Whereas on May 15, 2014, Afghanistan's Independent Election Commission (IEC) certified the results, and announced that a runoff election would be held on June 14, 2014, because no candidate received more than 50 percent of the votes;

Whereas on May 14, 2014, the IEC invalidated votes from 331 polling stations and removed them from the final tabulation, based on Electoral Complaints Commission (ECC) decisions;

Whereas there have been widespread reports of voter and election monitor intimidation, including the killing of members of the National Democratic Institute (NDI) during an attack at the Serena Hotel in Kabul on March 20, 2014, as well as attempts to bribe members of the IEC, the ECC, and other election monitoring organizations;

Whereas investigations by the ECC, and its coordination with the IEC, have not been conducted in a transparent manner;

Whereas 17 members of the Afghanistan National Security Forces (ANSF) were killed in Taliban and insurgent attacks while supporting the April 5, 2014, elections;

Whereas the United States and Afghanistan signed the Enduring Strategic Partnership Agreement to strengthen Afghan sovereignty, stability, and prosperity, while emphasizing a shared goal to defeat al-Qaeda and its terrorist affiliates;

Whereas the United States has contributed more than $100,000,000 toward the 2014 Afghan presidential election: Now, therefore, be it

Resolved, That the House of Representatives—

(9) urges the ANSF to make every necessary effort to ensure the safety of voters, candidates, poll workers, and election observers;

(10) expresses its support for the full participation of Afghan civil society in the election process;

(11) recognizes that a democratically-elected government that reflects the will of the Afghan people and is committed to combating terrorism would promote the long-term stability and security interests of Afghanistan, its neighbors, and its partners in the North Atlantic Treaty Organization International Security Assistance Force, including the United States; and

¶75.53 MESSAGE FROM THE PRESIDENT—NATIONAL EMERGENCY WITH RESPECT TO GOVERNMENT OF BELARUS

The SPEAKER pro tempore, Mr. BRIDENSTINE, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to the actions and policies of certain members of the Government of Belarus and other persons to undermine Belarus's democratic processes or institutions that was declared in Executive Order 13405 of June 16, 2006, is to continue in effect beyond June 16, 2014.

The actions and policies of certain members of the Government of Belarus and other persons to undermine Belarus's democratic processes or institutions, to commit human rights abuses related to political repression, and to engage in public corruption continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. For this reason, I have determined that it is necessary to continue the national emergency declared in Executive Order 13405 with respect to Belarus.

BARACK OBAMA.

THE WHITE HOUSE, *June 10, 2014*.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Foreign Affairs and ordered to be printed (H. Doc. 113–118).

¶75.54 LEAVE OF ABSENCE

By unanimous consent, leave of absence was granted to Mr. LEWIS, for the afternoon of June 10.

Resolved, That (a) at any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 4800) making appropriations for Agriculture, Rural Development, Food and Drug Administration, and Related Agencies programs for the fiscal year ending September 30, 2015, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations. After general debate the bill shall be considered for amendment under the five-minute rule. Points of order against provisions in the bill for failure to comply with clause 2 of rule XXI are waived.

(b) During consideration of the bill for amendment—

(1) each amendment, other than amendments provided for in paragraph (2), shall be debatable for 10 minutes equally divided and controlled by the proponent and an opponent and shall not be subject to amendment except as provided in paragraph (2);

(2) no pro forma amendment shall be in order except that the chair and ranking minority member of the Committee on Appropriations or their respective designees may offer up to 10 pro forma amendments each at any point for the purpose of debate; and

(3) the chair of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 8 of rule XVIII. Amendments so printed shall be considered as read.

(c) When the committee rises and reports the bill back to the House with a recommendation that the bill do pass, the previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

All points of order against consideration of the bill are waived. The amendment in the nature of a substitute recommended by the Committee on Ways and Means now printed in the bill, modified by the amendment printed in the report of the Committee on Rules accompanying this resolution, shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any amendment thereto to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means; and (2) one motion to recommit with or without instructions.

¶77.4 ORDER OF BUSINESS—ON CONSIDERATION OF H. RES. 617

On motion of Mr. HOLDING, by unanimous consent,

Ordered, That it may be in order at any time on the legislative day of June 12, 2014, to consider in the House the resolution (H. Res. 617) condemning the abduction of female students by armed militants from the terrorist group known as Boko Haram in northeastern provinces of the Federal Republic of Nigeria; that the resolution be considered as read; and that the previous question be considered as ordered on the preamble and the resolution to final adoption without intervening motion.

¶77.5 BOKO HARAM ABDUCTION OF NIGERIAN FEMALE STUDENTS

Mr. HOLDING, pursuant to the previous order of the House, called up the following resolution (H. Res. 617):

Whereas, on the night of April 14, 2014, 276 female students, most of them between 15 and 18 years old, were abducted by Boko Haram from the Government Girls Secondary School, a boarding school located in the northeastern province of Borno in the Federal Republic of Nigeria;

Whereas, all public secondary schools in Borno state were closed in March 2014 because of increasing attacks in the past year that have killed hundreds of students, but the young women at the Government Girls Secondary School were recalled to take their final exams;

Whereas, Boko Haram burned down several buildings before opening fire on soldiers and police who were guarding the Government Girls Secondary School and forcing the students into trucks;

Whereas, according to local officials in Borno state, 53 students were able to flee their captors, and the rest remain abducted;

Whereas, there are reports that the abducted girls have been sold as brides to Islamist militants for the equivalent of $12 each;

Whereas, the group popularly known as ''Boko Haram'', which loosely translates from the Hausa language to ''Western education is sin'', is known to oppose the education of girls;

Whereas, on April 14, 2014, hours before the kidnapping in Borno state, and on May 2, 2014, Boko Haram bombed bus stations in Abuja, Nigeria, killing at least 94 people and wounding over 160, making it the deadliest set of attacks ever in Nigeria's capital;

Whereas, Boko Haram has kidnapped girls in the past to use as cooks and sex slaves, and has claimed responsibility for the kidnapping in Borno state on April 14, 2014;

Whereas, late May 5, 2014, suspected Boko Haram gunmen kidnapped an additional 8 girls, ranging in age from 12 to 15, from a village in northeast Nigeria;

Whereas, on May 7, 2014, Boko Haram killed at least 336 people in Gamboru Ngala and burned hundreds of houses and cars;

Whereas, on June 5, 2014, Boko Haram kidnapped an additional 20 women from northeastern Nigeria, near the town of Chibok;

Whereas, reports estimate that more than 500 students and 100 teachers have been killed by Boko Haram and have destroyed roughly 500 schools in northern Nigeria, leaving more than 15,000 students without access to education;

Whereas, Boko Haram has targeted schools, mosques, churches, villages, and agricultural centers, as well as government facilities, in an armed campaign to create an Islamic state in northern Nigeria, prompting the President of Nigeria to declare a state of emergency in three of the country's northeastern states in May 2013;

Whereas, human rights groups have indicated that the Nigerian state security forces should improve efforts to protect civilians during offensive operations against Boko Haram;

Whereas, according to nongovernmental organizations, more than 1,500 people have been killed in attacks by Boko Haram or reprisals by Nigerian security forces this year alone, and that almost 4,000 people have been killed in Boko Haram attacks since 2011;

Whereas, the enrollment, retention, and completion of education for girls in Nigeria remains a major challenge;

Whereas, according to the United Nations Children's Emergency Fund (UNICEF), some 4,700,000 children of primary school age are still not in school in Nigeria, with attendance rates lowest in the north;

Whereas, studies have found that school children in Nigeria, particularly those in the northern provinces, are at a disadvantage in their education, with 37 percent of primary-age girls in the rural northeast not attending school, and 30 percent of boys not attending school;

Whereas, women and girls must be allowed to go to school without fear of violence and unjust treatment so that they can take their rightful place as equal citizens of and contributors to society;

Whereas United States security assistance to Nigeria has emphasized military professionalization, peacekeeping support and training, and border and maritime security;

Whereas, the Department of State designated Boko Haram as a Foreign Terrorist Organization in November 2013, recognizing the threat posed by the group's large-scale and indiscriminate attacks against civilians, including women and children;

Whereas Boko Haram is one of a number of radical Islamist terrorist organizations and extremist groups that pose a growing threat to United States interests in the region as well as broader peace and security; and

Whereas these radical Islamist groups, which include Ansar al-Sharia, Al-Qaeda in the Islamic Maghreb, the National Movement for Unity and Jihad in West Africa, and others have carried out deadly attacks in the region and constitute a growing threat to North and West Africa: Now, therefore, be it

Resolved, That the House of Representatives—

(1) expresses its strong support for the people of Nigeria, especially the parents and families of the girls abducted by Boko Haram in Borno state, and calls for the immediate, safe return of the girls;

(2) condemns Boko Haram for its violent attacks on civilian targets, including schools, mosques, churches, villages, and agricultural centers in Nigeria;

(3) encourages the Government of Nigeria to strengthen efforts to protect children seeking to obtain an education and to hold those who conduct such violent attacks accountable;

(4) commends efforts by the United States Government to hold terrorist organizations, such as Boko Haram, accountable;

(5) supports offers of United States assistance to the government of Nigeria in the search for these abducted girls and encourages the government of Nigeria to work with the United States and other concerned governments to resolve this tragic situation;

(6) recognizes that every individual, regardless of gender, should have the opportunity to pursue an education without fear of discrimination;

(7) encourages the Department of State and the United States Agency for International Development to continue their support for initiatives that promote the human rights of women and girls in Nigeria;

(8) urges the President to immediately strengthen United States security, law enforcement, and intelligence cooperation with appropriate Nigerian forces, including offering United States personnel to support operations to locate and rescue the more than 200 schoolgirls kidnapped by Boko Haram, and to support Nigerian efforts to counter this United States designated foreign terrorist organization; and

(9) calls on the President to provide to Congress a comprehensive strategy to counter the growing threat posed by radical Islamist terrorist groups in West Africa, the Sahel, and North Africa.

