

Message to the Congress Transmitting a Notification of Intent To  
Designate Iraq as a Beneficiary Developing Country for Purposes of the  
Generalized System of Preferences  
*September 7, 2004*

*To the Congress of the United States:*

Pursuant to section 502(f) of the Trade Act of 1974, as amended (the “1974 Act”), I am writing to inform you of my intent to designate Iraq as a beneficiary developing country for purposes of the Generalized System of Preferences (GSP).

I have considered the criteria set forth in sections 501 and 502 of the 1974 Act. In light of these criteria, I have determined

that it is appropriate to extend GSP benefits to Iraq.

GEORGE W. BUSH

The White House,  
September 7, 2004.

NOTE: The proclamation of September 7 to modify the Generalized System of Preferences is listed in Appendix D at the end of this volume.

Letter to the Speaker of the House of Representatives Transmitting Budget  
Amendments  
*September 7, 2004*

*Dear Mr. Speaker:*

I ask the Congress to consider the enclosed FY 2005 budget amendments for the Department of Agriculture, the Department of Energy, and the Corps of Engineers. In total, these amendments would not increase the discretionary budget authority proposed in my FY 2005 Budget.

The details of these proposals are set forth in the enclosed letter from the Director of the Office of Management and Budget.

Sincerely,

GEORGE W. BUSH

Remarks on Intelligence Reform  
*September 8, 2004*

I want to thank the Members who are here. Thank—thank you all for coming today. We are going to discuss intelligence reform. I will be submitting a plan to the Congress that strengthens intelligence reform—strengthens the intelligence services. We believe that there ought to be a National Intelligence Director who has full budgetary authority. We’ll talk to Members

of Congress about how to implement that. I look forward to working with the Members to get a bill to my desk as quickly as possible.

It’s important we get our intelligence gathering correct. After all, we’re still at war. We’ve got to find the enemy before they hurt us. We’ve got to do everything we can to protect the homeland. We’re still
