

Statement on Senate Action To Allow for Environmentally Responsible  
Energy Exploration in a Small Part of the Arctic National Wildlife Refuge  
*March 16, 2005*

I applaud today's vote in the Senate to allow for environmentally responsible energy exploration in a small part of the Arctic National Wildlife Refuge. A reliable domestic supply of energy is important to America's security and prosperity. This project will keep our economy growing by creating jobs and ensuring that businesses can expand. And it will make America less

dependent on foreign sources of energy, eventually by up to a million barrels of oil a day.

I also call on the Congress to pass a comprehensive national energy plan that will diversify supply, increase conservation and efficiency, and upgrade our energy infrastructure.

Message on the Observance of Nowruz  
*March 16, 2005*

I send greetings to those celebrating Nowruz.

Nowruz marks the arrival of a new year and the celebration of life. It has long been an opportunity to spend time with family and friends and enjoy the beauty of nature.

Many Americans who trace their heritage to Iran, Iraq, Afghanistan, Pakistan, Azerbaijan, Turkey, and Central Asia observe this special occasion to preserve their rich heritage and ensure that their values and

traditions are passed on to future generations. This festival also reminds all Americans of the diversity that has made our Nation stronger and better.

Laura and I send our best wishes for peace and prosperity in the New Year.

GEORGE W. BUSH
