Letter to Congressional Leaders on Continuation of the National Emergency With Respect to Terrorists Who Threaten To Disrupt the Middle East Peace Process

January 18, 2006

Dear Mr. Speaker: (Dear Mr. President:)

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice, stating that the emergency declared with respect to foreign terrorists who threaten to disrupt the Middle East peace process is to continue in effect beyond January 23, 2006. The most recent notice continuing this emergency was published in the *Federal Register* on January 21, 2005 (70 FR 3277).

The crisis with respect to the grave acts of violence committed by foreign terrorists who disrupt the Middle East peace process that led to the declaration of a national emergency on January 23, 1995, as ex-

panded on August 20, 1998, has not been resolved. Terrorist groups continue to engage in activities that have the purpose or effect of threatening the Middle East peace process and that are hostile to United States interests in the region. Such actions constitute an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency declared with respect to foreign terrorists who threaten to disrupt the Middle East peace process and to maintain in force the economic sanctions against them to respond to this threat.

Sincerely,

GEORGE W. BUSH

NOTE: Identical letters were sent to J. Dennis Hastert, Speaker of the House of Representatives, and Richard B. Cheney, President of the Senate. The notice is listed in Appendix D at the end of this issue.
