(a) **IN GENERAL.**—Notwithstanding the land use planning requirements contained in sections 202 and 203 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1712 and 1713), but subject to subsection (b) of this section and valid existing rights, the Secretary shall convey to the County all right, title, and interest of the United States in and to the Federal public lands identified for disposition on the map entitled “Ivanpah Valley, Nevada-Airport Selections” numbered 01, and dated April 1999, for the purpose of developing an airport facility and related infrastructure. The Secretary shall keep such map on file and available for public inspection in the offices of the Director of the Bureau of Land Management and in the district office of the Bureau located in Las Vegas, Nevada.

(b) **CONDITIONS.**—The Secretary shall make no conveyance under subsection (a) until each of the following conditions are fulfilled:

(1) The County has conducted an airspace assessment, using the airspace management plan required by section 4(a), to identify any potential adverse effects on access to the Las Vegas Basin under visual flight rules that would result from the construction and operation of a commercial or primary airport, or both, on the land to be conveyed.

(2) The Federal Aviation Administration has made a certification under section 4(b).

(3) The County has entered into an agreement with the Secretary to retain ownership of Jean Airport, located at Jean, Nevada, and to maintain and operate such airport for general aviation purposes.

(c) **PAYMENT.**—

(1) **IN GENERAL.**—As consideration for the conveyance of each parcel, the County shall pay to the United States an amount equal to the fair market value of the parcel.

Such funds may be expended only for the acquisition of private inholdings in the Mojave National Preserve and for the protection and management of the petroglyph resources in Clark County, Nevada. The second sentence of section 4(f) of such Act (112 Stat. 2346) shall not apply to interest earned on amounts deposited under this paragraph.

(B) The Secretary may not expend funds pursuant to this section until—

(i) the provisions of section 5 of this Act have been completed; and

(d) REVERSION AND REENTRY.—If, following completion of compliance with section 5 of this Act and in accordance with the findings made by the actions taken in compliance with such section, the Federal Aviation Administration and the County determine that an airport should not be constructed on the conveyed lands—

(1) the Secretary of the Interior shall immediately refund to the County all payments made to the United States for such lands under subsection (c); and

(2) upon such payment—

(A) all right, title, and interest in the lands conveyed to the County under this Act shall revert to the United States; and

(b) CERTIFICATION OF ASSESSMENT.—The Administrator of the Federal Aviation Administration shall certify to the Secretary that the assessment made by the County under section 2(b)(1) is thorough and that alternatives have been developed to address each adverse effect identified in the assessment, including alternatives that ensure access to the Las Vegas Basin under visual flight rules at a level that is equal to or better than existing access.

**SEC. 5. COMPLIANCE WITH NATIONAL ENVIRONMENTAL POLICY ACT OF 1969 REQUIRED.**

Prior to construction of an airport facility on lands conveyed under section 2, all actions required under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) with respect to initial planning and construction shall be completed by the Secretary of Transportation and the Secretary of the Interior as joint lead agencies.
