

With the passage of the law, the Bosnian Government has made good on its commitments. Now we can make good on ours: the U.S.-led, international train-and-equip program will begin immediately. We anticipate the program will start in a matter of days in Sarajevo when the Federation signs a contract with MPRI, a U.S.-based company which will execute and manage the program within Bosnia. MPRI will conduct its first training session for senior military leaders in Bosnia within approximately 3 to 4 weeks.

The U.S. drawdown and transfer of approximately \$100 million worth of military equipment

to Bosnia will also now begin soon. The drawdown package includes individual equipment items, tactical communications assets, small arms and ammunition, main battle tanks, armored personnel carriers, light antitank weapons, and utility helicopters.

NOTE: In his statement, the President referred to President Alija Izetbegovic of Bosnia-Herzegovina and President Kresimir Zubak of the Bosnian Federation.
