Statement on the Accident in the Philippines

July 12, 2000

I was deeply saddened to learn of the lives lost and families devastated by the terrible incident that took place on the outskirts of Manila. On behalf of the American people, I extend my deepest sympathies to all those who have suffered losses and injuries. Our thoughts and prayers also go out to those who are still waiting

to hear word about friends and family members still missing.

NOTE: On July 11, debris from the collapse of the Payatas garbage dump killed more than 100 area residents.

Statement on Proposed Medicare Prescription Drug Benefit Legislation

July 12, 2000

Thirty-five years ago this month President Johnson enacted the Medicare program into law. The program has proven to be a remarkable success, providing basic health care services to tens of millions of older Americans and people with disabilities. Since its enactment, there has been a decrease of over 60 percent in elderly poverty and Americans over 65 now have the highest life expectancy of seniors anywhere in the world.

I am particularly proud of my administration's stewardship of the Medicare program. When I came into office, Medicare was projected to be-

come insolvent in 1999. Our success in keeping overall and health care inflation low, combating fraud, waste, and abuse, and making the Medicare program more competitive and efficient has resulted in the strongest Medicare Trust Fund solvency in a quarter century. We have extended the life of the Trust Fund to 2025 and Medicare premiums are nearly 20 percent lower today than projected in 1993. We have also modernized the program to cover preventive services and coverage for clinical trials.

We need to build on our successful management of the Medicare program and prepare it
