

Public Law 109–92
109th Congress

An Act

To prohibit civil liability actions from being brought or continued against manufacturers, distributors, dealers, or importers of firearms or ammunition for damages, injunctive or other relief resulting from the misuse of their products by others.

Oct. 26, 2005
[S. 397]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Protection of Lawful Commerce in Arms Act”.

Protection of
Lawful
Commerce in
Arms Act.
15 USC 7901
note.

SEC. 2. FINDINGS; PURPOSES.

15 USC 7901.

(a) **FINDINGS.**—Congress finds the following:

(1) The Second Amendment to the United States Constitution provides that the right of the people to keep and bear arms shall not be infringed.

(2) The Second Amendment to the United States Constitution protects the rights of individuals, including those who are not members of a militia or engaged in military service or training, to keep and bear arms.

(3) Lawsuits have been commenced against manufacturers, distributors, dealers, and importers of firearms that operate as designed and intended, which seek money damages and other relief for the harm caused by the misuse of firearms by third parties, including criminals.

(4) The manufacture, importation, possession, sale, and use of firearms and ammunition in the United States are heavily regulated by Federal, State, and local laws. Such Federal laws include the Gun Control Act of 1968, the National Firearms Act, and the Arms Export Control Act.

(5) Businesses in the United States that are engaged in interstate and foreign commerce through the lawful design, manufacture, marketing, distribution, importation, or sale to the public of firearms or ammunition products that have been shipped or transported in interstate or foreign commerce are not, and should not, be liable for the harm caused by those who criminally or unlawfully misuse firearm products or ammunition products that function as designed and intended.

(6) The possibility of imposing liability on an entire industry for harm that is solely caused by others is an abuse of the legal system, erodes public confidence in our Nation’s laws, threatens the diminution of a basic constitutional right and civil liberty, invites the disassembly and destabilization of other industries and economic sectors lawfully competing

in the free enterprise system of the United States, and constitutes an unreasonable burden on interstate and foreign commerce of the United States.

(7) The liability actions commenced or contemplated by the Federal Government, States, municipalities, and private interest groups and others are based on theories without foundation in hundreds of years of the common law and jurisprudence of the United States and do not represent a bona fide expansion of the common law. The possible sustaining of these actions by a maverick judicial officer or petit jury would expand civil liability in a manner never contemplated by the framers of the Constitution, by Congress, or by the legislatures of the several States. Such an expansion of liability would constitute a deprivation of the rights, privileges, and immunities guaranteed to a citizen of the United States under the Fourteenth Amendment to the United States Constitution.

(8) The liability actions commenced or contemplated by the Federal Government, States, municipalities, private interest groups and others attempt to use the judicial branch to circumvent the Legislative branch of government to regulate interstate and foreign commerce through judgments and judicial decrees thereby threatening the Separation of Powers doctrine and weakening and undermining important principles of federalism, State sovereignty and comity between the sister States.

(b) PURPOSES.—The purposes of this Act are as follows:

(1) To prohibit causes of action against manufacturers, distributors, dealers, and importers of firearms or ammunition products, and their trade associations, for the harm solely caused by the criminal or unlawful misuse of firearm products or ammunition products by others when the product functioned as designed and intended.

(2) To preserve a citizen's access to a supply of firearms and ammunition for all lawful purposes, including hunting, self-defense, collecting, and competitive or recreational shooting.

(3) To guarantee a citizen's rights, privileges, and immunities, as applied to the States, under the Fourteenth Amendment to the United States Constitution, pursuant to section 5 of that Amendment.

(4) To prevent the use of such lawsuits to impose unreasonable burdens on interstate and foreign commerce.

(5) To protect the right, under the First Amendment to the Constitution, of manufacturers, distributors, dealers, and importers of firearms or ammunition products, and trade associations, to speak freely, to assemble peaceably, and to petition the Government for a redress of their grievances.

(6) To preserve and protect the Separation of Powers doctrine and important principles of federalism, State sovereignty and comity between sister States.

(7) To exercise congressional power under article IV, section 1 (the Full Faith and Credit Clause) of the United States Constitution.

15 USC 7902.

(a) IN GENERAL.—A qualified civil liability action may not be brought in any Federal or State court.

(b) **DISMISSAL OF PENDING ACTIONS.**—A qualified civil liability action that is pending on the date of enactment of this Act shall be immediately dismissed by the court in which the action was brought or is currently pending.
