### ¶123.6 MESSAGE FROM THE PRESIDENT

A message in writing from the President of the United States was communicated to the House by Mr. Brian Pate, one of his secretaries.

### ¶123.7 MESSAGE FROM THE PRESIDENT—UNITED STATES-CZECH SOCIAL SECURITY AGREEMENT

The SPEAKER pro tempore, Mr. COSTELLO of Pennsylvania, laid before the House a message from the President, which was read as follows:

*To the Congress of the United States:*

Pursuant to section 233(e)(1) of the Social Security Act, as amended by the Social Security Amendments of 1977 (Public Law 95–216, 42 U.S.C. 433(e)(1)), I transmit herewith the Supplementary Agreement Amending the Agreement on Social Security between the United States of America and the Czech Republic (the ''Supplementary Agreement''). The Supplementary Agreement, signed at Prague on September 23, 2013, is intended to modify a certain provision of the Agreement on Social Security between the United States of America and the Czech Republic, with Administrative Arrangement, signed at Prague on September 7, 2007, and entered into force January 1, 2009 (the ''U.S.-Czech Social Security Agreement'').

The U.S.-Czech Social Security Agreement as amended by the Supplementary Agreement is similar in objective to the social security agreements already in force with most European Union countries, Australia, Canada, Chile, Japan, Norway, and the Republic of Korea. Such bilateral agreements provide for limited coordination between the United States and foreign social security systems to eliminate dual social security coverage and taxation, and to help prevent the lost benefit protection that can occur when workers divide their careers between two countries.

The Supplementary Agreement amends the U.S.-Czech Social Security Agreement to account for a new Czech domestic health insurance law, which was enacted subsequent to the signing of the U.S.-Czech Social Security Agreement in 2007. By including the health insurance law within the scope of the U.S.-Czech Social Security Agreement, this amendment will exempt U.S. citizen workers and multinational companies from contributing to the Czech health insurance system, when such workers otherwise meet all of the ordinary criteria for such an exemption.

The U.S.-Czech Social Security Agreement, as amended, will continue to contain all provisions mandated by section 233 of the Social Security Act and other provisions that I deem appropriate to carry out the purposes of section 233, pursuant to section 233(c)(4) of the Social Security Act.

I also transmit for the information of the Congress a report required by section 233(e)(1) of the Social Security Act on the estimated number of individuals who will be affected by the Supplementary Agreement and its estimated cost effect. The Department of State and the Social Security Administration have recommended the Supplementary Agreement and related documents to me.

I commend the Supplementary Agreement to the U.S.-Czech Social Security Agreement and related documents.

BARACK OBAMA.

THE WHITE HOUSE, *October 6, 2015.*

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Ways and Means and ordered to be printed (H. Doc. 114–64).

## ¶124.6 NOTICE REQUIREMENT—CONSIDERATION OF RESOLUTION—QUESTION OF PRIVILEGES

Ms. SLAUGHTER, pursuant to clause 2(a)(1) of rule IX, announced her intention to call up the following resolution, as a question of the privileges of the House:

Whereas the attacks in Benghazi, Libya, on September 11, 2012, took the lives of U.S. Ambassador Christopher Stevens, Foreign Service Officer Sean Smith, and former Navy SEALs Tyrone Woods and Glen Doherty;

Whereas the events leading up to and in the immediate aftermath of the attacks on the U.S. consulate in Benghazi were rightfully and thoroughly examined to honor the memory of the victims and to improve the safety of the men and women serving our country overseas;

Whereas the independent Accountability Review Board convened by the U.S. State Department investigated the events in Benghazi and found no evidence of deliberate wrongdoing;

Whereas five committees in the U.S. House of Representatives investigated the events in Benghazi and found no evidence of deliberate wrongdoing;

Whereas four committees in the U.S. Senate investigated the events in Benghazi and found no evidence of deliberate wrongdoing;

Whereas in each fiscal year, more than $4 billion is appropriated to run the Congress, with untold amounts of this taxpayer money expended by nine Congressional committees to investigate the events in Benghazi, none of which produced any evidence of deliberate wrongdoing;

Whereas after the exhaustive, thorough, and costly investigations by nine Congressional committees and the independent Accountability Review Board found no evidence of deliberate wrongdoing, Republican leaders in the House insisted on using taxpayer dollars to fund a new, duplicative ''Select Committee on the Events Surrounding the 2012 Terrorist Attack in Benghazi,'' (hereafter the Select Committee) to re-examine the matter;

Whereas this taxpayer-funded committee was given broad powers to pursue its investigations, including an unlimited, taxpayer-funded budget and granting the Chairman the legal authority to subpoena documents and compel testimony without any debate or a vote;

Whereas the ongoing Republican-led investigation into the events in Benghazi is now one of the longest running and least productive investigations in Congressional history;

Whereas a widely-quoted statement made on September 29th, 2015 by Representative KEVIN MCCARTHY, the Republican Leader of the House of Representatives, has called into question the integrity of the proceedings of the Select Committee and the House of Representatives as a whole;

Whereas this statement by Representative MCCARTHY demonstrates that the Select Committee established by Republican leaders in the House of Representatives was created to influence public opinion of a presidential candidate;

Whereas the Select Committee has been in existence for 17 months but has held only three hearings;

Whereas the Select Committee abandoned its plans to obtain public testimony from Defense Department and Intelligence Community leaders;

Whereas the Select Committee excluded Democratic Members from interviews of witnesses who provided exculpatory information related to its investigation;

Whereas information obtained by the Select Committee has been selectively and inaccurately leaked to influence the electoral standing of a candidate for public office;

Whereas such actions represent an abuse of power that demonstrates the partisan nature of the Select Committee;

Whereas the Select Committee has spent more than $4.5 million in taxpayer funds to date to advance its partisan efforts;

Whereas this amount does not include the costs of the independent Accountability Review Board; the hearings and reports by nine Congressional committees; the time, money,

and resources consumed by Federal agencies to comply with Select Committee requests; or the opportunity cost of not spending this money elsewhere, such as improving security for our diplomatic officers abroad;

Whereas it is an outrage that more than $4.5 million in taxpayer funds have been used by Republicans in the House of Representatives, not to run the government, but to interfere inappropriately with an election for president of the United States;

Whereas the use of taxpayer dollars by the House of Representatives for campaign purposes is a violation of the Rules of the House and Federal law;

*Resolved*, That: (1) this misuse of the official resources of the House of Representatives for political purposes undermines the integrity of the proceedings of the House and brings discredit to the House; (2) the integrity of the proceedings of the House can be fully restored only by the dissolution of the Select Committee; and (3) the Select Committee shall be dismantled and is hereby directed to make public within thirty days transcripts of all unclassified interviews and depositions it has conducted.

The SPEAKER pro tempore, Mr. DENHAM, responded to the foregoing notice, and said:

''Under rule IX, a resolution offered from the floor by a Member other than the Majority Leader or the Minority Leader as a question of the privileges of the House has immediate precedence only at a time or place designated by the Chair within two legislative days after the resolution is properly noticed.

''Pending that designation, the form of the resolution noticed by the gentlewoman from New York [Ms. SLAUGHTER] will appear in the CONGRESSIONAL RECORD at this point.

''The Chair will not at this point determine whether the resolution constitutes a question of privilege. That determination will be made at the time designated for consideration of the resolution.''.

When said resolution was considered.

On motion of Mr. STIVERS, the previous question was ordered on the resolution to its adoption or rejection.

The question being put, viva voce,

Will the House agree to said resolution?

The SPEAKER pro tempore, Mr. YODER, announced that the ayes had it.

Mr. MCGOVERN demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the Members present, so the yeas and nays were ordered.

The SPEAKER pro tempore, Mr. YODER, pursuant to clause 8 of rule XX, announced that further proceedings on the question were postponed.

### ¶124.9 PRIVILEGES OF THE HOUSE

Ms. SLAUGHTER, pursuant to rule IX, rose to a question of the privileges of the House and submitted the following resolution:

Whereas the attacks in Benghazi, Libya, on September 11, 2012, took the lives of U.S. Ambassador Christopher Stevens, Foreign Service Officer Sean Smith, and former Navy SEALs Tyrone Woods and Glen Doherty;

Whereas the events leading up to and in the immediate aftermath of the attacks on the U.S. consulate in Benghazi were rightfully and thoroughly examined to honor the memory of the victims and to improve the safety of the men and women serving our country overseas;

Whereas a widely-quoted statement made on September 29th, 2015 by Representative Kevin McCarthy, the Republican Leader of the House of Representatives, has called into question the integrity of the proceedings of the Select Committee and the House of Representatives as a whole;

Whereas this statement by Representative McCarthy demonstrates that the Select Committee established by Republican leaders in the House of Representatives was created to influence public opinion of a presidential candidate;

Whereas the Select Committee abandoned its plans to obtain public testimony from Defense Department and Intelligence Community leaders;

*Resolved,* That:

1) this misuse of the official resources of the House of Representatives for political purposes undermines the integrity of the proceedings of the House and brings discredit to the House;

2) the integrity of the proceedings of the House can be fully restored only by the dissolution of the Select Committee; and

3) the Select Committee shall be dismantled and is hereby directed to make public within thirty days transcripts of all unclassified interviews and depositions it has conducted.

The SPEAKER pro tempore, Mr. YODER, spoke and said:

''The Chair would entertain argument on whether the resolution qualifies as a question of the privileges of the House.

''Does any Member seek recognition?

''If not, the Chair will rule.''.

The SPEAKER pro tempore, Mr. YODER, ruled that the resolution submitted did not present a question of the privileges of the House under rule IX, and said:

''The gentlewoman from New York seeks to offer a resolution as a question of the privileges of the House under rule IX. The resolution alleges that a select committee established by order of the House has misused House resources for a political purpose and proposes to dismantle the select committee.

''In evaluating the resolution under rule IX, the Chair must determine whether the resolution affects 'the rights of the House collectively, its safety, dignity, and the integrity of its proceedings.' In addition, Cannon's Precedents, volume 6, section 395 cites the precedent of September 24, 1917, for the proposition that 'the presence of unprivileged matter destroys the privilege of a resolution otherwise privileged.' That ruling is the foundation for the principle that either the entire resolution is privileged, or none of it is.

''Section 706 of the House Rules and Manual documents several precedents holding that a resolution alleging a question of the privileges of the House may not collaterally challenge a rule of the House.

''One such precedent occurred on January 23, 1984. On that date, Speaker O'Neill ruled that a resolution directing a change in political ratios of committee membership did not qualify as a question of privilege because that issue could be otherwise presented to the House in a privileged manner. The Speaker noted that the resolution itself did not constitute a change in the rules of the House, but nevertheless held that the resolution did not qualify because it presented a collateral challenge to an adopted rule of the House.

''The Chair would also note the events of January 31, 1996, when a resolution directing the Speaker to withdraw an invitation for a foreign head of state to address a joint meeting of Congress was held not to present a question of privilege because it proposed a collateral change in a previous order of the House.

''In each of these cases, the crucial question was whether the resolution presented a collateral challenge to an existing rule or order of the House.

''The resolution offered by the gentlewoman from New York proposes to dismantle the Select Committee on the Events Surrounding the 2012 Terrorist Attack in Benghazi, which was established in the 114th Congress by section 4(a) of House Resolution 5, adopted by the House on January 6, 2015. The resolution presents a collateral challenge to that order of the House. As such, the resolution does not constitute a question of the privileges of the House.''.

Ms. SLAUGHTER appealed the ruling of the Chair.

The question being stated,

Will the decision of the Chair stand as the judgment of the House?

Mr. STIVERS moved to lay the appeal on the table.

The question being put, viva voce,

Will the House lay on the table the appeal of the ruling of the Chair?

The SPEAKER pro tempore, Mr. YODER, announced that the ayes had it.

Ms. SLAUGHTER demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the Members present, so the yeas and nays were ordered.

The vote was taken by electronic device.

It was decided in the affirmative ..... { Yeas ..... 240 / Nays ..... 183

All points of order against such amendments are waived. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

SEC. 2. At any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 702) to adapt to changing crude oil market conditions. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and amendments specified in this section and shall not exceed one hour equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce. After general debate the bill shall be considered for amendment under the five-minute rule. In lieu of the amendment in the nature of a substitute recommended by the Committee on Energy and Commerce now printed in the bill, it shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule an amendment in the nature of a substitute consisting of the text of Rules Committee Print 114-29. That amendment in the nature of a substitute shall be considered as read. All points of order against that amendment in the nature of a substitute are waived. No amendment to that amendment in the nature of a substitute shall be in order except those printed in part B of the report of the Committee on Rules accompanying this resolution. Each such amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against such amendments are waived. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

¶125.12 NATIVE AMERICAN ENERGY

The SPEAKER pro tempore, Mr. WOMACK, pursuant to House Resolu-

tion 466 and rule XVIII, declared the House resolved into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 538) to facilitate the development of energy on Indian lands by reducing Federal regulations that impede tribal development of Indian lands, and for other purposes.

The SPEAKER pro tempore, Mr. WOMACK, by unanimous consent, designated Mr. ROUZER as Chairman of the Committee of the Whole; and after some time spent therein,

The SPEAKER pro tempore, Mr. HOLDING, assumed the Chair.

When Ms. FOXX, Acting Chairman, reported the bill back to the House with an amendment adopted by the Committee.

Pursuant to House Resolution 466, the previous question was ordered.

The following amendment, reported from the Committee of the Whole House on the state of the Union, was agreed to:

Strike out all after the enacting clause and insert:

**SECTION 1. SHORT TITLE.**

This Act may be cited as the ''Native American Energy Act''.

**SEC. 2. APPRAISALS.**

(a) AMENDMENT.—Title XXVI of the Energy Policy Act of 1992 (25 U.S.C. 3501 et seq.) is amended by adding at the end the following:

**''SEC. 2607. APPRAISAL REFORMS.**

''(a) OPTIONS TO INDIAN TRIBES.—With respect to a transaction involving Indian land or the trust assets of an Indian tribe that requires the approval of the Secretary, any appraisal relating to fair market value required to be conducted under applicable law, regulation, or policy may be completed by—

''(1) the Secretary;

''(2) the affected Indian tribe; or

''(3) a certified, third-party appraiser pursuant to a contract with the Indian tribe.

''(b) TIME LIMIT ON SECRETARIAL REVIEW AND ACTION.—Not later than 30 days after the date on which the Secretary receives an appraisal conducted by or for an Indian tribe pursuant to paragraphs (2) or (3) of subsection (a), the Secretary shall—

''(1) review the appraisal; and

''(2) provide to the Indian tribe a written notice of approval or disapproval of the appraisal.

''(c) FAILURE OF SECRETARY TO APPROVE OR DISAPPROVE.—If, after 60 days, the Secretary has failed to approve or disapprove any appraisal received, the appraisal shall be deemed approved.

''(d) OPTION TO INDIAN TRIBES TO WAIVE APPRAISAL.—

''(1) An Indian tribe wishing to waive the requirements of subsection (a), may do so after it has satisfied the requirements of paragraphs (2) and (3).

''(2) An Indian tribe wishing to forego the necessity of a waiver pursuant to this section must provide to the Secretary a written resolution, statement, or other unambiguous indication of tribal intent, duly approved by the governing body of the Indian tribe.

