Next Steps

We will establish Ministerial-led working groups that will consult with stakeholders in our respective countries. These working groups will respond to the priorities of our people and our businesses, and will set specific, measurable, and achievable goals. They will identify concrete steps that our governments can take to meet these goals, and set implementation dates that will permit a rolling harvest of accomplishments.

Within 90 days, Ministers will report back to us with their initial report. Following this, the groups will report on a semi-annual basis. Because the Partnership will be an ongoing process of cooperation, new items will be added to the work agenda by mutual agreement as circumstances warrant.

Through this Partnership, we will ensure that North America remains the most economically dynamic region of the world and a secure home for our people in this and future generations.

Message on the Observance of Easter 2005

March 24, 2005

For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life.

JOHN 3:16

I send greetings to all those celebrating Easter, the Resurrection of Jesus Christ. Through His sacrifice and triumph over death, Christ lifted the sights of humanity forever. In His teachings, the poor have heard hope, the proud have been challenged, and the weak and dying have found assurance. Today, the words of Jesus continue to comfort and strengthen Christians around the world.

During this holy season, we thank God for His blessings and ask for His wisdom and guidance. We also keep in our thoughts and prayers the men and women of our Armed Forces—especially those far from home, separated from family and friends by the call of duty. May the joy of Easter fill our hearts with gratitude for our freedom, love for our neighbors, and hope for peace.

Laura and I wish you a Happy Easter.
