Semiannual Regulatory Agenda

AGENCY: Office of the Secretary, Interior.

ACTION: Semiannual regulatory agenda.

SUMMARY: This notice provides the semiannual agenda of rules scheduled for review or development between fall 2010 and spring 2011. The Regulatory Flexibility Act and Executive Order 12866 require publication of the agenda.

ADDRESS: Unless otherwise indicated, all Agency Contacts are located at the Department of the Interior, 1849 C Street NW., Washington, DC 20240.

FOR FURTHER INFORMATION CONTACT: You should direct all comments and inquiries about these rules to the appropriate Agency Contact. You should direct general comments relating to the agenda to the Office of Executive Secretariat, Department of the Interior, at the address above or at 202-208-3181.

SUPPLEMENTARY INFORMATION: With this publication, the Department satisfies the requirement of Executive Order 12866 that the Department publish an agenda of rules that we have issued or expect to issue and of currently effective rules that we have scheduled for review.

Simultaneously, the Department meets the requirement of the Regulatory Flexibility Act (5 U.S.C. 601 et seq.) to publish an agenda in April and October of each year identifying rules that will have significant economic effects on a substantial number of small entities. We have specifically identified in the agenda rules that will have such effects.

This edition of the Unified Agenda of Federal Regulatory and Deregulatory Actions includes The Regulatory Plan, which appears in both the online Unified Agenda and in part II of today’s Federal Register. The Department’s Statement of Regulatory Priorities is included in the plan.

John A. Strylowski, Federal Register Liaison Officer.

### Department of the Interior (DOI) Proposed Rule Stage

**United States Fish and Wildlife Service (FWS)**

**390. NATIONAL WILDLIFE REFUGE SYSTEM; OIL AND GAS REGULATIONS**

Legal Authority: 16 USC 668dd–ee; 42 USC 7401 et seq; 16 USC 1131 to 1136; 40 CFR 51.300 to 51.309

Abstract: We propose regulations that ensure that all operators conducting oil or gas operations within a National Wildlife Refuge System unit do so in a manner as to prevent or minimize damage to National Wildlife Refuge System resources, visitor values, and management objectives. FWS does not intend these regulations to result in a taking of a property Interest, but rather to impose reasonable controls on operations that affect federally owned or controlled lands and/or waters.
