¶9.18 OCTOBER SURPRISE

Mr. DERRICK, pursuant to House Resolution 303, called up the following resolution (H. Res. 258):

Resolved, That (1) There is hereby created a Task Force of Members of the House Committee on Foreign Affairs to Investigate Certain Allegations Concerning the Holding of Americans as Hostages by Iran in 1980, to be composed of thirteen Members of the House Committee on Foreign Affairs to be appointed by the Speaker, one of whom he shall designate as chairman. The Speaker shall, with respect to the Republican Members of the Task Force, make such appointments upon consultation with the Republican Leader. Any vacancy occurring in the membership of the Task Force shall be filled in the same manner in which the original appointment was made. The Task Force is, with respect to the matters described below, authorized and directed to conduct a full and complete investigation and study, and to make such findings as are warranted, including, where appropriate, a finding that no credible evidence can be found to support particular allegations. The Task Force is further authorized and directed to make such recommendations to the Committee on Foreign Affairs as the Task Force deems appropriate, including those concerning the amendment of existing legislation or the enactment of new legislation. The Task Force shall fulfill these functions with respect to the following matters:

(a) Communications by or on behalf of the 1980 Reagan Presidential Campaign, or individuals representing or associated with that campaign, with any person or persons representing or associated with the Iranian Government or those persons with Iran holding Americans as Hostages during 1979 and 1980;

(b) Any attempt or proposal to attempt, by the 1980 Reagan Presidential Campaign or persons representing or associated with that campaign, to delay the release of the Americans held as hostages in Iran;

(c) Any activity by the 1980 Reagan Presidential Campaign to acquire or disseminate any information relating to actions being taken or considered by the United States Government in an effort to obtain the release of the Americans being held as hostages in Iran;

(d) Any sale or other transmittal of arms, spare parts or other assistance to Iran, in

1980 or thereafter, by any person or nation, intended to delay the release of the American held as Hostages by Iran, and any approval, acquiescence or knowledge of such sales or transmittals by the 1980 Reagan Presidential Campaign or persons representing or associated with that campaign; and

(e) Any actions taken to keep any communications or actions as described above, if any such communications or actions took place, from being revealed to the Government of the United States or the American people.

(2) One-third of the members of the Task Force shall constitute a quorum for the transaction of business other than the reporting of a matter, which shall require a majority of the Task Force to be actually present, except that the Task Force may designate a lesser number, but not less than two, as a quorum for the purpose of holding hearings to take testimony. When a quorum for any particular purpose is present, general proxies may be counted for that purpose. The Task Force may sit while the House is reading a measure for amendment under the five-minute rule. The rules of the House shall govern the Task Force where not inconsistent with this resolution. The Task Force shall adopt additional written rules, which shall be public, to govern its procedures, which shall not be inconsistent with this resolution or the rules of the House. Such rules may govern the conduct of the depositions, interviews, and hearings of the Task Force, including the persons present. Such rules shall provide for the protection of classified information from unauthorized disclosure.

(3) The Task Force is authorized to sit and act during the present Congress at such times and places within the United States, including any Commonwealth or possession thereof, or in any other country, whether the House is in session, or has adjourned; to require, by subpoena or otherwise, the attendance and testimony of such witnesses, the furnishing of information by interrogatory, and the production of such books, records, correspondence, memoranda, papers, documents, calendars, recordings, data compilations from which information can be obtained, tangible objects, and other things and information of any kind as it deems necessary, including all intelligence materials however classified, White House materials, campaign materials, materials of present and former government officials and materials pertaining to unvouchered expenditures or concerning communications interceptions or surveillance; and to obtain evidence in other appropriate countries with the cooperation of their governments and by letters rogatory, commissions, field depositions and other appropriate mechanisms. Unless otherwise determined by the Task Force the chairman, upon consultation with the ranking Republican member, on the Task Force, shall authorize and issue subpoenas. Subpoenas shall be issued under the seal of the House and attested by the Clerk, and may be served by any person designated by the chairman or any member. The Task Force may request investigations, reports, and other assistance from any agency of the executive, legislative, and judicial branches of the Federal Government.

(4) The chairman, or in his absence a member designated by the chairman, shall preside at all meetings and hearings of the Task Force. All meetings and hearings of the Task Force shall be conducted in open session, unless a majority of members of the Task Force voting, there being in attendance the requisite number required for the purpose of hearings to take testimony, vote to close a meeting or hearing.

