## Statement on Indictment of Mexican Bankers Involved in Laundering Drug Money *May 18, 1998*

I am pleased that the Treasury Department and the United States Customs Service have joined today with the Justice Department to take a significant step to protect our Nation and its children from drugs. The indictments today send a clear message that those who help finance drug operations, who launder drug money, who

make it possible for drug dealers to earn their illegal profits will not escape the long arm of our Nation's law enforcement. We still have much to do, but let no one doubt that we will press this fight relentlessly against the drug cartels and all their partners in crime.

## Message to the Congress on Continuation of the National Emergency With Respect to Burma *May 18, 1998*

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice to the *Federal Register* for publication, stating that the emergency declared with respect to Burma is to continue in effect beyond May 20, 1998.

As long as the Government of Burma continues its policies of committing large-scale re-

pression of the democratic opposition in Burma, this situation continues to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. For this reason, I have determined that it is necessary to maintain in force these emergency authorities beyond May 20, 1998.
