and California, there has been a serious decline in groundfish stocks.

The economic threat to fishing communities is severe. I am asking Congress to provide emergency assistance of \$56 million to provide aid to those whose economic welfare is threatened by this crisis and to fund research to identify the causes and potential solutions to these prob-

lems to restore the long-term health of our vital fishing industry. I urge Congress to act quickly to provide relief to communities that are clearly in need.

Statement on Signing the Poison Control Center Enhancement and Awareness Act

February 25, 2000

Today I am pleased to sign a bipartisan bill that will help save lives by giving families immediate access to vital information about poison control. Each year, more than 2 million poisonings are reported to the Nation's poison control centers, and more than half of the victims are young children. The Poison Control Center Enhancement and Awareness Act authorizes \$140 million over the next 5 years to fund the Nation's poison control centers, carry out a national media campaign, and establish a national toll-free telephone poison control hot-

line to give callers immediate information if there is an accident in the home. This new funding will help provide vital resources and information to inform the public about poison control and assist parents in protecting the health and safety of their children.

NOTE: S. 632, approved February 25, was assigned Public Law No. 106-174. A portion of the President's statement was also made available on the White House Press Office Actuality Line.

Letter to Congressional Leaders on Continuation of the National Emergency With Respect to Cuba

February 25, 2000

Dear Mr. Speaker: (Dear Mr. President:)

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice to the *Federal Register* for publication, stating that the emergency declared with respect to the Government of Cuba's destruction of two un-

armed U.S.-registered civilian aircraft in international airspace north of Cuba on February 24, 1996, is to continue in effect beyond March 1, 2000.

Sincerely,

WILLIAM J. CLINTON

NOTE: Identical letters were sent to J. Dennis Hastert, Speaker of the House of Representatives, and Albert Gore, Jr., President of the Senate. The notice is listed in Appendix D at the end of this volume.