¶81.44 MESSAGE FROM THE PRESIDENT—NATIONAL EMERGENCY WITH RESPECT TO RUSSIAN FEDERATION

The SPEAKER pro tempore, Mr. JOYCE, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the emergency declared in Executive Order 13617 of June 25, 2012, with respect to the disposition of Russian highly enriched uranium is to continue in effect beyond June 25, 2014.

The risk of nuclear proliferation created by the accumulation of a large volume of weapons-usable fissile material in the territory of the Russian Federation continues to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13617 with respect to the disposition of Russian highly enriched uranium.

BARACK OBAMA.

THE WHITE HOUSE, *June 19, 2014.*

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Foreign Affairs and ordered to be printed (H. Doc. 113–122).

¶81.45 LEAVE OF ABSENCE

By unanimous consent, leave of absence was granted—

To Mr. MULVANEY, for today and balance of the week; and

To Mr. RICHMOND, for today and June 20.

¶83.6 MESSAGE FROM THE PRESIDENT

A message in writing from the President of the United States was communicated to the House by Mr. Brian Pate, one of his secretaries.

¶83.7 MESSAGE FROM THE PRESIDENT— NATIONAL EMERGENCY WITH RESPECT TO THE WESTERN BALKANS

The SPEAKER pro tempore, Mr. STEWART, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to the Western Balkans that was declared in Executive Order (E.O.) 13219 of June 26, 2001, is to continue in effect beyond June 26, 2014.

The threat constituted by the actions of persons engaged in, or assisting, sponsoring, or supporting, (i) extremist violence in the Republic of Macedonia and elsewhere in the Western Balkans region, or (ii) acts obstructing implementation of the Dayton Accords in Bosnia or United Nations Security Council Resolution 1244 of June 10, 1999, related to Kosovo, has not been resolved. In addition, E.O. 13219 was amended by E.O. 13304 of May 28, 2003, to take additional steps with respect to acts obstructing implementation of the Ohrid Framework Agreement of 2001 relating to Macedonia.

Because the acts of extremist violence and obstructionist activity outlined in these Executive Orders are hostile to U.S. interests and continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States, I have determined that it is necessary to continue the national emergency declared with respect to the Western Balkans.

BARACK OBAMA.

THE WHITE HOUSE, *June 23, 2014*.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Foreign Affairs and ordered to be printed (H. Doc. 113–123).

OFFICE OF THE CLERK,

Hon. JOHN A. BOEHNER,
The Speaker, U.S. Capitol, House of Representatives, Washington, DC.

DEAR MR. SPEAKER: Pursuant to the permission granted in Clause 2(h) of Rule II of the Rules of the U.S. House of Representatives, I have the honor to transmit a sealed envelope received from the White House on June 20, 2014, at 2:37 p.m., and said to contain a message from the President whereby he submits a copy of a notice filed earlier with the Federal Register continuing the emergency with North Korea first declared in Executive Order 13466 of June 26, 2008.

¶83.18 NATIONAL EMERGENCY WITH RESPECT TO NORTH KOREA

The Clerk then read the message from the President, as follows:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1522(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. The existence and risk of proliferation of weapons-usable fissile material on the Korean Peninsula, and the actions and policies of the Government of North Korea that destabilize the Korean Peninsula and imperil U.S. Armed Forces, allies, and trading partners in the region, continue to constitute an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. For this reason, I have determined that it is necessary to continue the national emergency with respect to North Korea.

BARACK OBAMA.

Mr. BURGESS, by direction of the Committee on Rules, called up the following resolution (H. Res. 636):

Resolved, That at any time after adoption of this resolution the Speaker may, pursuant

to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 6) to provide for expedited approval of exportation of natural gas to World Trade Organization countries, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and amendments specified in this section and shall not exceed one hour equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce. After general debate the bill shall be considered for amendment under the five-minute rule. In lieu of the amendment in the nature of a substitute recommended by the Committee on Energy and Commerce now printed in the bill, it shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule an amendment in the nature of a substitute consisting of the text of Rules Committee Print 113-48. That amendment in the nature of a substitute shall be considered as read. All points of order against that amendment in the nature of a substitute are waived. No amendment to that amendment in the nature of a substitute shall be in order except those printed in part A of the report of the Committee on Rules accompanying this resolution. Each such amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against such amendments are waived. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

SEC. 2. At any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 3301) to require approval for the construction, connection, operation, or maintenance of oil or natural gas pipelines or electric transmission facilities at the national boundary of the United States for the import or export of oil, natural gas, or electricity to or from Canada or Mexico, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce. After general debate the bill shall be considered for amendment under the five-minute rule. In lieu of the amendment in the nature of a substitute recommended by the Committee on Energy and Commerce now printed in the bill, it shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule an amendment in the nature of a substitute consisting of the text of Rules Committee Print 113-49. That amendment in the nature of a substitute shall be considered as read. All points of order against that amendment in the nature of a substitute are waived. No amendment to that amendment in the nature of a substitute shall be in order except those printed in part B of the report of the Committee on Rules accompanying this resolution. Each such amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against such amendments are waived. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. ¶84.14 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment numbered 5, printed in House Report 113-476, submitted by Ms. MOORE:

Page 11, strike line 1 and all that follows through page 12, line 22, and insert the following:

SEC. _____. SENSE OF THE CONGRESS.

It is the sense of the Congress that the Commodity Futures Trading Commission is required by law to consider the costs and benefits when promulgating rules and issuing orders, and is held accountable to this requirement by our courts. Current law requires the Commission to conduct economic analyses pursuant to the Paperwork Reduction Act, the Congressional Review Act, and the Regulatory Flexibility Act, as other agencies do. Unlike any other financial regulator, the Commission is also bound by the Commodity Exchange Act to consider the protection of market participants and the public; the efficiency, competitiveness, and financial integrity of futures markets; price discovery; sound risk management practices; and other public interest considerations. Notably, the Federal courts hold the Commission accountable and vacate rulemaking that does not meet statutory requirements, as demonstrated by the ruling by a United States district court on the Commission's rule on commodity position limits.

When Mr. MILLER of Florida, Acting Chairman, reported the bill back to the House with an amendment adopted by the Committee.

Pursuant to House Resolution 636, the previous question was ordered.

The following amendment, reported from the Committee of the Whole House on the state of the Union, was agreed to:

Strike out all after the enacting clause and insert:

SECTION 1. SHORT TITLE.

This Act may be cited as the ''North American Energy Infrastructure Act''.

SEC. 2. FINDING.

Congress finds that the United States should establish a more uniform, transparent, and modern process for the construction, connection, operation, and maintenance of oil and natural gas pipelines and electric transmission facilities for the import and export of oil and natural gas and

the transmission of electricity to and from Canada and Mexico, in pursuit of a more secure and efficient North American energy market.

SEC. 3. AUTHORIZATION OF CERTAIN ENERGY INFRASTRUCTURE PROJECTS AT THE NATIONAL BOUNDARY OF THE UNITED STATES.

(a) AUTHORIZATION.—Except as provided in subsection (c) and section 7, no person may construct, connect, operate, or maintain a cross-border segment of an oil pipeline or electric transmission facility for the import or export of oil or the transmission of electricity to or from Canada or Mexico without obtaining a certificate of crossing for the construction, connection, operation, or maintenance of the cross-border segment under this section.

(b) CERTIFICATE OF CROSSING.—

(1) REQUIREMENT.—Not later than 120 days after final action is taken under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) with respect to a cross-border segment for which a request is received under this section, the relevant official identified under paragraph (2), in consultation with appropriate Federal agencies, shall issue a certificate of crossing for the cross-border segment unless the relevant official finds that the construction, connection, operation, or maintenance of the cross-border segment is not in the public interest of the United States.

(2) RELEVANT OFFICIAL.—The relevant official referred to in paragraph (1) is—

(A) the Secretary of State with respect to oil pipelines; and

(B) the Secretary of Energy with respect to electric transmission facilities.

(3) ADDITIONAL REQUIREMENT FOR ELECTRIC TRANSMISSION FACILITIES.—In the case of a request for a certificate of crossing for the construction, connection, operation, or maintenance of a cross-border segment of an electric transmission facility, the Secretary of Energy shall require, as a condition of issuing the certificate of crossing for the request under paragraph (1), that the cross-border segment of the electric transmission facility be constructed, connected, operated, or maintained consistent with all applicable policies and standards of—

(A) the Electric Reliability Organization and the applicable regional entity; and

(B) any Regional Transmission Organization or Independent System Operator with operational or functional control over the cross-border segment of the electric transmission facility.

(c) EXCLUSIONS.—This section shall not apply to any construction, connection, operation, or maintenance of a cross-border segment of an oil pipeline or electric transmission facility for the import or export of oil or the transmission of electricity to or from Canada or Mexico—

(1) if the cross-border segment is operating for such import, export, or transmission as of the date of enactment of this Act;

(2) if a permit described in section 6 for such construction, connection, operation, or maintenance has been issued;

(3) if a certificate of crossing for such construction, connection, operation, or maintenance has previously been issued under this section; or

(4) if an application for a permit described in section 6 for such construction, connection, operation, or maintenance is pending on the date of enactment of this Act, until the earlier of—

(A) the date on which such application is denied; or

(B) July 1, 2016.

(d) EFFECT OF OTHER LAWS.—

(1) APPLICATION TO PROJECTS.—Nothing in this section or section 7 shall affect the application of any other Federal statute to a project for which a certificate of crossing for the construction, connection, operation, or maintenance of a cross-border segment is sought under this section.

(2) NATURAL GAS ACT.—Nothing in this section or section 7 shall affect the requirement to obtain approval or authorization under sections 3 and 7 of the Natural Gas Act for the siting, construction, or operation of any facility to import or export natural gas.

(3) ENERGY POLICY AND CONSERVATION ACT.—Nothing in this section or section 7 shall affect the authority of the President under section 103(a) of the Energy Policy and Conservation Act.

SEC. 4. IMPORTATION OR EXPORTATION OF NATURAL GAS TO CANADA AND MEXICO.

Section 3(c) of the Natural Gas Act (15 U.S.C. 717b(c)) is amended by adding at the end the following: ''No order is required under subsection (a) to authorize the export or import of any natural gas to or from Canada or Mexico.''.