(5) The Chairman, upon consultation with the ranking Republican member, may employ and fix the compensation of such clerks,

experts, consultants, technicians, attorneys, investigators, and clerical and stenographic assistants as it considers necessary to carry out the purposes of this resolution. The Task Force shall be deemed a committee of the House for all purposes of law, including House Rule XI (2)(n), and sections 6005, 1505, and 1621 of title 18, section 192 of title 2, 1754(b)(1)(B)(ii) of title 22, and section 734(a) of title 31, United States Code. The Task Force may reimburse the members of its staff for travel, subsistence, and other necessary expenses incurred by them in the performance of the duties vested in the Task Force, other than expenses in connection with meetings of the Task Force held in the District of Columbia.

(6) Unless otherwise determined by the Task Force the chairman, upon consultation with the ranking Republican member, or the Task Force, may authorize the taking of affidavits, and of depositions pursuant to notice or subpoena, by a Member or by designated staff, under oath administered by a Member or a person otherwise authorized by law to administer oaths. Disposition and affidavit testimony shall be deemed to have been taken in Washington, DC, before the Task Force once filed there with the clerk of the Task Force for the Task Force's use. Depositions shall be deemed to be taken in Executive Session.

(7) The Task Force shall be authorized to respond to any judicial or other process, or to make any applications to court, upon consultation with the Speaker consistent with rule L.

(8) The Task Force shall provide other committees and Members of the House with access to information and proceedings, consistent with rule XLVIII(7)(c): Provided, That the Task Force may direct that particular matters or classes of matter shall not be made available to any person by its members, staff, or others, or may impose any other restriction. The Task Force may require its staff to enter nondisclosure agreements and its chairman, in consultation with the ranking Republican member, may require others, such as counsel for witnesses, to do so: Provided further, That the Task Force shall, as appropriate, provide access to information and proceedings to the Speaker, the Majority Leader, the Republican Leader, and their appropriately cleared and designated staff.

(9) Authorized expenses of the Task Force for investigations and studies, including for the procurement of the services of individual consultants or organizations thereof, and for training of staff, shall be paid from the contingent fund of the House upon vouchers signed by the chairman and approved by the Chairman of the Committee on House Administration.

(10) By July 1, 1992, the Task Force shall report to the House the status of its investigation. With respect to this and any other report of the Task Force, including its final report, the report shall be accompanied by supplemental or additional minority views.

(11) At the conclusion of the existence of the Task Force all records of the Task Force shall become the records of the Committee on Foreign Affairs except for those records relating to intelligence matters which shall, upon the Task Force's designation, become the records of the House Permanent Select Committee on Intelligence.

Pursuant to House Resolution 303, the amendment recommended by the Committee on Rules, as modified by the amendment recommended by the Committee on House Administration was considered as adopted.

Pending consideration of said resolution,

19.19 POINT OF ORDER

Mr. MCEWEN made a point of order against the resolution, and said:

"Mr. Speaker, House rule XI, clause 5(a) provides that whenever a committee, commission or other entity is to be granted authorization for the payment from the contingent fund of the House of its expenses in any year, 'such authorization initially shall be procured by one primary expense resolution for the committee, commission or other entity.'

"The rule goes on to require that 'any such primary expense resolution reported to the House shall not be considered in the House unless a printed report on that resolution' shall 'state the total amount of the funds to be provided to the committee, commission or other entity under the primary expense resolution for all anticipated activities and programs * * *'

"Mr. Speaker, it is my assumption that this resolution, which was reported by the House Administration and authorizes the payment of expenses from the contingent fund, is the primary expense resolution for the task force. And yet the committee report on this resolution, House Report 102-296, part II, does not 'state the total amount of funds to be provided' as required by rule XI, clause 5(a).

"If, on the other hand, it is argued that House Resolution 258 is not a primary expense resolution, then it is not in order since House rule XI, clause 5(a) requires that whenever any entity such as this task force is to be granted authorization for the payment of expenses from the contingent fund, and I quote, 'such authorization initially shall be procured by one primary expense resolution for the committee, commission or other entity.' In other words, this resolution is not in order until after a primary expense resolution has been adopted by this House."

Mr. DERRICK was recognized to speak to the point of order and said:

"Mr. Speaker, under clause 5(c), the funds will be provided to the Committee on Foreign Affairs and they will, in turn, provide the funds to the subcommittee, I mean to the committee that we are establishing."

The SPEAKER pro tempore, Mr. OBEY, overruled the point of order, and said:

"The gentleman from Ohio, in a point of order, suggests to the House that under rule XI, clause 5(a), there needs to be a total amount stated in the report of the Committee on House Administration for funding of the task force, and the Chair would simply point out that the primary expense resolution for the Committee on Foreign Affairs and all other committees will be reported to the House later this year.

"As the gentleman from South Carolina has attempted to point out to the House, clause 5(c) of rule XI reads as follows:

"The preceding provisions of this clause do not apply to—
