

Statement on the Framework Agreement With Canada on Softwood
Lumber Trade
April 27, 2006

I am pleased that the United States and Canada concluded a framework agreement today to resolve the long-standing dispute on softwood lumber trade. This agreement shows how NAFTA partners can overcome differences and work together. The United States close ties with our good friend and

northern neighbor made this agreement possible. I applaud Prime Minister Harper's leadership in resolving this issue, and I am grateful to the lead negotiators on both sides, Ambassador Susan C. Schwab for the United States and Ambassador Michael Wilson of Canada.

Message to the Congress Transmitting an Executive Order Blocking
Property of Persons in Connection With the Conflict in Sudan's Darfur
Region
April 27, 2006

To the Congress of the United States:

Pursuant to the International Emergency Economic Powers Act (IEEPA), I hereby report that I have issued an Executive Order (the "order") blocking the property of persons in connection with the conflict in Sudan's Darfur region. In that order, I have expanded the scope of the national emergency declared in Executive Order 13067 of November 3, 1997, with respect to the policies and actions of the Government of Sudan, to address the unusual and extraordinary threat to the national security and foreign policy of the United States posed by the actions and circumstances involving Darfur, as described below.

I also note that the United Nations Security Council has strongly condemned the continued viola-

tions of human rights and international humanitarian law in Sudan's Darfur region and, in particular, the continuation of violence against civilians and sexual violence against women and girls.

United Nations Security Council Resolution (UNSCR) 1591 determined that the situation in Darfur constitutes a threat to international peace and security in the region and called on Member States to take certain measures against persons responsible for the continuing conflict. The United Nations Security Council has encouraged all parties to negotiate in good faith at the Abuja talks and to take immediate steps to support a peaceful settlement to the conflict in Darfur, but has continued to express serious concern at the persistence of the crisis in Darfur in UNSCR 1651 of December 21, 2005.

Pursuant to IEEPA, the National Emergencies Act, and the United Nations Participation Act (UNPA), I have determined that these actions and circumstances constitute an unusual and extraordinary threat to the national security and foreign policy of the United States, and have issued an Executive Order expanding the scope of the
