

May 15 / Administration of George W. Bush, 2002

Yesterday's attack was also aimed at destroying opportunities for South Asia to build a future that is more stable, more peaceful, and more prosperous. We will not allow terrorists to succeed in this larger

mission. The United States will not yield in its determination to work with the people of South Asia to fight terrorism and to build a better future.

Statement on Proposed Charity Aid, Recovery, and Empowerment Legislation

May 15, 2002

I was pleased to meet this morning with the leadership of the United Jewish Communities (UJC). We share a strong commitment to see passage of the CARE ("Charity Aid, Recovery, and Empowerment") Act. The UJC and more than 1,600 other organizations—ranging from America's Second Harvest to the YMCA—support this important piece of legislation, which will spur charitable giving and create a more level playing field for faith-based and community organizations.

America should stand by the charities that support people in need and in crisis. Giving to many charities—and particularly to social service organizations—is down, while the demands on them remain great. The Senate should pass the CARE Act, and the Congress should send me legislation that I can sign that will help support the vital work of thousands of faith-based and community-based charities across America.

Letter to the Speaker of the House of Representatives on Reallocation of
Emergency Response Funds
May 15, 2002

Dear Mr. Speaker:

In furtherance of the provisions of Public Law 107–38, the Emergency Supplemental Appropriations Act for Recovery from and Response to Terrorist Attacks on the United States, FY 2001, today I am notifying the Congress of my intent to reallocate funds previously transferred from the Emergency Response Fund.

This reallocation within the United States Postal Service reflects revised requirements related to the anthrax incidents that af-

ected the Nation’s mail. As provided in Public Law 107–38, the reallocation would be effective 15 days from the date of this transmittal.

The details of this action are set forth in the enclosed letter from the Director of the Office of Management and Budget. I concur with his comments and observations.

Sincerely,

GEORGE W. BUSH

Letter to the Speaker of the House of Representatives on Funding for the
Disaster Relief Program of the Federal Emergency Management Agency
May 15, 2002

Dear Mr. Speaker:

and to ensure that FEMA has resources on hand to provide timely response to future disasters.