SEC. 5. TRANSMISSION OF ELECTRIC ENERGY TO CANADA AND MEXICO.

(a) REPEAL OF REQUIREMENT TO SECURE ORDER.—Section 202(e) of the Federal Power Act (16 U.S.C. 824a(e)) is repealed.

(b) CONFORMING AMENDMENTS.—

(1) STATE REGULATIONS.—Section 202(f) of the Federal Power Act (16 U.S.C. 824a(f)) is amended by striking ''insofar as such State regulation does not conflict with the exercise of the Commission's powers under or relating to subsection 202(e)''.

(2) SEASONAL DIVERSITY ELECTRICITY EXCHANGE.—Section 602(b) of the Public Utility Regulatory Policies Act of 1978 (16 U.S.C. 824a–4(b)) is amended by striking ''the Commission has conducted hearings and made the findings required under section 202(e) of the Federal Power Act'' and all that follows through the period at the end and inserting ''the Secretary has conducted hearings and finds that the proposed transmission facilities would not impair the sufficiency of electric supply within the United States or would not impede or tend to impede the coordination in the public interest of facilities subject to the jurisdiction of the Secretary.''.

SEC. 6. NO PRESIDENTIAL PERMIT REQUIRED.

No Presidential permit (or similar permit) required under Executive Order No. 13337 (3 U.S.C. 301 note), Executive Order No. 11423 (3 U.S.C. 301 note), section 301 of title 3, United States Code, Executive Order No. 12038, Executive Order No. 10485, or any other Executive order shall be necessary for the construction, connection, operation, or maintenance of an oil or natural gas pipeline or electric transmission facility, or any cross-border segment thereof.

SEC. 7. MODIFICATIONS TO EXISTING PROJECTS.

No certificate of crossing under section 3, or permit described in section 6, shall be required for a modification to the construction, connection, operation, or maintenance of an oil or natural gas pipeline or electric transmission facility—

(1) that is operating for the import or export of oil or natural gas or the transmission of electricity to or from Canada or Mexico as of the date of enactment of the Act;

(2) for which a permit described in section 6 for such construction, connection, operation, or maintenance has been issued; or

(3) for which a certificate of crossing for the cross-border segment of the pipeline or facility has previously been issued under section 3.

SEC. 8. EFFECTIVE DATE; RULEMAKING DEADLINES.

(a) EFFECTIVE DATE.—Sections 3 through 7, and the amendments made by such sections, shall take effect on July 1, 2015.

(b) RULEMAKING DEADLINES.—Each relevant official described in section 3(b)(2) shall—

(1) not later than 180 days after the date of enactment of this Act, publish in the Federal Register notice of a proposed rulemaking to carry out the applicable requirements of section 3; and

(2) not later than 1 year after the date of enactment of this Act, publish in the Federal Register a final rule to carry out the applicable requirements of section 3.

SEC. 9. DEFINITIONS.

¶85.12 COMMUNICATION FROM THE CLERK—CERTIFICATE OF ELECTION

The SPEAKER laid before the House a communication, which was read as follows:

OFFICE OF THE CLERK,
U.S. HOUSE OF REPRESENTATIVES,
Washington, DC, June 25, 2014.

Hon. JOHN BOEHNER,
The Speaker, U.S. Capitol, House of Representatives, Washington, DC.

DEAR MR. SPEAKER: I have the honor to transmit herewith a facsimile copy of a letter received from Ms. Maria Matthews, Director of Elections, Office of the Secretary of State of Florida, indicating that, according to the preliminary results of the Special Election held June 24, 2014, the Honorable Curt Clawson was elected Representative to Congress for the Nineteenth Congressional District, State of Florida.

With best wishes, I am

Sincerely,

KAREN L. HAAS,
Clerk of the House.

Enclosure.

FLORIDA DEPARTMENT OF STATE,
DIVISION OF ELECTIONS,
Tallahassee, Florida, June 25, 2014.

Hon. KAREN L. HAAS,
Clerk, House of Representatives, Washington, DC.

DEAR MS. HAAS: This is to advise you that the preliminary results reported on the night of June 24, 2014, for the special election for the Nineteenth Congressional District of Florida, reflected the following preliminary returns (which includes all early voting and Election Day results except write-in ballots, provisional ballots, and the overseas absentee ballots which could be received within 10 days after the election):

Curt Clawson, REP, 66,889, 66.95%.
April Freeman, DEM, 29,294, 29.32%.
Ray Netherwood, LPF, 3,724, 3.73%.
Timothy Rissano, WRI, 0, 0%.

The first set of unofficial results are not due to be reported until noon, June 28, 2014. It is only when the first set of unofficial results are reported that we will know if a recount actually becomes necessary. Florida law requires a recount when a candidate is defeated by ½ of a percent or less of the votes cast. To the best of our knowledge, there is no contest to this election; however, a contest may be filed at any time within 10 days after the state's Election Canvassing Commission certifies the election, which is scheduled to occur on July 8, 2014.

As soon as the official results are certified by the state's Election Canvassing Commission, an official certificate of election will be prepared for transmittal as required by law.

Sincerely,

MARIA I. MATTHEWS,
Director.

¶85.13 ORDER OF BUSINESS—SWEARING IN OF MEMBER-ELECT

On motion of Ms. ROS-LEHTINEN, by unanimous consent,

Ordered, That, notwithstanding the fact that the certificate of election of Mr. Clawson, 19th District of the State of Florida, has not been received by the Clerk of the House of Representatives, Mr. CLAWSON be permitted to take the oath of office as prescribed by law, there being no contest and no question with regard to his election.

Mr. CLAWSON then presented himself at the bar of the House and took the oath of office prescribed by law.

¶85.14 WHOLE NUMBER OF THE HOUSE OF REPRESENTATIVES ADJUSTED

The SPEAKER announced, under clause 5(d) of rule XX, that, in light of the administration of the oath to Representative CLAWSON, the whole number of the House is adjusted to 433.

Will the House agree to said resolution?

The SPEAKER announced that the ayes had it.

(2) the date of enactment of this Act.

(b) CONCLUSION OF REVIEW.—For purposes of subsection (a), review required by the National Environmental Policy Act of 1969 shall be considered concluded—

(1) for a project requiring an Environmental Impact Statement, 30 days after publication of a Final Environmental Impact Statement;

(2) for a project for which an Environmental Assessment has been prepared, 30 days after publication by the Department of Energy of a Finding of No Significant Impact; and

(3) upon a determination by the lead agency that an application is eligible for a categorical exclusion pursuant National Environmental Policy Act of 1969 implementing regulations.

(c) JUDICIAL ACTION.—(1) The United States Court of Appeals for the circuit in which the export facility will be located pursuant to an application described in subsection (a) shall have original and exclusive jurisdiction over any civil action for the review of—

(A) an order issued by the Department of Energy with respect to such application; or

(B) the Department of Energy's failure to issue a final decision on such application.

(2) If the Court in a civil action described in paragraph (1) finds that the Department of Energy has failed to issue a final decision on the application as required under subsection (a), the Court shall order the Department of Energy to issue such final decision not later than 30 days after the Court's order.

(3) The Court shall set any civil action brought under this subsection for expedited consideration and shall set the matter on the docket as soon as practical after the filing date of the initial pleading.

In reviewing an application for authorization to export natural gas under section 3 of the Natural Gas Act (15 U.S.C. 717b), the Department of Energy—

(1) shall deny such application if—

(A) the export would increase the price of natural gas, electricity, or home heating for American seniors on fixed incomes; or

(B) the natural gas would be exported to any nation that is a state sponsor of terrorism or otherwise threatens America's national security, or to any nation or corporation that steals America's military technology or intellectual property through cyber-attacks; and

(2) shall require, as a condition for approval of any such authorization, the applicant to ensure that United States-flagged ships and shipping containers are used to export the LNG.

¶86.17 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment numbered 7, printed in House Report 113-493, submitted by Mr. BLUMENAUER:

At the end of title I (page 54, after line 24) add the following:

Subtitle E—Miscellaneous Provisions

SEC. 25001. ELIGIBILITY FOR NEW LEASES AND THE TRANSFER OF LEASES.

(a) ISSUANCE OF NEW LEASES.—

(1) IN GENERAL.—Beginning in fiscal year 2016, the Secretary of the Interior shall not accept bids on any new leases offered pursuant to this title (including the amendments made by this title) from a person described in paragraph (2) unless the person has renegotiated each covered lease with respect to which the person is a lessee, to modify the payment responsibilities of the person to require the payment of royalties if the price of oil and natural gas is greater than or equal to the price thresholds described in clauses (v) through (vii) of section 8(a)(3)(C) of the Outer Continental Shelf Lands Act (43 U.S.C. 1337(a)(3)(C)).

(2) PERSONS DESCRIBED.—A person referred to in paragraph (1) is—

(A) a person that is a lessee that—

(i) holds a covered lease on the date on which the Secretary considers the issuance of the new lease; or

(ii) was issued a covered lease before the date of enactment of this Act, but transferred the covered lease to another person or entity (including a subsidiary or affiliate of the lessee) after the date of enactment of this Act; or

(B) any other person that has any direct or indirect interest in, or that derives any benefit from, a covered lease.

(3) MULTIPLE LESSEES.—

(A) IN GENERAL.—For purposes of paragraph (1), if there are multiple lessees that own a share of a covered lease, the Secretary may implement separate agreements with any lessee with a share of the covered lease that modifies the payment responsibilities with respect to the share of the lessee to include price thresholds that are equal to or less than the price thresholds described in clauses (v) through (vii) of section 8(a)(3)(C) of the Outer Continental Shelf Lands Act (43 U.S.C. 1337(a)(3)(C)).

(B) TREATMENT OF SHARE AS COVERED LEASE.—Beginning on the effective date of an agreement under subparagraph (A), any share subject to the agreement shall not constitute a covered lease with respect to any lessees that entered into the agreement.