''(3) The unambiguous indication of intent provided by the Indian tribe to the Secretary under paragraph (2) must include an express waiver by the Indian tribe of any claims for damages it might have against the United States as a result of the lack of an appraisal undertaken.

''(e) DEFINITION.—For purposes of this subsection, the term 'appraisal' includes appraisals and other estimates of value.

''(f) REGULATIONS.—The Secretary shall develop regulations for implementing this section, including standards the Secretary shall use for approving or disapproving an appraisal.''.

(b) CONFORMING AMENDMENT.—The table of contents of the Energy Policy Act of 1992 (42 U.S.C. 13201 note) is amended by adding at the end of the items relating to title XXVI the following:

''Sec. 2607. Appraisal reforms.''.

**SEC. 3. STANDARDIZATION.**

As soon as practicable after the date of the enactment of this Act, the Secretary of the Interior shall implement procedures to ensure that each agency within the Department of the Interior that is involved in the review, approval, and oversight of oil and gas activities on Indian lands shall use a uniform system of reference numbers and tracking systems for oil and gas wells.

**SEC. 4. ENVIRONMENTAL REVIEWS OF MAJOR FEDERAL ACTIONS ON INDIAN LANDS.**

Section 102 of the National Environmental Policy Act of 1969 (42 U.S.C. 4332) is amended by inserting ''(a) IN GENERAL.—'' before the first sentence, and by adding at the end the following:

''(b) REVIEW OF MAJOR FEDERAL ACTIONS ON INDIAN LANDS.—

''(1) REVIEW AND COMMENT.—

''(A) IN GENERAL.—Except as provided in subparagraph (B), the statement required under subsection (a)(2)(C) for a major Federal action regarding an activity on Indian lands of an Indian tribe shall only be available for review and comment by the members of the Indian tribe, other individuals residing within the affected area, and State, federally recognized tribal, and local governments within the affected area.

''(B) EXCEPTION.—Subparagraph (A) shall not apply to a statement for a major Federal action regarding an activity on Indian lands of an Indian tribe related to gaming under the Indian Gaming Regulatory Act.

''(2) REGULATIONS.—The Chairman of the Council on Environmental Quality shall develop regulations to implement this section, including descriptions of affected areas for specific major Federal actions, in consultation with Indian tribes.

''(3) DEFINITIONS.—In this subsection, each of the terms 'Indian land' and 'Indian tribe' has the meaning given that term in section 2601 of the Energy Policy Act of 1992 (25 U.S.C. 3501).

''(4) CLARIFICATION OF AUTHORITY.—Nothing in the Native American Energy Act, except section 6 of that Act, shall give the Secretary any additional authority over energy projects on Alaska Native Claims Settlement Act lands.''.

**SEC. 5. JUDICIAL REVIEW.**

(a) TIME FOR FILING COMPLAINT.—Any energy related action must be filed not later than the end of the 60-day period beginning on the date of the final agency action. Any energy related action not filed within this time period shall be barred.

(b) DISTRICT COURT VENUE AND DEADLINE.—All energy related actions—

(1) shall be brought in the United States District Court for the District of Columbia; and

(2) shall be resolved as expeditiously as possible, and in any event not more than 180 days after such cause of action is filed.

(c) APPELLATE REVIEW.—An interlocutory order or final judgment, decree or order of the district court in an energy related action may be reviewed by the United States Court of Appeals for the District of Columbia Circuit. The District of Columbia Circuit Court of Appeals shall resolve such appeal as expeditiously as possible, and in any event not more than 180 days after such interlocutory order or final judgment, decree or order of the district court was issued.

(d) LIMITATION ON CERTAIN PAYMENTS.—Notwithstanding section 1304 of title 31, United States Code, no award may be made under section 504 of title 5, United States Code, or under section 2412 of title 28, United States Code, and no amounts may be obligated or expended from the Claims and Judgment Fund of the United States Treasury to pay any fees or other expenses under such sections, to any person or party in an energy related action.

(e) LEGAL FEES.—In any energy related action in which the plaintiff does not ultimately prevail, the court shall award to the defendant (including any intervenor-defendants), other than the United States, fees and other expenses incurred by that party in connection with the energy related action, unless the court finds that the position of the plaintiff was substantially justified or that special circumstances make an award unjust. Whether or not the position of the plaintiff was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the energy related action for which fees and other expenses are sought.

(f) DEFINITIONS.—For the purposes of this section, the following definitions apply:

(1) AGENCY ACTION.—The term ''agency action'' has the same meaning given such term in section 551 of title 5, United States Code.

(2) INDIAN LAND.—The term ''Indian Land'' has the same meaning given such term in section 203(c)(3) of the Energy Policy Act of 2005 (Public Law 109–58; 25 U.S.C. 3501), including lands owned by Native Corporations under the Alaska Native Claims Settlement Act (Public Law 92–203; 43 U.S.C. 1601).

(3) ENERGY RELATED ACTION.—The term ''energy related action'' means a cause of action that—

(A) is filed on or after the effective date of this Act; and

(B) seeks judicial review of a final agency action to issue a permit, license, or other form of agency permission allowing:

(i) any person or entity to conduct activities on Indian Land, which activities involve the exploration, development, production or transportation of oil, gas, coal, shale gas, oil shale, geothermal resources, wind or solar resources, underground coal gasification, biomass, or the generation of electricity; or

(ii) any Indian Tribe, or any organization of two or more entities, at least one of which is an Indian tribe, to conduct activities involving the exploration, development, production or transportation of oil, gas, coal, shale gas, oil shale, geothermal resources, wind or solar resources, underground coal gasification, biomass, or the generation of electricity, regardless of where such activities are undertaken.

(4) ULTIMATELY PREVAIL.—The phrase ''ultimately prevail'' means, in a final enforceable judgment, the court rules in the party's favor on at least one cause of action which is an underlying rationale for the preliminary injunction, administrative stay, or other relief requested by the party, and does not include circumstances where the final agency action is modified or amended by the issuing agency unless such modification or amendment is required pursuant to a final enforceable judgment of the court or a court-ordered consent decree.

**SEC. 6. TRIBAL BIOMASS DEMONSTRATION PROJECT.**

The Tribal Forest Protection Act of 2004 is amended by inserting after section 2 (25 U.S.C. 3115a) the following:

**''SEC. 3. TRIBAL BIOMASS DEMONSTRATION PROJECT.**

''(a) IN GENERAL.—For each of fiscal years 2016 through 2020, the Secretary shall enter

into stewardship contracts or other agreements, other than agreements that are exclusively direct service contracts, with Indian tribes to carry out demonstration projects to promote biomass energy production (including biofuel, heat, and electricity generation) on Indian forest land and in nearby communities by providing reliable supplies of woody biomass from Federal land.

''(b) DEFINITIONS.—The definitions in section 2 shall apply to this section.

''(c) DEMONSTRATION PROJECTS.—In each fiscal year for which projects are authorized, the Secretary shall enter into contracts or other agreements described in subsection (a) to carry out at least 4 new demonstration projects that meet the eligibility criteria described in subsection (d).

''(d) ELIGIBILITY CRITERIA.—To be eligible to enter into a contract or other agreement under this subsection, an Indian tribe shall submit to the Secretary an application—

''(1) containing such information as the Secretary may require; and

''(2) that includes a description of—

''(A) the Indian forest land or rangeland under the jurisdiction of the Indian tribe; and

''(B) the demonstration project proposed to be carried out by the Indian tribe.

''(e) SELECTION.—In evaluating the applications submitted under subsection (c), the Secretary—

''(1) shall take into consideration the factors set forth in paragraphs (1) and (2) of section 2(e) of Public Law 108–278; and whether a proposed demonstration project would—

''(A) increase the availability or reliability of local or regional energy;

''(B) enhance the economic development of the Indian tribe;

''(C) improve the connection of electric power transmission facilities serving the Indian tribe with other electric transmission facilities;

''(D) improve the forest health or watersheds of Federal land or Indian forest land or rangeland; or

''(E) otherwise promote the use of woody biomass; and

''(2) shall exclude from consideration any merchantable logs that have been identified by the Secretary for commercial sale.

''(f) IMPLEMENTATION.—The Secretary shall—

''(1) ensure that the criteria described in subsection (c) are publicly available by not later than 120 days after the date of enactment of this section; and

''(2) to the maximum extent practicable, consult with Indian tribes and appropriate intertribal organizations likely to be affected in developing the application and otherwise carrying out this section.

''(g) REPORT.—Not later than one year subsequent to the date of enactment of this section, the Secretary shall submit to Congress a report that describes, with respect to the reporting period—

''(1) each individual tribal application received under this section; and

''(2) each contract and agreement entered into pursuant to this section.

''(h) INCORPORATION OF MANAGEMENT PLANS.—In carrying out a contract or agreement under this section, on receipt of a request from an Indian tribe, the Secretary shall incorporate into the contract or agreement, to the extent practicable, management plans (including forest management and integrated resource management plans) in effect on the Indian forest land or rangeland of the respective Indian tribe.

''(i) TERM.—A stewardship contract or other agreement entered into under this section—

''(1) shall be for a term of not more than 20 years; and

''(2) may be renewed in accordance with this section for not more than an additional 10 years.

**''SEC. 4. TRIBAL FOREST MANAGEMENT DEMONSTRATION PROJECT.**

''The Secretary of the Interior and the Secretary of Agriculture may carry out demonstration projects by which federally recognized Indian tribes or tribal organizations may contract to perform administrative, management, and other functions of programs of the Tribal Forest Protection Act of 2004 (25 U.S.C. 3115a et seq.) through contracts entered into under the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450 et seq.).''.

**SEC. 7. TRIBAL RESOURCE MANAGEMENT PLANS.**

Unless otherwise explicitly exempted by Federal law enacted after the date of the enactment of this Act, any activity conducted or resources harvested or produced pursuant to a tribal resource management plan or an integrated resource management plan approved by the Secretary of the Interior under the National Indian Forest Resources Management Act (25 U.S.C. 3101 et seq.) or the American Indian Agricultural Resource Management Act (25 U.S.C. 3701 et seq.), shall be considered a sustainable management practice for purposes of any Federal standard, benefit, or requirement that requires a demonstration of such sustainability.

**SEC. 8. LEASES OF RESTRICTED LANDS FOR THE NAVAJO NATION.**

So the amendment was agreed to.

After some further time,

The SPEAKER pro tempore, Mr. DOLD, assumed the Chair.

When Mr. HULTGREN, Chairman, reported the bill back to the House with an amendment adopted by the Committee.

Pursuant to House Resolution 466, the previous question was ordered.

The following amendment, reported from the Committee of the Whole House on the state of the Union, was agreed to:

Strike out all after the enacting clause and insert:

**SECTION 1. FINDINGS.**

The Congress finds the following:

(1) The United States has enjoyed a renaissance in energy production, establishing the United States as the world's leading oil producer.

(2) By authorizing crude oil exports, the Congress can spur domestic energy production, create and preserve jobs, help maintain and strengthen our independent shipping fleet that is essential to national defense, and generate State and Federal revenues.

(3) An energy-secure United States that is a net exporter of energy has the potential to transform the security environment around the world, notably in Europe and the Middle East.

(4) For our European allies and Israel, the presence of more United States oil in the market will offer more secure supply options, which will strengthen United States strategic alliances and help curtail the use of energy as a political weapon.

(5) The 60-ship Maritime Security Fleet is a vital element of our military's strategic sealift and global response capability. It assures United States-flag ships and United States crews will be available to support the United States military when it needs to mobilize to protect our allies, and is the most prudent and economical solution to meet current and projected sealift requirements for the United States.

(6) The Maritime Security Fleet program provides a labor base of skilled American mariners who are available to crew the United States Government-owned strategic sealift fleet, as well as the United States commercial fleet, in both peace and war.

(7) The United States has reduced its oil consumption over the past decade, and increasing investment in clean energy technology and energy efficiency will lower energy prices, reduce greenhouse gas emissions, and increase national security.

**SEC. 2. REPEAL.**

Section 103 of the Energy Policy and Conservation Act (42 U.S.C. 6212) and the item relating thereto in the table of contents of that Act are repealed.

**SEC. 3. NATIONAL POLICY ON OIL EXPORT RESTRICTION.**

Notwithstanding any other provision of law, to promote the efficient exploration, production, storage, supply, marketing, pricing, and regulation of energy resources, including fossil fuels, no official of the Federal Government shall impose or enforce any restriction on the export of crude oil.

**SEC. 4. STUDY AND RECOMMENDATIONS.**

(a) STRATEGIC PETROLEUM RESERVE.—Not later than 120 days after the date of enactment of this Act, the Secretary of Energy shall conduct a study and transmit to the Committee on Energy and Commerce of the House of Representatives and the Committee on Energy and Natural Resources of the Senate recommendations on the appropriate size, composition, and purpose of the Strategic Petroleum Reserve.

(b) GREENHOUSE GAS EMISSIONS.—Not later than 120 days after the date of enactment of this Act, the Secretary of Energy shall conduct, and transmit to the Committee on Energy and Commerce of the House of Representatives and the Committee on Energy and Natural Resources of the Senate the results of, a study on the net greenhouse gas emissions that will result from the repeal of the crude oil export ban under section 2.

(c) STRATEGIC PETROLEUM RESERVE STUDY.—Not later than 120 days after the date of enactment of this Act, the Secretary of Energy shall conduct a study and transmit to the Committee on Energy and Commerce of the House of Representatives and the Committee on Energy and Natural Resources of the Senate recommendations on the appropriate size, composition, and purpose of the Strategic Petroleum Reserve.

(D) the economic impact that exporting crude oil will have on the refining sector, taking into account impacts on employment.

(3) REPORT TO CONGRESS.—Not later than 1 year after the date of enactment of this Act, the Bureau of Industry and Security shall submit to Congress a report containing the results of the study conducted under paragraph (1).

