To the extent the Secretary determines, in consultation with the tenants and the local government, that the property is not feasible for continued rental assistance payments under such section 8 or other programs, based on consideration of (1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (''MAHRAA'') and (2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary may, in consultation with the tenants of that property, contract for project-based rental assistance payments with an owner or owners of other existing housing properties, or provide other rental assistance. SEC. 239. The Secretary of Housing and Urban Development shall increase, pursuant to this section, the number of Moving to Work agencies authorized under section 204, title II, of the Departments of Veterans Affairs and Housing and Urban Development and Independent Agencies Appropriations Act, 1996 (Public Law 104–134; 110 Stat. 1321) by adding to the program 100 public housing agencies that are designated as high performing agencies under the Public Housing Assessment System (PHAS) or the Section Eight Management Assessment Program (SEMAP). No public housing agency shall be granted this designation through this section that administers in excess of 27,000 aggregate housing vouchers and public housing units. Of the agencies selected under this section, no less than 50 shall administer 1,000 or fewer aggregate housing voucher and public housing units, no less than 47 shall administer 1,001-6,000 aggregate housing voucher and public housing units, and no more than 3 shall administer 6,001–27,000 aggregate housing voucher and public housing units. Of the 100 agencies selected under this section, five shall be agencies with portfolio awards under the Rental Assistance Demonstration that meet the other requirements of this section, including current designations as high performing agencies or such designations held immediately prior to such portfolio awards. Selection of agencies under this section shall be based on ensuring the geographic diversity of Moving to Work agencies. In addition to the preceding selection criteria, agencies shall be designated by the Secretary over a 7-year period. The Secretary shall establish a research advisory committee which shall advise the Secretary with respect to specific policy proposals and methods of research and evaluation for the demonstration. The advisory committee shall include program and research experts from the Department, a fair representation of agencies with a Moving to Work designation, and independent subject matter experts in housing policy research. For each cohort of agencies receiving a designation under this heading, the Secretary shall direct one specific policy change to be implemented by the agencies, and with the approval of the Secretary, such agencies may implement additional policy changes. All agencies designated under this section shall be evaluated through rigorous research as determined by the Secretary, and shall provide information requested by the Secretary to support such oversight and evaluation, including the targeted policy changes. Research and evaluation shall be coordinated under the direction of the Secretary, and in consultation with the advisory committee, and findings shall be shared broadly. The Secretary shall consult the advisory committee with respect to policy changes that have proven successful and can be applied more broadly to all public housing agencies, and propose any necessary statutory changes. The Secretary may, at the request of a Moving to Work agency and one or more adjacent public housing agencies in the same area, designate that Moving to Work agency as a regional agency. A regional Moving to Work agency may administer the assistance under sections 8 and 9 of the United States Housing Act of 1937 (42 U.S.C. 1437f and g) for the participating agencies within its region pursuant to the terms of its Moving to Work agreement with the Secretary. The Secretary may agree to extend the term of the agreement and to make any necessary changes to accommodate regionalization. A Moving to Work agency may be selected as a regional agency if the Secretary determines that unified administration of assistance under sections 8 and 9 by that agency across multiple jurisdictions will lead to efficiencies and to greater housing choice for low-income persons in the region. For purposes of this expansion, in addition to the provisions of the Act retained in section 204, section 8(r)(1) of the Act shall continue to apply unless the Secretary determines that waiver of this section is necessary to implement comprehensive rent reform and occupancy policies subject to evaluation by the Secretary, and the waiver contains, at a minimum, exceptions for requests to port due to employment, education, health and safety. No public housing agency granted this designation through this section shall receive more funding under sections 8 or 9 of the United States Housing Act of 1937 than it otherwise would have received absent this designation. The Secretary shall extend the current Moving to Work agreements of previously designated participating agencies until the end of each such agency's fiscal year 2028 under the same terms and conditions of such current agreements, except for any changes to such terms or conditions otherwise mutually agreed upon by the Secretary and any such agency and such extension agreements shall prohibit any statutory offset of any reserve balances equal to 4 months of operating expenses. Any such reserve balances that exceed such amount shall remain available to any such agency for all permissible purposes under such agreement unless subject to a statutory offset. In addition to other reporting requirements, all Moving to Work agencies shall report financial data to the Department of Housing and Urban Development as specified by the Secretary, so that the effect of Moving to Work policy changes can be measured.

SEC. 240. (a) AUTHORITY.—Subject to the conditions in subsection (d), the Secretary of Housing and Urban Development may authorize, in response to requests received in fiscal years 2016 through 2020, the transfer of some or all project-based assistance, tenant-based assistance, capital advances, debt, and statutorily required use restrictions from housing assisted under section 811 of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 8013) to other new or existing housing, which may include projects, units, and other types of housing, as permitted by the Secretary.

(b) CAPITAL ADVANCES.—Interest shall not be due and repayment of a capital advance shall not be triggered by a transfer pursuant to this section.

(c) PHASED AND PROPORTIONAL TRANSFERS.—

(1) Transfers under this section may be done in phases to accommodate the financing and other requirements related to rehabilitating or constructing the housing to which the assistance is transferred, to ensure that such housing meets the conditions under subsection (d).

(2) The capital advance repayment requirements, use restrictions, rental assistance, and debt shall transfer proportionally from the transferring housing to the receiving housing.

