## Letter to the Speaker of the House of Representatives Revising Budget Amendments for the Department of Veterans Affairs *January 28, 2006*

*Dear Mr. Speaker:*

My Administration is committed to ensuring that our Nation's veterans continue to receive timely and high-quality health care.

On July 14, 2005, I submitted an FY 2006 budget amendment to the Congress of \$1.977 billion to cover increased costs in the Department of Veterans Affairs medical care system. I did not designate the funds as an emergency requirement when I submitted the FY 2006 budget amendment. While I believe this funding should be categorized as part of the VA's base budget, it is critical that this funding be made available to meet veterans' needs. As a result, to provide the needed funds to veterans in a timely manner and consistent with the 2006 Military Quality of Life and

Veterans Affairs Appropriations Act, Public Law 109-114, I hereby revise that request to designate \$1.225 billion of the amount proposed in that amendment as an emergency requirement. I appreciate your cooperation in working with me to ensure the highest quality of care for our veterans.

Additional information on this action is set forth in the enclosed letter from the Director of the Office of Management and Budget. The details of the FY 2006 amendment were included in the previous transmittal.

Sincerely,

GEORGE W. BUSH

## Remarks Following a Cabinet Meeting and an Exchange With Reporters *January 30, 2006*

*The President.* I want to thank the members of my Cabinet for being here. We just had a really good discussion about the year 2006. Tomorrow night I'm going to be speaking to the Congress, giving the country my State of the Union Address. I can't tell you how upbeat I am about our future, so long as we're willing to lead.

We talked about how to make sure that America continues to spread the peace and

to protect ourselves. I heard from the Secretary of Defense and Deputy Secretary of State about very positive initiatives, not only in the Middle East but in the Far East as well. We talked about how to make sure this economy of ours stays the strongest economy in the world and that we recognize we can't just sit back and hope for the best, that we've got to lead. And so we had a good discussion about matters