**SEC. 5. SAVINGS CLAUSE.**

Mr. ROYCE moved to suspend the rules and agree to the following resolution (H. Res. 348); as amended:

Whereas after President Yanukovych had fled Kyiv, Russian President Vladimir Putin ordered the forcible and illegal occupation of Crimea in March 2014;

Whereas Russian-led separatists have forcibly seized large areas of Ukraine and continue their attacks on Ukraine's forces;

Whereas the Russian Federation has continued to engage in relentless political, economic, and military aggression to subvert the independence and violate the territorial integrity of Ukraine;

Whereas the United States has supported the democratically elected Government of Ukraine, which represents the will of the people of Ukraine, and Congress has passed multiple pieces of legislation to provide support to Ukraine;

Whereas Congress passed the Sovereignty, Integrity, Democracy, and Economic Stability of Ukraine Act of 2014 (Public Law 113–

95), which authorized loan guarantees for the Government of Ukraine;

Whereas Congress passed the Ukraine Freedom Support Act of 2014 (Public Law 113–272), which authorized the Administration to provide Ukraine's Government with support to facilitate necessary reforms, and stated that it is United States policy to assist the Government of Ukraine in restoring its sovereignty and territorial integrity;

Whereas in September 2014, a cease-fire agreement was brokered between Ukraine, Russia, and Russian-led separatists, but the agreement was never fully implemented;

Whereas in February 2015, an additional cease-fire, known as the Minsk Implementation Agreement or Minsk 2, was agreed upon;

Whereas the United States has assisted in many elections around the world, including Ukraine's Presidential election in May 25, 2014, to ensure that international election standards are upheld;

Whereas early parliamentary elections were held on October 26, 2014, but 29 of the 450 seats in parliament were not filled due to the inability to hold elections in areas controlled by separatists;

Whereas, despite the disenfranchisement of people living in separatist-controlled areas, international election observers declared the parliamentary elections in the rest of the country to have met international standards;

Whereas Ukraine and Russia are participating States of the Organization for Security and Cooperation in Europe and party to its commitments, including the 1990 Copenhagen Document which states that States ''will respect each other's right freely to choose and develop, in accordance with international human rights standards, their political, social, economic and cultural systems'' and that ''free elections that will be held at reasonable intervals by secret ballot or by equivalent free voting procedure, under conditions which ensure in practice the free expression of the opinion of the electors in the choice of their representatives'';

Whereas the next local elections are scheduled to take place in Ukraine on October 25, 2015;

Whereas these elections are critical to continued legislative and constitutional reform in Ukraine;

Whereas the Russian-led separatists in eastern Ukraine continue to refuse to implement Ukrainian law and to permit Ukrainian authorities to conduct elections in the areas they control and have therefore made free and fair elections in those areas impossible;

Whereas Ukraine's government has therefore been forced to postpone the local elections in those areas; and

Whereas the United States is supporting efforts to promote citizen engagement in the constitutional reform process, educating voters, and election monitoring: Now, therefore, be it

*Resolved,* That the House of Representatives—

(1) strongly supports the right of the people of Ukraine to freely elect their government and determine their future;

(2) urges the Administration to expedite assistance to Ukraine to facilitate the political, economic, and social reforms necessary for free and fair elections that meet international standards; and

(3) condemns attempts on the part of outside forces, specifically the Government of Russia, its agents and supporters, to interfere in Ukraine's elections, including through intimidation, violence, or coercion.

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. ¶131.25 MESSAGE FROM THE PRESIDENT

A message in writing from the President of the United States was communicated to the House by Mr. Sherman Williams, one of his secretaries.

¶131.26 MESSAGE FROM THE PRESIDENT—VETO OF H.R. 1735

The SPEAKER pro tempore, Mr. KELLY of Mississippi, laid before the House a message from the President, which was read as follows:

*To The House of Representatives:*

I am returning herewith without my approval H.R. 1735, the ''National Defense Authorization Act for Fiscal Year 2016.'' While there are provisions in this bill that I support, including the codification of key interrogation-related reforms from Executive Order 13491 and positive changes to the military retirement system, the bill would, among other things, constrain the ability of the Department of Defense to conduct multi-year defense planning

and align military capabilities and force structure with our national defense strategy, impede the closure of the detention facility at Guantanamo Bay, and prevent the implementation of essential defense reforms.

This bill fails to authorize funding for our national defense in a fiscally responsible manner. It underfunds our military in the base budget, and instead relies on an irresponsible budget gimmick that has been criticized by members of both parties. Specifically, the bill's use of $38 billion in Overseas Contingency Operations funding—which was meant to fund wars and is not subject to budget caps—does not provide the stable, multi-year budget upon which sound defense planning depends. Because this bill authorizes base budget funding at sequestration levels, it threatens the readiness and capabilities of our military and fails to provide the support our men and women in uniform deserve. The decision reflected in this bill to circumvent rather than reverse sequestration further harms our national security by locking in unacceptable funding cuts for crucial national security activities carried out by non-defense agencies.

I have repeatedly called upon the Congress to work with my Administration to close the detention facility at Guantanamo Bay, Cuba, and explained why it is imperative that we do so. As I have noted, the continued operation of this facility weakens our national security by draining resources, damaging our relationships with key allies and partners, and emboldening violent extremists. Yet in addition to failing to remove unwarranted restrictions on the transfer of detainees, this bill seeks to impose more onerous ones. The executive branch must have the flexibility, with regard to those detainees who remain at Guantanamo, to determine when and where to prosecute them, based on the facts and circumstances of each case and our national security interests, and when and where to transfer them consistent with our national security and our humane treatment policy. Rather than taking steps to bring this chapter of our history to a close, as I have repeatedly called upon the Congress to do, this bill aims to extend it.

The bill also fails to adopt many essential defense reforms, including to force structure, weapons systems, and military health care. Our defense strategy depends on investing every dollar where it will have the greatest effect. My Administration's proposals will accomplish this through critical reforms that divest unneeded force structure, slow growth in compensation, and reduce wasteful overhead. The restrictions in the bill would require the Department of Defense to retain unnecessary force structure and weapons systems that we cannot afford in today's fiscal environment, contributing to a military that will be less capable of responding effectively to future challenges.

Because of the manner in which this bill would undermine our national security, I must veto it.

BARACK OBAMA.

THE WHITE HOUSE, *October 22, 2015.*

The SPEAKER pro tempore, Mr. KELLY of Mississippi, by unanimous consent, ordered that the veto message, together with the accompanying bill, be printed (H. Doc. 114–70) and spread upon the pages of the Journal of the House.

Pursuant to the special order of the House of October 21, 2015, further consideration of the veto message and the bill were postponed until the legislative day of Thursday, November 5, 2015, and that on that legislative day, the House shall proceed to the constitutional question of reconsideration and dispose of such question without intervening motion.

¶133.9 PROVIDING FOR CONSIDERATION OF H.R. 597

Pursuant to clause 2 of rule XV,

Mr. FINCHER called up the motion No. 2 to discharge the Committee on Rules from further consideration of the resolution (H. Res. 450) providing for the consideration of the bill (H.R. 597) to reauthorize the Export-Import Bank of the United States, and for other purposes.

Pending consideration of said motion,

¶133.10 POINT OF ORDER

Mr. MULVANEY made a point of order against consideration of the motion, and said:

''Mr. Speaker, pursuant to rule XV, section 2(d)(1), I make a point of order that this motion is not timely brought.

''The rule specifically says that,

'On the second and fourth Mondays of a month,'

''which is what we are today,-

'immediately after the Pledge of Allegiance to the Flag, a motion to discharge that has been brought on the calendar for at least seven legislative days shall be privileged if called up by a Member whose signature appears thereon.'

''We had the pledge and the prayer earlier today. We also then had intervening activity in the House, and this motion is no longer timely.

''I would point out, Mr. Speaker, that we took up 1-minute speeches; we received a message from the Senate; and you, yourself, approved the Journal.''.

Mr. FINCHER was recognized to speak to the point of order and said:

''Mr. Speaker, I think my friend from South Carolina, the gentleman, is out of order. This is regular order. We are moving on as procedure.''.

Mr. MULVANEY was further recognized and said:

''Mr. Speaker, while you are continuing, I would like you to consider one thing. The rule is very explicit. The rule does not say that we may not take—the rule says that we must proceed immediately. I recognize the fact that on occasion 1-minute speeches are not considered business of the House, that receiving messages from the Senate are not considered business of the House, and, on occasion, a Journal is not considered business of the House even though, from time to time, we do vote on it.

''The rule does not say that we cannot do other business. The rule says we can't do anything, that we must proceed immediately after the Pledge of Allegiance, and that if the motion is brought at any other time it is untimely.''.

The SPEAKER pro tempore, Mr. DOLD, overruled the point of order, and said:

''The rule does not say that the motion to discharge must be—it just says that it can be—brought up immediately.

''Today's proceedings are consistent with previous occasions where the Chair has entertained 1-minute speeches on discharge days, and those speeches proceeded by unanimous consent.

''On those grounds, the point of order is overruled.''.

The motion to discharge the Committee on Rules was considered.

The SPEAKER pro tempore, Mr. DOLD, recognized Mr. FINCHER to control the time in favor of the motion and Mr. HENSARLING to control the time in opposition to the motion.

After debate,

The question being put, viva voce,

Will the House discharge the Committee on Rules from further consideration of said resolution?

The Speaker pro tempore, Mr. DOLD, announced that the ayes had it.

Mr. HENSARLING demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the Members present, so the yeas and nays were ordered.

The vote was taken by electronic device.

It was decided in the affirmative ..... { Yeas ..... 246 / Nays ..... 177

*(6) DIGITAL TRADE IN GOODS AND SERVICES AND CROSS-BORDER DATA FLOWS.—The principal negotiating objectives of the United States with respect to digital trade in goods and services, as well as cross-border data flows, are—*

*(A) to ensure that current obligations, rules, disciplines, and commitments under the World Trade Organization and bilateral and regional trade agreements apply to digital trade in goods and services and to cross-border data flows;*

*(B) to ensure that—*

*(i) electronically delivered goods and services receive no less favorable treatment under trade rules and commitments than like products delivered in physical form; and*

*(ii) the classification of such goods and services ensures the most liberal trade treatment possible, fully encompassing both existing and new trade;*

*(C) to ensure that governments refrain from implementing trade-related measures that impede digital trade in goods and services, restrict cross-border data flows, or require local storage or processing of data;*

*(D) with respect to subparagraphs (A) through (C), where legitimate policy objectives require domestic regulations that affect digital trade in goods and services or cross-border data flows, to obtain commitments that any such regulations are the least restrictive on trade, nondiscriminatory, and transparent, and promote an open market environment; and*

*(E) to extend the moratorium of the World Trade Organization on duties on electronic transmissions.*

*(7) REGULATORY PRACTICES.—The principal negotiating objectives of the United States regarding the use of government regulation or other practices to reduce market access for United States goods, services, and investments are—*

*(A) to achieve increased transparency and opportunity for the participation of affected parties in the development of regulations;*

*(B) to require that proposed regulations be based on sound science, cost benefit analysis, risk assessment, or other objective evidence;*

*(E) to promote regulatory compatibility through harmonization, equivalence, or mutual recognition of different regulations and standards and to encourage the use of international and interoperable standards, as appropriate;*

*(F) to achieve the elimination of government measures such as price controls and reference pricing which deny full market access for United States products;*

*(G) to ensure that government regulatory reimbursement regimes are transparent, provide procedural fairness, are nondiscriminatory, and provide full market access for United States products; and*

*(H) to ensure that foreign governments—*

*(i) demonstrate that the collection of undisclosed proprietary information is limited to that necessary to satisfy a legitimate and justifiable regulatory interest; and*

*(ii) protect such information against disclosure, except in exceptional circumstances to protect the public, or where such information is effectively protected against unfair competition.*

*(8) STATE-OWNED AND STATE-CONTROLLED ENTERPRISES.—The principal negotiating objective of the United States regarding competition by state-owned and state-controlled enterprises is to seek commitments that—*

*(A) eliminate or prevent trade distortions and unfair competition favoring state-owned and state-controlled enterprises to the extent of their engagement in commercial activity, and*

*(B) ensure that such engagement is based solely on commercial considerations,*

*in particular through disciplines that eliminate or prevent discrimination and market-distorting subsidies and that promote transparency.*

*(9) LOCALIZATION BARRIERS TO TRADE.—The principal negotiating objective of the United States with respect to localization barriers is to eliminate and prevent measures that require United States producers and service providers to locate facilities, intellectual property, or other assets in a country as a market access or investment condition, including indigenous innovation measures.*

*(10) LABOR AND THE ENVIRONMENT.—The principal negotiating objectives of the United States with respect to labor and the environment are—*

*(A) to ensure that a party to a trade agreement with the United States—*

*(i) adopts and maintains measures implementing internationally recognized core labor standards (as defined in section 111(17)) and its obligations under common multilateral environmental agreements (as defined in section 111(6)),*

*(ii) does not waive or otherwise derogate from, or offer to waive or otherwise derogate from—*

*(I) its statutes or regulations implementing internationally recognized core labor standards (as defined in section 111(17)), in a manner affecting trade or investment between the United States and that party, where the waiver or derogation would be inconsistent with one or more such standards, or*

*(II) its environmental laws in a manner that weakens or reduces the protections afforded in those laws and in a manner affecting trade or investment between the United States and that party, except as provided in its law and provided not inconsistent with its obligations under common multilateral environmental agreements (as defined in section 111(6)) or other provisions of the trade agreement specifically agreed upon, and*

*(iii) does not fail to effectively enforce its environmental or labor laws, through a sustained or recurring course of action or inaction,*

*in a manner affecting trade or investment between the United States and that party after*

*entry into force of a trade agreement between those countries;*

*(B) to recognize that—*

*(i) with respect to environment, parties to a trade agreement retain the right to exercise prosecutorial discretion and to make decisions regarding the allocation of enforcement resources with respect to other environmental laws determined to have higher priorities, and a party is effectively enforcing its laws if a course of action or inaction reflects a reasonable, bona fide exercise of such discretion, or results from a reasonable, bona fide decision regarding the allocation of resources; and*

*(ii) with respect to labor, decisions regarding the distribution of enforcement resources are not a reason for not complying with a party's labor obligations; a party to a trade agreement retains the right to reasonable exercise of discretion and to make bona fide decisions regarding the allocation of resources between labor enforcement activities among core labor standards, provided the exercise of such discretion and such decisions are not inconsistent with its obligations;*

*(C) to strengthen the capacity of United States trading partners to promote respect for core labor standards (as defined in section 111(7));*

*(D) to strengthen the capacity of United States trading partners to protect the environment through the promotion of sustainable development;*

*(E) to reduce or eliminate government practices or policies that unduly threaten sustainable development;*

*(F) to seek market access, through the elimination of tariffs and nontariff barriers, for United States environmental technologies, goods, and services;*

*(G) to ensure that labor, environmental, health, or safety policies and practices of the parties to trade agreements with the United States do not arbitrarily or unjustifiably discriminate against United States exports or serve as disguised barriers to trade;*

*(H) to ensure that enforceable labor and environment obligations are subject to the same dispute settlement and remedies as other enforceable obligations under the agreement; and*

*(I) to ensure that a trade agreement is not construed to empower a party's authorities to undertake labor or environmental law enforcement activities in the territory of the United States.*

*(11) CURRENCY.—The principal negotiating objective of the United States with respect to currency practices is that parties to a trade agreement with the United States avoid manipulating exchange rates in order to prevent effective balance of payments adjustment or to gain an unfair competitive advantage over other parties to the agreement, such as through cooperative mechanisms, enforceable rules, reporting, monitoring, transparency, or other means, as appropriate.*

*(12) FOREIGN CURRENCY MANIPULATION.—The principal negotiating objective of the United States with respect to unfair currency practices is to seek to establish accountability through enforceable rules, transparency, reporting, monitoring, cooperative mechanisms, or other means to address exchange rate manipulation involving protracted large scale intervention in one direction in the exchange markets and a persistently undervalued foreign exchange rate to gain an unfair competitive advantage in trade over other parties to a trade agreement, consistent with existing obligations of the United States as a member of the International Monetary Fund and the World Trade Organization.*

*(13) WTO AND MULTILATERAL TRADE AGREEMENTS.—Recognizing that the World Trade Organization is the foundation of the global trading system, the principal negotiating objectives of the United States regarding the World Trade Organization, the Uruguay Round Agreements, and other multilateral and plurilateral trade agreements are—*

*(A) to achieve full implementation and extend the coverage of the World Trade Organization and multilateral and plurilateral agreements to products, sectors, and conditions of trade not adequately covered;*

*(B) to expand country participation in and enhancement of the Information Technology Agreement, the Government Procurement Agreement, and other plurilateral trade agreements of the World Trade Organization;*

