

centered in Colombia is to continue in effect for 1 year beyond October 21, 2001.

The circumstances that led to the declaration on October 21, 1995, of a national emergency have not been resolved. The actions of significant narcotics traffickers centered in Colombia continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States and to cause unparalleled violence, corruption, and harm in the United States and abroad. For these reasons, I have determined that it is necessary to maintain economic pressures on significant narcotics traffickers centered in Co-

lombia by blocking their property or interests in property that are in the United States or within the possession or control of United States persons and by depriving them of access to the United States market and financial system.

### Remarks at the California Business Association Breakfast in Sacramento, California

*October 17, 2001*

Thank you all so much for that warm welcome. And I also want to thank the hundreds of our fellow Americans who lined the road coming in from the helicopter pad. It's really good to be here in California to report on our progress in the struggle against terror. Now, there's the long version, and there's a short version.

So I'm going to start with the short version: Our people are united; our Government is determined; our cause is right; and justice will be done.

I want to thank Gerry Parsky. I want to thank all the folks who put on this—organized this event. I appreciate so much