(b) TRANSFERS.—A lessee or any other person who has any direct or indirect interest in, or who derives a benefit from, a covered lease shall not be eligible to obtain by sale or other transfer (including through a swap, spinoff, servicing, or other agreement) any new lease offered pursuant to this title (including the amendments made by this title) or the economic benefit of any such new lease, unless the lessee or other person has—

(1) renegotiated each covered lease with respect to which the lessee or person is a lessee, to modify the payment responsibilities of the lessee or person to include price thresholds that are equal to or less than the price thresholds described in clauses (v) through (vii) of section 8(a)(3)(C) of the Outer Continental Shelf Lands Act (43 U.S.C. 1337(a)(3)(C)); or

(2) entered into an agreement with the Secretary to modify the terms of all covered leases of the lessee or other person to include limitations on royalty relief based on market prices that are equal to or less than the price thresholds described in clauses (v) through (vii) of section 8(a)(3)(C) of the Outer Continental Shelf Lands Act (43 U.S.C. 1337(a)(3)(C)).

(c) DEFINITIONS.—In this section:

(1) COVERED LEASE.—The term ''covered lease'' means a lease for oil or gas production in the Gulf of Mexico that is—

(A) in existence on the date of enactment of this Act;

(B) issued by the Department of the Interior under section 304 of the Outer Continental Shelf Deep Water Royalty Relief Act (43 U.S.C. 1337 note; Public Law 104-58); and

(C) not subject to limitations on royalty relief based on market price that are equal to or less than the price thresholds described in clauses (v) through (vii) of section 8(a)(3)(C) of the Outer Continental Shelf Lands Act (43 U.S.C. 1337(a)(3)(C)).

(2) LESSEE.—The term ''lessee'' includes any person or other entity that controls, is controlled by, or is in or under common control with, a lessee.

(3) NEW LEASE.—The term ''new lease'' means a lease issued in a lease sale under this title or the amendments made by this title.

Subtitle A—Outer Continental Shelf Leasing Program Reforms

SEC. 10101. OUTER CONTINENTAL SHELF LEASING PROGRAM REFORMS.

Section 18(a) of the Outer Continental Shelf Lands Act (43 U.S.C. 1344(a)) is amended by adding at the end the following:

''(5)(A) In each oil and gas leasing program under this section, the Secretary shall make available for leasing and conduct lease sales including at least 50 percent of the available unleased acreage within each outer Continental Shelf planning area considered to have the largest undiscovered, technically recoverable oil and gas resources (on a total btu basis) based upon the most recent national geologic assessment of the outer Continental Shelf, with an emphasis on offering the most geologically prospective parts of the planning area.

''(B) The Secretary shall include in each proposed oil and gas leasing program under this section any State subdivision of an outer Continental Shelf planning area that the Governor of the State that represents that subdivision requests be made available for leasing. The Secretary may not remove such a subdivision from the program until publication of the final program, and shall include and consider all such subdivisions in any environmental review conducted and statement prepared for such program under section 102(2) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)).

''(C) In this paragraph the term 'available unleased acreage' means that portion of the outer Continental Shelf that is not under lease at the time of a proposed lease sale, and that has not otherwise been made unavailable for leasing by law.

''(6)(A) In the 5-year oil and gas leasing program, the Secretary shall make available for leasing any outer Continental Shelf planning areas that—

''(i) are estimated to contain more than 2,500,000,000 barrels of oil; or

''(ii) are estimated to contain more than 7,500,000,000,000 cubic feet of natural gas.

''(B) To determine the planning areas described in subparagraph (A), the Secretary shall use the document entitled 'Minerals Management Service Assessment of Undiscovered Technically Recoverable Oil and Gas Resources of the Nation's Outer Continental Shelf, 2006'.''.

SEC. 10102. DOMESTIC OIL AND NATURAL GAS PRODUCTION GOAL.

Section 18(b) of the Outer Continental Shelf Lands Act (43 U.S.C. 1344(b)) is amended to read as follows:

''(b) DOMESTIC OIL AND NATURAL GAS PRODUCTION GOAL.—

''(1) IN GENERAL.—In developing a 5-year oil and gas leasing program, and subject to paragraph (2), the Secretary shall determine a domestic strategic production goal for the development of oil and natural gas as a result of that program. Such goal shall be—

''(A) the best estimate of the possible increase in domestic production of oil and natural gas from the outer Continental Shelf;

''(B) focused on meeting domestic demand for oil and natural gas and reducing the dependence of the United States on foreign energy; and

''(C) focused on the production increases achieved by the leasing program at the end of the 15-year period beginning on the effective date of the program.

''(2) PROGRAM GOAL.—For purposes of the 5-year oil and gas leasing program, the production goal referred to in paragraph (1) shall be an increase by 2032 of—

''(A) no less than 3,000,000 barrels in the amount of oil produced per day; and

''(B) no less than 10,000,000,000 cubic feet in the amount of natural gas produced per day.

''(3) REPORTING.—The Secretary shall report annually, beginning at the end of the 5-year period for which the program applies, to the Committee on Natural Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate on the progress of the program in meeting the production goal. The Secretary shall identify in the report projections for production and any problems with leasing, permitting, or production that will prevent meeting the goal.''.

SEC. 10103. DEVELOPMENT AND SUBMITTAL OF NEW 5-YEAR OIL AND GAS LEASING PROGRAM.

(a) IN GENERAL.—The Secretary of the Interior shall—

(1) by not later than July 15, 2015, publish and submit to Congress a new proposed oil and gas leasing program under section 18 of the Outer Continental Shelf Lands Act (43 U.S.C. 1344) for the 5-year period beginning on such date and ending July 15, 2021; and

(2) by not later than July 15, 2016, approve a final oil and gas leasing program under such section for such period.

(b) CONSIDERATION OF ALL AREAS.—In preparing such program the Secretary shall include consideration of areas of the Continental Shelf off the coasts of all States (as such term is defined in section 2 of that Act, as amended by this title), that are subject to leasing under this title.

(c) TECHNICAL CORRECTION.—Section 18(d)(3) of the Outer Continental Shelf Lands Act (43 U.S.C. 1344(d)(3)) is amended by striking ''or after eighteen months following the date of enactment of this section, whichever first occurs,''.

SEC. 10104. RULE OF CONSTRUCTION.

Nothing in this title shall be construed to authorize the issuance of a lease under the Outer Continental Shelf Lands Act (43 U.S.C. 1331 et seq.) to any person designated for the imposition of sanctions pursuant to—

(1) the Iran Sanctions Act of 1996 (50 U.S.C. 1701 note), the Comprehensive Iran Sanctions, Accountability and Divestiture Act of 2010 (22 U.S.C. 8501 et seq.), the Iran Threat Reduction and Syria Human Rights Act of 2012 (22 U.S.C. 8701 et seq.), section 1245 of the National Defense Authorization Act for Fiscal Year 2012 (22 U.S.C. 8513a), or the Iran Freedom and Counter-Proliferation Act of 2012 (22 U.S.C. 8801 et seq.);

(2) Executive Order No. 13622 (July 30, 2012), Executive Order No. 13628 (October 9, 2012), or Executive Order No. 13645 (June 3, 2013);

(3) Executive Order No. 13224 (September 23, 2001) or Executive Order No. 13338 (May 11, 2004); or

(4) the Syria Accountability and Lebanese Sovereignty Restoration Act of 2003 (22 U.S.C. 2151 note).

SEC. 10105. ADDITION OF LEASE SALES AFTER FINALIZATION OF 5-YEAR PLAN.

Section 18(d) of the Outer Continental Shelf Lands Act (43 U.S.C.1344(d)) is amended—

(1) in paragraph (3), by striking ''After'' and inserting ''Except as provided in paragraph (4), after''; and

(2) by adding at the end the following:

''(4) The Secretary may add to the areas included in an approved leasing program additional areas to be made available for leasing under the program, if all review and documents required under section 102 of the Na-

tional Environmental Policy Act of 1969 (42 U.S.C. 4332) have been completed with respect to leasing of each such additional area within the 5-year period preceding such addition.''.

Subtitle B—Directing the President To Conduct New OCS Sales

SEC. 10201. REQUIREMENT TO CONDUCT PROPOSED OIL AND GAS LEASE SALE 220 ON THE OUTER CONTINENTAL SHELF OFFSHORE VIRGINIA.

(a) IN GENERAL.—Notwithstanding the exclusion of Lease Sale 220 in the Final Outer Continental Shelf Oil & Gas Leasing Program 2012–2017, the Secretary of the Interior shall conduct offshore oil and gas Lease Sale 220 under section 8 of the Outer Continental Shelf Lands Act (43 U.S.C. 1337) as soon as practicable, but not later than one year after the date of enactment of this Act.

(b) REQUIREMENT TO MAKE REPLACEMENT LEASE BLOCKS AVAILABLE.—For each lease block in a proposed lease sale under this section for which the Secretary of Defense, in consultation with the Secretary of the Interior, under the Memorandum of Agreement referred to in section 10205(b), issues a statement proposing deferral from a lease offering due to defense-related activities that are irreconcilable with mineral exploration and development, the Secretary of the Interior, in consultation with the Secretary of Defense, shall make available in the same lease sale one other lease block in the Virginia lease sale planning area that is acceptable for oil and gas exploration and production in order to mitigate conflict.

(c) BALANCING MILITARY AND ENERGY PRODUCTION GOALS.—In recognition that the Outer Continental Shelf oil and gas leasing program and the domestic energy resources produced therefrom are integral to national security, the Secretary of the Interior and the Secretary of Defense shall work jointly in implementing this section in order to ensure achievement of the following common goals:

(1) Preserving the ability of the Armed Forces of the United States to maintain an optimum state of readiness through their continued use of the Outer Continental Shelf.

(2) Allowing effective exploration, development, and production of our Nation's oil, gas, and renewable energy resources.

(d) DEFINITIONS.—In this section:

(1) LEASE SALE 220.—The term ''Lease Sale 220'' means such lease sale referred to in the Request for Comments on the Draft Proposed 5-Year Outer Continental Shelf (OCS) Oil and Gas Leasing Program for 2010–2015 and Notice of Intent To Prepare an Environmental Impact Statement (EIS) for the Proposed 5-Year Program published January 21, 2009 (74 Fed. Reg. 3631).