*(C) to expand competitive market opportunities for United States exports and to obtain fairer and more open conditions of trade, including through utilization of global value chains, through the negotiation of new WTO multilateral and plurilateral trade agreements, such as an agreement on trade facilitation;*

*(D) to ensure that regional trade agreements to which the United States is not a party fully achieve the high standards of, and comply with, WTO disciplines, including Article XXIV of GATT 1994, Article V and V bis of the General Agreement on Trade in Services, and the Enabling Clause, including through meaningful WTO review of such regional trade agreements;*

*(E) to enhance compliance by WTO members with their obligations as WTO members through active participation in the bodies of the World Trade Organization by the United States and all other WTO members, including in the trade policy review mechanism and the committee system of the World Trade Organization, and by working to increase the effectiveness of such bodies; and*

*(F) to encourage greater cooperation between the World Trade Organization and other international organizations.*

*(14) TRADE INSTITUTION TRANSPARENCY.—The principal negotiating objective of the United States with respect to transparency is to obtain wider and broader application of the principle of transparency in the World Trade Organization, entities established under bilateral and regional trade agreements, and other international trade fora through seeking—*

*(A) timely public access to information regarding trade issues and the activities of such institutions;*

*(B) openness by ensuring public access to appropriate meetings, proceedings, and submissions, including with regard to trade and investment dispute settlement; and*

*(C) public access to all notifications and supporting documentation submitted by WTO members.*

*(15) ANTI-CORRUPTION.—The principal negotiating objectives of the United States with respect to the use of money or other things of value to influence acts, decisions, or omissions of foreign governments or officials or to secure any improper advantage in a manner affecting trade are—*

*(A) to obtain high standards and effective domestic enforcement mechanisms applicable to persons from all countries participating in the applicable trade agreement that prohibit such attempts to influence acts, decisions, or omissions of foreign governments or officials or to secure any such improper advantage;*

*(B) to ensure that such standards level the playing field for United States persons in international trade and investment; and*

*(C) to seek commitments to work jointly to encourage and support anti-corruption and anti-bribery initiatives in international trade fora, including through the Convention on Combating Bribery of Foreign Public Officials in International Business Transactions of the Organization for Economic Cooperation and Development, done at Paris December 17, 1997 (commonly known as the ''OECD Anti-Bribery Convention'').*

*(16) DISPUTE SETTLEMENT AND ENFORCEMENT.—The principal negotiating objectives of the United States with respect to dispute settlement and enforcement of trade agreements are—*

*(A) to seek provisions in trade agreements providing for resolution of disputes between governments under those trade agreements in an effective, timely, transparent, equitable, and reasoned manner, requiring determinations based on facts and the principles of the agreements, with the goal of increasing compliance with the agreements;*

*(B) to seek to strengthen the capacity of the Trade Policy Review Mechanism of the World Trade Organization to review compliance with commitments;*

*(C) to seek adherence by panels convened under the Dispute Settlement Understanding and by the Appellate Body to—*

*(i) the mandate of those panels and the Appellate Body to apply the WTO Agreement as written, without adding to or diminishing rights and obligations under the Agreement; and*

*(ii) the standard of review applicable under the Uruguay Round Agreement involved in the dispute, including greater deference, where appropriate, to the fact finding and technical expertise of national investigating authorities;*

*(D) to seek provisions encouraging the early identification and settlement of disputes through consultation;*

*(E) to seek provisions to encourage the provision of trade-expanding compensation if a party to a dispute under the agreement does not come into compliance with its obligations under the agreement;*

*(F) to seek provisions to impose a penalty upon a party to a dispute under the agreement that—*

*(i) encourages compliance with the obligations of the agreement;*

*(ii) is appropriate to the parties, nature, subject matter, and scope of the violation; and*

*(iii) has the aim of not adversely affecting parties or interests not party to the dispute while maintaining the effectiveness of the enforcement mechanism; and*

*(G) to seek provisions that treat United States principal negotiating objectives equally with respect to—*

*(i) the ability to resort to dispute settlement under the applicable agreement;*

*(ii) the availability of equivalent dispute settlement procedures; and*

*(iii) the availability of equivalent remedies.*

*(17) TRADE REMEDY LAWS.—The principal negotiating objectives of the United States with respect to trade remedy laws are—*

*(A) to preserve the ability of the United States to enforce rigorously its trade laws, including the antidumping, countervailing duty, and safeguard laws, and avoid agreements that lessen the effectiveness of domestic and international disciplines on unfair trade, especially dumping and subsidies, or that lessen the effectiveness of domestic and international safeguard provisions, in order to ensure that United States workers, agricultural producers, and firms can compete fully on fair terms and enjoy the benefits of reciprocal trade concessions; and*

*(B) to address and remedy market distortions that lead to dumping and subsidization, including overcapacity, cartelization, and market access barriers.*

*(18) BORDER TAXES.—The principal negotiating objective of the United States regarding border taxes is to obtain a revision of the rules of the World Trade Organization with respect to the treatment of border adjustments for internal taxes to redress the disadvantage to countries relying primarily on direct taxes for revenue rather than indirect taxes.*

In any case in which such a designation is not in effect, the Secretary may select any person as the partnership representative.

''(b) BINDING EFFECT.—A partnership and all partners of such partnership shall be bound—

''(1) by actions taken under this subchapter by the partnership, and

''(2) by any final decision in a proceeding brought under this subchapter with respect to the partnership.

**''PART II—PARTNERSHIP ADJUSTMENTS**

**''SEC. 6225. PARTNERSHIP ADJUSTMENT BY SECRETARY.**

''(a) IN GENERAL.—In the case of any adjustment by the Secretary in the amount of any item of income, gain, loss, deduction, or credit of a partnership, or any partner's distributive share thereof—

''(1) the partnership shall pay any imputed underpayment with respect to such adjustment in the adjustment year as provided in section 6232, and

''(2) any adjustment that does not result in an imputed underpayment shall be taken into account by the partnership in the adjustment year—

''(A) except as provided in subparagraph (B), as a reduction in non-separately stated income or an increase in non-separately stated loss (whichever is appropriate) under section 702(a)(8), or

''(B) in the case of an item of credit, as a separately stated item.

''(b) DETERMINATION OF IMPUTED UNDERPAYMENTS.—For purposes of this subchapter—

''(1) IN GENERAL.—Except as provided in subsection (c), any imputed underpayment with respect to any partnership adjustment for any reviewed year shall be determined—

''(A) by netting all adjustments of items of income, gain, loss, or deduction and multiplying such net amount by the highest rate of tax in effect for the reviewed year under section 1 or 11,

''(B) by treating any net increase or decrease in loss under subparagraph (A) as a decrease or increase, respectively, in income, and

''(C) by taking into account any adjustments to items of credit as an increase or decrease, as the case may be, in the amount determined under subparagraph (A).

''(2) ADJUSTMENTS TO DISTRIBUTIVE SHARES OF PARTNERS NOT NETTED.—In the case of any adjustment which reallocates the distributive share of any item from one partner to another, such adjustment shall be taken into account under paragraph (1) by disregarding—

''(A) any decrease in any item of income or gain, and

''(B) any increase in any item of deduction, loss, or credit.

''(c) MODIFICATION OF IMPUTED UNDERPAYMENTS.—

''(1) IN GENERAL.—The Secretary shall establish procedures under which the imputed underpayment amount may be modified consistent with the requirements of this subsection.

''(2) AMENDED RETURNS OF PARTNERS.—

''(A) IN GENERAL.—Such procedures shall provide that if—

''(i) one or more partners file returns (notwithstanding section 6511) for the taxable year of the partners which includes the end of the reviewed year of the partnership,

''(ii) such returns take into account all adjustments under subsection (a) properly allocable to such partners (and for any other taxable year with respect to which any tax attribute is affected by reason of such adjustments), and

''(iii) payment of any tax due is included with such return,

then the imputed underpayment amount shall be determined without regard to the portion of the adjustments so taken into account.

''(B) REALLOCATION OF DISTRIBUTIVE SHARE.—In the case of any adjustment which reallocates the distributive share of any item from one partner to another, paragraph (2) shall apply only if returns are filed by all partners affected by such adjustment.

''(3) TAX-EXEMPT PARTNERS.—Such procedures shall provide for determining the imputed underpayment without regard to the portion thereof that the partnership demonstrates is allocable to a partner that would not owe tax by reason of its status as a tax-exempt entity (as defined in section 168(h)(2)).

''(4) MODIFICATION OF APPLICABLE HIGHEST TAX RATES.—

''(A) IN GENERAL.—Such procedures shall provide for taking into account a rate of tax lower than the rate of tax described in subsection (b)(1)(A) with respect to any portion of the imputed underpayment that the partnership demonstrates is allocable to a partner which—

''(i) in the case of ordinary income, is a C corporation, or

''(ii) in the case of a capital gain or qualified dividend, is an individual.

In no event shall the lower rate determined under the preceding sentence be less than the highest rate in effect with respect to the income and taxpayer described in clause (i) or clause (ii), as the case may be. For purposes of clause (ii), an S corporation shall be treated as an individual.

''(B) PORTION OF IMPUTED UNDERPAYMENT TO WHICH LOWER RATE APPLIES.—

''(i) IN GENERAL.—Except as provided in clause (ii), the portion of the imputed underpayment to which the lower rate applies with respect to a partner under subparagraph (A) shall be determined by reference to the partners' distributive share of items to which the imputed underpayment relates.

''(ii) RULE IN CASE OF VARIED TREATMENT OF ITEMS AMONG PARTNERS.—If the imputed underpayment is attributable to the adjustment of more than 1 item, and any partner's distributive share of such items is not the same with respect to all such items, then the portion of the imputed underpayment to which the lower rate applies with respect to a partner under subparagraph (A) shall be determined by reference to the amount which would have been the partner's distributive share of net gain or loss if the partnership

had sold all of its assets at their fair market value as of the close of the reviewed year of the partnership.

''(5) OTHER PROCEDURES FOR MODIFICATION OF IMPUTED UNDERPAYMENT.—The Secretary may by regulations or guidance provide for additional procedures to modify imputed underpayment amounts on the basis of such other factors as the Secretary determines are necessary or appropriate to carry out the purposes of this subsection.

''(6) YEAR AND DAY FOR SUBMISSION TO SECRETARY.—Anything required to be submitted pursuant to paragraph (1) shall be submitted to the Secretary not later than the close of the 270-day period beginning on the date on which the notice of a proposed partnership adjustment is mailed under section 6231 unless such period is extended with the consent of the Secretary.

''(7) DECISION OF SECRETARY.—Any modification of the imputed underpayment amount under this subsection shall be made only upon approval of such modification by the Secretary.

''(d) DEFINITIONS.—For purposes of this subchapter—

''(1) REVIEWED YEAR.—The term 'reviewed year' means the partnership taxable year to which the item being adjusted relates.

''(2) ADJUSTMENT YEAR.—The term 'adjustment year' means the partnership taxable year in which—

''(A) in the case of an adjustment pursuant to the decision of a court in a proceeding brought under section 6234, such decision becomes final,

''(B) in the case of an administrative adjustment request under section 6227, such administrative adjustment request is made, or

''(C) in any other case, notice of the final partnership adjustment is mailed under section 6231.

**"SEC. 6226. ALTERNATIVE TO PAYMENT OF IMPUTED UNDERPAYMENT BY PARTNERSHIP.**

''(a) IN GENERAL.—If the partnership—

''(1) not later than 45 days after the date of the notice of final partnership adjustment, elects the application of this section with respect to an imputed underpayment, and

''(2) at such time and in such manner as the Secretary may provide, furnishes to each partner of the partnership for the reviewed year and to the Secretary a statement of the partner's share of any adjustment to income, gain, loss, deduction, or credit (as determined in the notice of final partnership adjustment),

section 6225 shall not apply with respect to such underpayment and each such partner shall take such adjustment into account as provided in subsection (b). The election under paragraph (1) shall be made in such manner as the Secretary may provide and, once made, shall be revocable only with the consent of the Secretary.

''(b) ADJUSTMENTS TAKEN INTO ACCOUNT BY PARTNER.—

''(1) TAX IMPOSED IN YEAR OF STATEMENT.—Each partner's tax imposed by chapter 1 for the taxable year which includes the date the statement was furnished under subsection (a) shall be increased by the aggregate of the adjustment amounts determined under paragraph (2) for the taxable years referred to therein.

''(2) ADJUSTMENT AMOUNTS.—The adjustment amounts determined under this paragraph are—

''(A) in the case of the taxable year of the partner which includes the end of the reviewed year, the amount by which the tax imposed under chapter 1 would increase if the partner's share of the adjustments described in subsection (a) were taken into account for such taxable year, plus

''(B) in the case of any taxable year after the taxable year referred to in subparagraph (A) and before the taxable year referred to in paragraph (1), the amount by which the tax imposed under chapter 1 would increase by reason of the adjustment to tax attributes under paragraph (3).

''(3) ADJUSTMENT OF TAX ATTRIBUTES.—Any tax attribute which would have been affected if the adjustments described in subsection (a) were taken into account for the taxable year referred to in paragraph (2)(A) shall—

''(A) in the case of any taxable year referred to in paragraph (2)(B), be appropriately adjusted for purposes of applying such paragraph, and

''(B) in the case of any subsequent taxable year, be appropriately adjusted.

''(c) PENALTIES AND INTEREST.—

''(1) PENALTIES.—Notwithstanding subsections (a) and (b), any penalties, additions to tax, or additional amount shall be determined as provided under section 6221 and the partners of the partnership for the reviewed year shall be liable for any such penalty, addition to tax, or additional amount.

''(2) INTEREST.—In the case of an imputed underpayment with respect to which the application of this section is elected, interest shall be determined—

''(A) at the partner level,

''(B) from the due date of the return for the taxable year to which the increase is attributable (determined by taking into account any increases attributable to a change in tax attributes for a taxable year under subsection (b)(2)), and

''(C) at the underpayment rate under section 6621(a)(2), determined by substituting '5 percentage points' for '3 percentage points' in subparagraph (B) thereof.

**"SEC. 6227. ADMINISTRATIVE ADJUSTMENT REQUEST BY PARTNERSHIP.**

''(a) IN GENERAL.—A partnership may file a request for an administrative adjustment in the amount of one or more items of income, gain, loss, deduction, or credit of the partnership for any partnership taxable year.

''(b) ADJUSTMENT.—Any such adjustment under subsection (a) shall be determined and taken into account for the partnership taxable year in which the administrative adjustment request is made—

''(1) by the partnership under rules similar to the rules of section 6225 (other than paragraphs (2), (6) and (7) of subsection (c) thereof) for the partnership taxable year in which the administrative adjustment request is made, or

''(2) by the partnership and partners under rules similar to the rules of section 6226 (determined without regard to the substitution described in subsection (c)(2)(C) thereof).

In the case of an adjustment that would not result in an imputed underpayment, paragraph (1) shall not apply and paragraph (2) shall apply with appropriate adjustments.

''(c) PERIOD OF LIMITATIONS.—A partnership may not file such a request more than 3 years after the later of—

''(1) the date on which the partnership return for such year is filed, or

''(2) the last day for filing the partnership return for such year (determined without regard to extensions).

In no event may a partnership file such a request after a notice of an administrative proceeding with respect to the taxable year is mailed under section 6231.

