Statement on Signing Legislation To Expedite the Construction of the World War II Memorial

May 28, 2001

Today I have signed into law H.R. 1696, a bill to expedite the construction of the World War II memorial in the District of Columbia. It is indeed fitting that this measure becomes law on Memorial Day.

This legislation will allow the Nation to express the appreciation due the World War II generation for their selfless sacrifices that preserved the freedoms we all enjoy. I commend the Congress for a truly bipartisan effort to expedite construction of the memorial.

Now that debate over the site and basic design is concluded, the time has come for

all concerned with the creation of the memorial to act with the same determination and sense of common purpose so wonderfully displayed by those we honor. We must get the job done, so that those who served are able to see the Nation's permanent expression of remembrance and thanks.

GEORGE W. BUSH

The White House,
May 28, 2001.

NOTE: H.R. 1696, approved May 28, was assigned Public Law No. 107–11.

Remarks at a Memorial Day Ceremony in Arlington, Virginia

May 28, 2001

Mr. Secretary, thank you very much for those kind remarks. Secretary Principi, General Shelton, and members of the Joint Chiefs of Staff, General Jackson, members of the Cabinet, Members of the United States Congress, honored guests. We have a lot of generations represented here today. But I would like for what's now called the "Greatest Generation" to please stand with those who served in World War II, their

widows, World War II orphans. Please rise. *[Applause]*

My fellow Americans, a few moments ago, for the first time as President, I paid tribute at this tomb where American soldiers were laid to rest. Their names are known only to God, but there is much we do know about them and about all the others we remember today. We know that they all loved their lives as we love ours. We