(2) VIRGINIA LEASE SALE PLANNING AREA.—The term ''Virginia lease sale planning area'' means the area of the outer Continental Shelf (as that term is defined in the Outer Continental Shelf Lands Act (33 U.S.C. 1331 et seq.)) that is bounded by—

(A) a northern boundary consisting of a straight line extending from the northernmost point of Virginia's seaward boundary to the point on the seaward boundary of the United States exclusive economic zone located at 37 degrees 17 minutes 1 second North latitude, 71 degrees 5 minutes 16 seconds West longitude; and

(B) a southern boundary consisting of a straight line extending from the southernmost point of Virginia's seaward boundary to the point on the seaward boundary of the United States exclusive economic zone located at 36 degrees 31 minutes 58 seconds North latitude, 71 degrees 30 minutes 1 second West longitude.

SEC. 10202. SOUTH CAROLINA LEASE SALE.

Notwithstanding exclusion of the South Atlantic Outer Continental Shelf Planning Area from the Final Outer Continental Shelf Oil & Gas Leasing Program 2012–2017, the Secretary of the Interior shall conduct a lease sale not later than 2 years after the date of the enactment of this Act for areas off the coast of South Carolina determined by the Secretary to have the most geologically promising hydrocarbon resources and constituting not less than 25 percent of the leasable area within the South Carolina offshore administrative boundaries depicted in the notice entitled ''Federal Outer Continental Shelf (OCS) Administrative Boundaries Extending from the Submerged Lands Act Boundary seaward to the Limit of the United States Outer Continental Shelf'', published January 3, 2006 (71 Fed. Reg. 127).

SEC. 10203. SOUTHERN CALIFORNIA EXISTING INFRASTRUCTURE LEASE SALE.

(a) IN GENERAL.—The Secretary of the Interior shall offer for sale leases of tracts in the Santa Maria and Santa Barbara/Ventura Basins of the Southern California OCS Planning Area as soon as practicable, but not later than December 31, 2015.

(b) USE OF EXISTING STRUCTURES OR ONSHORE-BASED DRILLING.—The Secretary of the Interior shall include in leases offered for sale under this lease sale such terms and conditions as are necessary to require that development and production may occur only from offshore infrastructure in existence on the date of the enactment of this Act or from onshore-based, extended-reach drilling.

SEC. 10204. ENVIRONMENTAL IMPACT STATEMENT REQUIREMENT.

(a) IN GENERAL.—For the purposes of this title, the Secretary of the Interior shall prepare a multisale environmental impact statement under section 102 of the National Environmental Policy Act of 1969 (42 U.S.C. 4332) for all lease sales required under this subtitle.

(b) ACTIONS TO BE CONSIDERED.—Notwithstanding section 102 of the National Environmental Policy Act of 1969 (42 U.S.C. 4332), in such statement—

(1) the Secretary is not required to identify nonleasing alternative courses of action or to analyze the environmental effects of such alternative courses of action; and

(2) the Secretary shall only—

(A) identify a preferred action for leasing and not more than one alternative leasing proposal; and

(B) analyze the environmental effects and potential mitigation measures for such preferred action and such alternative leasing proposal.

SEC. 10205. NATIONAL DEFENSE.

(a) NATIONAL DEFENSE AREAS.—This title does not affect the existing authority of the Secretary of Defense, with the approval of the President, to designate national defense areas on the Outer Continental Shelf pursuant to section 12(d) of the Outer Continental Shelf Lands Act (43 U.S.C. 1341(d)).

''(F) the best estimate, based upon commercial and scientific data, of the expected increase in domestic production of oil, natural gas, coal, and other renewable sources from tribal lands for any federally recognized Indian tribe that elects to participate in facilitating energy production on its lands;

''(G) the best estimate, based upon commercial and scientific data, of the expected increase in production of helium on Federal lands administered by the Bureau of Land Management and the Forest Service; and

''(H) the best estimate, based upon commercial and scientific data, of the expected increase in domestic production of geothermal, solar, wind, or other renewable energy sources from 'available lands' (as such term is defined in section 203 of the Hawaiian Homes Commission Act, 1920 (42 Stat. 108 et seq.), and including any other lands deemed by the Territory or State of Hawaii, as the case may be, to be included within that definition) that the agency or department of the government of the State of Hawaii that is responsible for the administration of such lands selects to be used for such energy production.

''(4) The Secretary shall consult with the Administrator of the Energy Information Administration regarding the methodology used to arrive at its estimates for purposes of this section.

''(5) The Secretary has the authority to expand the energy development plan to include other energy production technology sources or advancements in energy on Federal lands.

''(6) The Secretary shall include in the Strategy a plan for addressing new demands for transmission lines and pipelines for distribution of oil and gas across Federal lands to ensure that energy produced can be distributed to areas of need.

''(b) TRIBAL OBJECTIVES.—It is the sense of Congress that federally recognized Indian tribes may elect to set their own production objectives as part of the Strategy under this section. The Secretary shall work in cooperation with any federally recognized Indian tribe that elects to participate in achieving its own strategic energy objectives designated under this subsection.

''(c) EXECUTION OF THE STRATEGY.—The relevant Secretary shall have all necessary authority to make determinations regarding which additional lands will be made available in order to meet the production objectives established by strategies under this section. The Secretary shall also take all necessary actions to achieve these production objectives unless the President determines that it is not in the national security and economic interests of the United States to increase Federal domestic energy production and to further decrease dependence upon foreign sources of energy. In administering this section, the relevant Secretary shall only consider leasing Federal lands available for leasing at the time the lease sale occurs.

''(d) STATE, FEDERALLY RECOGNIZED INDIAN TRIBES, LOCAL GOVERNMENT, AND PUBLIC INPUT.—In developing each strategy, the Secretary shall solicit the input of affected States, federally recognized Indian tribes, local governments, and the public.

''(e) REPORTING.—The Secretary shall report annually to the Committee on Natural Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate on the progress of meeting the production goals set forth in the strategy. The Secretary shall identify in the report projections for production and capacity installations and any problems with leasing, permitting, siting, or production that will prevent meeting the goal. In addition, the Secretary shall make suggestions to help meet any shortfalls in meeting the production goals.

''(f) PROGRAMMATIC ENVIRONMENTAL IMPACT STATEMENT.—Not later than 12 months after the date of enactment of this section, in accordance with section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)(C)), the Secretary shall complete a programmatic environmental impact statement. This programmatic environmental impact statement will be deemed sufficient to comply with all requirements under that Act for all necessary resource management and land use plans associated with the implementation of the strategy.

''(g) CONGRESSIONAL REVIEW.—At least 60 days prior to publishing a proposed strategy under this section, the Secretary shall submit it to the President and the Congress, together with any comments received from States, federally recognized Indian tribes, and local governments. Such submission shall indicate why any specific recommendation of a State, federally recognized Indian tribe, or local government was not accepted.

''(h) STRATEGIC AND CRITICAL ENERGY MINERALS DEFINED.—For purposes of this section, the term 'strategic and critical energy minerals' means those that are necessary for the Nation's energy infrastructure including pipelines, refining capacity, electrical power generation and transmission, and renewable energy production and those that are necessary to support domestic manufacturing, including but not limited to, materials used in energy generation, production, and transportation.''.

(b) FIRST QUADRENNIAL STRATEGY.—Not later than 18 months after the date of enactment of this Act, the Secretary of the Interior shall submit to Congress the first Quadrennial Federal Onshore Energy Production Strategy under the amendment made by subsection (a).

To the Congress of the United States:

Pursuant to the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) (IEEPA), I hereby report that I have issued an Executive Order (the ''order'') taking additional steps with respect to the national emergency declared in Executive Order 13413 of October 27, 2006 (E.O. 13413).

In E.O. 13413, it was determined that the situation in or in relation to the Democratic Republic of the Congo, which has been marked by widespread violence and atrocities that continue to threaten regional stability and was addressed by the United Nations Security Council in Resolution 1596 of April 18, 2005, Resolution 1649 of December 21, 2005, and Resolution 1698 of July 31, 2006, constitutes an unusual and extraordinary threat to the foreign policy of the United States. To address that threat, E.O. 13413 blocks the property and interests in property of persons listed in the Annex to E.O. 13413 or determined by the Secretary of the Treasury, in consultation with the Secretary of State, to meet criteria specified in E.O. 13413.

In view of multiple additional United Nations Security Council Resolutions including, most recently, Resolution 2136 of January 30, 2014, I am issuing the order to take additional steps to deal with the national emergency declared in E.O. 13413, and to address the continuation of activities that threaten the peace, security, or stability of the Democratic Republic of the Congo and the surrounding region, including operations by armed groups, widespread violence and atrocities, human rights abuses, recruitment and use of child soldiers, attacks on peacekeepers, obstruction of humanitarian operations, and exploitation of natural resources to finance persons engaged in these activities.

The order amends the designation criteria specified in E.O. 13413. As amended by the order, E.O. 13413 provides for the designation of persons determined by the Secretary of the Treasury, in consultation with the Secretary of State:

To be a political or military leader of a foreign armed group operating in the Democratic Republic of the Congo that impedes the disarmament, demobilization, voluntary repatriation, resettlement, or reintegration of combatants;

To be a political or military leader of a Congolese armed group that impedes the disarmament, demobilization, voluntary repatriation, resettlement, or reintegration of combatants;

To be responsible for or complicit in, or to have engaged in, directly or indirectly, any of the following in or in relation to the Democratic Republic of the Congo:

Actions or policies that threaten the peace, security, or stability of the Democratic Republic of the Congo;

Actions or policies that undermine democratic processes or institutions in the Democratic Republic of the Congo;

The targeting of women, children, or any civilians through the commission of acts of violence (including killing, maiming, torture, or rape or other sexual violence), abduction, forced displacement, or attacks on schools, hospitals, religious sites, or locations where civilians are seeking refuge, or through conduct that would constitute a serious abuse or violation of human rights or a violation of international humanitarian law;

the use or recruitment of children by armed groups or armed forces in the context of the conflict in the Democratic Republic of the Congo;

the obstruction of the delivery or distribution of, or access to, humanitarian assistance;

attacks against United Nations missions, international security presences, or other peacekeeping operations; or

support to persons, including armed groups, involved in activities that threaten the peace, security, or stability of the Democratic Republic of the Congo or that undermine democratic processes or institutions in the Democratic Republic of the Congo, through the illicit trade in natural resources of the Democratic Republic of the Congo;

Except where intended for the authorized support of humanitarian activities or the authorized use by or support of peacekeeping, international, or government forces, to have directly or indirectly supplied, sold, or transferred to the Democratic Republic of the Congo, or been the recipient in the territory of the Democratic Republic of the Congo of, arms and related materiel, including military aircraft and equipment, or advice, training, or assistance, including financing and financial assistance, related to military activities;

To be a leader of (i) an entity, including any armed group, that has, or whose members have, engaged in any of the activities described above or (ii) an entity whose property and interests in property are blocked pursuant to E.O. 13413;

To have materially assisted, sponsored, or provided financial, material, logistical, or technological support for, or goods or services in support of (i) any of the activities described above or (ii) any person whose property and interests in property are blocked pursuant to E.O. 13413; or

To be owned or controlled by, or to have acted or purported to act for or on behalf of, directly or indirectly, any person whose property and interests in property are blocked pursuant to E.O. 13413.