**"PART 1—PROCEDURE**

**"SEC. 6231. NOTICE OF PROCEEDINGS AND ADJUSTMENT.**

''(a) IN GENERAL.—The Secretary shall mail to the partnership and the partnership representative—

''(1) notice of any administrative proceeding initiated at the partnership level with respect to an adjustment of any item of income, gain, loss, deduction, or credit of a partnership for a partnership taxable year, or any partner's distributive share thereof,

''(2) notice of any proposed partnership adjustment resulting from such proceeding, and

''(3) notice of any final partnership adjustment resulting from such proceeding.

Any notice of a final partnership adjustment shall not be mailed earlier than 270 days after the date on which the notice of the proposed partnership adjustment is mailed. Such notices shall be sufficient if mailed to the last known address of the partnership representative or the partnership (even if the partnership has terminated its existence). The first sentence shall apply to any proceeding with respect to an administrative adjustment request filed by a partnership under section 6227.

''(b) FURTHER NOTICES RESTRICTED.—If the Secretary mails a notice of a final partnership adjustment to any partnership for any partnership taxable year and the partnership files a petition under section 6234 with respect to such notice, in the absence of a showing of fraud, malfeasance, or misrepresentation of a material fact, the Secretary shall not mail another such notice to such partnership with respect to such taxable year.

''(c) AUTHORITY TO RESCIND NOTICE WITH PARTNERSHIP CONSENT.—The Secretary may, with the consent of the partnership, rescind any notice of a partnership adjustment mailed to such partnership. Any notice so rescinded shall not be treated as a notice of a partnership adjustment for purposes of this subchapter, and the taxpayer shall have no right to bring a proceeding under section 6234 with respect to such notice.

**"SEC. 6232. ASSESSMENT, COLLECTION, AND PAYMENT.**

''(a) IN GENERAL.—Any imputed underpayment shall be assessed and collected in the same manner as if it were a tax imposed for the adjustment year by subtitle A, except that in the case of an administrative adjustment request to which section 6227(b)(1) applies, the underpayment shall be paid when the request is filed.

''(b) LIMITATION ON ASSESSMENT.—Except as otherwise provided in this chapter, no assessment of a deficiency may be made (and no levy or proceeding in any court for the collection of any amount resulting from such adjustment may be made, begun or prosecuted) before—

''(1) the close of the 90th day after the day on which a notice of a final partnership adjustment was mailed, and

''(2) if a petition is filed under section 6234 with respect to such notice, the decision of the court has become final.

''(c) PREMATURE ACTION MAY BE ENJOINED.—Notwithstanding section 7421(a), any action which violates subsection (b) may be enjoined in the proper court, including the Tax Court. The Tax Court shall have no jurisdiction to enjoin any action under this subsection unless a timely petition has been filed under section 6234 and then only in respect of the adjustments that are the subject of such petition.

''(d) EXCEPTIONS TO RESTRICTIONS ON ADJUSTMENTS.—

''(1) ADJUSTMENTS ARISING OUT OF MATH OR CLERICAL ERRORS.—

''(A) IN GENERAL.— If the partnership is notified that, on account of a mathematical or clerical error appearing on the partnership

return, an adjustment to a item is required, rules similar to the rules of paragraphs (1) and (2) of section 6213(b) shall apply to such adjustment.

''(B) SPECIAL RULE.—If a partnership is a partner in another partnership, any adjustment on account of such partnership's failure to comply with the requirements of section 6222(a) with respect to its interest in such other partnership shall be treated as an adjustment referred to in subparagraph (A), except that paragraph (2) of section 6213(b) shall not apply to such adjustment.

''(2) PARTNERSHIP MAY WAIVE RESTRICTIONS.—The partnership may at any time (whether or not any notice of partnership adjustment has been issued), by a signed notice in writing filed with the Secretary, waive the restrictions provided in subsection (b) on the making of any partnership adjustment.

''(e) LIMIT WHERE NO PROCEEDING BEGUN.—If no proceeding under section 6234 is begun with respect to any notice of a final partnership adjustment during the 90-day period described in subsection (b) thereof, the amount for which the partnership is liable under section 6225 shall not exceed the amount determined in accordance with such notice.

**''SEC. 6233. INTEREST AND PENALTIES.**

''(a) INTEREST AND PENALTIES DETERMINED FROM REVIEWED YEAR.—

''(1) IN GENERAL.—Except to the extent provided in section 6226(c), in the case of a partnership adjustment for a reviewed year—

''(A) interest shall be computed under paragraph (2), and

''(B) the partnership shall be liable for any penalty, addition to tax, or additional amount as provided in paragraph (3).

''(2) DETERMINATION OF AMOUNT OF INTEREST.—The interest computed under this paragraph with respect to any partnership adjustment is the interest which would be determined under chapter 67 for the period beginning on the day after the return due date for the reviewed year and ending on the return due date for the adjustment year (or, if earlier, the date payment of the imputed underpayment is made). Proper adjustments in the amount determined under the preceding sentence shall be made for adjustments required for partnership taxable years after the reviewed year and before the adjustment year by reason of such partnership adjustment.

''(3) PENALTIES.—Any penalty, addition to tax, or additional amount shall be determined at the partnership level as if such partnership had been an individual subject to tax under chapter 1 for the reviewed year and the imputed underpayment were an actual underpayment (or understatement) for such year.

''(b) INTEREST AND PENALTIES WITH RESPECT TO ADJUSTMENT YEAR RETURN.—

''(1) IN GENERAL.—In the case of any failure to pay an imputed underpayment on the date prescribed therefor, the partnership shall be liable—

''(A) for interest as determined under paragraph (2), and

''(B) for any penalty, addition to tax, or additional amount as determined under paragraph (3).

''(2) INTEREST.—Interest determined under this paragraph is the interest that would be determined by treating the imputed underpayment as an underpayment of tax imposed in the adjustment year.

''(3) PENALTIES.—Penalties, additions to tax, or additional amounts determined under this paragraph are the penalties, additions to tax, or additional amounts that would be determined—

''(A) by applying section 6651(a)(2) to such failure to pay, and

''(B) by treating the imputed underpayment as an underpayment of tax for purposes of part II of subchapter A of chapter 68.

**''SEC. 6234. JUDICIAL REVIEW OF PARTNERSHIP ADJUSTMENT.**

''(a) IN GENERAL.—Within 90 days after the date on which a notice of a final partnership adjustment is mailed under section 6231 with respect to any partnership taxable year, the partnership may file a petition for a readjustment for such taxable year with—

''(1) the Tax Court,

''(2) the district court of the United States for the district in which the partnership's principal place of business is located, or

''(3) the Claims Court.

''(b) JURISDICTIONAL REQUIREMENT FOR BRINGING ACTION IN DISTRICT COURT OR CLAIMS COURT.—

''(1) IN GENERAL.—A readjustment petition under this section may be filed in a district court of the United States or the Claims Court only if the partnership filing the petition deposits with the Secretary, on or before the date the petition is filed, the amount of the imputed underpayment (as of the date of the filing of the petition) if the partnership adjustment was made as provided by the notice of final partnership adjustment. The court may by order provide that the jurisdictional requirements of this paragraph are satisfied where there has been a good faith attempt to satisfy such requirement and any shortfall of the amount required to be deposited is timely corrected.

''(2) INTEREST PAYABLE.—Any amount deposited under paragraph (1), while deposited, shall not be treated as a payment of tax for purposes of this title (other than chapter 67).

''(c) SCOPE OF JUDICIAL REVIEW.—A court with which a petition is filed in accordance with this section shall have jurisdiction to determine all items of income, gain, loss, deduction, or credit of the partnership for the partnership taxable year to which the notice of final partnership adjustment relates, the proper allocation of such items among the partners, and the applicability of any penalty, addition to tax, or additional amount for which the partnership may be liable under this subchapter.

''(d) DETERMINATION OF COURT REVIEWABLE.—Any determination by a court under this section shall have the force and effect of a decision of the Tax Court or a final judgment or decree of the district court or the Claims Court, as the case may be, and shall be reviewable as such. The date of any such determination shall be treated as being the date of the court's order entering the decision.

''(e) EFFECT OF DECISION DISMISSING ACTION.—If an action brought under this section is dismissed other than by reason of a rescission under section 6231(c), the decision of the court dismissing the action shall be considered as its decision that the notice of final partnership adjustment is correct, and an appropriate order shall be entered in the records of the court.

**''SEC. 6235. PERIOD OF LIMITATIONS ON MAKING ADJUSTMENTS.**

''(a) IN GENERAL.—Except as otherwise provided in this section, no adjustment under this subpart for any partnership taxable year may be made after the later of—

''(1) the date which is 3 years after the latest of—

''(A) the date on which the partnership return for such taxable year was filed,

''(B) the return due date for the taxable year, or

''(C) the date on which the partnership filed an administrative adjustment request with respect to such year under section 6227, or

''(2) in the case of any modification of an imputed underpayment under section 6225(c), the date that is 270 days (plus the number of days of any extension consented to by the Secretary under paragraph (4) thereof) after the date on which everything required to be submitted to the Secretary pursuant to such section is so submitted, or

''(3) in the case of any notice of a proposed partnership adjustment under section 6231(a)(2), the date that is 270 days after the date of such notice.

''(b) EXTENSION BY AGREEMENT.—The period described in subsection (a) (including an extension period under this subsection) may be extended by an agreement entered into by the Secretary and the partnership before the expiration of such period.

''(c) SPECIAL RULE IN CASE OF FRAUD, ETC.—

''(1) FALSE RETURN.—In the case of a false or fraudulent partnership return with intent to evade tax, the adjustment may be made at any time.

''(2) SUBSTANTIAL OMISSION OF INCOME.—If any partnership omits from gross income an amount properly includible therein and such amount is described in section 6501(e)(1)(A), subsection (a) shall be applied by substituting '6 years' for '3 years'.

''(3) NO RETURN.—In the case of a failure by a partnership to file a return for any taxable year, the adjustment may be made at any time.

''(4) RETURN FILED BY SECRETARY.—For purposes of this section, a return executed by the Secretary under subsection (b) of section 6020 on behalf of the partnership shall not be treated as a return of the partnership.

''(d) SUSPENSION WHEN SECRETARY MAILS NOTICE OF ADJUSTMENT.—If notice of a final partnership adjustment with respect to any taxable year is mailed under section 6231, the running of the period specified in subsection (a) (as modified by the other provisions of this section) shall be suspended—

''(1) for the period during which an action may be brought under section 6234 (and, if a petition is filed under such section with respect to such notice, until the decision of the court becomes final), and

''(2) for 1 year thereafter.

The SPEAKER pro tempore, Mr. JENKINS of West Virginia, laid before the House a message from the President, which was read as follows:

*To the Congress of the United States*:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to Sudan is to continue in effect beyond November 3, 2015.

The crisis constituted by the actions and policies of the Government of Sudan that led to the declaration of a national emergency in Executive Order 13067 of November 3, 1997, and the expansion of that emergency in Executive Order 13400 of April 26, 2006, and with respect to which additional steps were taken in Executive Order 13412 of October 13, 2006, has not been resolved. These actions and policies continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13067 with respect to Sudan.

BARACK OBAMA.

The SPEAKER announced the appointment of Mr. MCCARTHY, Ms. PELOSI, Mr. SCALISE, Mr. HOYER, Mrs. MCMORRIS RODGERS, Mr. CLYBURN, Mr. WALDEN, Mr. BECERRA, Mr. MESSER, Mr. CROWLEY, Ms. JENKINS of Kansas, Mr. ISRAEL, Ms. FOXX, Mr. Ben Ray LUJAN of New Mexico, Mrs. WAGNER, Ms. DELAURO, Mrs. Mimi WALTERS of California, Ms. EDWARDS, Mr. SESSIONS, Mr. VAN HOLLEN, Mr. MCHENRY, and the Wisconsin delegation, Mr. SENSENBRENNER, Mr. KIND, Ms. MOORE, Mr. DUFFY, Mr. RIBBLE, Mr. POCAN, and Mr. GROTHMAN to escort the Speaker-elect to the Chair.

The SPEAKER-elect was escorted to the Chair by said committee and, following an introduction by Ms. PELOSI, addressed the House as follows:

''Before I begin, I would like to thank all of my family and friends who flew in from Wisconsin and from all over for being here today.

''In the gallery I have my mom, Betty; my sister, Janet; my brothers, Stan and Tobin; and more cousins than I can count on a few hands.

''Most importantly, I want to recognize my wife, Janna; and our children: Liza, Charlie, and Sam.

''I also want to thank Speaker BOEHNER. For almost 5 years, he led this House. For nearly 25 years, he served it. Not many people can match his accomplishments, the offices he held, the laws he passed.

''But what really sets JOHN apart is he is a man of character, a true class act. He is, without question, the gentleman from Ohio. So please join me in saying one last time, 'Thank you, Speaker BOEHNER.'

''Now I know how he felt. It is not until you hold this gavel, stand in this spot, look out and see all 435 Members of this House, as if all America is sitting right in front of you—it is not until then that you feel it, the weight of responsibility and the gravity of the moment.

''As I stand here, I can't help but think of something Harry Truman once said. The day after Franklin Roosevelt died, Truman became President. He told a group of reporters, 'If you ever pray, pray for me now.'

''When they told me yesterday what had happened, I felt like the Moon, the stars, and all the planets had fallen on me. We should all feel that way. A lot is on our shoulders. So if you ever pray, let's pray for each other, Republicans for Democrats and Democrats for Republicans.

''And I don't mean pray for a conversion, all right? Pray for a deeper understanding. Because when you are up here, you see it so clearly. Wherever you come from, whatever you believe, we are all in the same boat.

''I never thought I would be Speaker, but early in my life, I wanted to serve this House. I thought this place was exhilarating because here you can make a difference. If you had a good idea, if you worked hard, you could make it happen. You could improve people's lives. To me, the House of Representatives represents what is the best of America: the boundless opportunity to do good.

''But let's be frank. The House is broken. We are not solving problems. We are adding to them. I am not interested in laying blame. We are not settling scores. We are wiping the slate clean.

''Neither the Members nor the people are satisfied with how things are going. We need to make some changes, starting with how the House does business. We need to let every Member contribute, not once they have earned their stripes, but now.

''I come at this job as a two-time committee chair. The committees should retake the lead in drafting all major legislation. If you know the issue, you should write the bill.

''Let's open up the process. Let people participate, and they might change their mind. A neglected minority will gum up the works. A respected minority will work in good faith. Instead of trying to stop the majority, they might try to become the majority. In other words, we need to return to regular order.

''Now, I know this sounds like process. It is actually a matter of principle. We are the body closest to the people. Every 2 years, we face the voters and sometimes face the music. But we do not echo the people; we represent the people. We are supposed to study up and do the homework that they cannot do. So when we do not follow regular order, when we rush to pass bills that a lot of us don't understand, we are not doing our job. Only a fully functioning House can truly represent the people; and if there were ever a time for us to step up, this would be that time.

''America does not feel strong anymore because the working people of America do not feel strong anymore. I am talking about the people who mind the store and grow the food and walk the beat and pay the taxes and raise the family. They do not sit in this House. They do not have fancy titles, but they are the people who make this country work, and this House should work for them.

