

Letter to the Speaker of the House of Representatives Transmitting Fiscal
Year 2004 Budget Amendments
October 16, 2003

Dear Mr. Speaker:

I ask the Congress to consider the enclosed FY 2004 budget amendments for the Departments of Agriculture and the Interior to reimburse emergency expenses to suppress forest fires in FY 2003.

These amendments would adjust upward the total discretionary budget authority requested by \$0.4 billion, bringing the total discretionary funding agreed to by my Administration and the Congress to \$786.0 billion. While this request increases total discretionary spending beyond the previously agreed upon level, my Administration and congressional leadership determined earlier this year that emergency funding could be added when mutually agreed upon in ad-

vance. This request is consistent with that agreement.

The requests in this transmittal are for the purpose of fulfilling known and urgent requirements that cannot reasonably be met through the use of existing agency funds. I hereby designate the specific proposals in the amounts requested herein as emergency requirements.

The details of these requests are set forth in the enclosed letter from the Director of the Office of Management and Budget.

Sincerely,

GEORGE W. BUSH

Message to the Congress on Continuation of the National Emergency With
Respect to Significant Narcotics Traffickers Centered in Colombia
October 16, 2003

To the Congress of the United States:

Section 202(d) of the National Emergencies Act, 50 U.S.C. 1622(d) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. Consistent with this provision, I have sent the enclosed notice, stating that the emergency declared with respect to significant narcotics traffickers centered in Colombia is to continue in effect beyond October 21, 2003, to the *Federal Register* for publication. The most recent notice continuing this emergency was

published in the *Federal Register* on October 18, 2002.

The circumstances that led to the declaration on October 21, 1995, of a national emergency have not been resolved. The actions of significant narcotics traffickers centered in Colombia continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States and to cause unparalleled violence, corruption, and harm in the United States and abroad. For these reasons, I have determined that it is necessary to maintain economic pressure on significant narcotics traffickers centered in Colombia by blocking their property or interests in property that are in the United States or within the possession or control
