- remove Government obstacles to domestic energy production, ensure transport of energy, lower energy costs, and enable businesses to access energy to create and sustain jobs (H.R. 2), consideration (see H. Res. 727), [16SE]
- Ecology and environment: ban hydraulic fracturing on Federal lands leased to a third party (see H.R. 5844), [10DE]
- Economy: create jobs by revising Federal labor laws, decreasing regulatory burdens, providing comprehensive energy reform, and streamlining access to investment capital (see H.R. 4304), [26MR]
- extend unemployment benefits, approve Keystone XL Pipeline, repeal medical device tax, restore 40-hour work week, and provide reemployment assessments (see H.R. 3885), [15JA]
- Employment: establish a pilot program to train individuals for employment in renewable energy and energy efficiency industries (see H.R. 4648), [9MY]
- improve conditions necessary for economic growth and job creation (see H.R. 4), [15SE]
- improve conditions necessary for economic growth and job creation (H.R. 4), consideration (see H. Res. 727), [16SE]
- Energy and water development: making appropriations (see H.R. 4923), [20JN]
- making appropriations (H.R. 4923), consideration (see H. Res. 641), [24JN]
- EPA: allow advanced biofuel, biomass-based diesel, and cellulosic biofuel to satisfy mandates of the renewable fuel program only if domestically produced, and eliminate corn ethanol mandate (see H.R. 4849), [12JN]
- consider and report on the benefits of any rule addressing carbon pollution (greenhouse gas) emissions from any electric utility generating unit (see H.R. 5300), [30JY]
- nullify certain rules relative to carbon pollution (greenhouse gas) emissions for existing, new, or reconstructed fossil fuel-fired electric utility generating units (see H.R. 4813), [9JN]
- prohibit regulation of carbon pollution (greenhouse gas) emissions for existing fossil fuel-fired electric utility generating units under certain circumstances (see H.R. 4808), [5JN] (see H.R. 4850), [12JN]
- provide direction relative to establishment of emissions standards of greenhouse gas from fossil fuel-fired electric utility generating units (see H.R. 3826), [9JA]
- provide direction relative to establishment of emissions standards of greenhouse gas from fossil fuel-fired electric utility generating units (H.R. 3826), consideration (see H. Res. 497), [4MR]
- Eximbank: prohibit from providing financial support for certain high carbon intensity energy projects (see H.R. 4768), [29MY]
- Federal agencies and departments: clarify requirement to consider social cost of carbon as a condition of compliance under National Environmental Policy Act (see H.R. 5358), [31JY]
- reduce duplication and increase efficiency (see H.R. 5152), [17JY]
- FERC: minimize infringement on the exercise and enjoyment of property rights in issuing hydropower licenses (see H.R. 4976), [26JN]
- prohibit from issuing certain decisions that will raise costs for ratepayers (see H.R. 4327), [27MR]
- protect the bulk-power system and electric infrastructure critical to the defense of the U.S. from cybersecurity and other threats and vulnerabilities (see H.R. 4298), [26MR]
- review decisions of the North American Electric Reliability Corp., affecting cost allocation under system support resources agreements (see H.R. 5722), [17NO]
- Foreign trade: require approval of construction, operation, or maintenance of oil or natural gas pipelines or electric transmission facilities at U.S. borders for import or export (H.R. 3301), consideration (see H. Res. 636), [23JN]
- Government regulations: free the private sector to harness domestic energy resources to create jobs and generate economic growth by removing statutory and administrative barriers (see H.R. 4286), [24MR]
- Green Bank: establish to assist in financing of qualified clean energy and energy efficiency projects (see H.R. 4522), [30AP]
- Information technology: call on health care, energy, telecommunications, and other industry sectors to continue efforts to protect critical infrastructure and prevent information and cybersecurity breaches (see H. Res. 769), [2DE]
- Iraq: clarify ownership of crude oil produced within jurisdiction of the Kurdistan Regional Government and authorize provision of defense articles and services to the Kurdistan Regional Government (see H.R. 5679), [19SE]
- LIHEAP: revise formula for allocating funding to States (see H.R. 3860), [13JA]
- Montana: extend the deadline for commencement of construction of a hydroelectric project involving the Gibson Dam (see H.R. 5867), [11DE]
- Motor vehicles: amend weight limitations for natural gas vehicles (see H.R. 3940), [28JA]
- reduce fuel economy obligations of automobile manufacturers whose fleets contain a certain percentage of fuel choice enabling vehicles (see H.R. 5107), [15JY]
