

## Statement on Senate Passage of Appropriations Legislation January 22, 2004

I am pleased that the Senate has passed the omnibus budget bill, which fulfills important commitments like AIDS relief, education and DC school choice, veterans health care, law enforcement, and other priorities.

This bill stays within the spending limits I proposed, which is necessary as we work

to cut the deficit in half over the next 5 years. I will continue to work with the Congress to focus on priorities, cut wasteful spending, and be wise with the people's money. I look forward to signing this bill into law.

## Letter to Congressional Leaders Reporting on Continued Operations of United States Forces in Bosnia and Herzegovina January 22, 2004

*Dear Mr. Speaker: (Dear Mr. President:)*

In my report to the Congress of July 22, 2003, I provided information on the deployment of combat-equipped U.S. Armed Forces to Bosnia and Herzegovina and other states in the region in order to participate in and support the North Atlantic Treaty Organization (NATO)-led Stabilization Force (SFOR). The SFOR began its mission and assumed authority from the NATO-led Implementation Force on December 20, 1996. I am providing this supplemental report, prepared by my Administration and consistent with the War Powers Resolution (Public Law 93-148), to help ensure that the Congress is kept fully informed on continued U.S. contributions in support of peacekeeping efforts in the former Yugoslavia.

The U.N. Security Council authorized Member States to continue SFOR for a period of 12 months in U.N. Security Council Resolution 1491 of July 11, 2003. The mission of SFOR is to provide a focused military presence in order to deter hostilities, stabilize and consolidate the peace in Bosnia and Herzegovina, contribute to a secure environment, and provide, within its means and capabilities, se-

lective support to key tasks and key civil implementation organizations.

The U.S. force contribution to SFOR in Bosnia and Herzegovina is approximately 1,800 personnel. United States personnel comprise approximately 15 percent of the total SFOR force of approximately 12,000 personnel. During the second half of 2003, 14 NATO nations and 11 others provided military personnel or other support to SFOR. Most U.S. forces in Bosnia and Herzegovina are assigned to Multinational Brigade, North, headquartered near the city of Tuzla. The U.S. forces continue to support SFOR efforts to apprehend persons indicted for war crimes and to conduct counterterrorism operations. In the last 6 months, U.S. forces have not sustained any combat-related fatalities.

I have directed the participation of U.S. Armed Forces in these operations pursuant to my constitutional authority to conduct U.S. foreign relations and as Commander in Chief and Chief Executive.

I am providing this report as part of my efforts to keep the Congress fully informed about developments in Bosnia and Herzegovina. I will continue to consult
