to have the extra session expire by the arrival of the hour when the regular session comes into being.

The SPEAKER. The question is on agreeing to the resolution.

The resolution was agreed to.

Mr. MOORE of Virginia. Mr. Speaker, may I ask the gentleman from Wyoming a question?

Mr. MONDELL. I ask unanimous consent, Mr. Speaker, that the House now stand in recess, subject to the call of the Chair.

Mr. MOORE of Virginia. Mr. Speaker, may I ask the gentleman from Wyoming a question with respect to the business to be taken up to-morrow and next day? We have not had any announcement.

Mr. MONDELL. I am not sure about to-morrow. On Calendar Wednesday we expect to take up the first appropriation bill if that is agreeable to the House. That is the Treasury appropriation bill.

## THE COLORADO RIVER.

Mr. HAYDEN. Mr. Speaker, I desire to submit a unanimous-consent request. I ask unanimous consent to extend my remarks in the RECORD by printing the compact as agreed upon by the commissioners of the seven States of the Colorado River Basin with respect to the disposition of the waters of that stream, with comments thereon by the Secretary of Commerce and the Director of the United States Reclamation Service.

The SPEAKER. The gentleman from Arizona asks unanimous consent to extend his remarks by printing the document indicated. Is there objection?

There was no objection.

Following is the compact referred to:

## COLORADO RIVER COMPACT.

The States of Arizona, California, Colorado, Nevada, New Mexico, Utah, and Wyoming having resolved to enter into a compact under the act of the Congress of the United States of America approved August 19, 1921 (42 Stat. L., p. 171), and the acts of the legislatures of the said States, have through their governors appointed as their commissioners W. S. Norviel, for the State of Arizona; W. F. McClure, for the State of California; Deiph E. Carpenter, for the State of Colorado; J. G. Scroggum, for the State of Nevada; Stephen D. Davis, jr., for the State of New Mexico; R. E. Caldwell, for the State of Utah; Frank C. Emerson, for the State of Wyoming, who after negotiations participated in by Herbert Hoover, appointed by the President as the representative of the United States of America, have agreed upon the following articles:

"ARTICLE I. The major purposes of this compact are to provide for equitable division and apportionment of the use of the waters of the Colorado River system, to establish the relative importance of different beneficial uses of water, to promote interstate comity, to remove causes of present and future controversies, and to secure the expeditious agricultural and industrial development of the Colorado River Basin, the storage of its waters, and the protection of life and property from floods. To these ends the Colorado River Basin is divided into two basins, and an apportionment of the use of part of the water of the Colorado River system is made to each of them with the provision that further equitable apportionments may be made.

"ART. II. As used in this compact: (A) The term 'Colorado River system' means that portion of the Colorado River and its tributaries within the United States of America. (B) The term 'Colorado River Basin' means all of the drainage area of the Colorado River system and all other territory within the United States of America to which the waters of the Colorado River system shall be beneficially applied. (C) The term 'States of the upper division' means the States of Colorado, New Mexico, Utah, and Wyoming. (D) The term 'States of the lower division' means the States of Arizona, California, and Nevada. (E) The term 'Lee Ferry' means a point in the main stream of the Colorado River 1 mile below the mouth of the Paris River. (F) The term 'upper basin' means those parts of the States of Arizona, Colorado, New Mexico, Utah, and Wyoming within and from which waters naturally drain into the Colorado River system above Lee Ferry, and also all parts of said States located without the drainage area of the Colorado River system which are now or shall hereafter be beneficially served by waters diverted from the system above Lee Ferry. (G) The term 'lower basin' means those parts of the States of Arizona, California, Nevada, New Mexico, and Utah within and from which waters naturally drain into the Colorado River system below Lee Ferry, and also all parts of said States located without the drainage area of the Colorado River system, which are now or shall hereafter be beneficially served by waters diverted from the system below Lee Ferry. (H) The term 'domestic use' shall include the use of water for household, stock, municipal, mining, milling, industrial, and other like purposes, but shall exclude the generation of electrical power.

"ART. III. (A) There is hereby apportioned from the Colorado River system in perpetuity to the upper basin and to the lower basin, respectively, the exclusive beneficial consumptive use of 7,700,000 acre-feet of water per annum, which shall include all water necessary for