''Here is the problem. They are working hard. They are paying a lot. They are trying to do right by their families, and they are going nowhere fast. They never get a raise. They never get a break. The bills keep piling up and the taxes and the debt. They are working harder than ever before to get ahead, and yet they are falling further behind. They feel robbed. They feel cheated of their birthright. They are not asking for any favors. They just want a fair chance, and they are losing faith that they will ever get it.

''Then they look at Washington, and all they see is chaos. What a relief to them it would be if we finally got our acts together. What a weight off of their shoulders. How reassuring it would be if we actually fixed the Tax Code, put patients in charge of their health care, grew our economy, strengthened our military, lifted people out of poverty, and paid down our debt. At this point, nothing could be more inspiring than a job well done. Nothing could stir the heart more than real, concrete results.

''The cynics will scoff. They will say it is not possible. You better believe, we are going to try. We will not duck the tough issues; we will take them head-on. We are going to do all we can do so that working people get their strength back and people not working get their lives back. No more favors for the few. 'Opportunity for all,' that is our motto.

''I often talk about a need for a vision. I am not sure I ever really said what I meant. We solve problems here, yes. We create a lot of them, too. But at bottom, we vindicate a way of life. We show by our work that free people can govern themselves. They can solve their own problems. They can make their own decisions. They can delib-

erate, collaborate, and get the job done.

''We show that self-government is not only more efficient and more effective, it is more fulfilling. In fact, we show it is that struggle, that hard work, that very achievement itself that makes us free. That is what we do here.

''We will not always agree, not all of us, not all of the time, but we should not hide our disagreements. We should embrace them. We have nothing to fear from honest differences honestly stated. If you have ideas, let's hear them. I believe that a greater clarity between us can lead to greater charity among us, and there is every reason to have hope.

''When the first Speaker took the gavel, he looked out at a room of 30 people, representing a nation of 3 million. Today, as I look out at each and every one of you, we represent a nation of 300 million.

''So when I hear people say that America doesn't have it, we are done, we are spent, I don't believe it. I believe with every fiber of my being that we can renew the American idea. Now our task is to make us all believe.

''My friends, you have done me a great honor. The people of this country, they have done all of us a great honor. Now let's prove ourselves worthy of it. Let's seize the moment. Let's rise to the occasion. And when we are done, let us say that we left the people—all the people—more united, happy, and free.

''Thank you.''.

## ¶137.9 RESIGNATION AS MEMBER OF HOUSE OF REPRESENTATIVES

The SPEAKER laid before the House the following communication, which was read as follows:

CONGRESS OF THE UNITED STATES,
HOUSE OF REPRESENTATIVES,
*Washington, DC, October 29, 2015.*

Hon. PAUL D. RYAN,
*Speaker of the House,*
*Washington, DC.*

SPEAKER RYAN: I write to inform you that I have notified Ohio Governor John Kasich of my resignation from the U.S. House of Representatives, effective 11:59 p.m. October 31, 2015.

At this hour, my heart is full with gratitude. I wish to thank the people of Ohio's Eighth District for giving me the opportunity to serve, my staff for being the linchpins of that service, and my colleagues for honoring me with their trust by electing me their Speaker. Together, we banned earmarks, cut spending by more than $2 trillion, made the first entitlement reforms in nearly two decades, and made it possible for kids in Washington, D.C.'s toughest neighborhoods to go to great schools. Put another way, we did the right things for the right reasons, and good things happened.

It has been an honor to serve.

Sincerely,

JOHN A. BOEHNER,
*Member of Congress.*

---

CONGRESS OF THE UNITED STATES,
HOUSE OF REPRESENTATIVES,
*October 29, 2015.*

Hon. JOHN R. KASICH,
*Governor of Ohio, Columbus, Ohio.*

DEAR GOVERNOR KASICH: I am writing to inform you that I will resign my congressional seat in the U.S. House of Representatives, effective 11:59 p.m. October 31, 2015.

Some 25 years ago, I asked the people of Ohio's Eighth District to send me to Washington on a mission to help build a smaller, less costly, and more accountable government. First and foremost, that has meant helping constituents and local officials cut through gridlock and navigate the bureaucratic maze to get things done. In Hamilton, we brought together the Army Corps of Engineers and local officials to get the Meldahl Lock and Dam power plant off the ground. In Butler County, we worked with officials at all levels to keep the veterans highway and Union Centre Blvd. projects on track. We made sure that Wright Patterson Air Force Base and the Springfield Air National Guard Base had the resources they need to support our men and women in uniform. And not to mention the tens of thousands of constituents we helped through casework, letters, phone calls, my open door program, and of course, Farm Forum. None of this would have been possible without the hard work of my staff, which has been first-rate from start to finish. Together, we did the right things for the right reasons and good things happened.

It has been an honor to serve.

Sincerely,

JOHN A. BOEHNER,
*Member of Congress.*

¶137.10 WHOLE NUMBER OF THE HOUSE OF REPRESENTATIVES ADJUSTED

The SPEAKER announced, under clause 5(d) of rule XX, that, in light of the resignation of the gentleman from Ohio [Mr. BOEHNER], the whole number of the House is adjusted to 434.

¶137.11 COMMUNICATION FROM THE CLERK—MESSAGE FROM THE PRESIDENT

The SPEAKER pro tempore, Mr. DENHAM, laid before the House a communication, which was read as follows:

OFFICE OF THE CLERK,
U.S. HOUSE OF REPRESENTATIVES,
*Washington, DC, October 30, 2015.*

Hon. PAUL D. RYAN,
*The Speaker, U.S. Capitol, House of Representatives, Washington, DC.*

DEAR MR. SPEAKER: Pursuant to the permission granted in Clause 2(h) of Rule II of the Rules of the U.S. House of Representatives, I have the honor to transmit a sealed envelope received from the White House on October 30, 2015, at 3:12 p.m., and said to contain a message from the President whereby he notifies the Congress of his intention to terminate the designation of Burundi as a beneficiary sub-Saharan African country under the African Growth and Opportunity Act.

With best wishes, I am

Sincerely,

KAREN L. HAAS,
*Clerk of the House.*

¶137.12 TERMINATION OF THE REPUBLIC OF BURUNDI AS A BENEFICIARY SUB-SAHARAN AFRICAN COUNTRY UNDER AGOA

The Clerk then read the message from the President, as follows:

*To the Congress of the United States:*

In accordance with section 506A(a)(3)(B) of the African Growth and Opportunity Act, as amended (AGOA) (19 U.S.C. 2466a(a)(3)(B)), I am providing notification of my intent to terminate the designation of the Republic of Burundi (Burundi) as a beneficiary sub-Saharan African country under AGOA.

I am taking this step because I have determined that the Government of Burundi has not established or is not making continual progress toward establishing the rule of law and political pluralism, as required by the AGOA eligibility requirements outlined in section 104 of the AGOA (19 U.S.C. 3703). In particular, the continuing crackdown on opposition members, which has included assassinations, extra-judicial killings, arbitrary arrests, and torture, have worsened significantly during the election campaign that returned President Nkurunziza to power earlier this year. In addition, the Government of Burundi has blocked opposing parties from holding organizational meetings and campaigning throughout the electoral process. Police and armed youth militias with links to the ruling party have intimidated the opposition, contributing to nearly 200,000 refugees fleeing the country since April 2015. Accordingly, I intend to terminate the designation of Burundi as a beneficiary sub-Saharan African country under AGOA as of January 1, 2016.

BARACK OBAMA.

THE WHITE HOUSE, *October 30, 2015.*

By unanimous consent, the message was referred to the Committee on Ways and Means and ordered to be printed (H. Doc. 114–72).

¶137.20 ANTI-ISRAEL AND ANTI-SEMITIC INCITEMENT WITHIN THE PALESTINIAN AUTHORITY

Ms. ROS-LEHTINEN moved to suspend the rules and agree to the following resolution (H. Res. 293); as amended:

Whereas the 1995 Interim Agreement on the West Bank and the Gaza Strip, commonly referred to as Oslo II, specifically details that Israel and the Palestinian Authority shall ''abstain from incitement, including hostile propaganda, against each other and, without derogating from the principle of freedom of expression, shall take legal measures to prevent such incitement by any organizations, groups or individuals within their jurisdiction'';

Whereas the Oslo II agreement further states that Israel and the Palestinian Authority ''will ensure that their respective educational systems contribute to the peace between the Israeli and Palestinian peoples and to peace in the entire region'';

Whereas Palestinian Authority incitement against Israelis has continued unabated for many years despite periods of negotiations between Israel and the Palestinian Authority;

Whereas this incitement takes on many forms, and has included the glorification of terrorists who have murdered Israeli civilians; advocating struggle against Israel despite entering into negotiations with Israel; the demonization of Jews and Israelis, including by the use of anti-Semitic motifs; the denial of Israel's existence and its delegitimization as evidenced by the absence of Israel on official maps used in Palestinian Authority institutions; and false claims that Israel or the Jews are endangering Muslim holy sites, such as the Al-Aqsa mosque/Temple Mount in Jerusalem;

Whereas in June 2013, Abbas referenced Israeli acts which ''indicate an evil and dangerous plot to destroy Al-Aqsa and build the alleged temple'';

Whereas on September 16, 2015, Abbas stated on Palestinian television that ''we welcome every drop of blood spilled in Jerusalem. This is pure blood, clean blood, blood on its way to Allah. With the help of Allah, every martyr will be in heaven, and every wounded will get his reward'';

Whereas since mid-September 2015 there has been a wave of Palestinian violence in Israel and the West Bank, including stabbings, shootings, and other terrorist acts;

Whereas this situation has been inflamed by statements made by Palestinian President Abbas, other Palestinian officials, clerics, and official Palestinian Authority media, and frequently amplified on social media platforms;

Whereas these statements have included repeated false claims that Israel seeks to change the ''status quo'' on the Temple Mount/al-Aqsa Mosque compound;

Whereas despite the incitement-induced wave of terrorism, the Palestinian Authority security forces and the Israel Defense Forces have continued security cooperation;

Whereas section 7038 of the Consolidated and Further Continuing Appropriations Act, 2015 states that ''none of the funds appropriated or otherwise made available by this Act may be used to provide equipment, technical support, consulting services, or any other form of assistance to the Palestinian Broadcasting Corporation'';

Whereas section 7040(e) of the Consolidated and Further Continuing Appropriations Act, 2015 requires the Secretary of State, if the President waives section 7040(a) of that Act, to ''certify and report to the Committees on Appropriations prior to the obligation of funds that . . . the Palestinian Authority is acting to counter incitement of violence against Israelis and is supporting activities aimed at promoting peace, coexistence, and security cooperation with Israel''; and

Whereas the Palestinian Authority has not fully lived up to its prior agreements with Israel to end incitement and should do more to prepare the Palestinian people for peace with Israel: Now, therefore, be it

*Resolved*, That the House of Representatives—

(1) expresses support and admiration for individuals and organizations working to encourage cooperation between Israelis and Palestinians;

(2) strongly condemns the wave of violent attacks in Israel and the West Bank;

(3) reiterates the strong condemnation of anti-Israel and anti-Semitic incitement to violence in the Palestinian Authority as antithetical to the cause of peace;

(4) calls on the Palestinian Authority to—

(A) immediately discontinue incitement to violence in all Palestinian Authority-controlled media outlets, and officially and publicly repudiate attacks against Israelis and engage in a sustained effort to publicly and officially rebuke anti-Israel incitement to violence;

(B) continue important security cooperation with Israel; and

(C) agree to unconditionally renew direct talks with the Israelis, including the reconstitution of the Trilateral Commission on Incitement;

(5) encourages responsible nations to condemn in the strongest possible terms incitement to violence by the Palestinian Authority;

(6) expresses support for the Government of Israel in its fight against terror;

(7) directs the Department of State to regularly monitor and publish information on all official incitement by the Palestinian Authority against Jews and the State of Israel; and

(8) calls on the Administration to continue publicly repudiating and raising the issue of Palestinian anti-Israel incitement to violence in all appropriate bilateral and international forums.

The SPEAKER pro tempore, Mr. HOLDING, recognized Ms. ROS-LEHTINEN and Mr. ENGEL, each for 20 minutes.

After debate,

The question being put, viva voce,

Will the House suspend the rules and agree to said resolution, as amended?

The SPEAKER pro tempore, Mr. HARRIS, announced that two-thirds of the Members present had voted in the affirmative.

So, two-thirds of the Members present having voted in favor thereof, the rules were suspended and said resolution, as amended, was agreed to.

A motion to reconsider the vote whereby the rules were suspended and said resolution, as amended, was agreed to was, by unanimous consent, laid on the table.

So, two-thirds of the Members present having voted in favor thereof, the rules were suspended and said bill was passed.

A motion to reconsider the vote whereby the rules were suspended and said bill was passed was, by unanimous consent, laid on the table.

*Ordered*, That the Clerk request the concurrence of the Senate in said bill.

¶137.27 SAFETY AND SECURITY OF JEWISH COMMUNITIES IN EUROPE

Mr. ROYCE moved to suspend the rules and agree to the following resolution (H. Res. 354); as amended:

Whereas anti-Semitic rhetoric and acts, including violent attacks on people and places of faith, have increased in frequency, variety, and severity in many countries in Europe;

Whereas the French Service de Protection de la Communaute Juive (Jewish Community Security Service) reported an increase in anti-Semitic acts in France between 2013 to 2014 (from 423 acts to 851), including an increase in violent ones (from 105 acts to 241);

Whereas the Community Security Trust reported an increase in anti-Semitic acts in the United Kingdom between 2013 to 2014 (from 535 acts to 1,168), including an increase in violent ones (from 69 to 81); and the Kantor Center for the Study of Contemporary European Jewry reported an increase in anti-Semitic acts between 2013 and 2014 in Germany (from 788 acts to 1076, including 36 violent acts to 76), Belgium (from 64 acts to 109, including 11 violent acts to 30), Austria (from 137 acts to 255, including 4 violent acts to 9), and Italy (from 45 to 90, including 12 violent acts to 23);

Whereas the Federal Bureau of Investigation reported, in its latest available statistics, 870 incidents in 2012 with anti-Jewish bias motivation, including 13 violent incidents, and 625 incidents in 2013 with anti-Jewish bias motivation, including four violent incidents;

Whereas anti-Semitic attacks have been increasingly directed at places of ordinary daily life and places of worship, including—

(1) the violent extremist who pledged his loyalty to the Islamic State of Iraq and al-Sham (ISIS) and attacked a kosher supermarket in Paris, France, January 9, 2015, murdering four Jewish patrons; and

(2) the violent extremist who pledged his loyalty to ISIS and attacked the Great Synagogue in Copenhagen, Denmark, during a bat mitzvah celebration, February 15, 2015, murdering a member of the Jewish community on security duty, and wounding two members of the Danish Police Service;

Whereas anti-Semitic attacks are threats to the fundamental freedoms, rights, security, and diversity of all citizens, societies, and countries in which they occur;

Whereas governments have primary responsibility for the security and safety of all of their citizens and therefore primary responsibility for monitoring, preventing, and responding to anti-Semitic violence;

Whereas Jewish community groups that focus on strengthening safety awareness, crisis management, and preparedness are essential to keeping members of the Jewish community safe, and complement efforts of government and inter-governmental entities;

Whereas keeping members of Jewish communities safe requires government agencies, intergovernmental institutions and agencies, and law enforcement associations, formally recognizing and partnering with Jewish community groups that focus on safety awareness and crisis management and preparedness;