- National objectives: contribute to national security and achieve domestic energy independence by producing more energy from all sources (see H.R. 3895), [16JA]
- increase domestic onshore and offshore energy exploration and production and streamline and improve energy permitting and administration (see H.R. 4899), [19JN]
- increase domestic onshore and offshore energy exploration and production and streamline and improve energy permitting and administration (H.R. 4899), consideration (see H. Res. 641), [24JN]
- use revenues from offshore energy production to create jobs, reduce the deficit, invest in clean and renewable energy, clean up the environment, and rebuild infrastructure (see H.R. 4956), [24JN]
- Natural gas: authorize approval of pipelines and establish deadlines and expedite permits for certain gathering lines on Federal land and Indian land (see H.R. 4293), [25MR]
- NRC: ensure State and local communities participate in development of nuclear plant decommissioning plans and require public approval or rejection of such proposed plans (see H.R. 4667), [15MY]
- Petroleum: remove restrictions on the export of crude oil from the U.S. (see H.R. 5814), [9DE]
- repeal the crude oil export ban (see H.R. 4349), [1AP]
- Pipelines: provide for inspection of pipeline facilities transferred by sale or abandoned (see H.R. 4687), [20MY]
- Postal Service: improve fuel efficiency by replacing motor vehicle fleet with modern, efficient vehicles (see H.R. 3963), [29JA]
- Propane: improve supply and pricing information, coordinate response to shortages, and study need for regional propane reserves (see H.R. 5469), [15SE]
- Public utilities: provide electric consumers the right to access certain electric energy information and allow for the adoption of innovative products and services to help consumers manage energy usage (see H.R. 5073), [10JY]
- Real estate: allow State and local financing of energy and water efficiency and renewable energy modifications to privately-owned property through Property Assessed Clean Energy (PACE) programs (see H.R. 4285), [24MR]
- Renewable energy: establish a competitive grant program for renewable fuel infrastructure (see H.R. 4051), [11FE]
- establish a Federal renewable electricity standard and a Federal energy efficiency resource standard for electricity and natural gas suppliers (see H.R. 5072), [10JY] (see H.R. 5301), [30JY]
- promote domestic development and deployment of clean energy technologies (see H.R. 4426), [8AP]
- promote marine and hydrokinetic renewable energy research and development (see H.R. 5335), [31JY]
- Russia: condemn political, military, and economic aggression against neighboring countries and call for international response opposing such actions (see H. Res. 758), [18NO]
- Solar Energy Research, Development, and Demonstration Act: anniversary (see H. Res. 765), [20NO]
- Taxation: extend and improve the Indian coal production tax credit (see H.R. 4785), [30MY]
- extend and modify the credit for electric vehicle recharging property (see H.R. 5513), [17SE]
- extend certain expiring energy tax incentives (see H.R. 5775), [1DE]
- extend certain expiring provisions of the Internal Revenue Code and make technical corrections (see H.R. 5771), [1DE]
- extend certain expiring provisions of the Internal Revenue Code and make technical corrections (H.R. 5771), consideration (see H. Res. 766), [2DE]
- extend certain expiring provisions of the Internal Revenue Code and make technical corrections (H.R. 5771), correction in enrollment (see H. Con. Res. 124), [10DE]
- extend certain expiring provisions relative to energy (see H.R. 5559), [18SE]
- impose a mileage-based user fee for mobile mounted concrete boom pumps in lieu of the tax on taxable fuels (see H.R. 5474), [15SE]
- increase, expand, and extend the credit for hydrogen-related alternative fuel vehicle refueling property and increase investment credit for more efficient fuel cells (see H.R. 4733), [22MY]
- increase and extend new qualified plug-in electric drive motor vehicles credit and enable such credit to be converted to a rebate at the point of sale (see H.R. 4584), [6MY]
- increase maximum nameplate capacity of a small wind turbine qualifying for an energy credit (see H.R. 4761), [29MY]
- make technical corrections to recently enacted tax legislation and remove provisions of the Internal Revenue Code that are no longer applicable (see H.R. 5528), [18SE]
- modify and extend the nonbusiness energy property credit (see H.R. 5002), [26JN]
- modify depreciation recovery period for energy-efficient cool roof systems (see H.R. 4740), [22MY]
- modify energy credit to provide greater incentives for combined heat and power (CHP) and waste heat to power (WHP) energy efficiency technologies (see H.R. 4916), [19JN]
- modify the energy credit for microturbine property (see H.R. 4428), [8AP]