I have delegated to the Secretary of the Treasury, in consultation with the Secretary of State, the authority to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to the President by IEEPA and the United Nations Participation Act as may be necessary to carry out the purposes of the order. All agencies of the United States Government are directed to take all appropriate measures within their authority to carry out the provisions of the order.

I am enclosing a copy of the Executive Order I have issued.

BARACK OBAMA.

(e) ESTABLISHMENT OF ONE-STOP DELIVERY SYSTEM.—

(1) IN GENERAL.—There shall be established in each local area in a State that receives an allotment under section 132(b) a one-stop delivery system, which shall—

(A) provide the career services described in section 134(c)(2);

(B) provide access to training services as described in section 134(c)(3), including serving as the point of access to training services for participants in accordance with section 134(c)(3)(G);

(C) provide access to the employment and training activities carried out under section 134(d), if any;

(D) provide access to programs and activities carried out by one-stop partners described in subsection (b); and

(E) provide access to the data, information, and analysis described in section 15(a) of the Wagner-Peyser Act (29 U.S.C. 49l–2(a)) and all job search, placement, recruitment, and other labor exchange services authorized under the Wagner-Peyser Act (29 U.S.C. 49 et seq.).

(2) ONE-STOP DELIVERY.—The one-stop delivery system—

(A) at a minimum, shall make each of the programs, services, and activities described in paragraph (1) accessible at not less than 1 physical center in each local area of the State; and

(B) may also make programs, services, and activities described in paragraph (1) available—

(i) through a network of affiliated sites that can provide 1 or more of the programs, services, and activities to individuals; and

(ii) through a network of eligible one-stop partners—

(I) in which each partner provides 1 or more of the programs, services, and activities to such individuals and is accessible at an affiliated site that consists of a physical location or an electronically or technologically linked access point; and

(II) that assures individuals that information on the availability of the career services will be available regardless of where the individuals initially enter the statewide workforce development system, including information made available through an access point described in subclause (I);

(C) may have specialized centers to address special needs, such as the needs of dislocated workers, youth, or key industry sectors or clusters; and

(D) as applicable and practicable, shall make programs, services, and activities accessible to individuals through electronic means in a manner that improves efficiency, coordination, and quality in the delivery of one-stop partner services.

(3) COLOCATION OF WAGNER-PEYSER SERVICES.—Consistent with section 3(d) of the Wagner-Peyser Act (29 U.S.C. 49b(d)), and in order to improve service delivery, avoid duplication of services, and enhance coordination of services, including location of staff to ensure access to services in underserved areas, the employment service offices in each State shall be colocated with one-stop centers established under this title.

(4) USE OF COMMON ONE-STOP DELIVERY SYSTEM IDENTIFIER.—In addition to using any State or locally developed identifier, each one-stop delivery system shall include in the identification of products, programs, activities, services, facilities, and related property and materials, a common one-stop delivery system identifier. The identifier shall be developed by the Secretary, in consultation with heads of other appropriate departments and agencies, and representatives of State boards and local boards and of other stakeholders in the one-stop delivery system, not later than the beginning of the second full program year after the date of enactment of this Act. Such common identifier may consist of a logo, phrase, or other identifier that informs users of the one-stop delivery system that such products, programs, activities, services, facilities, property, or materials are being provided through such system. Nothing in this paragraph shall be construed to prohibit one-stop partners, States, or local areas from having additional identifiers.

(f) APPLICATION TO CERTAIN VOCATIONAL REHABILITATION PROGRAMS.—

(1) LIMITATION.—Nothing in this section shall be construed to apply to part C of title I of the Rehabilitation Act of 1973 (29 U.S.C. 741).

(2) CLIENT ASSISTANCE.—Nothing in this Act shall be construed to require that any entity carrying out a client assistance program authorized under section 112 of the Rehabilitation Act of 1973 (29 U.S.C. 732)—

(A) be included as a mandatory one-stop partner under subsection (b)(1); or

(B) if the entity is included as an additional one-stop partner under subsection (b)(2)—

(i) violate the requirement of section 112(c)(1)(A) of that Act (29 U.S.C. 732(c)(1)(A)) that the entity be independent of any agency that provides treatment, services, or rehabilitation to individuals under that Act; or

(ii) carry out any activity not authorized under section 112 of that Act (including appropriate Federal regulations).

(g) CERTIFICATION AND CONTINUOUS IMPROVEMENT OF ONE-STOP CENTERS.—

(1) IN GENERAL.—In order to be eligible to receive infrastructure funding described in subsection (h), the State board, in consultation with chief elected officials and local boards, shall establish objective criteria and procedures for use by local boards in assessing at least once every 3 years the effectiveness, physical and programmatic accessibility in accordance with section 188, if applicable, and the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq), and continuous improvement of one-stop centers and the one-stop delivery system, consistent with the requirements of section 101(d)(6).

(2) CRITERIA.—The criteria and procedures developed under this subsection shall include standards relating to service coordination achieved by the one-stop delivery system with respect to the programs administered by the one-stop partners at the one-stop centers. Such criteria and procedures shall—

(A) be developed in a manner that is consistent with the guidelines, guidance, and policies provided by the Governor and by the State board, in consultation with the chief elected officials and local boards, for such partners' participation under subsections (h)(1) and (i); and

(B) include such factors relating to the effectiveness, accessibility, and improvement of the one-stop delivery system as the State board determines to be appropriate, including at a minimum how well the one-stop center—

(i) supports the achievement of the negotiated local levels of performance for the indicators of performance described in section 116(b)(2) for the local area;

(ii) integrates available services; and

(iii) meets the workforce development and employment needs of local employers and participants.

(3) LOCAL CRITERIA.—Consistent with the criteria developed under paragraph (1) by the State, a local board in the State may develop additional criteria (or higher levels of service coordination than required for the State-developed criteria) relating to service coordination achieved by the one-stop delivery system, for purposes of assessments described in paragraph (1), in order to respond to labor market, economic, and demographic, conditions and trends in the local area.

(4) EFFECT OF CERTIFICATION.—One-stop centers certified under this subsection shall be eligible to receive the infrastructure funding described in subsection (h).

(5) REVIEW AND UPDATE.—The criteria and procedures established under this subsection shall be reviewed and updated by the State board or the local board, as the case may be, as part of the biennial process for review and modification of State and local plans described in sections 102(c)(2) and 108(a).

(h) FUNDING OF ONE-STOP INFRASTRUCTURE.—

(1) IN GENERAL.—

(A) OPTIONS FOR INFRASTRUCTURE FUNDING.—

(i) LOCAL OPTIONS.—The local board, chief elected officials, and one-stop partners described in subsection (b)(1) in a local area may fund the costs of infrastructure of one-stop centers in the local area through—

(I) methods agreed on by the local board, chief elected officials, and one-stop partners (and described in the memorandum of understanding described in subsection (c)); or

(II) if no consensus agreement on methods is reached under subclause (I), the State infrastructure funding mechanism described in paragraph (2).

(ii) FAILURE TO REACH CONSENSUS AGREEMENT ON FUNDING METHODS.—Beginning July 1, 2016, if the local board, chief elected officials, and one-stop partners described in subsection (b)(1) in a local area fail to reach consensus agreement on methods of sufficiently funding the costs of infrastructure of one-stop centers for a program year, the State infrastructure funding mechanism described in paragraph (2) shall be applicable to such local area for that program year and for each subsequent program year for which those entities and individuals fail to reach such agreement.

(B) GUIDANCE FOR INFRASTRUCTURE FUNDING.—In addition to carrying out the requirements relating to the State infrastructure funding mechanism described in paragraph (2), the Governor, after consultation with chief elected officials, local boards, and the State board, and consistent with the guidance and policies provided by the State board under subparagraphs (B) and (C)(i) of section 101(d)(7), shall provide, for the use of local areas under subparagraph (A)(i)(I)—

(i) guidelines for State-administered one-stop partner programs, for determining such programs' contributions to a one-stop delivery system, based on such programs' proportionate use of such system consistent with chapter II of title 2, Code of Federal Regulations (or any corresponding similar regulation or ruling), including determining funding for the costs of infrastructure, which contributions shall be negotiated pursuant to the memorandum of understanding under subsection (c); and

(ii) guidance to assist local boards, chief elected officials, and one-stop partners in local areas in determining equitable and stable methods of funding the costs of infrastructure of one-stop centers in such areas.

(2) STATE ONE-STOP INFRASTRUCTURE FUNDING.—

(A) DEFINITION.—In this paragraph, the term ''covered portion'', used with respect to funding for a fiscal year for a program described in subsection (b)(1), means a portion determined under subparagraph (C) of the Federal funds provided to a State (including local areas within the State) under the Federal law authorizing that program described in subsection (b)(1) for the fiscal year (taking into account the availability of funding for purposes related to infrastructure from philanthropic organizations, private entities, or other alternative financing options).