Whereas in the United States, United Kingdom, and France, there are examples of formal recognition, partnership, training, and information-sharing between government entities and Jewish community security groups that have strengthened these countries and contributed to the safety and security of Jewish communities;

Whereas Jewish community groups, consortia, and initiatives, have formed and are forming to focus on safety awareness, crisis management, and preparedness, and partner with law enforcement entities and thought leaders;

Whereas information-sharing and action-focused campaigns, including the national ''If You See Something, Say Something'' campaign of the Department of Homeland Security, which rely on members of the public reporting suspicious activity to law enforcement personnel, are critical to pre-

venting violent attacks on individuals and communities;

Whereas relevant information, research, and analysis is vital to strengthening the preparedness, prevention, mitigation, and response of Jewish communities and law enforcement agencies;

Whereas broader efforts to counter violent extremism, and efforts to counter anti-Semitism, should be integrated with each other as appropriate and share best practices;

Whereas in the Berlin Declaration of April 29, 2004, participating States of the Organization for Security and Cooperation in Europe (OSCE) condemned anti-Semitism and committed themselves to specific actions to combat it, and to collect and maintain reliable information and statistics about anti-Semitic crimes;

Whereas, on December 6, 2013, the Ministerial Council of the OSCE, which is composed of the Foreign Ministers of participating States, adopted Decision number 3/13 entitled ''Freedom of Thought, Conscience, Religion, or Belief'', emphasizing ''the link between security and full respect for the freedom of thought'', and committing member governments to adopt ''policies to promote respect and protection for places of worship and religious sites, religious monuments, cemeteries and shrines against vandalism and destruction'', among other specific actions;

Whereas, on December 5, 2014, the Ministerial Council of the OSCE adopted Declaration number 8, the Basel Declaration, on ''Enhancing Efforts to Combat Anti-Semitism'', in which members of the Council stated, ''We express our concern at the disconcerting number of anti-Semitic incidents that continue to take place in the OSCE area and remain a challenge to stability and security'' and ''We stress the importance of States collaborating with civil society through effective partnerships and strengthened dialogue and co-operation on combating anti-Semitism''; and

Whereas in 2004, Congress passed the Global Anti-Semitism Review Act, which established an Office to Monitor and Combat Anti-Semitism, headed by a Special Envoy to Monitor and Combat Anti-Semitism: Now, therefore, be it

*Resolved,* That the House of Representatives—

(1) urges the United States Government to work closely with European governments and their law enforcement agencies, the Organization for Security and Cooperation in Europe (OSCE), the European Union, Europol, and Interpol, encouraging them to—

(A) formally recognize, partner, train, and share information with Jewish community security groups to strengthen preparedness, prevention, mitigation, and response related to anti-Semitic attacks and to support related research initiatives;

(B) consider the formal partnerships in the United States, the United Kingdom, and France, between government entities and Jewish community security groups, as examples of partnership, training, and information-sharing;

(C) support assessments of the—

(i) general environment in which anti-Semitic attacks occur;

(ii) data on types of crimes committed and the response from law enforcement;

(iii) relationships of Jewish community groups with local law enforcement agencies, including joint training opportunities and information sharing;

(iv) preparedness, including emergency response plans, of Jewish community groups; and

(v) response of local law enforcement systems to anti-Semitic attacks, including incident reporting, initial response, and the prioritization and prosecution of those crimes;

(D) utilize these assessments to help make adjustments to their strategies and efforts to combat anti-Semitism as needed;

(E) help Jewish communities develop common, baseline safety standards;

(F) consider developing a standardized pan-European information-sharing and alerting system that can include governmental and non-governmental agencies, as well as Jewish communities;

(G) develop safety-awareness and suspicious activity reporting campaigns;

(H) integrate, as appropriate, efforts to combat violent extremism and efforts to combat anti-Semitism;

(I) ensure law enforcement personnel are effectively trained to monitor, prevent, and respond to anti-Semitic violence, and to partner with Jewish communities;

(J) reaffirm and work for the implementation of the OSCE declarations, decisions, and other commitments focusing on anti-Semitism; and

(K) ensure senior officials, with commensurate authority and resources, have been appointed or designated to combat anti-Semitism and collaborate with governmental and inter-governmental agencies, law enforcement agencies, Jewish community groups, and other civil society groups;

(2) reaffirms its support for the mandate of the United States Special Envoy to Monitor and Combat Anti-Semitism as part of the broader policy priority of fostering international religious freedom; and

(3) urges the Secretary of State to continue robust United States reporting on anti-Semitism by the Department of State and the Special Envoy to Combat and Monitor Anti-Semitism.

The SPEAKER pro tempore, Mr. LOUDERMILK, recognized Mr. ROYCE and Mr. ENGEL, each for 20 minutes.

Will the House suspend the rules and agree to said resolution, as amended?

At the end of subtitle D of title I of Division A, add the following:

**SEC. _____. MODERNIZED WEIGHT LIMITATIONS FOR CERTAIN VEHICLES.**

Section 127 of title 23, United States Code, is further amended by adding at the end the following:

''(n) ADDITIONAL EXCEPTION TO WEIGHT REQUIREMENTS.—

''(1) IN GENERAL.—Notwithstanding subsection (a), a State may authorize a vehicle with a maximum gross weight, including all enforcement tolerances, that exceeds the maximum gross weight otherwise applicable under subsection (a) to operate on Interstate System routes in the State, if—

''(A) the vehicle is equipped with at least 6 axles;

''(B) the weight of any single axle on the vehicle does not exceed 20,000 pounds, including enforcement tolerances;

''(C) the weight of any tandem axle on the vehicle does not exceed 34,000 pounds, including enforcement tolerances;

''(D) the weight of any group of 3 or more axles on the vehicle does not exceed 45,000 pounds, including enforcement tolerances;

''(E) the gross weight of the vehicle does not exceed 91,000 pounds, including enforcement tolerances; and

''(F) the vehicle complies with the bridge formula in subsection (a)(2) of this section.

''(2) SPECIAL RULES.—

''(A) OTHER EXCEPTIONS NOT AFFECTED.—This subsection shall not restrict—

''(i) a vehicle that may operate under any other provision of this section or another Federal law; or

''(ii) a State's authority with respect to a vehicle that may operate under any other provision of this section or another Federal law.

''(B) MEANS OF IMPLEMENTATION.—A State may implement this subsection by any means, including statute or rule of general applicability, by special permit, or otherwise.

''(3) ADDITIONAL EQUIPMENT.—

''(A) IN GENERAL.—The Secretary may issue such regulations as are necessary to require a vehicle operating pursuant to this subsection to include 1 item of additional equipment not otherwise required by law. The Secretary may issue such regulations only if the equipment item to be required is available at the time a rule is proposed.

''(B) COMMENT.—In issuing regulations pursuant to this paragraph, the Secretary shall invite comment on the effective date of any proposed equipment requirement.

''(C) LIMITED AUTHORITY.—The authority to issue regulations pursuant to this paragraph applies only to a rule that is published as a final rule in the Federal Register not later than the date that is 6 months after the date of enactment of this subsection.

''(4) REPORTING REQUIREMENTS.—

''(A) TRIENNIAL REPORT.—If a State, pursuant to paragraph (1), authorizes vehicles described in such paragraph to operate on Interstate System routes in the State, the State shall submit to the Secretary a triennial report containing—

''(i) an identification of highway routes in the State, including routes not on the Interstate System, on which the State so authorizes such vehicles to operate;

''(ii) a description of any gross vehicle weight limit applicable to such vehicles so authorized and of any operating requirements applicable to such vehicles that are in addition to requirements applicable to all commercial motor vehicles;

''(iii) the number of crashes that occurred in the State involving such vehicles so authorized on the Interstate System, the number of such crashes involving fatalities, and the number of such crashes involving nonfatal injuries;

''(iv) estimated vehicle miles traveled on the Interstate System in the State by such vehicles so authorized; and

''(v) other information, such as the gross vehicle weight of a vehicle operating pursuant to the authority of this subsection at the time of a crash, as the Secretary and the State jointly determine necessary.

''(B) PUBLIC AVAILABILITY.—The Secretary shall make all information required under subparagraph (A) available to the public.

''(5) TERMINATION AS TO ROUTE SEGMENT.—The Secretary may terminate the operation of vehicles authorized by a State under this subsection on a specific Interstate System route segment if, after the effective date of a decision of a State to allow vehicles to operate pursuant to paragraph (1), the Secretary determines that such operation poses an unreasonable safety risk based on an engineering analysis of the route segment or an analysis of safety or other applicable data from the route segment.

''(6) WAIVER OF HIGHWAY FUNDING REDUCTION.—Notwithstanding subsection (a), the total amount of funds apportioned to a State under section 104(b)(1) for any period may not be reduced under subsection (a) if the State authorizes a vehicle described in paragraph (1) to operate on the Interstate System in the State in accordance with this subsection.

''(7) PRESERVING STATE AND LOCAL AUTHORITY REGARDING NON-INTERSTATE SYSTEM HIGHWAYS.—Subsection (b) of this section shall not apply to motor vehicles operating on the Interstate System solely under the authority provided by this subsection.''.

(a) IN GENERAL.—The Secretary shall establish a program to permit the acknowledgment of roadside maintenance with the use of live plant materials.

(b) TERM.—The Secretary shall carry out the program for a 10-year period. Upon the request of a State, the Secretary may continue to carry out the program for that State for an additional 10-year period.

(c) PARTICIPATING STATES.—The Secretary shall select 10 States to participate in the program.

(d) GUIDELINES FOR SELECTION OF STATES.—

(1) IN GENERAL.—The Secretary shall establish guidelines for selecting States to participate in the program.

(2) DISCRETION OF STATES.—The guidelines shall not limit the discretion under subsection (e) of any State participating in the program. Any other guidelines relating to the participation of a State in the program shall be established by that State, subject to subsection (e).

(3) PRIORITY.—In selecting States to participate in the program, the Secretary shall give priority to any State that can provide documentation demonstrating that the State, or its agents, prior to November 2015, actively reviewed, or stated an interest in, innovative approaches using live plant materials for acknowledging a substantial contribution to roadside maintenance.

(e) INCONSISTENT LAWS, REGULATIONS, OR MANUALS.—Notwithstanding any other provision of law, States participating in the program may permit acknowledgment of roadside maintenance through the use of live plant materials without being limited by any Federal, State, or other law, regulation, or manual that limits or regulates procurement actions, acknowledgment signs, advertising, landscaping, or other uses of, or actions relating to, highway rights-of-way or areas adjacent to highway rights-of-way.

(f) FUNDS EXCLUSIVELY FOR ROADSIDE MAINTENANCE.—Any funds paid to a State under the program shall be considered to be State funds (as defined in section 101(a) of title 23, United States Code), and shall be made available for expenditure under the direct control of the State transportation department (as defined in that section) exclusively for roadside maintenance.

(g) REPORT.—Before the expiration of the first 10-year period referred to in subsection (b), the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a report on the results of the program.

¶139.35 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment numbered 29, printed in Part A of House Report 114-326, submitted by Mr. DESANTIS:

At the end of subtitle D of title I of division A, add the following new section:

**SEC. 1431. SENSE OF CONGRESS ON INSOLVENCY OF THE HIGHWAY TRUST FUND AND RETURNING POWER TO STATES.**

(a) FINDINGS.—Congress finds the following:

(1) The Highway Trust Fund is nearing insolvency.

(2) It is critical for Congress to phase down the Federal gas and diesel taxes and empower the States to tax and regulate their highway and infrastructure projects.

(3) The Federal role and funding of surface transportation should be refocused solely on Federal activities and empower States with control and responsibility over their transportation funding and spending decisions.

(4) The objective of the Federal highway program has been to facilitate the construction of a modern freeway system that promotes efficient interstate commerce by connecting all States.

(5) The Interstate System connecting all States is near completion.

(6) Each State has the responsibility of providing an efficient transportation network for the residents of the State.

(7) Each State has means to build and operate a network of transportation systems, including highways, that best serves the needs of the State.

(8) Each State is best capable of determining the needs of the State and acting on those needs.

(9) The Federal role in highway transportation has, over time, usurped the role of the States by taxing motor fuels used in the States and then distributing the proceeds to the States based on the perceptions of the Federal Government on what is best for the States.

(10) The Federal Government has used the Federal motor fuel tax revenues to force all States to take actions that are not necessarily appropriate for individual States.

(11) The Federal distribution, review, and enforcement process wastes billions of dollars on unproductive activities.

(12) The Federal mandates that apply uniformly to all 50 States, regardless of the different circumstances of the States, cause the States to waste billions of hard-earned tax dollars of projects, programs, and activities that the States would not otherwise undertake.

(13) Congress has expressed a strong interest in reducing the role of the Federal Government by allowing each State to manage its own affairs.

(b) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) the Secretary should provide a new policy blueprint to govern the Federal role in transportation once existing and prior financial obligations are met;

(2) this policy should return to the individual States maximum discretionary authority and fiscal responsibility for all elements of the national surface transportation systems that are not within the direct purview of the Federal Government;

(3) this policy will preserve the Federal responsibility for the Dwight D. Eisenhower National System of Interstate and Defense Highways and will preserve responsibility of the Department of Transportation for design construction and preservation of transportation facilities on Federal public land, preserving responsibility of the Department of Transportation for national programs of transportation research and development and transportation safety; and

(4) this policy will preserve responsibility of the Department of Transportation to eliminate, to the maximum extent practicable, Federal obstacles to the ability of each State to apply innovative solutions to the financing, design, construction, operation, and preservation of Federal and State transportation facilities with respect to transportation activities carried out by States, local governments, and the private sector.

''(B) except as provided in paragraph (4) of this subsection, limit any such exemption to the Federal Motor Vehicle Safety Standards applicable to motor vehicles and not motor vehicle equipment.

''(2) REGISTRATION REQUIREMENT.—To qualify for an exemption under paragraph (1), a low-volume manufacturer shall register with the Secretary at such time, in such manner, and under such terms that the Secretary determines appropriate. The Secretary shall establish terms that ensure that no person may register as a low-volume manufacturer if the person is registered as an importer under section 30141 of this title.

''(3) PERMANENT LABEL REQUIREMENT.—

''(A) IN GENERAL.—The Secretary shall require a low-volume manufacturer to affix a permanent label to a motor vehicle exempted under paragraph (1) that identifies the specified standards and regulations for which such vehicle is exempt from section 30112(a) and designates the model year such vehicle replicates.

Any registration not approved or denied within 60 days after submission shall be deemed approved. The Secretary shall have the authority to revoke an existing registration based on a failure to comply with requirements set forth in this subsection. The registrant shall be provided a reasonable opportunity to correct all deficiencies, if such are correctable based on the sole discretion of the Secretary. An exemption granted by the Secretary to a low-volume manufacturer under this subsection may not be transferred to any other person, and shall expire at the end of the calendar year for which it was granted with respect to any volume authorized by the exemption that was not applied by the low-volume manufacturer to vehicles built during that calendar year. The Secretary shall maintain an up-to-date list of registrants on an annual basis and publish such list in the Federal Register or on a website operated by the Secretary.