(d) CONDITIONS.—The transfers authorized by this section shall be subject to the following conditions:

(1) the owner of the transferring housing shall demonstrate that the transfer is in compliance with applicable Federal, State, and local requirements regarding Housing for Persons with Disabilities and shall provide the Secretary with evidence of obtaining any approvals related to housing disabled persons that are necessary under Federal, State, and local government requirements;

(2) the owner of the transferring housing shall demonstrate to the Secretary that any transfer is in the best interest of the disabled residents by offering opportunities for increased integration or less concentration of individuals with disabilities;

(3) the owner of the transferring housing shall continue to provide the same number of units as approved for rental assistance by the Secretary in the receiving housing;

(4) the owner of the transferring housing shall consult with the disabled residents in the transferring housing about any proposed transfer under this section and shall notify the residents of the transferring housing who are eligible for assistance to be provided in the receiving housing that they shall not be required to vacate the transferring housing until the receiving housing is available for occupancy;

(5) the receiving housing shall meet or exceed applicable physical standards established or adopted by the Secretary; and

(6) if the receiving housing has a mortgage insured under title II of the National Housing Act, any lien on the receiving housing resulting from additional financing shall be subordinate to any federally insured mortgage lien transferred to, or placed on, such housing, except that the Secretary may waive this requirement upon determination that such a waiver is necessary to facilitate the financing of acquisition, construction, or rehabilitation of the receiving housing.

(e) PUBLIC NOTICE.—The Secretary shall publish a notice in the Federal Register of the terms and conditions, including criteria for the Department's approval of transfers pursuant to this section no later than 30 days before the effective date of such notice.

SEC. 241. (a) Of the unobligated balances, including recaptures and carryover, remaining from funds appropriated to the Department of Housing and Urban Development under the heading ''General and Special Risk Program Account'', and for the cost of guaranteed notes and other obligations under the heading ''Native American Housing Block Grants'', $12,000,000 is hereby permanently rescinded.

(b) All unobligated balances, including recaptures and carryover, remaining from funds appropriated to the Department of Housing and Urban Development under the headings ''Rural Housing and Economic Development'', and ''Homeownership and Opportunity for People Everywhere Grants'' are hereby permanently rescinded.

SEC. 242. Funds made available in this title under the heading ''Homeless Assistance Grants'' may be used by the Secretary to participate in Performance Partnership Pilots authorized in an appropriations Act for fiscal year 2016 as initially authorized under section 526 of division H of Public Law 113–76 and extended under section 524 of division G of Public Law 113–235: *Provided*, That such participation shall be limited to no more than 10 continuums of care and housing activities to improve outcomes for disconnected youth.

SEC. 243. With respect to grant amounts awarded under the heading ''Homeless Assistance Grants'' for fiscal years 2015 and 2016 for the Continuum of Care (CoC) program as authorized under subtitle C of title IV of the McKinney-Vento Homeless Assistance Act,

costs paid by program income of grant recipients may count toward meeting the recipient's matching requirements, provided the costs are eligible CoC costs that supplement the recipients CoC program.

SEC. 244. With respect to funds appropriated under the ''Community Development Fund'' heading for formula allocation to states pursuant to 42 U.S.C. 5306(d), the Secretary shall permit a jurisdiction to demonstrate compliance with 42 U.S.C. 5305(c)(2)(A) if it had been designated as majority low- and moderate-income pursuant to data from the 2000 decennial Census and it continues to have economic distress as evidenced by inclusion in a designated Rural Promise Zone or Distressed County as defined by the Appalachian Regional Commission. This section shall apply to any such state funds appropriated under such heading under this Act, in each fiscal year from 2017 through 2020, and under prior appropriation Acts (with respect to any such allocated but uncommitted funds available to any such state).

Other than areas with high rates of defaults and foreclosures, grants may also be provided to approved counseling intermediaries based on a geographic analysis of the Nation by NRC which determines where there is a prevalence of mortgages that are risky and likely to fail, including any trends for mortgages that are likely to default and face foreclosure. A State Housing Finance Agency may also be eligible where the State Housing Finance Agency meets all the requirements under this paragraph. A HUD-approved counseling intermediary shall meet certain mortgage foreclosure mitigation assistance counseling requirements, as determined by NRC, and shall be approved by HUD or NRC as meeting these requirements.

No funds made available under this paragraph may be provided directly to lenders or homeowners to discharge outstanding mortgage balances or for any other direct debt reduction payments.

(3) The use of mortgage foreclosure mitigation assistance by approved counseling intermediaries and State Housing Finance Agencies shall involve a reasonable analysis of the borrower's financial situation, an evaluation of the current value of the property that is subject to the mortgage, counseling regarding the assumption of the mortgage by another non-Federal party, counseling regarding the possible purchase of the mortgage by a non-Federal third party, counseling and advice of all likely restructuring and refinancing strategies or the approval of a work-out strategy by all interested parties.

(4) NRC may provide up to 15 percent of the total funds under this paragraph to its own charter members with expertise in foreclosure prevention counseling, subject to a certification by NRC that the procedures for selection do not consist of any procedures or activities that could be construed as a conflict of interest or have the appearance of impropriety.

(5) HUD-approved counseling entities and State Housing Finance Agencies receiving funds under this paragraph shall have demonstrated experience in successfully working with financial institutions as well as borrowers facing default, delinquency and foreclosure as well as documented counseling capacity, outreach capacity, past successful performance and positive outcomes with documented counseling plans (including post mortgage foreclosure mitigation counseling), loan workout agreements and loan modification agreements. NRC may use other criteria to demonstrate capacity in underserved areas.

(6) Of the total amount made available under this paragraph, up to $2,000,000 may be made available to build the mortgage foreclosure and default mitigation counseling capacity of counseling intermediaries through NRC training courses with HUD-approved counseling intermediaries and their partners, except that private financial institutions that participate in NRC training shall pay market rates for such training.

(7) Of the total amount made available under this paragraph, up to 5 percent may be used for associated administrative expenses for NRC to carry out activities provided under this section.

(8) Mortgage foreclosure mitigation assistance grants may include a budget for outreach and advertising, and training, as determined by NRC.