(B) PARTNER CONTRIBUTIONS.—Subject to subparagraph (D), for local areas in a State that are not covered by paragraph (1)(A)(i)(I), the covered portions of funding for a fiscal year shall be provided to the Governor from the programs described in subsection (b)(1), to assist in paying the costs of infrastructure of one-stop centers in those local areas of the State not adequately funded under the option described in paragraph (1)(A)(i)(I).

(C) DETERMINATION OF GOVERNOR.—

(i) IN GENERAL.—Subject to clause (ii) and subparagraph (D), the Governor, after consultation with chief elected officials, local boards, and the State board, shall determine the portion of funds to be provided under subparagraph (B) by each one-stop partner from each program described in subparagraph (B). In making such determination for the purpose of determining funding contributions, for funding pursuant to clause (i)(II) or (ii) of paragraph (1)(A) by each partner, the Governor shall calculate amounts for the proportionate use of the one-stop centers in the State, consistent with chapter II of title 2, Code of Federal Regulations (or any corresponding similar regulation or ruling), taking into account the costs of administration of the one-stop delivery system for purposes not related to one-stop centers, for each partner. The Governor shall exclude from such determination of funds the amounts for proportionate use of one-stop centers attributable to the programs of one-stop partners for those local areas of the State where the costs of infrastructure of one-stop centers are funded under the option described in paragraph (1)(A)(i)(I). The Governor shall also take into account the statutory requirements for each partner program and the partner program's ability to fulfill such requirements.

(ii) SPECIAL RULE.—In a State in which the State constitution or a State statute places policymaking authority that is independent of the authority of the Governor in an entity or official with respect to the funds provided for adult education and literacy activities authorized under title II, postsecondary career and technical education activities authorized under the Carl D. Perkins Career and Technical Education Act of 2006 (20 U.S.C. 2301 et seq.), or vocational rehabilitation services offered under a provision covered by section 3(13)(D), the determination described in clause (i) with respect to the programs authorized under that title, Act, or provision shall be made by the chief officer of the entity, or the official, with such authority in consultation with the Governor.

(D) LIMITATIONS.—

(i) PROVISION FROM ADMINISTRATIVE FUNDS.—

(I) IN GENERAL.—Subject to subclause (II), the funds provided under this paragraph by each one-stop partner shall be provided only from funds available for the costs of administration under the program administered by such partner, and shall be subject to the program's limitations with respect to the portion of funds under such program that may be used for administration.

(II) EXCEPTIONS.—Nothing in this clause shall be construed to apply to the programs carried out under this title, or under title V of the Older Americans Act of 1965 (42 U.S.C. 3056 et seq.).

(ii) CAP ON REQUIRED CONTRIBUTIONS.—For local areas in a State that are not covered by paragraph (1)(A)(i)(I), the following rules shall apply:

(I) WIA FORMULA PROGRAMS AND EMPLOYMENT SERVICE.—The portion of funds required to be contributed under this paragraph from a program authorized under chapter 2 or 3, or the Wagner-Peyser Act (29 U.S.C. 49 et seq.) shall not exceed 3 percent of the amount of Federal funds provided to carry out that program in the State for a fiscal year.

(II) OTHER ONE-STOP PARTNERS.—The portion of funds required to be contributed under this paragraph from a program described in subsection (b)(1) other than the programs described in subclause (I) shall not exceed 1.5 percent of the amount of Federal funds provided to carry out that program in the State for a fiscal year.

(III) VOCATIONAL REHABILITATION.—Notwithstanding subclauses (I) and (II), an entity administering a program described in subsection (b)(1)(B)(iv) shall not be required to provide from that program, under this paragraph, a portion that exceeds—

(aa) 0.75 percent of the amount of Federal funds provided to carry out such program in the State for the second full program year that begins after the date of enactment of this Act;

(bb) 1.0 percent of the amount provided to carry out such program in the State for the third full program year that begins after such date;

(cc) 1.25 percent of the amount provided to carry out such program in the State for the fourth full program year that begins after such date; and

(dd) 1.5 percent of the amount provided to carry out such program in the State for the fifth and each succeeding full program year that begins after such date.

(iii) FEDERAL DIRECT SPENDING PROGRAMS.—For local areas in a State that are not covered by paragraph (1)(A)(i)(I), an entity administering a program funded with direct spending as defined in section 250(c)(8) of the Balanced Budget and Emergency Deficit Control Act of 1985, as in effect on February 15, 2014 (2 U.S.C. 900(c)(8)) shall not be required to provide, for purposes of this paragraph, an amount in excess of the amount determined under subparagraph (C)(i) to be equivalent to the cost of the proportionate use of the one-stop centers for the one-stop partner for such program in the State.

(iv) NATIVE AMERICAN PROGRAMS.—One-stop partners for Native American programs established under section 166 shall not be subject to the provisions of this subsection (other than this clause) or subsection (i). For purposes of sub-

section (c)(2)(A)(ii)(II), the method for determining the appropriate portion of funds to be provided by such partners to pay for the costs of infrastructure of a one-stop center shall be determined as part of the development of the memorandum of understanding under subsection (c) for the one-stop center and shall be stated in the memorandum.

(E) APPEAL BY ONE-STOP PARTNERS.—The Governor shall establish a process, described under section 102(b)(2)(D)(i)(IV), for a one-stop partner administering a program described in subsection (b)(1) to appeal a determination regarding the portion of funds to be provided under this paragraph. Such a determination may be appealed under the process on the basis that such determination is inconsistent with the requirements of this paragraph. Such process shall ensure prompt resolution of the appeal in order to ensure the funds are distributed in a timely manner, consistent with the requirements of section 182(e).

(3) ALLOCATION BY GOVERNOR.—

(A) IN GENERAL.—From the funds provided under paragraph (1), the Governor shall allocate the funds to local areas described in subparagraph (B) in accordance with the formula established under subparagraph (B) for the purposes of assisting in paying the costs of infrastructure of one-stop centers.

(B) ALLOCATION FORMULA.—The State board shall develop a formula to be used by the Governor to allocate the funds provided under paragraph (1) to local areas not funding costs of infrastructure under the option described in paragraph (1)(A)(i)(I). The formula shall be based on factors including the number of one-stop centers in a local area, the population served by such centers, the services provided by such centers, and other factors relating to the performance of such centers that the State board determines are appropriate.

(4) COSTS OF INFRASTRUCTURE.—In this subsection, the term ''costs of infrastructure'', used with respect to a one-stop center, means the nonpersonnel costs that are necessary for the general operation of the one-stop center, including the rental costs of the facilities, the costs of utilities and maintenance, equipment (including assessment-related products and assistive technology for individuals with disabilities), and technology to facilitate access to the one-stop center, including the center's planning and outreach activities.

(i) OTHER FUNDS.—

(1) IN GENERAL.—Subject to the memorandum of understanding described in subsection (c) for the one-stop delivery system involved, in addition to the funds provided to carry out subsection (h), a portion of funds made available under Federal law authorizing the programs described in subsection (b) and administered by one-stop partners, or the noncash resources available under such programs, shall be used to pay the additional costs relating to the operation of the one-stop delivery system that are not paid from the funds provided under subsection (h), as determined in accordance with paragraph (3), to the extent not inconsistent with the Federal law involved. Such costs shall include the costs of the provision of career services described in section 134(c)(2) applicable to each program and may include common costs that are not paid from the funds provided under subsection (h).

(2) SHARED SERVICES.—The costs described under paragraph (1) may include costs of services that are authorized for and may be commonly provided through the one-stop partner programs to any individual, such as initial intake, assessment of needs, appraisal of basic skills, identification of appropriate services to meet such needs, referrals to other one-stop partners, and other similar services.

(3) DETERMINATION AND GUIDANCE.—The method for determining the appropriate portion of funds and noncash resources to be provided by the one-stop partner for each program under paragraph (1) for a one-stop center shall be determined as part of the development of the memorandum of understanding under subsection (c) for the one-stop center and shall be stated in the memorandum. The State board shall provide guidance to facilitate the determination, for purposes of the memorandum of understanding, of an appropriate allocation of the funds and noncash resources in local areas, consistent with the requirements of section 101(d)(6)(C).

SEC. 122. IDENTIFICATION OF ELIGIBLE PROVIDERS OF TRAINING SERVICES.

(a) ELIGIBILITY.—

(b) CRITERIA AND INFORMATION REQUIREMENTS.—

(1) STATE CRITERIA.—In establishing criteria pursuant to subsection (a), the Governor shall take into account each of the following:

(A) The performance of providers of training services with respect to—

(i) the performance accountability measures and other matters for which information is required under paragraph (2); and

(H) The quality of a program of training services, including a program of training services that leads to a recognized postsecondary credential.

(I) The ability of the providers to provide training services to individuals who are employed and individuals with barriers to employment.

(J) Such other factors as the Governor determines are appropriate to ensure—

(i) the accountability of the providers;

(ii) that the one-stop centers in the State will ensure that such providers meet the needs of local employers and participants;

(iii) the informed choice of participants among training services providers; and

(iv) that the collection of information required to demonstrate compliance with the criteria is not unduly burdensome or costly to providers.

(2) STATE INFORMATION REQUIREMENTS.—The information requirements established by the Governor shall require that a provider of training services submit appropriate, accurate, and timely information to the State, to enable the State to carry out subsection (d), with respect to participants receiving training services under this subtitle in the applicable program, including—

(A) information on the performance of the provider with respect to the performance accountability measures described in section 116 for such participants (taking into consideration the characteristics of the population served and relevant economic conditions), and information specifying the percentage of such participants who entered unsubsidized employment in an occupation related to the program, to the extent practicable;

(3) LOCAL CRITERIA AND INFORMATION REQUIREMENTS.—A local board in the State may establish criteria and information requirements in addition to the criteria and information requirements established by the Governor, or may require higher levels of performance than required for the criteria established by the Governor, for purposes of determining the eligibility of providers of training services to receive funds described in subsection (a) for the provision of training services in the local area involved.

(4) CRITERIA AND INFORMATION REQUIREMENTS TO ESTABLISH INITIAL ELIGIBILITY.—

(A) PURPOSE.—The purpose of this paragraph is to enable the providers of programs carried out under chapter 3 to offer the highest quality training services and be responsive to in-demand and emerging industries by providing training services for those industries.

