OFFICE OF THE FEDERAL REGISTER

THIS INDEX is based on a consolidation of contents entries appearing in the January–December subject references. The entries are arranged first under the name of the agency which issued the document. Under each agency, the entries are then listed alphabetically within the categories of Rules, Proposed Rules, and Notices. Executive Orders, Proclamations, and other documents from the President are listed under Presidential Documents. Each entry contains the page number in the **Federal Register** where the document begins, followed by the date it was published. This index is published monthly and is cumulated for 12 months.

A general index to the entire Code of Federal Regulations, is found in the CFR Index and Finding Aids volume, and is revised as of January 1 each year.

The LSA (List of CFR Sections Affected), a cumulative numerical finding aid, is published monthly and is cumulated for 12 months, keyed to the revision dates of the various CFR volumes.

All **Federal Register** publications are available for purchase from the Superintendent of Documents, U.S. Government Publishing Office, Washington, D.C. 20402. For sales information, contact GPO via: bookstore.gpo.gov, or by calling 1-866-512-1800 (toll-free).
