

Aug. 15 / Administration of William J. Clinton, 2000

fighting global AIDS. Now Sandy will use America's growing efforts as leverage to encourage other countries to expand financial commitments, to step up prevention efforts, and to

increase access to care and treatment worldwide. Sandy has an extraordinary record of service on this issue, and I am proud to make her America's first envoy in the global fight against AIDS.

Statement on Signing Legislation Designating Wilson Creek in North Carolina as a Part of the National Wild and Scenic Rivers System

August 18, 2000

Today I am pleased to sign into law H.R. 1749, an Act "To designate Wilson Creek in Avery and Caldwell Counties, North Carolina, as a component of the National Wild and Scenic Rivers System."

Wilson Creek possesses all the remarkable values that distinguish the free-flowing rivers of the National Wild and Scenic Rivers System: exceptional scenery; recreational opportunities; fish, wildlife, and botanical communities; and historic and cultural sites. The designation will protect and conserve Wilson Creek and provide continued opportunities for fishing, white-water boating, swimming, and hiking.

I applaud the efforts of the North Carolina congressional delegation along with the County Commissioners and residents of Avery and Caldwell Counties who have worked to preserve and protect this remarkable resource. Their indi-

vidual and collective efforts have preserved for the people of the State of North Carolina and all Americans a natural treasure that, together with the other rivers of the National Wild and Scenic Rivers System, will continue to add immeasurably to the quality of our environment and our national life.

Designation of Wilson Creek as a wild, scenic, and recreational river will finalize a nearly 20-year conservation initiative and will guarantee for future generations that the river and its values are conserved. I am pleased to sign this legislation, which will permanently protect Wilson Creek as part of the National Wild and Scenic Rivers System.

NOTE: H.R. 1749, approved August 18, was assigned Public Law No. 106-261.

Remarks at a Picnic for the Democratic Parties of Franklin, Essex, and Clinton Counties in Saranac Lake, New York

August 18, 2000

Thank you. Well, let me thank all of you for coming out tonight. I thank the mayor and all of our chairs. And Phil Lalande and Anne Tubby, thank you for being with us tonight.

I think Hillary just about said it all, don't you? I thought that was great.

I want to say a few things and then ask you something from a little different perspective. First of all, I want to thank all the people of New York State for voting twice in 1992 and 1996 for Bill Clinton and Al Gore, and I'm very grateful to you. And I want to say a special word of thanks to you for 1996, when we carried 52 of the State's counties, including Franklin,

Essex, and Clinton Counties, by big margins, and I thank you. Now that we know you can do it, I hope you'll do the same thing for Hillary and Al Gore and Joe Lieberman this year.

I was thinking, when Chelsea and I were sitting there listening to Hillary talk, two things. First of all, I thought she was giving a great talk. *[Laughter]* And I thought she gave a great speech at the convention Monday night. And I want to echo what she said about the Vice President's speech last night. It was an extraordinary speech and a great roadmap for the country's future, and I'm grateful for that.