(B) INITIAL ELIGIBILITY.—Providers may seek initial eligibility under this paragraph as providers of training services and may receive that initial eligibility for only 1 fiscal year for a particular program. The criteria and information requirements established by the Governor under this paragraph shall require that a provider who has not previously been an eligible provider of training services under this section (or section 122 of the Workforce Investment Act of 1998, as in effect on the day before the date of enactment of this Act) provide the information described in subparagraph (C).

(C) INFORMATION.—The provider shall provide verifiable program-specific performance information based on criteria established by the State as described in subparagraph (D) that supports

The procedures shall identify the respective roles of the State and local areas in receiving and reviewing the applications and in making determinations of such eligibility based on the criteria, information, and procedures established under this section. The procedures shall also establish a process for a provider of training services to appeal a denial or termination of eligibility under this section that includes an opportunity for a hearing and prescribes appropriate time limits to ensure prompt resolution of the appeal.

(2) RENEWAL PROCEDURES.—The procedures established by the Governor shall also provide for biennial review and renewal of eligibility under this section for providers of training services.

(d) LIST AND INFORMATION TO ASSIST PARTICIPANTS IN CHOOSING PROVIDERS.—

(1) IN GENERAL.—In order to facilitate and assist participants in choosing employment and training activities and in choosing providers of training services, the Governor shall ensure that an appropriate list of providers determined to be eligible under this section to offer a program in the State (and, as appropriate, in a local area), accompanied by information identifying the recognized postsecondary credential offered by the provider and other appropriate information, is prepared. The list shall be provided to the local boards in the State, and made available to such participants and to members of the public through the one-stop delivery system in the State.

(2) ACCOMPANYING INFORMATION.—The accompanying information shall—

(e) OPPORTUNITY TO SUBMIT COMMENTS.—In establishing, under this section, criteria, information requirements, procedures, and the list of eligible providers described in subsection (d), the Governor shall provide an opportunity for interested members of the public to make recommendations and submit comments regarding such criteria, information requirements, procedures, and list.

(f) ENFORCEMENT.—

(1) IN GENERAL.—The procedures established under this section shall provide the following:

(A) INTENTIONALLY SUPPLYING INACCURATE INFORMATION.—Upon a determination, by an individual or entity specified in the procedures, that a provider of training services, or individual providing information on behalf of the provider, violated this section (or section 122 of the Workforce Investment Act of 1998, as in effect on the day before the date of enactment of this Act) by intentionally supplying inaccurate information under this section, the eligibility of such provider to receive funds under chapter 3 shall be terminated for a period of time that is not less than 2 years.

(B) SUBSTANTIAL VIOLATIONS.—Upon a determination, by an individual or entity specified in the procedures, that a provider of training services substantially violated any requirement under this title (or title I of the Workforce Investment Act of 1998, as in effect on the day before such date of enactment), the eligibility of such provider to receive funds under chapter 3 for the program involved shall be terminated for a period of not less than 2 years.

(C) REPAYMENT.—A provider of training services whose eligibility is terminated under subparagraph (A) or (B) shall be liable for the repayment of funds received under chapter 5 of subtitle B of title I of the Workforce Investment Act of 1998, as in effect on the day before such date of enactment, or chapter 3 of this subtitle during a period of violation described in such subparagraph.

(2) CONSTRUCTION.—Paragraph (1) shall be construed to provide remedies and penalties that supplement, but shall not supplant, civil and criminal remedies and penalties specified in other provisions of law.

(g) AGREEMENTS WITH OTHER STATES.—States may enter into agreements, on a reciprocal basis, to permit eligible providers of training services to accept individual training accounts provided in another State.

(h) ON-THE-JOB TRAINING, CUSTOMIZED TRAINING, INCUMBENT WORKER TRAINING, AND OTHER TRAINING EXCEPTIONS.—

(1) IN GENERAL.—Providers of on-the-job training, customized training, incumbent worker training, internships, and paid or unpaid work experience opportunities, or transitional employment shall not be subject to the requirements of subsections (a) through (f).

(2) COLLECTION AND DISSEMINATION OF INFORMATION.—A one-stop operator in a local area shall collect such performance information from providers of on-the-job training, customized training, incumbent worker training, internships, paid or unpaid work experience opportunities, and transitional employment as the Governor may require, and use the information to determine whether the providers meet such performance criteria as the Governor may require. The one-stop operator shall disseminate information identifying such providers that meet the criteria as eligible providers, and the performance information, through the one-stop delivery system. Providers determined to meet the criteria shall be considered to be identified as eligible providers of training services.

(i) TRANSITION PERIOD FOR IMPLEMENTATION.—The Governor and local boards shall implement the requirements of this section not later than 12 months after the date of enactment of this Act. In order to facilitate early implementation of this section, the Governor may establish transition procedures under which providers eligible to provide training services under chapter 5 of subtitle B of title I of the Workforce Investment Act of 1998, as such chapter was in effect on the day before the date of enactment of this Act, may continue to be eligible to provide such services until December 31, 2015, or until such earlier date as the Governor determines to be appropriate.

SEC. 123. ELIGIBLE PROVIDERS OF YOUTH WORKFORCE INVESTMENT ACTIVITIES.

(a) IN GENERAL.—From the funds allocated under section 128(b) to a local area, the local board for such area shall award grants or contracts on a competitive basis to providers of youth workforce investment activities identified based on the criteria in the State plan (including such quality criteria as the Governor shall establish for a training program that leads to a recognized postsecondary credential), and taking into consideration the ability of the providers to meet performance accountability measures based on primary indicators of performance for the youth program as described in section 116(b)(2)(A)(ii)), as described in section 102(b)(2)(D)(i)(V), and shall conduct oversight with respect to such providers.

(b) EXCEPTIONS.—A local board may award grants or contracts on a sole-source basis if such board determines there is an insufficient number of eligible providers of youth workforce investment activities in the local area involved (such as a rural area) for grants and contracts to be awarded on a competitive basis under subsection (a).

CHAPTER 2—YOUTH WORKFORCE INVESTMENT ACTIVITIES

SEC. 126. GENERAL AUTHORIZATION.

The Secretary shall make an allotment under section 127(b)(1)(C) to each State that meets the requirements of section 102 or 103 and a grant under section 127(b)(1)(B) to each outlying area that complies with the requirements of this title, to assist the State or outlying area, and to enable the State or outlying area to assist local areas, for the purpose of providing workforce investment activities for eligible youth in the State or outlying area and in the local areas.

SEC. 127. STATE ALLOTMENTS.

(2) ENROLLEES WHO ARE YOUNGER THAN 18.—An enrollee who is younger than 18 shall not be assigned to a Job Corps center other than the center closest to the home that offers the career and technical education and training desired by the enrollee pursuant to paragraph (1) if the parent or guardian of the enrollee objects to the assignment.

A similar hearing may also be requested by any recipient for whom a corrective action has been required or a sanction has been imposed by the Secretary under section 184.

¶91.29 MESSAGE FROM THE PRESIDENT—NATIONAL DRUG CONTROL STRATEGY 2014

The SPEAKER pro tempore, Mr. SHIMKUS, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

I am pleased to transmit the 2014 *National Drug Control Strategy*, a 21st century approach to drug policy that is built on decades of research demonstrating that addiction is a disease of the brain—one that can be prevented, treated, and from which people can recover. The pages that follow lay out an evidence-based plan for real drug policy reform, spanning the spectrum of effective prevention, early intervention, treatment, recovery support, criminal justice, law enforcement, and international cooperation.

Illicit drug use and its consequences challenge our shared dream of building for our children a country that is healthier, safer, and more prosperous. Illicit drug use is associated with addiction, disease, and lower academic performance among our young people. It contributes to crime, injury, and serious dangers on the Nation's roadways. And drug use and its consequences jeopardize the progress we have made in strengthening our economy—contributing to unemployment, impeding re-employment, and costing our economy billions of dollars in lost productivity.

These facts, combined with the latest research about addiction as a disease of the brain, helped shape the approach laid out in my Administration's first *National Drug Control Strategy*—and they continue to guide our efforts to reform drug policy in a way that is more efficient, effective, and equitable. Through the Affordable Care Act, millions of Americans will be able to obtain health insurance, including coverage for substance use disorder treatment services. We have worked to reform our criminal justice system, addressing unfair sentencing disparities, providing alternatives to incarceration for nonviolent, substance-involved offenders, and improving prevention and re-entry programs to protect public safety and improve outcomes for people returning to communities from prisons and jails. And we have built stronger partnerships with our international allies, working with them in a global effort against drug trafficking and transnational organized crime, while also assisting them in their efforts to address substance use disorders and related public health problems.

This progress gives us good reason to move forward with confidence. However, we cannot effectively build on this progress without collaboration across all sectors of our society. I look forward to joining with community coalitions, faith-based groups, tribal communities, health care providers, law enforcement agencies, state and local governments, and our international partners to continue this important work in 2014. And I thank the Congress for its continued support of our efforts to build a healthier, safer, and more prosperous country.

BARACK OBAMA.

THE WHITE HOUSE, *July 9, 2014*.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on the Judiciary, the Committee on Agriculture, the Committee on Armed Services, the Committee on Energy and Commerce, the Committee on Education and the Workforce, the Committee on Financial Services, the Committee on Oversight and Government Reform, the Committee on Foreign Affairs, the Committee on Transportation and Infrastructure, the Committee on Ways and Means, the Committee on Veterans' Affairs, the Committee on Homeland Security, the Committee on Natural Resources, and the Permanent Select Committee on Intelligence, and ordered to be printed (H. Doc. 113–129).

¶91.30 LEAVE OF ABSENCE

By unanimous consent, leave of absence was granted to Ms. Eddie Bernice JOHNSON of Texas, for today.

And then,

¶91.31 ADJOURNMENT

On motion of Mr. SIMPSON, at 8 o'clock and 41 minutes p.m., the House adjourned.

¶91.32 REPORTS OF COMMITTEES ON PUBLIC BILLS AND RESOLUTIONS