''(6) LIMITATION OF LIABILITY FOR ORIGINAL MANUFACTURERS, LICENSORS OR OWNERS OF PRODUCT CONFIGURATION, TRADE DRESS, OR DESIGN PATENTS.—The original manufacturer, its successor or assignee, or current owner, who grants a license or otherwise transfers rights to a low-volume manufacturer shall incur no liability to any person or entity under Federal or State statute, regulation, local ordinance, or under any Federal or State common law for such license or assignment to a low-volume manufacturer.

(b) VEHICLE EMISSION COMPLIANCE STANDARDS FOR LOW-VOLUME MOTOR VEHICLE MANUFACTURERS.—Part A of title II of the Clean Air Act (42 U.S.C. 7521 et seq.) is amended—

(1) in section 206(a) by adding at the end the following new paragraph:

''(5)(A) A motor vehicle engine (including all engine emission controls) from a motor vehicle that has been granted a certificate of conformity by the Administrator for the model year in which the motor vehicle is assembled, or a motor vehicle engine that has been granted an Executive order subject to regulations promulgated by the California Air Resources Board for the model year in which the motor vehicle is assembled, may be installed in an exempted specially produced motor vehicle, if—

''(B) A motor vehicle containing an engine compliant with the requirements of subparagraph (A) shall be treated as meeting the requirements of section 202 applicable to new vehicles manufactured or imported in the model year in which the exempted specially produced motor vehicle is assembled.

''(C) Engine installations that are not performed in accordance with installation instructions provided by the manufacturer and alterations to the engine not in accordance with the installation instructions shall—

''(i) be treated as prohibited acts by the installer under section 203; and

''(ii) subject to civil penalties under the first and third sentences of section 205(a), civil actions under section 205(b), and administrative assessment of penalties under section 205(c).

''(D) The manufacturer of an exempted specially produced motor vehicle that has an engine compliant with the requirements of subparagraph (A) shall provide to the purchaser of such vehicle all information received by the manufacturer from the engine manufacturer, including information regarding emissions warranties from the engine manufacturer and all emissions-related recalls by the engine manufacturer.

''(E) To qualify to install an engine under this paragraph, a manufacturer of exempted specially produced motor vehicles shall register with the Administrator at such time and in such manner as the Administrator determines appropriate. The manufacturer shall submit an annual report to the Administrator that includes—

''(i) a description of the exempted specially produced motor vehicles and engines installed in such vehicles; and

''(ii) the certificate of conformity number issued to the motor vehicle in which the engine was originally intended or the applicable Executive order number for the engine.

''(F) Exempted specially produced motor vehicles compliant with this paragraph shall be exempted from—

''(i) motor vehicle certification testing under this section; and

''(ii) vehicle emission control inspection and maintenance programs required under section 110.

''(G) A person engaged in the manufacturing or assembling of exempted specially produced motor vehicles shall not be treated as a manufacturer for purposes of this Act by virtue of such manufacturing or assembling, so long as such person complies with subparagraphs (A) through (E).''; and

(2) in section 216 by adding at the end the following new paragraph:

''(12) EXEMPTED SPECIALLY PRODUCED MOTOR VEHICLE.—The term 'exempted specially produced motor vehicle' means a replica motor vehicle that is exempt from specified standards pursuant to section 30114(b) of title 49, United States Code.''.

''(f) NO LIABILITY ON THE BASIS OF MOTOR VEHICLE SAFETY GUIDELINES ISSUED BY THE SECRETARY.—(1) No guidelines issued by the Secretary with respect to motor vehicle safety shall provide a basis for or evidence of liability in any action against a defendant whose practices are alleged to be inconsistent with such guidelines. A person who is subject to any such guidelines may use an alternative approach to that set forth in such guidelines that complies with any requirement in a provision of this subtitle, a motor vehicle safety standard issued under this subtitle, or another relevant statute or regulation.

''(2) No such guidelines shall confer any rights on any person nor shall operate to bind the Secretary or any person who is subject to such guidelines to the approach recommended in such guidelines. In any enforcement action with respect to motor vehicle safety, the Secretary must prove a violation of a provision of this subtitle, a motor vehicle safety standard issued under this subtitle, or another relevant statute or regulation. The Secretary may not build a case against or negotiate a consent order with any person based in whole or in part on practices of the person that are alleged to be inconsistent with any such guidelines.

''(3) A defendant may use compliance with any such guidelines as evidence of compliance with the provision of this subtitle, motor vehicle safety standard issued under this subtitle, or other statute or regulation under which such guidelines were developed.''.

(B) the continuing barriers described in subparagraph (A) merit the continuation of the disadvantaged business enterprise program;
(C) Congress has received and reviewed testimony and documentation of race and gender discrimination from numerous sources, including congressional hearings and roundtables, scientific reports, reports issued by public and private agencies, news stories, reports of discrimination by organizations and individuals, and discrimination lawsuits, which show that race- and gender-neutral efforts alone are insufficient to address the problem;
(D) the testimony and documentation described in subparagraph (C) demonstrate that discrimination across the United States poses a barrier to full and fair participation in surface transportation-related businesses of women business owners and minority business owners and has impacted firm development and many aspects of surface transportation-related business in the public and private markets; and
(E) the testimony and documentation described in subparagraph (C) provide a strong basis that there is a compelling need for the continuation of the disadvantaged business enterprise program to address race and gender discrimination in surface transportation-related business.

(B) SOCIALLY AND ECONOMICALLY DISADVANTAGED INDIVIDUALS.—The term ''socially and economically disadvantaged individuals'' has the meaning given the term in section 8(d) of the Small Business Act (15 U.S.C. 637(d)) and relevant subcontracting regulations issued pursuant to that Act, except that women shall be presumed to be socially and economically disadvantaged individuals for purposes of this subsection.
(3) AMOUNTS FOR SMALL BUSINESS CONCERNS.—Except to the extent that the Secretary determines otherwise, not less than 10 percent of the amounts made available for any program under titles I, II, III, and VI of this Act and section 403 of title 23, United States Code, shall be expended through small business concerns owned and controlled by socially and economically disadvantaged individuals.
(4) ANNUAL LISTING OF DISADVANTAGED BUSINESS ENTERPRISES.—Each State shall annually—
(A) survey and compile a list of the small business concerns referred to in paragraph (3) in the State, including the location of the small business concerns in the State; and

(i) on-site visits;
(ii) personal interviews with personnel;
(iii) issuance or inspection of licenses;
(iv) analyses of stock ownership;
(v) listings of equipment;
(vi) analyses of bonding capacity;

(viii) examination of the resumes of principal owners;
(ix) analyses of financial capacity; and
(x) analyses of the type of work preferred.
(6) REPORTING.—The Secretary shall establish minimum requirements for use by State governments in reporting to the Secretary—
(A) information concerning disadvantaged business enterprise awards, commitments, and achievements; and
(B) such other information as the Secretary determines to be appropriate for the proper monitoring of the disadvantaged business enterprise program.
(7) COMPLIANCE WITH COURT ORDERS.—Nothing in this subsection limits the eligibility of an individual or entity to receive funds made available under titles I, II, III, and VI of this Act and section 403 of title 23, United States Code, if the entity or person is prevented, in whole or in part, from complying with paragraph (3) because a Federal court issues a final order in which the court finds that a requirement or the implementation of paragraph (3) is unconstitutional.

''(3) WAIVERS.—At the request of a State, the Secretary may waive or modify the requirements of this subsection for a total of 1 fiscal year if the Secretary determines that the waiver or modification is reasonable, based on circumstances described by the State, to ensure the continuation of commercial motor vehicle enforcement activities in the State.

''(2) for documented enforcement of State traffic laws and regulations designed to promote the safe operation of commercial motor vehicles, including documented enforcement of such laws and regulations relating to noncommercial motor vehicles when necessary to promote the safe operation of commercial motor vehicles, if—

''(A) the number of motor carrier safety activities, including roadside safety inspections, conducted in the State is maintained at a level at least equal to the average level of such activities conducted in the State in fiscal years 2004 and 2005; and

''(B) the State does not use more than 10 percent of the basic amount the State receives under a grant awarded under section 31104(a)(1) for enforcement activities relating to noncommercial motor vehicles necessary to promote the safe operation of commercial motor vehicles unless the Secretary determines that a higher percentage will result in significant increases in commercial motor vehicle safety.

''(i) EVALUATION OF PLANS AND AWARD OF GRANTS.—

''(1) AWARDS.—The Secretary shall establish criteria for the application, evaluation, and approval of State plans under this section. Subject to subsection (j), the Secretary may allocate the amounts made available under section 31104(a)(1) among the States.

The 3 percent limit shall not apply to the withholding provisions of subsection (k).

Notwithstanding the disapproval of a State plan under paragraph (2)(A) or the withholding of funds under paragraph (2)(B), the State may retain jurisdiction in an administrative or a judicial proceeding that commenced before the notice of disapproval or withholding if the issues involved are not related directly to the reasons for the disapproval or withholding.

(c) BASIS FOR FORMULA.—The Secretary shall ensure that the new allocation formula for the motor carrier assistance program is based on factors that reflect, at a minimum—

(1) the relative needs of the States to comply with section 31102 of title 49, United States Code;

(2) the relative administrative capacities of and challenges faced by States in complying with that section;

(3) the average of each State's new entrant motor carrier inventory for the 3-year period prior to the date of enactment of this Act;

(5) any other factors the Secretary considers appropriate.

(d) FUNDING AMOUNTS PRIOR TO DEVELOPMENT OF NEW ALLOCATION FORMULA.—

(1) INTERIM FORMULA.—Prior to the development of the new allocation formula for the motor carrier assistance program, the Secretary may calculate the interim funding amounts for that program in fiscal year 2017 (and later fiscal years, as necessary) under section 31104(a)(1) of title 49, United States Code, as amended by this subtitle, by using the following methodology:

(A) The Secretary shall calculate the funding amount to a State using the allocation formula the Secretary used to award motor carrier safety assistance program funding in fiscal year 2016 under section 31102 of title 49, United States Code.

(B) The Secretary shall average the funding awarded or other equitable amounts to a State in fiscal years 2013, 2014, and 2015 for—

(i) border enforcement grants under section 31107 of title 49, United States Code; and

(ii) new entrant audit grants under section 31144(g)(5) of that title.

(C) The Secretary shall add the amounts calculated in subparagraphs (A) and (B).

(2) ADJUSTMENTS.—Subject to the availability of funding and notwithstanding fluctuations in the data elements used by the Secretary, the initial amounts resulting from the calculation described in paragraph (1) shall be adjusted to ensure that, for each State, the amount shall not be less than 97 percent of the average amount of funding received or other equitable amounts in fiscal years 2013, 2014, and 2015 for—

(A) motor carrier safety assistance program funds awarded to the State under section 31102 of title 49, United States Code;

(B) border enforcement grants awarded to the State under section 31107 of title 49, United States Code; and

(C) new entrant audit grants awarded to the State under section 31144(g)(5) of title 49, United States Code.

(3) IMMEDIATE RELIEF.—In developing the new allocation formula, the Secretary shall terminate the withholding of motor carrier assistance program funds from a State for at least 3 fiscal years if the State was subject to the withholding of such funds for matters of noncompliance immediately prior to the date of enactment of this Act.

(4) FUTURE WITHHOLDINGS.—Beginning on the date that the new allocation formula for the motor carrier assistance program is implemented, the Secretary shall impose all future withholdings in accordance with section 31102(k) of title 49, United States Code, as amended by this subtitle.

(e) TERMINATION OF WORKING GROUP.—The working group established under subsection (a) shall terminate on the date of the implementation of a new allocation formula for the motor carrier safety assistance program.

**SEC. 5107. MAINTENANCE OF EFFORT CALCULATION.**

(a) BEFORE NEW ALLOCATION FORMULA.—

(1) FISCAL YEAR 2017.—If a new allocation formula for the motor carrier safety assistance program has not been established under this subtitle for fiscal year 2017, the Secretary shall calculate for fiscal year 2017 the maintenance of effort baseline required under section 31102(f) of title 49, United States Code, as amended by this subtitle, by averaging the expenditures for fiscal years 2004 and 2005 required by section 31102(b)(4) of title 49, United States Code, as that section was in effect on the day before the date of enactment of this Act.

(2) SUBSEQUENT FISCAL YEARS.—The Secretary may use the methodology for calculating the maintenance of effort baseline specified in paragraph (1) for fiscal year 2018 and subsequent fiscal years if a new allocation formula for the motor carrier safety assistance program has not been established for that fiscal year.

(b) BEGINNING WITH NEW ALLOCATION FORMATION.—

(1) IN GENERAL.—Subject to paragraphs (2) and (3)(B), beginning on the date that a new allocation formula for the motor carrier safety assistance program is established under this subtitle, upon the request of a State, the Secretary may waive or modify the baseline maintenance of effort required of the State by section 31102(e) of title 49, United States Code, as amended by this subtitle, for the purpose of establishing a new baseline maintenance of effort if the Secretary determines that a waiver or modification—

(A) is equitable due to reasonable circumstances;

(B) will ensure the continuation of commercial motor vehicle enforcement activities in the State; and

(C) is necessary to ensure that the total amount of State maintenance of effort and matching expenditures required under sections 31102 and 31104 of title 49, United States Code, as amended by this subtitle, does not exceed a sum greater than the average of the total amount of State maintenance of effort and matching expenditures required under those sections for the 3 fiscal years prior to the date of enactment of this Act.

(2) ADJUSTMENT METHODOLOGY.—If requested by a State, the Secretary may modify the maintenance of effort baseline referred to in paragraph (1) for the State according to the following methodology:

(A) The Secretary shall establish the maintenance of effort baseline for the State using the average baseline of fiscal years 2004 and 2005, as required by section 31102(b)(4) of title 49, United States Code, as that section was in effect on the day before the date of enactment of this Act.

(B) The Secretary shall calculate the average required match by a lead State commercial motor vehicle safety agency for fiscal years 2013, 2014, and 2015 for motor carrier safety assistance grants established at 20 percent by section 31103 of title 49, United States Code, as that section was in effect on the day before the date of enactment of this Act.

(C) The Secretary shall calculate the estimated match required under section 31104(b) of title 49, United States Code, as amended by this subtitle.

(D) The Secretary shall subtract the amount in subparagraph (B) from the amount in subparagraph (C) and—

(i) if the number is greater than 0, the Secretary shall subtract the number from the amount in subparagraph (A); or

(ii) if the number is not greater than 0, the Secretary shall calculate the maintenance of effort using the methodology in subparagraph (A).

(3) MAINTENANCE OF EFFORT AMOUNT.—

(A) IN GENERAL.—The Secretary shall use the amount calculated under paragraph (2) as the baseline maintenance of effort required under section 31102(f) of title 49, United States Code, as amended by this subtitle.

(B) DEADLINE.—If a State does not request a waiver or modification under this subsection before September 30 during the first fiscal year that the Secretary implements a new allocation formula for the motor carrier safety assistance program under this subtitle, the Secretary shall calculate the maintenance of effort using the methodology described in paragraph (2)(A).

(4) MAINTENANCE OF EFFORT DESCRIBED.—The maintenance of effort calculated under this section is the amount required under section 31102(f) of title 49, United States Code, as amended by this subtitle.

(c) TERMINATION OF EFFECTIVENESS.—The authority of the Secretary under this section shall terminate effective on the date that a new maintenance of effort baseline is calculated based on a new allocation formula for the motor carrier safety assistance program implemented under section 31102 of title 49, United States Code.