—prohibit replacement of gasoline excise tax with a GPS, location, or distance-based tax (see H.R. 5884), [11DE]

—provide a consumer renewable credit for a utility that sells renewable power (see H.R. 3838), [9JA]

—provide a refundable credit against income tax to assist individuals with high residential energy costs (see H.R. 4326), [27MR]

—provide incentives for clean energy and repeal fossil fuel subsidies for big oil companies (see H.R. 4753), [28MY]

—provide incentives for zero carbon emissions refueling property (see H.R. 5457), [11SE]

—provide work opportunity credit for hiring veterans in field of renewable energy (see H.R. 5494), [16SE]

—reduce greenhouse gas emissions by requiring a Federal emission permit for the sale or use of covered substances and return funds to the American people (see H.R. 4754), [28MY]

—repeal gas tax and establish a carbon tax on highway fuels (see H.R. 5873), [11DE]

—repeal the gas tax and rebuild roads and bridges (see H.R. 4848), [11JN]

Technology: permit exemptions for external power supplies from certain efficiency standards (see H.R. 5057), [10JY]

Bills and resolutions

Armed Forces: authorize use of military force against nations, organizations, or persons responsible for the attack against U.S. personnel in Benghazi, Libya (see H.R. 4599), [7MY]

Congress: bring an action seeking declaratory and injunctive relief in response to the failure of the President to meet the constitutional requirement to faithfully execute the law (see H.R. 3857), [13JA]

—joint session for Presidential address (see H. Con. Res. 75), [16JA]

—provide for authority to initiate litigation for actions by the President or other executive branch officials inconsistent with their duties under the Constitution (see H. Res. 676), [22JY]

—provide for authority to initiate litigation for actions by the President or other executive branch officials inconsistent with their duties under the Constitution (H. Res. 676), consideration (see H. Res. 694), [29JY]

—provide for authority to initiate litigation for actions by the President or other executive branch officials inconsistent with their duties under the Constitution relative to implementation of immigration laws (see H. Res. 757), [17NO]

Diseases: ban new visas to residents of ebola-affected countries and require the President to report on the status of the ebola outbreak (see H.R. 5746), [20NO]

—direct the President to take action to protect against transmission of ebola virus from individuals traveling to the U.S. from abroad (see H.R. 5707), [13NO]

Education: support State authority and flexibility in establishing student academic standards and denounce the President's coercion of States into adopting the Common Core State Standards (see H. Res. 476), [11FE]

Executive branch of the Government: condemn for failure to meet the constitutional requirement to faithfully execute the law (see H. Res. 652), [26JN]

House of Representatives: bring an action seeking declaratory or injunctive relief to challenge certain executive branch policies and actions on immigration (see H. Res. 772), [8DE]

—notify the President that a quorum has assembled (see H. Res. 450), [7JA]

Immigration: disapprove the President's expression of intent to expand amnesty to undocumented immigrants through Executive order after the 2014 congressional midterm elections (see H. Res. 741), [18SE]

—express concerns regarding the President's responsibility to address the border crisis (see H. Res. 687), [25JY]

INDEX

PRESIDENT OF THE UNITED STATES

- express that it is unconstitutional for the President to continue to provide deferred action for childhood arrivals in enforcement of the immigration laws (see H. Res. 742), [18SE]
- Islamic State in Iraq and Syria (ISIS) (terrorist organization): declare a state of war exists with the U.S. and the President is authorized to use necessary and appropriate force (see H.J. Res. 127), [18SE]
- President's Review Group on Intelligence and Communications Technologies: require implementation of recommendations (see H.R. 3883), [15JA]
- Shinseki, Sec. of Veterans Affairs.: call for resignation relative to Dept. of Veterans Affairs benefit claims backlog and delays in providing emergency health care (see H. Con. Res. 98), [15MY]
- Terrorism: condemn failure to notify Congress before releasing Taliban leaders detained at Guantanamo Bay, Cuba, and express concerns over their release and repercussions of negotiating with terrorists (see H. Res. 644), [25JN]
- condemn failure to notify Congress before releasing Taliban leaders from Guantanamo Bay and express concerns over release and repercussions of negotiating with terrorists (H. Res. 644), consideration (see H. Res. 715), [8SE]
